

Anything He Wants The Secret

Hey kids, do you want to know how to make all-stars for your baseball league? Or parents, do you feel like the coaches keep passing your child up? Well no more! Or coaches, want drills and ways to motivate your players to get better? Coach Andy Collins is going to tell you everything he knows from his 35 years of youth and adult coaching and watching what works and what doesn't work. It's chock-full of ideas in 86 pages. He'll cover: * How your league chooses all-stars * What all-star selectors are really looking for * 7 tried and true methods of getting better at baseball * But more importantly, little known ways to get the people picking the team to notice you * And how to beat the "politics" that seem to get in the way Year after year kids sit in the stands crying after the all-star teams are announced and they weren't one of the players that were chosen. At the same time the students I've trained do make these same all-star teams. It was then I realized I had the information that the kids in the stands and their parents and coaches were looking for. Wherever there are kids around the world that play youth baseball, there are kids that long to make the league's all-star team. Every year it's the same, kids that desperately want to have their name called out (or see it announced on the list) don't make it, and a little bit of them is hurting deep inside; and they don't know why they were not picked. Little did they know that they could have fairly accurately predicted their chances almost from day one of when the season started. And if they knew what

you're about to find out, they could improve enough in skill in the eyes of the all-star selectors as to be a better player or even make the all-star team. The good news is that in this book, there is a way to learn how to make the all-star team for the next upcoming season; and if not then, the following year (if you're willing to listen and follow the advice I give). While I have written this for parents and coaches to learn how this process works and how they can help these youngsters achieve their dreams, this is mostly a book written for the kid who wants to make all-stars, not a book for the parent who wants their kid to make all-stars (there is a difference). And it will be in that voice that this book will be written. *Anything He Wants: The Contract (#2)* St. Martin's Griffin

AUTHOR'S WARNING: This is a SWEETER (NOT sweet and clean) version of The Cowgirl's Secret. It's the same characters and story, but with love scenes that are less graphic and explicit. If you want a hotter sexier read, check out the original version in The Diamondback Ranch Series.

BLURB: An Independent Young Woman Tori McCade is bound and determined to earn her degree and return home to practice veterinary medicine in Salt Fork, Texas. Nothing and no one can stop her, not even the hottest man she's ever met in her life. A man who knows what he wants Sam Garza meets the much younger Tori McCade in a dance club in Dallas, Texas, and all bets are off. He wants her, and he's going to have her . . . even if it means following her to Salt Fork. Both agree they need to keep things simple and uncomplicated. And he's okay with that . . . for now.

EXCERPT: Tori's breath stalled in her lungs as her back lay nestled against Sam's solid-muscled chest. She felt his lips on her hair, his kiss burning her scalp. Hot prickles of desire infused her blood, and she couldn't help tilting her head forward, wanting to feel his lips on her skin. He was quick to oblige, trailing kisses across the nape of her neck and collarbone. Suddenly, he twirled her around and Tori looked up at him. He really was a brutally handsome man, his features hard as granite. She fleetingly wondered how a man who looked so fierce, so feral, could scatter such gentle

kisses across her sensitive skin. How a man who had uprooted his whole life so he could help his sick mother--how could such a man look at her with such intense yearning? Such hot passion? Sam's eyes dilated beneath heavy lids. He bent toward her, stopping only millimeters from her mouth. His breath was hot on her lips. Tori's stomach dipped in an alarming manner. "I'm going to kiss you." His voice was rough with desire. "I've been wanting to kiss you from the first moment I saw you at the bar." He yanked her into his strong arms and gathered her close. Before Tori could say or do anything, his mouth crushed down on hers in a hungry savage kiss.

"Daddy, what is a white lie?" My father put down his spoon and looked at me thoughtfully. "Why'd you ask, Princess?" "I heard you talking yesterday and you said 'one more white lie isn't going to make a difference.' I just want to know what you meant."

"You heard that, huh?" My father tilted his head to study me. "It's just a small lie you tell when you don't want to hurt someone's feelings. It's nothing for you to worry about." My eyes grew wide. "Like when you told Aunt Rena that her pie was good even though it tasted icky?" "Exactly." He smiled. "Or when you told the man last week that you hadn't seen Uncle Bruno and you had?" The Smile fell from his face and he straightened in his chair. "No, Princess, that was a different kind of lie." Scrunching up my nose, I asked, "What kind of lie was that?" My father swallowed hard before replying. "That's the kind of lie where you have to have a real good memory." As an inquisitive child, the woman known as Clarissa

Solano, could never have imagined how significant those words would become. That she would spend years twisting the truth: hoping and praying that she would not contradict herself and expose the secrets she keeps locked inside. Most of the people in her life don't really know her at all. She forces them to swallow her lies, but she is the one who feels the bitter aftertaste of deception. When Lane Hunter sweeps into her life, she finds herself opening up in ways she never thought possible. He sees beyond the facade to the woman beneath and knows instantly that he wants her.
