Find out how much you really know about some of the most influential women in pop.

Keeping Minds Happy and Healthy is a practical resource for teachers and shows how pupils can achieve and maintain excellent mental health. It focuses on identifying the main causes of unhappiness, stress and anxiety, by examining the difficulties a school system can inadvertently create for pupils. By developing resilience, empathic behaviour, social skills and self respect during childhood, pupils will better equipped to withstand the pressures of modern society and growing up. With practical tip sheets and advice Keeping Minds Happy and Healthy suggests ways to create a more positive educational experience for all pupils. Pat Guy shows how schools can increase all pupils' well-being, enabling them to deal with the challenging situations they face as they move through education and into the adult world. Amy Winehouse's bright star burned out on July 23 2011.Amy lived a rock-star lifestyle to the max, replacing an addiction to drugs with a battle against alcohol. When she died, aged 27, she joined a long list of musicians whose lives had been tragically cut short at the same age – the likes of Jimi Hendrix, Kurt Cobain and Jim Morrison.She burst onto the scene with her debut album, “Frank”, in 2003.But it was her follow-up, “Back To Black”, in 2006 that won her millions of fans right around the world as she won five Grammy Awards for the album.Her chart success, though, would always be measured against a personal life full of trauma.She wrote “Back To Black” about Blake Fielder-Civil, who she married in 2007. But they spent little time together as a married couple as Blake was sent to prison.Theirs was a stormy romance, and despite divorcing they would remain in love with each other until she died. There were always plenty of other men in Amy’s life, though.In the end she died alone in her bed. A bodyguard kept her protected from the outside world, but nobody could protect her from herself...

Perfect Family Quiz is an invaluable source of entertainment for the whole family. Whether you’re looking for a fun way to spend a rainy day, an activity for a long car journey, or you simply want to improve your general knowledge, Perfect Family Quiz has all the questions and answers. These 22 tours will inspire you, your family, colleagues and friends to leap from page to pavement in the entertaining company of a local expert. Have fun! This is the first in a series of regional quiz books written exclusively by Blue Badge guides – ‘Britain’s best guides’ – local, professional guides rigorously examined by the Institute of Tourist Guiding, the industry’s standard-setting body. World-renowned for their knowledge, interpretation skills and enthusiasm for their area!

They say that whatever you’re going through in life, Aretha has probably recorded a song about it. Well, it’s not just Aretha. Just been dumped? Roy Orbison has the song to get you through. Furious about the state of the world? Patti Smith knows how you feel. ‘The Illustrated Book of Songs’ is a collection of lists about the music that makes up the soundtrack to our lives, featuring hundreds of songs, old and new, famous and not-so-famous. With intriguing trivia, idle musings and cool illustrations of your favourite performers and songs. Illustrations: Patricia Ghijssens-Ezcurdia.

While the Grohl family had always been musical-the family sang together on long car trips, harmonizing to Motown and David Bowie-Virginia never expected her son to become a musician, let alone a rock star. But when she saw him perform in front of thousands of screaming fans for the first time, she knew that rock stardom was meant to be for her son. And as Virginia watched her son’s star rise, she often wondered about the other mothers who raised sons and daughters who became rock stars. Were they as surprised as she was about their children’s fame? Did they worry about their children’s livelihood and wellbeing in an industry fraught with drugs and other dangers? Did they encourage their children’s passions despite the odds against success, or attempt to dissuade them from their grandiose dreams? Do they remind their kids to pack a warm coat when they go on tour? Virginia decided to seek out other rock star mothers to ask these questions, and so began a two-year odyssey in which she interviewed such women as Verna Griffin, Dr. Dre’s mother, Marianne Stipe, Michael Stipe of REM’s mother, Janis Winehouse, Amy Winehouse’s mother, Patsy Noah, Adam Levine’s mother, Donna Haim, mother of the Haim sisters, Hester Diamond, Mike D of The Beastie Boys’ mother. With exclusive family photographs and a foreword by Dave Grohl, From Cradle to Stage will appeal to mothers and rock fans everywhere.

