Why don't your proposals win? Why do your presentations fail? Would you like to know what really happens to your proposals after they are submitted and what selection criteria are used to evaluate your submittals? This book will show you what goes on behind those closed doors and it explains the many factors that can influence the final outcome. Over 40 "secrets" are revealed to help you sell yourself and better understand your chances for success. Actual evaluation criteria from numerous government agencies are also included so you can see exactly what they typically look for. Secrets of the Selection Committee contains valuable insights, tips, and recommendations for improving your writing and presentation skills using lessons learned from real proposals and presentations, plus better ways to tailor your experience to sell your quals and your story to the Selection Committee.

This guide is intended to offer both small and large, career and volunteer departments, specific recommendations and example for applying ergonomics. The guide's contents includes an introduction to ergonomics, ergonomic-related disorders, developing an ergonomics program, ergonomic hazards, preventing and controlling ergonomic hazards, training, medical management, procedures for reporting injuries, implementing the ergonomic program, and evaluating program effectiveness.

Anyone Can Intubate

This attractive, heavily illustrated field guide is the most comprehensive accounting of the woody plants of Arkansas ever published. Features of the guide include: - Species accounts for nearly all the trees, shrubs, and woody vines of the state, including common and scientific names, descriptions, habitats, and distributions, as well as notes on current and potential species of conservation concern, introduced and invasive species, wildlife and human uses, history, and ecology - More than 1,500 color photographs highlighting important characters for identification - County-level distribution maps - Detailed sections on ecoregions and habitats of Arkansas as they relate to the woody flora - Visual key to aid in quickly identifying a plant to genus - Dichotomous keys for the 32 largest genera including the oaks, hickories, and hawthorns - Full glossary of technical terms featuring botanical drawings - Complete index of scientific and common names A field guide designed for outdoor use, Trees, Shrubs, and Woody Vines of Arkansas is an encyclopedic resource for identification and appreciation of the state's trees, shrubs, and woody vines. The book will appeal to educators, scientists, conservation professionals, and outdoor enthusiasts. The book's comprehensive listings of plant photographs, drawings, maps, and cross reference keys will support greater understanding and appreciation of the state's plants and the habitats that support them. The book will be a valuable companion for all who appreciate Arkansas flora in rural, urban, and wilderness areas. You will want to have a copy in your backpack as well as on your bookshelf.

Since 1987, Anyone Can Intubate has been the book for teaching intubation and related techniques. This 5th edition has been extensively rewritten and many new figures have been added. -- Provided by publisher.

The Importance and Value of Proper Bible Study

A beloved classic that captures the powerful bond between man and man's best friend. Billy has long dreamt of owning not one, but two, dogs. So when he's finally able to save up enough money for two pups to call his own--Old Dan and Little Ann--he's ecstatic. It doesn't matter that times are tough; together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters--now friends--and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. Praise for Where the Red Fern Grows A Top 100 Children's Novel, School Library Journal's A Fuse #8 Production A Must-Read for Kids 9 to 14, NPR Winner of Multiple State Awards Over 7 million copies in print! "Very touching." --The New York Times Book Review "One of the great classics of children's literature . . . Any child who doesn't get to read this beloved and powerfully emotional book has missed out on an important piece of childhood for the last 40-plus years." --Common Sense Media "An exciting tale of love and adventure you'll never forget." --School Library Journal "A book of unadorned naturalness." --Kirkus Reviews "Written with so much feeling and sentiment that adults as well as children are drawn [in] with a passion." --Arizona Daily Star "It's a story about a young boy and his two hunting dogs and . . . I can't even go on without getting a little misty." --The Huffington Post "We tear up just thinking about it." --Time on the film adaptation

Diagrams, Doodles, and Insights

Today's Hunter

From the Preface: This manual, Child Protective Services: A Guide for Caseworkers, examines the roles and responsibilities of child protective services (CPS) workers, who are at the forefront of every community's child protection efforts. The manual describes the basic stages of the CPS process and the steps necessary to accomplish each stage: intake, initial assessment or investigation, family assessment, case planning, service provision, evaluation of family progress, and case closure. Best practices and critical issues in casework practice are underscored throughout. The primary audience for this manual includes CPS caseworkers, supervisors, and administrators. State and local CPS agency trainers may use the manual for preservice or inservice training of CPS caseworkers, while schools of social work may add it to class reading lists to orient students to the field of child protection. In addition, other professionals and concerned community members may consult the manual for a greater understanding of the child protection process. This manual builds on the information presented in A Coordinated Response to Child Abuse and Neglect: The Foundation for Practice. Readers are encouraged to begin with that manual as it addresses important information on which CPS practice is based--including definitions of child maltreatment, risk factors, consequences, and the Federal and State basis for intervention. Some manuals in the series also may be of interest in understanding the roles of other professional groups in responding to child abuse and neglect, including: Substance abuse treatment providers; Domestic violence victim advocates; Educators; Law enforcement personnel. Other manuals address special issues, such as building partnerships and working with the courts on CPS cases.

This study guide is designed to fit the needs of various ages and study habits and is ideal for personal, class or family study. We have taken every chapter in 1 Nephi - Mosiah and provided study pages to help you really dig in and study every single verse! This study guide contains 116 pages of study pages and over 50 more note pages where you can record your valuable insights. If you like to doodle and draw - then you can fill your pages with doodles and drawings! Another person may want to write in great detail. Another may make lists, draw diagrams, etc. You can customize this study guide to your own personal preferences! We have provided you many diagrams to help you follow story lines, lineage, doctrines, etc. Also included are explanation pages. For example, there is a page that explains the history of Jerusalem, and another page that explains "The House of Israel". These pages will offer you valuable insights that you can easily reference as you are studying your Book of Mormon! Besides being a helpful study guide, this journal also provides a place for you to record what you are learning and leave a history of your thoughts and insights as you study your Book of Mormon.

"About that vast, right-wing conspiracy...Michael D'Antonio found the receipts." - HILLARY CLINTON The Hunting of Hillary traces how an entire industry of hate, lies, and fear was created to persecute Hillary Clinton for decades and profit from it. In The Hunting of Hillary, Pulitzer prize winning political reporter Michael D'Antonio details the years of lies and insults heaped upon Hillary Clinton as she pursued a life devoted to politics and policy. The worst took the form of sexism and misogyny, much of it barely disguised. A pioneer for women, Clinton was burdened in ways no man ever was. Defined by a right-wing conspiracy, she couldn't declare what was happening lest she be cast as weak and whiny. Nevertheless, she persisted and wouldn't let them define her. As The Hunting of Hillary makes clear, her achievements have been all the more remarkable for the unique opposition she encountered. The 2016 presidential election can only be understood in the context of the primal and primitive response of those who just couldn't imagine that a woman might lead. For those who seek to understand the experience of the most accomplished woman in American politics, The Hunting of Hillary offers insight. For those who recognized what happened to her, it offers affirmation. And for those who hope to carry Clinton's work into the future, it offers inspiration and instruction.
