

## Are Miraculous Gifts For Today

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

**Tells of the place which prayer, the Beatitudes and the gifts of the Holy Spirit should occupy in your daily life.**

**What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today? What convinced someone skeptical about miracles that God still speaks and heals? A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures. He discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the Bible. As soon as Deere became a seeker instead of a skeptic, the Holy Spirit revealed himself in new and surprising ways. In Surprised by the Power of the Spirit, Jack Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today. He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way. Finally, he gives sound advice for using spiritual gifts in the church. Written in popular style-with the care of a scholar but the passion of personal experience-this book is a vital resource for people on both sides of the debate about miraculous gifts.**

**Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."**

Dr O. Palmer Robertson shows from Scripture that the call today for such gifts as prophecy, instead of showing the way forward to a more biblical Christianity, represents a failure to grasp the fullness of New Testament privileges.

What does the New Testament teach about the spiritual gift of prophecy? What is it? How does it function? Can evangelical Christians use it in their churches today? This updated, comprehensive work answers such questions and points the way to a renewed understanding of the gift of prophecy--an understanding that suggests how the body of Christ may enjoy one of the Holy Spirit's most edifying gifts without compromising the supremacy of Scripture. "This conservative evangelical scholarly work gives a solid theological basis for further development of a practical theology of spiritual gifts." --John Wimber, Vineyard Christian Fellowship "Careful, thorough, wise, and to my mind, convincing." --J.I. Packer "...a fresh, biblically sound, readable contribution...its depth of scholarship, pastoral solidity, and cautions against abuses are special strengths. Highly recommended."

--Vern S. Poythress, Professor of New Testament Interpretation, Westminster Theological Seminary "If Grudem's convincing thesis could be heard, a new path of dialog could perhaps be opened up in the Christian community. The research, clarity, and typical Grudem candor continue to make this the finest book on the subject to date." --L. Russ Bush, Professor of Philosophy of Religion, Southeastern Baptist Theological Seminary "...thorough, biblical, and practical. It deserves the attention of all who are concerned about the spiritual development of the church today." --Stanley Horton,

Distinguished Professor Emeritus of Bible and Theology, Assemblies of God Theological Seminary

He was told he'd never walk again. She was losing hope that she'd ever feel whole again. This is their miraculous true story of defying the impossible. "In my very first impression of Chris, I was blown away by his determination to stay positive, do the work, and trust that God had a bigger story in mind . . . this book is a master class in the power of perseverance." - Tim Tebow
Quadriplegics simply do not walk again - yet millions watched as Chris Norton defied incredible odds and took step by impossible step across his graduation stage. With his fiancée Emily by his side, those unbelievable steps became the start of an extraordinary journey for them both. Told from both of their unique perspectives, this moving story invites you to find, as Chris and Emily have, that God can transform our lowest points into life's greatest gifts. In a moment, Chris went from a talented college football player with a promising future to a quadriplegic with a 3 percent chance of ever moving or feeling anything below his neck, much less walking again. Determined to prove the doctors wrong, he pushed himself through grueling, daily workouts to achieve his goal four years later: walking the stage to receive his college diploma with Emily's help, and to the world's astonished applause. Meanwhile, Emily faced her own challenges as she sunk into a deep battle against anxiety and depression, despite her life's outward blessings. Day by day, decision by decision, Chris and Emily committed themselves to taking the extra step, trusting God, and leaning on the help of others. In a story of courageous faith and grit, this extraordinary couple's journey ultimately led them to tackle the seven longest yards - down the wedding aisle and into a new life together. And what a new life it is: Chris and Emily have adopted five beautiful girls and welcomed foster children - seventeen and counting! - into their home and hearts. Let this book be your inspiration for defying your own impossible, and finding joy on the other side.

Unwrapping God's gifts - wisdom, knowledge, faith, healing, miracles, prophecy, discernment of Spirits, tongues and interpretation of tongues. Concentrating on the nine gifts that the apostle Paul listed together in 1 Corinthians 12, Dr. Sam Storms gives readers a biblical introduction to the spiritual gifts that God bestows on every generation of believers. He combines a solid biblical foundation and practical advice with first-hand illustrations of these gifts in action. Spiritual gifts are nothing less than God himself in us, energizing our souls, imparting revelation to our minds infusing power in our wills, and working his sovereign and gracious purposes through us.

