DIV Birth Angels is one of the first comprehensive presentations in English of the 72 angels of the Tree of Life. Based on the tradition of the Kabbalah, this inspiring guide invites readers to discover the three angels that rule the domain of their birth. The book details the qualities of each angel and provides an inspiring three-step path for invoking and using their energies. According to tradition, at every moment a particular, nameable angelic energy is available for us to appeal to and receive help from. Birth Angels shows us how to use this energy. Easy reference, helpful charts, and a multi-tradition approach will appeal to readers with diverse levels of interest. Birth Angels is designed as a daily path for the intent seeker and as an occasional reference for all who want to engage their personal angelic allies./div

The art of divination has been a practice of people in many cultures for centuries. This book will be looking at occult divination, which seeks knowledge through the assistance of spirit helpers, mediums, witchdoctors, and their supernatural agencies. It will seek to expose the occult craft of conjuration and wizardry illusions commonly associated with ceremonial magic. The book is the second part of our cosmic warfare series that we hope will educate our readers about the nature of the psychic phenomenon associated with witchcraft, spells,

fortune-telling, magic, etc. It is a must-read book that will inform and equip the diligent with lasting deliverance from the powers of darkness. In our modern society, many live with the fear of witchery and magical spells. We believe this material will empower you, first of all, with the knowledge that will enable you, the reader, to understand the truth about these occult phenomena and manipulations. It is a unique book that will teach people how to use their authority in Christ to overcome the enemy. All over the world, millions of people desire assistance from the kingdom of darkness in the time of adversity. Many Bible students and scholars have speculated about what happened to King Saul, the witch of Endor, and the spirit visitors that night. Who were the spiritual personalities that appeared in that witchery scene? This book has a narrative about this historic event that may puzzle your imagination. Divination is the second volume in a three part series on cosmic warfare books.

This book will provide you with the doorways to complete and permanent deliverance, followed by a total victory over our spiritual enemies. There is the supernatural power behind the name of Yeshua Messiah that most of us have yet to discover. The book will teach you how to use your spiritual authority as a child of God against the evil forces of darkness in the cosmic system. The book will show you the seven keys against witchcraft and demon powers, teach you how to break curses and setbacks caused by demonic manipulations in many homes and families. As we all know, our soul's salvation is a gift from the lord, but this does not negate the

receiver's free choice. If we must set ourselves permanently liberated from Satan and his demons, we need to co-operate with God in his plans and do according to his will for us. We shall discover some of the basic strategies, spiritual methods, and techniques to achieve this freedom through this series. We need to discover God's will, plan, and purpose for our lives to succeed as Christians in this wicked world of sin and evil. Even father Abraham, the father of the Jewish race, had this problem until he trusted the Lord God before becoming a success in life. The same is true for many believers, including the apostle Peter, who once wrote and said these words from his own experience when he said: Who is he that will harm you if you be a follower of that which is good? (1st Peter 3: 13.KJV). You will know the seven keys against witchcraft powers and break generational curses that run through family members. We hope and pray that this unique book will empower you, the believers, to understand your divine authority and privilege as a child of God in a way you never thought possible. It is a must-read book for those genuinely seeking spiritual breakthroughs in their lives and families. This book will provide you with the doorways to complete and permanent deliverance, followed by a total victory over our spiritual enemies. There is the supernatural power behind the name of Yeshua Messiah that most of us have yet to discover. In this anthology of recent criticisms aimed at the reasonableness of Christian belief, a former evangelical minister and apologist, author of the critically acclaimed Why I Became an Atheist, has assembled fifteen outstanding articles by leading skeptics, expanding on themes introduced in his first book. Central is a defense of his "outsider test of faith," arguing that believers should test their faith with the same skeptical standards they use to evaluate the other faiths they reject, as if they were outsiders. Experts in medicine, psychology, and anthropology join Loftus to show why, when this test is applied to Christianity, it becomes very difficult to rationally defend. Collectively, these articles reveal that popular Christian beliefs tend to rely on ignorance of the facts. Drawing together experts in diverse fields, including Hector Avalos, Richard Carrier, David Eller, and Robert Price, this book deals a powerful blow against Christian faith.