Put your general knowledge to the test, and impress your family and friends with your astonishing brainpower and trivia genius. An addictive quiz abook for all the family featuring 10,000 questions. Over 300 Rounds and More Than 3,000 Questions

The Big Trivia Quiz Book

If Amy Winehouse was a car, and life was a highway, her biggest mistake was never applying the brakes. Yet why and how did the song ‘Rehab’ stop being a multi-million selling work of genius and start becoming the soundtrack to a tragically short life? Packed with exclusive interviews and previously untold stories, as well as expert psychological insights, this biography gets behind the newspaper headlines to answer that question, entering the real world of a talented yet troubled musical legend. From a suicide attempt by overdose at the tender age of 10, and a teenage arrest for indecent exposure, to an account of what really happened at her final show in Serbia by someone who was on the same stage with her, this book is full of unique revelations. The book also reveals the real story of her notorious love affair with ex-husband Blake Fielder-Civil, complete with suicide threats and self-harm sessions, which at times seemed more addictive than any drug.

A groundbreaking study of the intersection of popular music and disability. Hilarious, entertaining, and irresistibly binge-worthy, this officially licensed ultimate collection of BuzzFeed quizzes – from the most popular to the never-before-published – includes hundreds of questions on everything you love all in one place! 2,800 Questions and Answers

(Book). Be a fly on the wall of sound: get the inside history and behind-the-scenes events in the making of a masterpiece. In this refreshing book which focuses solely on Amy Winehouse’s musical artistry, stylistic influences, and creative collaborations with great producers and musicians, instead of her personal problems Donald Brackett explores pertinent questions about the importance of pop music in contemporary culture. In this incisive and fascinating study of Amy Winehouse’s second, and last, album (released in 2006), Back to Black , he opens the door not only to the full experience of this great record but also explores the seductive sonic hook that pop artists always strive for and unearths what makes the record unique, influential, and unforgettable. He reveals the creative steps in its inception and production, the technical virtuosity that makes it special, and why it deserves to be considered a pop classic. In an album that continually strips down the branches of popular music to draw from its muscular trunk, Amy Winehouse (with significant help from producers Mark Ronson and Salaam Remi) used the deep longing of ‘60s girl-group pop, such as the Ronettes, to fuel the torch sound she perfected in her debut. Brackett fully considers Winehouse’s legacy ten years after her multi-Grammy winning album exploring the origins of a global cultural phenomenon by examining her roots as a storyteller; studying her swift arrival as a demonic pop diva; the crucially important creative role played by her gifted producers in the studio; the historical musical influences on her style; the soul magic of her superb backup band, the Dap-Kings; her live performance style onstage; and her magnetic public image as a video star. Back to Black is also explored song by song in an approach that is both incisive and illuminating.

Are you a fan of Ella Henderson? Have you followed her meteoric rise to fame from her first X Factor addition through to the release of her debut solo album? Do you know all the lyrics to Ella’s soulful songs and enjoy singing along? If you answered yes to any of the above, you are certain to enjoy this new quiz book all about the multi-talented singer-songwriter. Which Cher song did Ella sing at Boot Camp when she appeared on The X Factor? On what UK television show did Ella appear alongside Joey Essex and Al Murray during December 2014? Who directed Ella’s music video for her song ‘Yours’? Dip inside The Ella Henderson Quiz Book to find the answers to these questions and more. Packed full of facts about Ella’s amazing career to date, this quiz book contains 100 questions about the emerging star including both professional highlights and personal details. This book is sure to appeal everyone who enjoys the music of Ella Henderson and would like to find out more about her.

Are you a fan of John Newman? Have you followed his progress through the charts from the release of his debut single to receiving three Brit award nominations? Would you like to find out more about the talented singer and musician? If so, The John Newman Quiz Book is definitely for you. The trademark streak in John’s hair was originally a tribute to which soulful female artist who had a similar blonde streak? How did John celebrate ‘Love Me Again’ reaching number 1 in the UK singles charts? At what overseas festival did John headline in July 2014? The answers to these questions and more can all be found in this fun quiz book. John has been steadily building up a dedicated following ever since he featured on Rudimental’s chart-topping single ‘Feel the Love’. Since then, John’s popularity has continued to rise so make sure that you are the first to find out all about the distinctive artist.