Miraculous Gifts

Failing Up

The Seven Longest Yards

Miraculous Gifts is a discussion of spiritual gifts in light of the basic differences between cessationalism and Pentecostalism. Many studies of this issue are written from a primarily theological perspective, and while theological arguments are valid, charismatics assert that this controversy concerns BibblicalÓ gifts and miracles, and is therefore a matter of 'faith' to believe their claims, with theological arguments proving unsatisfactory. The fundamental question is, Ols this what the Bible discusses; is it biblical?O Miraculous Gifts attempts to answer that question by providing a biblically-based analysis of spiritual gifts in view of the charismatic controversy.

With exegetical depth, objectivity, and clarity Richard B. Gaffin examines prophecy and tongues and makes a case for the cessation of both gifts at the close of the apostolic era. Pentecost is presented as integral to the once-for-all work of Christ and decisive for the life of the whole church. Dr. Gaffin's biblical theological perspective is thorough. He defines all the spiritual gifts generally; he clarifies the nature of prophecy and tongues and the question of their continuance in the church today; and he indicates how these exegetical studies bear on contemporary interest in charismatic gifts. - Back cover.

This thorough study of spiritual gifts will help Christians understand their God-given gifts and how they should use those gifts in the church. Thomas explains each gift, examining them in the light of the Word. He also deals with the issues concerning the source, purpose, and nature of spiritual gifts. Understanding Spiritual Gifts will give readers new insight into how their gifts can be used for God's glory and service.

Charismatic Chaos thoughtfully and carefully shines the light of Scripture on teaching that is not only gaining massive and loyal television followin, but also leading to disunity on a worlwide scale and promising to fuel controversy for years to come.

The Spiritual Gifts

Why I Am Still Surprised by the Power of the Spirit

Practicing the Power

IS THE GIFT OF PROPHECY FOR TODAY?

The Final Word

God’s power is alive today! Let’s face it: church can be too boring—too predictable. People have never been so hungry for an authentic manifestation of God’s power. Missionary stories of profound miracles in other nations abound, but what about in my nation, my city, or my home? Testimonies of past miracles are prolific, but where are they in my generation? Miracle Invasion includes modern examples of spiritual gifts in action and true stories that will rekindle expectation that the Holy Spirit is still alive and well, working in our time, on our continent, whenever we welcome his presence. In *Miracle Invasion*, you’ll see:God is at work for your good—today!All things are possible with God.God is no respecter of persons. You matter to God.You are on the brink of a miracle, so don’t give up. The Holy Spirit has not forgotten about the twenty-first century church. People in North America are experiencing God’s power in authentic demonstrations of the Spirit. We serve an extraordinary God who loves to act supernaturally on behalf of ordinary people.

In his classic *Surprised by the Power of the Spirit*, Jack Deere looked at the reason why many Christians (including himself at the time) struggle to believe in miraculous gifts, and he provided a groundbreaking biblical defense of the Holy Spirit’s speaking and healing activities today. In *Why I Am Still Surprised by the Power of the Spirit*, the former Dallas Seminary professor revisits his earlier subject matter with fresh insight and even stronger conviction: the Scriptures teach that God is healing and speaking today just as he did 2,000 years ago. Having almost entirely rewritten *Surprised by the Power of the Spirit*, this new edition comes at a time when the theological landscape has dramatically changed, and most evangelicals do believe in all the gifts of the Spirit. But many of us are still unsure how to understand those gifts, and there is much confusion today on what it means to be filled with the Spirit. This book is for those familiar with Deere’s work and for newcomers alike. In it, he: Explains the nature of spiritual gifts, defining each of them. Offers sound advice on discovering and using spiritual gifts in church. Tells documented stories of modern miracles and encounters with demonic powers. Examines the New Testament use of the phrase “filled with the Spirit” to show why and how God still fills his servants with the Holy Spirit. Introduces the newest literature defending and explaining the gifts of the Spirit. With the care of a scholar and the passion of personal experience, this new edition builds upon the legacy of *Surprised by the Power of the Spirit* and the profound impact it’s had among Christians of many traditions.

Born without Legs, She Inspires Others to Overcome Jen Bricker was born without legs. Shocked and uncertain they could care for her, her biological parents gave her up for adoption. In her loving adoptive home, there was just one simple rule: "Never say 'can't.'" And pretty soon, there was nothing this small but mighty powerhouse set her sights on that she couldn't conquer: roller-skating, volleyball, power tumbling, and spinning from silk ribbons thirty feet in the air. Everything Is Possible is her incredible story--a story of God working out his plan for her life from before day one. Readers follow Jen from the challenges of growing up different to holding captive audiences numbering in the tens of thousands. Everything Is Possible shows readers what they can accomplish when they remove the words coincidence and limitation from their vocabulary. Filled with heart and spirit, as well as Jen's wit, wisdom, and no-holds-barred honesty, this inspiring true story points the way to purpose and joy. Foreword by Nick Vujicic.

