From the moment the

starting gun is fired on

Kona's sandy beach

at the Ironman World

Championship,

triathletes have 17

hours to cross the

finish line. It's a feat

marking the ultimate

achievement in the

sport. "17 Hours to

commemorate this

dramatic quest.

Seventeen compelling

stories allow readers

to experience the

competition first-hand,

revealing tremendous

athleticism,

unbelievable capacity

for suffering, and true

strength of character.

The personal stories

of triathlon's most epic
characters come to

life in this book,

beginning with the

famous story of Julie

Moss's determination

to reach the finish

stories of a sedentary

secretary with all of

the wrong habits

taking up triathlon to

lose weight, a nun

who races triathlons

to bring attention to

her causes, and two

men with a rivalry so

intense that their

disabilities fade into

the shadows. Injury,

years of dedication to

reaching a goal.

Some will become

champions, some will

again. Triathlon's

most dynamic heroes

are candidly portrayed

in "17 Hours to Glory,"