Are you prepared for what is about to happen? Giants, Fallen Angels and the Return of the Nephilim will discuss Biblical prophecies of giants on the earth, the Last Days demonic plot of engineering genetic hybrids, and what all of it has to do with Israel and the Middle East. In this book, you will receive answers to these questions and more Have tribes of giants ever walked this Earth? Why are there massive and precise prehistoric megalithic structures throughout the world? Was early man a Neolithic Stone Age caveman or did he receive knowledge from other sources? Are aliens actually fallen angels? Who are the Nephilim, and are they returning to Earth? Discover how important these questions are, from both a personal and global perspective. Read this book and open your eyes to the dangers that await mankind, and humanity's only hope.

Martin Luther's lectures on Genesis, delivered at the University of Wittenberg during the last decade of his life and later published by his students, allow modern readers to view a sixteenth-century professor engaging his students with the text of scripture and using that text to form them spiritually. The lectures show how Luther attempted to form in his students a new identity, an Evangelical identity, enabling them to make sense of the rapidly changing society and church in which they were being prepared to serve, primarily as pastors in the developing territorial churches of the

Reformation. This study uses the text of the lectures to outline the contours of the new identity that Luther laid out through his exposition of Genesis. They include how Luther approached and taught his students to perceive the text of holy scripture; how that text unveiled for Luther the nature of Christian life in the world; and how Luther taught his students to view the past, the present, and the future of the church and the world through the book of Genesis. Whether in the published editions of the lectures the historic Luther was actually misunderstood or was transformed in some way into the prophetic Luther of later memory, the text reveals the Luther that his students heard and subsequent generations read.

Is there One God or Three? How does one reconcile the "One God" of the Sh'ma with the "Three Persons" of the Trinity? The doctrine of the trinity has been at the heart of much theological controversy. The routine objection is that the doctrine sacrifices monotheism to "tritheism." But this objection thrives on a misconception of divine personality in the image of disparate, individual, human selves. This type of rationalistic apologetics, promotive of trinitarianism on speculative rather than revelational grounds, regrettably encourages this misunderstanding. One of the reasons we suffer such misunderstanding is due to our relying on "models." Chuck explores the ostensible tensions between the Old and New

Testament revelations of the ultimate mystery of the Godhead. This is a foundational study for every Christian.

The Secrets of Humankind by Divine Design: the gateway to mindfulness and self awareness Embracing the Book of Revelation with Hope and Faith

Since surgeons cannot see a soul inside the external mortal body, the concept of spirit-soul becomes incredibly challenging to most people. The idea may be difficult to comprehend if one is a modern materialist who has little or no belief in spirituality, the reality of the non-corporeal dimension, and the existence of angelic beings in our comic universe. Many people keep asking what the soul is and whether it is an object we carry around inside us. What constitutes its essential nature

as a rational personality and spiritual origin, if any? Does humankind have a soul and inner spiritual life? Again, what do we know about consciousness, the nature of immortality, and the afterlife? Who is the father of spirits and humankind? This book and the others in the series will answer some of these questions and much more for the readers. The book is in three volumes because all the facts cannot be made available in a single book without skipping relevant details. Therefore, the author shall present this information about the human soul-its origin, nature, and destiny- in three separate books for easy readability and a better understanding of the subjects. We advise you to read the three volumes as a trilogy series, and finally, please take what you find useful and leave the rest. We hope this book will show you some of the biblical and non-biblical sources, information about the spiritual body. This first part shows you the basic necessary information about the soul and its origin. We shall also talk about a spiritualist who has become a dear friend since his

conversion from the occult to believe Yeshua as the Savior of his life. His testimonies will undoubtedly produce some expositions about the soul, the origin of the spiritual self, and the truth about the dangers of spiritual travels that perhaps you have never been told. Finally, we shall be looking at how to break from soul ties and obtain lasting freedom from the demons of the occult using our findings through experience and research on this topic. As we shall discover, we have a spirit-soul that is something far more significant than the material envelope, which is our physical form. But this spirit body is inside of us all, and it is just one of the many secrets of humankind by divine design.

