

Armed And Dangerous

Memoirs of celebrated criminals purvey vivid personal stories while spawning sharp questions about the cultures that produced them. In *Outlaw*: Author Armed & Dangerous, Rédoine Faïd, of Algerian immigrant parents, born and raised in the housing projects surrounding Paris, recounts his career as an infamous and renowned bandit. Drawing inspiration and instruction from a host of films and television series, Faïd styled himself and was known to friends and accomplices as "Doc" -- after Steve McQueen in the legendary suspense thriller, *The Getaway*. With self-discipline and a striking ability to learn from experience, Faïd carried off his first robberies while still a teenager. He soon graduated from petty thievery to armed robbery, targeting computer component suppliers, jewelry stores, banks, and most memorably, armored trucks. A master of disguise, with bulletproof vest and a .357 Magnum as a prop to encourage compliance, he led a crew that operated with careful planning but eschewed bloodshed and physical violence. In imitation of Michael Mann's *Heat*, Faïd and his cohorts donned hockey masks for one job, sometimes even quoting from other famous heist films during their capers. When bold plans went wrong, he reacted with fast thinking that served him well -- until it didn't, and he was arrested and imprisoned in 1998. *Outlaw* was first published in France in 2009, after which Faïd was imprisoned again. Subsequently, his dramatic escapes from jail, in 2013 and 2018, made front-page news in France and around the world. Interviewed by journalist Jérôme Pierrat, who specializes in crime and investigative reportage, Rédoine Faïd tells his own story with panache and humor, darkened by introspection and cautionary tales. His story, like that of a character out of a Jean-Pierre Melville film or Dassin's *Rififi*, is not only intriguing, it is also as compelling as any high-grade thriller. Three months after his daring helicopter escape from Réau Prison in 2018, Faïd was captured again. He currently remains in jail.

Left alone in Baltimore after his unpredictable lover bails, Special Agent Zane Garrett takes his frustration out on everything in his path until he is ordered to Chicago to back up an undercover operative. When he gets there, though, he finds himself face to face with his wayward partner, Special Agent Ty Grady. They have to deal with the uncertainty lingering between them while they work to retrieve their intended mark, a retired hit man and CIA wet-works operative named Julian Cross.

The ebook edition of this title is Open Access, thanks to Knowledge Unlatched funding, and freely available to read online. Drawing on historical and contemporary case studies, this book delves into visual and text-based materials to unpack gender-based violence(s) perpetrated and experienced by both sexes within and beyond the conflict zone.

On the day that Hindu nationalists and their controversial leader have won a spectacular election victory, a large apartment building collapses in Mumbai. The rescue operation finds a single survivor trapped under a beam. The only person able to reach him is Akhila Iyer, a medical student who is also a notorious prankster. Crawling through the rubble to administer first aid, she finds him mumbling in delirium that a young Muslim couple are on their way to carry out a terror attack. Elsewhere, an intelligence agent, Mukundan, is assigned to shadow two terror suspects, one of whom is the teenager Laila, sweetheart of her street. Time is running out and the chase is on...

Pervasive in its comic realism, wicked in its humour and broad-based in its canvas, *Miss Laila, Armed and Dangerous* is a fierce, profound and illuminating portrait of our age of globalisation and populist politics.

Aces in Orbit chronicles the excitement and energy Andy Pettitte and Roger Clemens brought to the Astros, pushing the organization to its first World Series and the first World Series in the state of Texas. It chronicles the last two historic seasons, beginning with the sensitive negotiations that led Pettitte and then Clemens to Houston before the 2004 season. It details the overwhelming expectations that almost buried the 2004 Astros, prompting the firing of manager Jimmy Williams before a 36-10 finish put the Astros in the World Series with the best finish in baseball in over 50 years. The book also chronicles the disappointing departures of 2004 postseason and regular-season stars Jeff Kent and Carlos Beltran, who bolted via free agency and left the 2005 Astros seemingly with no hope. Many experts and even several of the players assumed the Astros would finish near the bottom of the standings, especially after All-Star Lance Berkman missed the first month of the season

Collected for the first time in print! Special Agents for the Department of Diplomatic Security, Taylor MacAllister and Will Brandt have been partners and best friends for three years. Put on your Armor and Shield because we are In a war that's been going on since creation. This book details what you need to be armed with and how to use the weapons of our warfare against the enemy.

