Acclaimed to be by far the most sophisticated general study on Indian politics. Politics in India unfolds, here with insight and acumen and the vastness and confusion of the Indian political scene is elaborately discussed. This book is the first comprehensive treatment of the Indian political system examined from different vantage points and drawing together the contribution of various disciplines into a common framework.

This Study Package has been prepared with the objective to supplement the efforts of the Aspirants of Assam Civil Services Examination. Since the syllabus has recently been modified on the pattern of UPSC Examination making the syllabus vast enough to prepare from a single source. There are several books available in the market but very few of them touch the core areas. Those core areas have been identified and given due emphasis in this book. Ten solved questions have been appended at the end of every chapter to facilitate the preparation on right track. Contents General Studies 4 (Ethics) Chapter 1 Ethics and Human Interface: Essence, Determinants and Consequences of Ethics in - Human Actions; Dimensions of Ethics; Ethics - in Private and Public Relationships. Human Values - Lessons from the Lives and Teachings of Great Leaders, Reformers and Administrators; Role of Family Society and Educational Institutions in Inculcating Values Chapter 2 Attitude: Content, Structure, Function; its Influence and Relation with Thought and Behaviour; Moral and Political Attitudes; Social Influence and Persuasion General Studies 3 Chapter 1 Issues related to Direct and Indirect Farm Subsidies and Minimum Support Prices; Public Distribution System - Objectives, Functioning, Limitations, Revamping; Issues of Buffer Stocks and Food Security; Technology Missions; Economics of Animal-Rearing Chapter 2 Food Processing and Related Industries in India- Scope' and Significance, Location, Upstream and Downstream Requirements, Supply Chain Management

The book examines India's current and looming foreign policy challenges from a strategic and policy-oriented perspective. It analyzes the long-term factors and trends that should determine the country's foreign policy formulation. The author urges a reappraisal of India's approach if it is to become a major player in the complex and rapidly evolving 21st century world. Challenge and Strategy: Rethinking India's Foreign Policy focuses on India's immediate and strategic neighbourhood. It also looks at important issues like energy security, economic diplomacy, the interaction between defence and diplomacy, and foreign policy institutions. A unique feature of the book is that it combines the perspectives of a historian, a diplomat and a scholar. With many new out-of-the-box ideas and policy suggestions, it makes a valuable contribution to the ongoing debate on foreign policy within India's strategic community. This lucid and succinct book is a must-read for policy-makers, diplomats and foreign policy analysts. The corporate and business community too will find it professionally relevant. It is also an important knowledge resource for students of Indian politics, international relations, and defence and strategic studies, and others who are interested in India's foreign policy.

"As India marks the twenty-year milestone of economic liberalization, some concerns about the country's future prospects as an emerging power are beginning to be voiced; often, these stem from the past history of sharp swings in India's fortunes. Bimal Jalan, one of the country's well-known economists and former Governor of the Reserve Bank of India, has closely followed the path of India's economic policies across its changing trajectories, from before the time the economy was liberalized to the very present. The pieces that appear here were all written during the last twenty years, with the exception of three prescient notes from the mid-1970s highlighting the need for economic reforms to foster growth. The principal thought behind these essays is that, in the past twenty years, India's capacity to grow faster than ever before has increased substantially because of its comparative advantage in relation to other countries. However, Jalan points out that for India to seize the opportunities that lie ahead, it is essential to bring about further reforms in the running of India's politics and administration in order to ensure inclusive and incremental economic growth."

This book presents a wide-ranging overview of the position of women in Timor-Leste, 15 years after the country secured its independence. It considers the role of women in Timor-Leste's history, explores their role in the present day economy and politics, and discusses their contribution to culture and society. The contested meaning of gender itself is investigated in the contemporary culture of this new society. It applies a wide range of different feminist theories and approaches, and concludes with a discussion of what new directions gender studies in Timor-Leste might take.

Asia is a complex and diverse continent, which has seen the scope and pace of transformation increase rapidly over the past 30 years. In turn, the economic growth and social change seen in the region, combined with new global security profiles and environmental challenges, have contributed to placing Asia at the forefront of international affairs. This Handbook brings together leading scholars of different disciplines, including Politics and International Relations, Security Studies and Law, to provide a comprehensive analysis of both the prospects and problems which have emerged from Asia's rise. Examining how developments across the continent have influenced global politics and how the region has responded to the international community in the modern era, the sections cover: Major actors in Asian politics, especially China, Japan and India, International relations in Asia and intra-Asian tensions Special issues of world politics in Asia including modern conflicts in and attitudes towards the Middle East The Routledge Handbook of Asia in World Politics will be useful to students and scholars of Global Politics, International Relations and Asian Studies.

The book is divided into 17 chapters followed by 2 levels of exercises - Simple MCQs & statement based MCQs. The book captures most of the important questions with explanations of the past 12 years of the IAS Prelim exam distributed in the various chapters.

This book discusses essential approaches and methods in connection with engineering education for sustainable development. Prepared as a follow-up to the 2015 Engineering Education in Sustainable Development (EESD) Conference held in British Columbia, Canada, it offers the engineering community key information on the latest trends and developments in this important field. Reflecting the need to address the links between formal and informal education, the scholars and professionals who contribute to this book show by means of case studies and projects how the goal of fostering sustainable development in the context of engineering education can be achieved. In particular, they discuss the need for restructuring teaching at engineering focused institutions of higher education and provide practical examples of how to do so. The book places special emphasis on state-of-the art descriptions of approaches, methods, initiatives and projects from around the world, illustrating the contribution of engineering and affiliated sciences to sustainable development in various contexts, and at an international scale.