The art of divination has been the practice of many people in several cultures for centuries. This book will be looking at some occult divination, which seeks knowledge through the assistance of spirit helpers, mediums, witchdoctors, and their supernatural agencies. In addition, it will seek to give us some answers to many of the challenges of the occult craft of

conjunction and wizardry illusions commonly associated with spiritualism, witchcraft, and ceremonial magic. The book is the second part of our cosmic warfare series on angels that we hope will educate our readers about the nature of the psychic phenomenon associated with voodoo, spells, fortune-telling, magic, etc. The God of the universe gave humankind the free will and coexistent religious tolerance to practice witchcraft (or any other religion). However, since demons and fallen angels claim to be God, the Almighty Creator has made it clear that we must all take responsibility for whatever we believe, both now and in the afterlife. Furthermore, each must coexist peacefully without disturbing another person (read this divine policy of grace in Yeshua's parable of the wheat and the tares in Mathew 13: 24-30). This second book in the series on angels is a must-read guidebook in comparative religion. We hope it will inform and equip the diligent with information about deliverance from the powers of darkness. In our modern society, many live with the fear of

witchery and magical spells. We believe this material will empower you, first of all, with the knowledge that will enable you, the reader, to understand the truth about these occult psychic phenomena and manipulations. Secondly, the contents of this unique series will teach people how to use their authority in Jesus the Messiah to overcome these enemies. All over the world, millions of people desire assistance from the kingdom of darkness in the time of adversity. Many Bible students and scholars have speculated about King Saul, the witch of Endor, and the spirit visitors that night. "Why God?" Everyday this question is uttered in sorrow, bewilderment, or anger. This cry is the problem of suffering. It is also known as the problem of evil. It asks why a good, all-powerful God allows evil and pain. Theodicy is the name of the theological responses that seek to defend God against charges of unfairness.

Traditional theodicies have been accused of intensifying the problem by claiming that God is justified in allowing evil because he uses it to bring about a greater good. This greater-good approach has been criticized in more recent times. It

seems to uncomfortably align God and evil too closely together. Does God need evil in order to bring good? This study explores an alternative stream of theodicy found in the idea of cosmic warfare. In this theodicy God fights evil in its moral, physical, spiritual, and supernatural forms. This book explores the world of theodicy and its cosmic warfare forms. It navigates the theological and ethical minefields involved. Building on the idea that God is in the midst of a great cosmic controversy, it seeks to further the conversation and articulates a new alternative "redeemed good defense."

Many have been puzzled for centuries at the biological creature that science calls homo sapience (humankind). Most people often question what constitutes man's true spiritual nature, which is invisible to our sense of sight. There is the quest to know what constitutes the mind, consciousness, the soul, and the essence of our spirit-soul personality. Many still believe that there may be no definitive answers which will provide the necessary satisfaction about this incorporeal essence of the soul and life of humanity. But how come God made humans the most advanced biological rational beings on the earth plane? Our modern sciences have tried to resolve this great mystery, and they have only successfully unveiled the mortal body(the outer self) but yet to understand the inner spiritual nature. The psalmist David wrote many centuries ago, asking the same significant question that has plagued humanity throughout time. As King David reflected upon this unique being (humanity), he asked this central question: What is man [humankind] that you are mindful of him, and the son of man that you cared for him? Yet you have made him a little lower than the heavenly beings and crowned him with glory and honour. (Psalm 8:4-5. ESV) How is he a spiritual being imprisoned in flesh and bones with skin on the outside? How does his soul consciousness work in harmony with his body and mind? You may be asking if we are a soul as an entity or as a material object that we could carry

around. How does man's inner spiritual body help him to relate to the material universe? This book is the second book in the soul trilogy series, and it is a must-read resource on the subject of spirituality, mindfulness, and the nature of the inner human spirit Soul. It hopes to guide readers to discover the mystery of the inner self and its relationship to the spirit world.

No book of the Bible evokes as much controversy as the book of Revelation. Its images conjure fear and dread for most readers, states Laurin Wenig. In this thought-provoking book he offers readers an informed, accurate and pastoral background for understanding the book of Revelation, whether one approaches it solo or in a group. So often, passages and images from the Book of Revelation inspire fear and dread in most readers. To counter this the author uses contemporary Catholic exegesis to help us understand the worldview of early believers and places the message of the Book of Revelation in the context in which it was written: for the edification of readers, not to frighten them. Modern readers will discover the Book of Revelation in the context of faith and hope, not destruction. Points of interest:--for personal reading and reflection.--for parish study groups.--contains charts, maps and reflection questions.