Do miracles still happen today? This book demonstrates that miraculous works of God, which have been part of the experience of the church around the world since Christianity began, continue into the present. Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today, including many accounts that offer evidence of verifiable miracles. This book gives an accessible and concise overview of one of Keener's most significant research topics. His earlier two-volume work on miracles stands as the definitive word on the topic, but its size and scope are daunting to many readers. This new book summarizes Keener's basic argument but contains substantial new material, including new accounts of the miraculous. It is suitable as a textbook but also accessible to church leaders and laypeople.

A Verse-by-verse Study of 1 Corinthians 12-14

The Power of the Holy Spirit in You

*What are spiritual gifts? Author and pastor Sam Storms has spent several decades teaching on the topic of the spiritual gifts and equipping believers in the faithful practice of God's gifts. Yet there remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ. In this comprehensive guide to the spiritual gifts, Storms addresses the many bizarre and misleading interpretations that abound and confronts the tendency to downplay the urgency of spiritual gifts for Christian living and ministry. He explains how spiritual gifts, both the more miraculous and the somewhat mundane, are given to build up the body of Christ. God has graciously provided these "manifestations of the Spirit" so that believers might encourage, edify, strengthen, instruct, and console one another, all with a view to an ever-increasing, incremental transformation into the image of Jesus Christ. Throughout this guide, Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every born-again believer. God does not call upon us to speculate about the nature of this power or to embrace it as a mere idea. His desire is that we avail ourselves of it to partner with him in his purposes on the earth. His desire is that we cry out to him that he might intensify, expand, increase, and deepen the manifestation of this power through us in ever more demonstrative and tangible ways in our lives. Understanding Spiritual Gifts is useful as a reference to address common questions about the gifts, but it also serves as a training manual for using and exercising the gifts in ministry. It is perfect for any individual or group who wants to grow in their understanding of the gifts for today.*

*Who Is the Holy Spirit—and Why Do You Need Him in Your Life? After His crucifixion and resurrection, Jesus gave His disciples an assignment to change the world—but told them to wait until the power of the Holy Spirit had come upon them before setting out. His charge to modern-day believers is no different: To do the works that Jesus did (and even greater ones, as He said), it is imperative that we operate from the indwelling power of the Holy Spirit. But Who is this mysterious Third Person of the Trinity? How do we get this power, and what are we to do with it when we receive it? Pat Robertson, founder of the Christian Broadcasting Network and beloved longtime host of The 700 Club, tackles these questions and many others in this, the final book of a life that is now in its ninth decade. Robertson traces the path of the Holy Spirit through both the Old and New Testaments, and shares stories from his own life and that of many 700 Club viewers testifying to how the power of the Holy Spirit has miraculously freed and healed them today. If you want a better understanding of the Holy Spirit and are hungry to know more about the power that is available through Him to every Christfollower today, this book is for you.*

*Spirit and Sacrament by pastor and author Andrew Wilson is an impassioned call to join together two traditions that are frequently and unnecessarily kept separate. It is an invitation to pursue the best of both worlds in worship, the Eucharistic and the charismatic, with the grace of God at the center. Wilson envisions church services in which healing testimonies and prayers of confession coexist, the congregation sings When I Survey the Wondrous Cross followed by Happy Day, and creeds move the soul while singing moves the body. He imagines a worship service that could come out of the book of Acts: Young men see visions, old men dream dreams, sons and daughters prophesy, and they all come together to the same Table and go on their way rejoicing. In short, Spirit and Sacrament is an appeal to bring out of the church's storehouse all of its treasures, so that God's people can worship our unrivaled Savior with sacraments and spiritual gifts, raised hands and lowered faces.*

*The Holy Spirit Wants to Work Through You! Because of division over these controversial questions, many Christians have embraced a major deception about the Holy Spirit—that He is no longer powerfully at work in the world today. Randy Clark has been an eyewitness to the miraculous work of the Holy Spirit and a key participant in watching Him powerfully transform lives across the Earth. This easy-to-read guide equips everyday believers to understand and activate the Spirit’s power in their lives today. The Essential Guide to the Power of the Holy Spirit will help you: Discover the gifts of the Holy Spirit that are still in operation and available to you today Recognize an authentic move of God in your church, community, and life Understand how miracles, signs, and wonders play a key role in you sharing the Gospel To fulfill your destiny, you must unlock the power of the Holy Spirit in your life. He is God on the Earth and He wants to use you to release His Kingdom today!*

