the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

13 Notetaking Study Guide

centuries due to its deep Kabbalistic subject matter. Nefesh HaTzimtzum opens up the real depth of the ideas presented in Nefesh HaChaim together with all of Rabbi Chaim's related writings, making them accessible to the public for the first time in any language. In addition to the complete English translation of Nefesh HaChaim, Nefesh HaTzimtzum includes the full Hebrew text of Nefesh HaChaim and many other writings by Rabbi Chaim (with correspondingly hyperlinked English and

Hebrew texts), along with in-depth explanations, an informative historical overview, an easily consumable innovative presentation layout and a full index. After centuries of confusion, extensive clarification is provided of the central Kabbalistic concept of Tzimtzum, or the secret of how an infinite God occupies a finite world. Most importantly, it unequivocally demonstrates that the key Kabbalists, including the Vilna Gaon, Rabbi Chaim Volozhin and the Baal HaTanya, all unanimously

13 Notetaking Study Guide

agreed on the underlying principles of the concept of Tzimtzum and that contrary to widespread historical misunderstanding, there was no fundamental dispute about the philosophical principles of Judaism between the Hasidim and the Mitnagdim. Based on this Nefesh HaTzimtzum shows that both Nefesh HaChaim and Sefer HaTanya present the same methodology for serving God which is rooted in their identical understanding of the concept of Tzimtzum. Nefesh HaTzimtzum is

published in two volumes which are sold separately. This companion volume presents a number of important concepts, including the concept of Tzimtzum, which together enable the true depth of Nefesh HaChaim to be understood. It also adds valuable insight by providing the translation of all of Rabbi Chaim Volozhin's published writings which are related to Nefesh HaChaim. Additional related writings are also included together with detailed outlines and a full index for both volumes.