There is ample evidence across our solar system of cataclysmic and catastrophic destruction events. The asteroid belt, for example, may be the remains of an exploded planet! The known planets are scarred from incredible impacts, and teeter in their orbits due to

causes heretofore inadequately explained. Rejecting the naturalist and materialist assumptions of catastrophism forwarded by other researchers, Farrell asserts that it is time to take the ancient myths of a Cosmic War in the heavens seriously. Incorporating extraterrestrial artifacts, cutting-edge ideas in contemporary physics, and the texts of ancient myths into his argument, Farrell maintains that an ancient interplanetary war was fought in our own solar system with weapons of extraordinary power and sophistication. In doing so, he offers a solution to an enigma that has long mystified researchers, disclosing a cause of that ancient war, the means by which it was waged, and the real nature of the secret technology behind the ancient "Tablets of Destinies." The Eternal Destiny of Human Life covers the subject of what happens after humankind departs from this world. According to the Bible, only two men have lived on this earth without physical death, Enoch and Elijah, the prophets. But many religions and cultures believe in some afterlife. You may ask: Do humans re-incarnate or roam around as free spirits in the afterlife? Do people become ghosts of the dead after they pass to the other side? And if "yes" or "no," how do we know this as fact? We may

have asked ourselves: who are the so-called “dead people” or “spirit people” seen here on earth during séances? Are they “actually deceased persons” or “spirit actors,” or are “the imitators of the dead”? This volume will help answer many of these questions in ways that may interest you. It is a guidebook on the soul trilogy and the physics of immortality. Again, what constitutes the “tunnel of light” commonly reported by those who have experienced near-death phenomena? If you were the historical Jesus, who came to save the world from sin, sickness, and satanic bondage, will you not tell men and women about the afterlife? This book will reveal some unique information about the eternal destiny of the soul and the spiritual universe the way you perhaps have never read in any book. This material will help readers find some answers to these questions and much more. It is a must-read book that covers every aspect of afterlife experiences. We have looked at the subject from various Christian, Jewish, mystical, and secular viewpoints and find where the correct answers are seekers of truth. Only God knows the ultimate truth on this subject matter, and his divine authority and views are what we must all accept because he is our creator. Now in light of these facts, we must have an open mind as David Scot said: Truth is never afraid of the fullest investigation (David Walman Scot) Say “No” to Satan’s temptations! Are you struggling with temptation and sin? Do you want to learn how to resist Satan and say “No” to his temptations? If

you answered yes, then this book will provide you with an in depth and insightful understanding of evil and temptation, and it will ‘unlock the secret to winning your daily temptation battles.’ Speaking from his lifelong temptation experience, and with a solid Scriptural foundation, Dr. Voorn has loaded this book with real-life temptation examples, practical applications and a personal temptation self-assessment. This book will help you to:

- Learn about the spiritual warfare that rages around and in you on a daily basis.**
- Recognize how and when Satan will tempt you.**
- Understand Satan’s ‘Dirty Dozen’ temptation strategies.**
- Recognize that your temptation battles are mind games.**
- Learn how to develop a battle plan against Satan’s temptations.**
- Know how to engage and resist Satan when tempted.**
- Learn how to use your God-given spiritual warfare battle armor.**
- Conduct your personal temptation self-assessment.**
- Resist and overcome daily temptations so that you can better serve Jesus Christ in your journey to God.**

Now, more than ever, it is time to deadbolt your spiritual warfare door as Dr. Voorn advises us. Why? Because the devil does want you! If you have ever found yourself slipping into the abyss of temptation or if you have been the target of others already corrupted by Satan, you need to read this book. Randy Voorn clearly details how Satan entangles our minds and teaches us how to shield his flaming arrows with bullet prayers! Think about it – bullet prayers – fast, strategic, and oh so powerful. —From the Foreword, by Dr. Lori M.

Modern Christians are often baffled by the problem of evil, frequently attributing pain and suffering to some mysterious "good" purposes of God. Gregory Boyd instead declares that biblical writers did not try to intellectually understand evil but rather grappled to overcome it.

This book will provide you with the doorways to complete and permanent deliverance, followed by a total victory over our spiritual enemies. There is the supernatural power behind the name of Yeshua Messiah that most of us have yet to discover. The book will teach you how to use your spiritual authority as a child of God against the evil forces of darkness in the cosmic system. The book will show you the seven keys against witchcraft and demon powers, teach you how to break curses and setbacks caused by demonic manipulations in many homes and families. As we all know, our soul's salvation is a