Armed and Considered Dangerous is a book about "bad guys" and their guns. But Wright and Rossi contend that for every suspected criminal who owns and abuses a firearm, a hundred or more average citizens own guns for sport, for recreation, for self-protection, and for other reasons generally regarded as appropriate or legitimate. Armed and Considered Dangerous is the most ambitious survey ever undertaken of criminal acquisition, possession, and use of guns. There are vast differences between the average gun owner and the average gun-abusing felon, but the analyses reported here do not suggest any obvious way to translate these differences into gun control policies. Most policy implications drawn from the book are negative in character: this will not work for this reason, that will not work for that reason, and so on. When experts are asked, "Okay, then what will work?" they usually fall back on the old warhorses of poverty, the drug problem, or the inadequate resources of the criminal justice system,

*and otherwise have little to say. This is not a failure of social science. It simply asks more of the data than the data were ever intended to provide. Several of Wright and Rossi's findings have become "coin of the realm" in the gun control debate, cited frequently by persons who have long since forgotten where the data came from or what their limitations are. Several other findings, including many that are important, have been largely ignored. Still other findings have been superseded by better and more recent data or rendered anachronistic by intervening events. With the inclusion of a new introduction detailing recent statistics and updated information this new edition of *Armed and Considered Dangerous* is a rich source of information for all interested in learning about weapon behavior and ownership in America.*

Despite the significance of armed robbery in the criminal justice system, the media and in the public mind there has been little systematic research or writing on the subject beyond the popular accounts. In both the USA and the UK there remains a large gap in the literature on the subject, which this book aims to fill. It provides a comprehensive account of armed robbery, based on extensive research with 350 armed robbers in prison, and on work with two police armed response units Despite the significance of armed robbery in the criminal justice system, the media and in the public mind there has been little systematic research or writing on the subject beyond the popular accounts – from the Metropolitan and South Yorkshire Police. This is the book on the subject.

Combat Prayers to Crush the Enemy

Fear is a form of torment the enemy tries to plague people with in order to paralyze them, to steal their purpose and destiny from God's best. None of us is immune to these attacks. Jesus came to destroy fear and set the captives free. Speaking as one whom Jesus Christ set free from the devil's grip, John Ramirez, once a satanic high priest, exposes the tormenting weapons of fear of our number one spiritual enemy, the devil, and equips and arms believers with the weapons of our warfare that God has given us through his Son, Jesus Christ, to abort the enemy's mission. In this book, *Destroying Fear*, you will learn how to get back your peace and purpose and walk fearless into your destiny by dismantling every stronghold and stopping the enemy's attacks once and for all, for a life of freedom!

The Ultimate Battle Plan for Targeting and Defeating the Enemy

A Wake Up Call to the Impotent Church

Armed Robbery

Dynamic Battle Plan Identifies Enemy Tactics and Equips Believers to Live Victoriously Jesus made it clear that the devil has come to steal, kill, and destroy. Hell is ready to unleash fury against every follower of Jesus. Yet many believers live in denial, letting the enemy steal their blessings, destroy their relationship with Jesus, and kill their hope. But no more. It's time to put the enemy on notice! With passion and insight gained from years on the frontlines of spiritual warfare, John Ramirez equips you with the biblical weapons and practical strategies you need to battle the enemy successfully, including how to · discern and shut down the enemy's tactics and next moves · fight with your God-given authority · break free from destructive patterns and replace them with godly ones · fortify your mind and heart against attacks · take back what the devil has stolen · grow in wisdom and maturity in Christ · and more! Here is everything you need to become armed and dangerous against every adversary that threatens your relationship and growth with Jesus. Through the power of the Holy Spirit you can destroy the power of the enemy and protect all that God has given you. It's time to push back the gates of hell, advance the Kingdom, and live the life God designed you for.

The weapons of our warfare are mighty through God. The believer in full armor is more than a match for the enemy. This is the believers manual for being battle ready, Armed and Dangerous.

Dennis Trunk is a man of his word... ..and sometimes that's fatal. Trying to escape from the cartel, with 7 million dollars stashed, he needs an exit - fast. But the cops have their own plan for his future. They want to pin a murder on him and force him to roll over on his customers, a who's who of southern criminals. When a job in Mexico goes wrong Trunk sees the opportunity to escape both the cartel and the cops. But to get out, he has to sell out a friend. What would you do? When you can't call the cops... Call Trunk ... but who does Trunk call?

Satan prowls around, ready to pounce on our every weakness, fill us with fear, and destroy our intimate relationship with Christ. But we are not defenseless. We have weapons of warfare enabling us to be spiritually aggressive and face the devil head on. Rather than lose ground in our faith, we can live armed and dangerous! In this handbook of militant prayers, evangelist and ex-satanist John Ramirez helps you prepare for and move into advanced combat. He covers topics such as · strengthening your position as a warrior · opening your spiritual eyes · releasing the thunder of God against the devil · loosing God's blessings · and more! We have the authority and the mandate to destroy the works of the devil. Let's do it!

This book is more than a How To book. It arms you with the knowledge necessary to make informed decisions regarding every aspect of waterproofing a property as well as the structural aspects to designing and building a residential or commercial building.