With 100 questions all about your favourite singer, this is a must-have book for John’s growing fanbase. At ninety, musician and singer Tony Bennett is as vibrant and productive as ever. In addition to his prodigious musical output, including albums, concerts, and personal appearances, this beloved and enduring artist has written his second book. In 2012’s Life Is a Gift, Tony reflected on the lessons he has learned over the years. Now, in Just Getting Started, he pays homage to the remarkable people who inspired those lessons. In his warm and inviting voice, Tony talks about who and what have enriched his own life, including Charlie Chaplin, Judy Garland, Dr. Martin Luther King, Jr., Cole Porter, Amy Winehouse, Fred Astaire, Lady Gaga, members of his family, significant places, and more. Just Getting Started chronicles the relationship Tony has enjoyed with each one of these legends, entertainers, humanitarians, and loved ones, and reveals how the lessons and values they imparted have invaluabley shaped his life. As enchanting and unforgettable as his music, Just Getting Started is a beautiful compilation of reflections every Bennett fan will treasure, and a perfect introduction for those just getting to know this remarkable star and humanitarian.

A song to match everyone’s heartbeat. A soaring melody, a pulse-pounding beat, a touching lyric: Music takes a moment and makes it a memory. It’s a universal language that can capture love, heartbreak, loss, soul searching, and wing spreading—all in the span of a few notes. In Behind the Song, fourteen acclaimed young adult authors and musicians share short stories and personal essays inspired by the songs, the albums, the musicians who move them. So cue up the playlist and crank the volume. This is an anthology you’ll want to experience on repeat.

Saturday 23 July 2011 will be etched on the memories of music fans both in the UK and the world over as the day the music industry lost a hugely talented female singer who still had so much to give, but her legacy will live on forever. Amy Winehouse’s first album, which she released in 2003 at the age of 19, showcased her distinctive soulful style and received critical acclaim as well as multi-platinum status, and this was followed by an even more successful album as well as solo singles and collaborations, ensuring her place among the world’s greatest female artists. By the end of her short career and troubled life, Amy had sold 1,753,418 singles and 3,982,571 albums in the UK alone and had been the recipient of 23 music accolades, including Grammy, Ivor Novello, MOBO, BRIT and Mercury awards. This quiz book is a tribute to Amy’s talent and to a life and career cut short so tragically and will ensure that her memory is treasured in the hearts and minds of all music fans.

A bumper collection of 2,800 questions and answers to test even the most ardent quiz fanatic.

BBC Radio 6 Music is the place for alternative music and this is the quiz for its fans. From indie pop and iconic rock to trip hop, electronica and dance, these questions will test your knowledge of the last 60 years of floor-fillers, cult classics and the best B-sides to the limit. Including dedicated quizzes on your favourite 6 Music shows, like Lauren Laverne’s People’s Playlist, Guy Garvey’s Finest Hour, Jarvis Cocker’s Sunday Service and more, find out how much you can really call yourself the king of rock ‘n’ roll. Jon Stratton provides a pioneering work on Jews as a racialized group in the popular music of America, Britain and Australia during the twentieth and early twenty-first centuries. Rather than taking a narrative, historical approach the book consists of a number of case studies, looking at the American, British and Australian music industries. Stratton’s primary motivation is to uncover how the racialized positioning of Jews, which was sometimes similar but often different in each of the societies under consideration, affected the kinds of music with which Jews have become involved. Stratton explores race as a cultural construction and continues discussions undertaken in Jewish Studies concerning the racialization of the Jews and the stereotyping of Jews in order to present an in-depth and critical understanding of Jews, race and popular music.

!Amy was one of those rare people who made an impact. . . She was a bundle of emotions, at times adorable and at times unbearable. . . Amy’s passing did not follow a clear line. It was jumbled, and her life was unfinished!n!life’s natural order at all. She left no answers, only questions, and in the years since her death life found myself trying to make sense of the frayed ends of her extraordinary existence.! Arguably the most gifted artist of her generation, Amy Winehouse died tragically young, aged just twenty-seven. With a worldwide fan base and millions of record sales to her name, she should have had the world at her feet. Yet in the years prior to her death, she battled with addiction and was frequently the subject of lurid tabloid headlines. Amy’s mother, Janis, knew her in a way that no one else did. In this warm, poignant, and at times heartbreaking memoir, she tells the full story of the daughter she loved so much. As the world watched the rise of a superstar, then the free fall of an addict to her tragic death, Janis simply saw her Amy: the daughter she’d given birth to, the girl she’d raised and stood by despite her unruly behavior, the girl whose body she was forced to identify two days after her death!and the girl she’s grieved for every day since. Including rare photographs and extracts from Amy’s childhood journals, Loving Amy offers a new and intimate perspective on the life and untimely death of a musical icon.