*Tongues! Signs! Wonders! Are they operative in the church today? Samuel E. Waldron builds a systematic case for the complete cessation of the miraculous gifts as well as the offices of apostle and prophet. Building an insurmountable argument step by step, he shows that the Bible is quite clear on this issue. If you are struggling to come to grips with what the Bible says on this most important and oftentimes confusing topic, then this book is essential reading.*

*Affirms the validity of spiritual gifts while seeking to restore a biblical emphasis on why the gifts are given.*

*The Bible teaches us that we are to be filled with God's Spirit and that God's presence and grace is manifested among his people as they serve, love, and minister to one another. Yet some of the gifts that God offers to his people aren't commonly seen in many churches today. Gifts of prophecy, healing, tongues, and other supernatural gifts of God seem to be absent, and many Christians are unsure how to cultivate an atmosphere where God's Spirit can work while remaining committed to the foundational truth of God's Word. How can Christians pursue and implement the miraculous gifts of the Spirit without falling into fanatical excess and splitting the church in the process? In Practicing the Power, pastor and author Sam Storms offers practical steps to understanding and exercising spiritual gifts in a way that remains grounded in the word and centered in the gospel. With examples drawn from his forty years of ministry as a pastor and teachers, Storms offers a guidebook that can help pastors, elders, and church members understand what changes are needed to see God move in supernatural power and to guard against excess and abuse of the spiritual gifts. If you long to see God's Spirit move in your church and life, and aren't sure why that isn't happening or where to begin, this book is for you.*

*A Biblical and Historical Survey*

The apostle Paul told the Corinthian Christians, "Now concerning spiritual gifts, brethren, I would not have you ignorant." Sadly, today many people are confused about the person and work of the Holy Spirit. • Who or what is the Holy Spirit? • What are the gifts of the Spirit? • Are the gifts of the Spirit for today? • Do all Christians have spiritual gifts? • What is the greatest sign of being filled with the Holy Spirit?

Eschewing extremes, Bible scholar D. A. Carson explores the controversial subject of the role of the Holy Spirit in the life of a believer and in the life of the church. Unpacking 1 Corinthians 12-14, as well as touching on relevant passages in Acts, Carson faithfully follows the evidence of the text and offers an honest look at the strengths and weaknesses of both charismatic and non-charismatic viewpoints.

Four different scholars present their positions in this book to guide students, pastors, and lay learners to consider and evaluate various ways of understanding God's involvement in the world, especially in relation to views on predestination and the extent of the atonement.

Miraculous Gifts is a discussion of spiritual gifts in light of the basic differences between cessationalism and Pentecostalism. Many studies of this issue are written from a primarily theological perspective, and while theological arguments are valid, charismatics assert that this controversy concerns "biblical" gifts and miracles, and is therefore a matter of 'faith' to believe their claims, with theological arguments proving unsatisfactory. The fundamental question is, "Is this what the Bible discusses; is it biblical?" Miraculous Gifts attempts to answer that question by providing a biblically-based analysis of spiritual gifts in view of the charismatic controversy.

Understanding Spiritual Gifts

**This book provides a consistent examination of the primary biblical texts used in the current debate over spiritual gifts and the charismatic experience. Dr. Edgar affirms that believers can indeed be satisfied and fulfilled by the Spirit apart from miraculous gifts.**

**The role of women in positions of worship and church leadership is one of the most divisive and inconclusive biblical debates. Two Views on Women in Ministry furnishes you with a clear and thorough presentation of the two primary exegetical arguments so you can better understand each one's strengths, weaknesses, and complexities. Egalitarian – equal ministry opportunity for both genders (represented by Linda L. Belleville and Craig S. Keener) Complementarian – men and women fill distinctive ministry roles (represented by Craig L.**

**Blomberg and Thomas R. Schreiner) This revised edition brings the exchange of ideas and perspectives into the traditional Counterpoints format. Each author states his or her case and is then critiqued by the other contributors. The fair-minded, interactive Counterpoints forum allows you to compare and contrast the two different positions and form your own opinion concerning the practical and often deeply personal subject of women in ministry. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.**

**This thought-provoking book presents the four major views of miraculous gifts today and will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others.**

