How many times have you attended Mass and desired that it more fully touched your heart? You find that everyday worries and to-do lists distract from its prayers, the readings vanish from memory, and even the consecration and Communion pass by in a moment. Too often, the Mass feels like a missed opportunity for grace. To help you fully tap into the abundance of grace offered at the Holy Sacrifice of the Mass, Fr. Timothy Gallagher resurrects here the teachings of Venerable Bruno Lanteri. A holy priest seeking to root himself in prayer during the turbulence of war and persecution in northern Italy, Venerable Bruno developed a biblical way of praying the Mass that transforms it into a true prayer of the heart. Fr. Gallagher discovered this method of praying the Mass forty-five years ago, and it has been a blessing for him ever since. He now shares this method with you. Through a selection of biblical figures, he invites you live each part of the Mass with these figure’s sentiments and hearts. In these pages he shows you how to: Humbly seek forgiveness like the tax collector Give glory to God like the angels Listen to God’s Word with the hunger of a disciple Profess the Faith with the courage of the martyrs Receive communion with the heart of a lover Go forth from the Mass with the zeal of an Apostle To fruitfully pray the Mass from the heart is a gift of grace. The biblical way of praying the Mass method is a means to dispose your soul to receive this grace. Combined with spiritual exercises and reflections – and full-color images of sacred art – you’ll find this book to be a great gift to not only grow in prayer during Mass, but in your spiritual life.

The Big Book of Christian Apologetics

A Biblical Way of Praying the Mass

In a world increasingly indifferent to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. In the Tactics Study Guide, apologist and radio host Gregory Koukl demonstrates how to get in the driver’s seat in discussions about faith, keeping any conversation moving with thoughtful, artful tact. Readers will learn how to maneuver comfortably and graciously through potential minefields, stop challengers in their tracks, turn the tables, and—most importantly—get people thinking about Jesus with conversations that look more like diplomacy than D-Day. Drawing on extensive experience defending Christianity in the public square, Koukl demonstrates how to: Initiate conversations effortlessly Present the truth clearly, cleverly, and persuasively Graciously and effectively expose faulty thinking Skillfully manage the details of dialogue Maintain an engaging, disarming style even under attack Designed to be used alongside the Tactics Video Study, the Tactics Study Guide provides a game plan for communicating the compelling truth about Christianity with confidence and grace.

The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith. Examining nearly every key issue, person, and concept related to Christian apologetics, this book clarifies difficult biblical passages, clearly explains various philosophical systems and concepts, examines contemporary issues and challenges, and offers classic apologetic arguments, all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics. An expertly abridged version of the Baker Encyclopedia on Christian Apologetics, this resource brings leading apologist Norman L. Geisler’s seminal work to the masses.