The answers to these questions and more can all be found in The Essential Pub Quiz Book. With sections on a range of topics including sport, art history, geography, countries, cinema, celebrities, food and drink, TV, careers, politics, literature, culture, science, animals, music, cars, social media and gaming, crime and punishment, news headlines, symbolism and religion, fashion, beauty, law and flashbacks to the 1960s, 1970s, 1980s,1990 and 2000s, there really is something for everyone. Whether you are gearing up for a quiz night or enjoy learning more about the world around you, this book is guaranteed to teach you something new.

30-Second Rock Music starts with 1950s rock’n’roll (and its roots) and explores blues, folk, progressive and heavy metal, punk, indie and all rock, profiling extraordinary bands and musicians along the way. Featuring groups as diverse as Wilco, The Killers, Fleetwood Mac, Stevie Wonder and The White Stripes, this book promises rock fans the world tour of a lifetime, from Detroit to Tokyo and everywhere in between.

‘Best quiz ever’ HARRY HILL ‘A Quantick quiz is always an unmissable occasion. Funny and fantastical, brilliant, brain-bending and utterly bonkers. Quantick is the Captain Beefeart of quizzing.’ MARK BILLINGHAM ‘Quantick’s Quite Difficult Quiz Book is the antidote to every drearily dull pub quiz you’ve ever been to. This is how a quiz book should be written - where having fun is the most important outcome’ GARY WIGGLESWORTH, author of The Book Lover’s Quiz Book Distinctive, unusual, difficult, but spectacularly entertaining, this quiz book is to other pub quizzes what Trivial Pursuit was to Ludo, what The Hitch-Hiker’s Guide to the Galaxy is like to the RHP1 phone directory, and what the Rolls-Royce Silver Ghost is like compared to a kid’s scooter. Loads better. David Quantick works regularly with Armando Iannucci, including on the new HBO series, Avenue 5. He won an Emmy as part of the writing team for The Thick of It. For over fifteen years, David has also hosted his own very popular quizzes at festivals, events, pubs, clubs, cinemas and in tents: the quizzes range is broad and the questions are tricky. They’re not about statistics, there’s no sport, the questions are fun and interesting, and hilarious. It’s a brilliant book for anyone who loves a good quiz. It’s also a brilliant book for anyone who wants to know more about the world around them. The quizzes are informative and opinionated. In some ways, they’re like stand-up with questions. This is a book based on David’s excellent live quizzes. David Quantick is a novelist (All My Colours, Night Train), broadcaster (Radio 2’s The Bigger’s Guide, Front Row, Loose Ends), music journalist (NME, Q, Uncut) and comedy writer, who hosts quizzes in his spare time. For years, David’s quizzes have attracted paying customers who like to be engaged and entertained by quizzes described by many people as ‘quite difficult’. But they are quizzes. Quite difficult quizzes that tax the brain and make it go in directions it didn’t know it could. That’s not to say the questions are flendishly scientific and packed with questions about dates and the periodic table. They’re about books and music, movies and actors, strange events and interesting quotes. You don’t leave a Quantick quiz knowing how many times Spurs have won the League, but you may know how many Shireleys have sung a Bond theme or how George V made the front page of The Times. The effectiveness of David’s quizzes is down to their unusual variety and almost stream-of-consciousness leaps and bounds of factual imagination. There’s not even much point in cheating, because the answers often require mental agility, not as well just knowing where Calais is (it’s in France, but it wasn’t always, even when it was). David’s quiz book includes twenty-five main quizzes, four Christmas quizzes and four specialist quizzes, so thirty-three quizzes in total. Entertaining in its own right, this is also a conceptual yet very practical guide to staging excellent quizzes of your own.