gift from the lord, but this does not negate the receiver's free choice. If we must set ourselves permanently liberated from Satan and his demons, we need to cooperate with God in his plans and do according to his will for us. We shall discover some of the basic strategies, spiritual methods, and techniques to achieve this freedom through this series. We need to discover God's will, plan, and purpose for our lives to succeed as Christians in this wicked world of sin and evil. Even father Abraham, the father of the Jewish race, had this problem until he trusted the Lord God before becoming a success in life. The same is true for many believers, including the apostle Peter, who once wrote and said these words from his own experience when he said: Who is he that will harm you if you be a follower of that which is good? (1st Peter 3: 13.KJV). You will know the seven keys against witchcraft powers and break generational curses that run through family members. We hope and pray that this unique book will empower you, the believers, to understand your divine authority and privilege as a child of God in a way you never thought possible. It is a must-read book for those genuinely seeking spiritual breakthroughs in their

lives and families. It is a must-read book and this volume is the first in a three part series on cosmic warfare books. The Angelic Conflict rages around us. This is not a world war. This is a war beyond the world—an invisible warfare between the forces of Satan and the forces of God. Ultimately God will win. Long before the advent of human history, Satan arrogantly rebelled against his Creator. He wanted to make himself “like the Most High” and recruited one-third of the angels to follow him. God justly condemned Satan and his fallen angels to spend eternity in the lake of fire. Satan appealed the sentence, claiming unfairness—questioning how a loving God could cast His creatures into hell. Planet Earth is now the battleground where Satan seeks to outmaneuver God, prove the judgment unfair, and foil the execution of his sentence. Satan will not suffer defeat without an intense struggle. God created man to resolve this angelic conflict. Human volition is the focal point of the firestorm. Will man choose God’s grace plan of salvation or follow the arrogant system of Satan? Through the freewill decisions of mankind, God proves to Satan His perfect justice and love again and again. As believers, it is imperative we understand this spiritual

warfare that surrounds us. Satan uses every ruse at his command to derail and discredit those who are in Christ. For our defense, God has provided an overwhelming advantage in a powerful suit of spiritual armor. With it we can withstand the “flaming missiles of the evil one” and become heroes in the invisible war. God is glorified as we lock shields and stand firm on His power and Word.

The Hardest Course I've Ever Played is a true story of the author's life, using a theme of playing an extremely difficult golf course in a professional tournament to parallel with the challenges of living life, from birth, with a physical handicap. This journey takes the reader through all the many and different emotions experienced in each storyline while using scripture to provide hope and encouragement needed to overcome any challenges faced. From being born different and living with a physical handicap to overcoming loneliness, depression, bullying, and more, God's word provides the blueprint to conquer them all and be successful. Although the title is “golf-themed,” this golf professional turned inspirational author builds up *The Hardest Course I've Ever Played* to be the course of life. From dealing with the

hardships and pain of living with birth defects, solitude, to a broken family, this unlikely story of success can be enjoyed and related to by golfers and nongolfers alike. The up-and-down emotions experienced by highly skilled golfers navigating a difficult course amid a competitive game of golf are not any different than the rollercoaster of emotions experienced by watching your favorite football team or watching your child grow or play in any sporting event. We also all share commonalities when it comes to navigating life, as we all will experience times of loneliness, depression, good times, and bad. For those navigating through life with a disability, however, there is a different level of challenge to the navigation. Whether you need hope to overcome a physical or mental disability, in a position to share a message of hope with someone facing challenges, or if you are searching for that peace and hope that only Jesus Christ can provide, *The Hardest Course I've Ever Played* is a true story to draw inspiration from and successfully navigate life. Beginning with the destruction of Jerusalem and continuing through the persecutions of Christians in the Roman Empire, the apostasy of the Dark Ages, the

shining light of the Reformation, and the worldwide religious awakening of the nineteenth century, this volume traces the conflict into the future, to the Second Coming of Jesus and the glories of the earth made new. In this concluding volume, the author powerfully points out the principles involved in the impending conflict and how each person can stand firmly for God and His truth.

"Did rebel angels take on human bodies to fulfill their lust for the "daughters of men"? Did these fallen angels teach men to build weapons of war? That is the premise of the Book of Enoch, a text cherished by the Essenes, early Jews, and Christians but later condemned by both rabbis and Church Fathers. Elizabeth Clare Prophet examines the controversy surrounding this book and sheds new light on Enoch's

forbidden mysteries. She demonstrates that Jesus and the apostles studied the Book of Enoch and tells why Church Fathers suppressed its teaching that angels could incarnate in human bodies. Fallen Angels and the Origins of Evil takes you back to the primordial drama of Good and Evil, when the first hint of corruption entered a pristine world—earth. Contains Richard Laurence's translation of the Book of Enoch, all the other Enoch texts (including the Book of the Secrets of Enoch) and biblical parallels."