**Leslie Odom Jr., burst on the scene in 2015, originating the role of Aaron Burr in the Broadway musical phenomenon Hamilton. Since then, he has performed for sold-out audiences, sung for the Obamas at the White House, and won a Tony Award for Best Leading Actor in a Musical. But before he landed the role of a lifetime in one of the biggest musicals of all time, Odom put in years of hard work as a singer and an actor. With personal stories from his life, Odom asks the questions that will help you unlock your true potential and achieve your goals even when they seem impossible. What work did you put in today that will help you improve tomorrow? How do you surround yourself with people who will care about your dreams as much as you do? How do you know when to play it safe and when to risk it all for something bigger and better? These stories will inspire you, motivate you, and empower you for the greatness that lies ahead, whether you're graduating from college, starting a new job, or just looking to live each day to the fullest.**

Life abundant?Jesus promised it and we long for it, yet few Christians seem to have it. Blending lively anecdotes, commentary, and teachings from the Bible, Dr. Charles Stanley introduces you to the Holy Spirit. "A big part of the Spirit-filled life is learning to recognize the fingerprint of the Holy Spirit. Once you know what to look for and once you begin looking for it, you will be amazed at how real the Holy Spirit will become to you. Learning to recognize the Holy Spirit is the first step in learning to live the Spirit-filled life."

What are the spiritual gifts? Do all Christians have them? Have the miraculous gifts ceased? The topic of spiritual gifts is often a point of contention among Christians. In Spiritual Gifts: What They Are and Why They Matter, Dr. Thomas R. Schreiner, a leading New Testament scholar, answers these questions. Schreiner shares his personal experience related to spiritual gifts, but more importantly, he unpacks what the Bible has to say about them. In doing so, he brings a spirit of humility and charity, reminding us that though spiritual gifts are important, we can have unity in Christ even where we disagree.

Faith's Checkbook, written by world-renowned British pastor Charles H. Spurgeon, provides daily deposits of God's promises into your personal bank of faith. Spurgeon urges you to view each Bible promise as a check written by God that can be cashed by personally endorsing it and receiving the gift it represents. Cash in on the bountiful store of blessings when you withdraw daily from the Bank of Faith. This captivating eBook devotional offers inspiration and delight in our Lord, and it encourages readers to take God's promises to heart in just a few minutes of reading each day. Each verse is followed by a brief thought or application, making this eBook ideal for personal or family devotions wherever you may go. The Table of Contents is linked so you can conveniently find your place where you left off. If you skip a day, no problem, you can easily begin on the next day's reading. "A promise from God may very instructively be compared to a check payable to order," wrote Spurgeon. "It is given to the believer with the view of bestowing upon him some good thing. It is not meant that he should read it over comfortably, and then have done with it. No, he is to treat the promise as a reality, as a man treats a check."

Are Miraculous Gifts for Today? takes you to the heart of one of the most dividing questions in the Church today: how are the Holy Spirit's miracles at work among God's people now? Is he still actively giving the gifts of tongues, prophecy, and healing that fill the book of Acts? Is he driving out demons when Christians command them to flee? Or are these events confined to the time of the early church and the apostles? This volume of the Counterpoints series provides an impartial format for comparing the four main positions on present-day miracles (including the history and distinctions between the three positions that affirm miraculous gifts) with voice also given to a large sector of open-but-cautious evangelicals; Cessationist: there are no miraculous gifts of the Holy Spirit today. Pentecostal: gifts are intended for today, with certain nuances focused on baptism and speaking in tongues. Charismatic: gifts are intended for today and should be actively practiced. Third Wave: gifts are intended for today, with greater emphasis on baptism and less on tongues. This thought-provoking book will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

Showing the Spirit

The Gift of Prophecy in the New Testament and Today (Revised Edition)

The Essential Guide to the Power of the Holy Spirit

A Theological Exposition of 1 Corinthians 12-14

In the first century A.D., miraculous gifts occurred with the baptism with the Holy Spirit. These served as signs that God was no longer using the Israelite nation but that his approval now rested on the Christian church, which had been established by his Son. (Heb 2:2-4) On the day of Pentecost, miraculous gifts followed the outpouring of the Holy Spirit, and in each case mentioned in the New Testament where the miraculous gifts of the Spirit were given, at least one of the 12 apostles or Paul was present. (Ac 2:1, 4, 14; 8:9-20; 10:44-46; 19:6) With the death of the apostles, the transmittal of the gifts of the Spirit ended. Did the miraculous gifts of the Spirit cease? Is the gift of prophecy for today? It is imperative that we know the correct answer to that question.