Things you need to know and how to ask or relate to your architect, builder, home inspector or tradesman. Not just the terminology but how to discern with your eyes whether something existing was done correctly or how to see if it was not!! And ask the right questions. A lot can be lost in the translation from English to construction terms and back. When everyone involved understands the different scenarios in protecting one's property from the elements all are pleased with the results. So whether you are a realtor or buyer or a dreamer I hope you will find this handbook to be invaluable!!!! My Best Regards....Chris Brooke

There is a deep regal and kingly strength that I always find in Paul's amazing epistle to the church Ephesus. The book lays out in undiluted terms:- Who we are in Christ- The mighty power entrusted to us- Our place of spiritual authority- The supernatural weapons of our warfare- The protective armour into which we are clothedThe book of Ephesians has always been for me a warriors handbook giving a clear understanding of all that is required to frequently advance the kingdom of God in a hostile world.Russell Evans"I've known Pastor Tim Hall for over 40 years. Pastor Tim has been used so powerfully by God for His Kingdom. He carries an authority that has been tried and tested over time and is one of Australia's greatest healing evangelists. This book will equip you to understand who you are in Christ and is not just theory, but first-hand revelation gained from a practitioner who has learned to operate daily in the God-given authority of every Believer. I'm sure you will be inspired and empowered to be all you

can be in Christ as you read this powerful life message. I totally recommend this book."Mark Varughese"Everyone is in a fight. But not everyone is fighting. Tim Hall is a walking testament to one who knows his authority in Christ and has faced real battles and won powerful victories. This book will encourage you and more importantly, equip you to ensure that you know who you are and what you have access to in the midst of all that you are going through. The victory belongs to those who are spiritually armed. I

highly recommend Armed and Dangerous to everyone!"

During the years of apartheid rule in South Africa, Ronnie Kasrils was actively involved with the banned ANC, its military wing Umkhonto we Sizwe and the South African Communist Party. Hunted by the security police, he was described by them as 'Armed and Dangerous'. This is his riveting first-hand account of the tense and dramatic years of the liberation struggle followed by his role in the first ten years of a democratic South Africa in which he first served as Deputy Defence Minister (1994 to 1999) and then as Minister of Water Affairs and Forestry (1999 to 2004). Originally published in 1993, the book was republished in 1998 with eight additional chapters.

After four years abroad, Trinity MacKenna has returned home to her family's ranch in southeastern Arizona. Everything in her life is going just as she planned it—a home in London, a brilliant career, and she's practically engaged to an English gentleman. Then Trinity meets Luke, the virile and sexy, dark and dangerous cowboy that was not part of her carefully arranged plans. From the moment Luke Denver sees the sensual strawberry blonde, he is intrigued by Trinity's combination of sophistication and innocence, boldness and shyness. Even when Trinity tells him she's taken, Luke doesn't let that stop him, because he's determined to make her his ... no matter the cost.--From back of book.

Satanist-Turned-Evangelist Gives You the Inside Strategy to Defeat the Devils Plans! Many people, even Christians, deny the devils power. John Ramirez doesnt have that luxuryhe experienced the prince of darkness up close and personal. In the impoverished streets of the South Bronx, John Ramirez found acceptance from a family of witches and warlocks. These practitioners of dark arts trained him to be a high-ranking satanic priesta story told in his first book, Out of the Devils Cauldron. However, everything changed when he met the living Christ. In Unmasking the Devil, John Ramirez shares an insider view of how satan operates so you can avoid his traps and learn how to: discern between the voice of God that directs to victory and satans voice that leads to destruction. close the demonic doors satan uses to enter your life: entertainment, unhealthy relationships, greed, and false religion. activate the spiritual weapons of prayer, intercession, and Scripture to render hell powerless over your life. recognize how the spirits of Jezebel and Delilah attempt to infiltrate the church, create disunity, and render Gods people powerless. No army goes into battle without first knowing the tactics of their enemy. Receive behind-the-scene glimpses of satans strategies and equip yourself to live victoriously over the powers of darkness! Spiritual warfare is a must for every Christian if they are going to survive in the coming years, says John Ramirez. Its time to stop playing patty-cake with the devil and learn how to put hell on notice.

*Ever since bad boy Zack Hunter left her ten years ago, breaking her heart, Sky MacKenna hasn't been able to find a man who sets her on fire the way he did. Then he comes striding back into her life—bigger, badder, and sexier than before. Zack Hunter never thought his job as an Immigration and Customs Enforcement agent would lead him back to his small hometown, and he never thought he'd set eyes on Sky again. Leaving her behind had been the stupidest thing he'd ever done, but this time he isn't going to let her go. And as soon as Zack lays eyes on Sky, he makes it clear that he intends to make her his all over again. When Sky becomes entangled in the case he's investigating, Zack can't help but take the threat personally. As the danger mounts, their passion burns even hotter. **Please note: "Zack" was published in print only with St. Martin's Griffin. It's hard to adjust to the trials and tribulations of college when you've been the focal point in a web of intrigue and murder. Christina Parker, now a student at a small liberal arts college in central Arizona, is still trying to forget the man who took her through hell and back two years ago. She was doing just fine, too, until said man appeared again, out of the blue. On the doorstep of her new apartment. Unconscious. Suddenly, the brittle semblance of normality that Christina managed to construct after all this time is shattered. With a wounded man to contend with and the prominent threat of the ruthless IMA, Christina is forced to face all her old fears head-on....But this time, she'll be doing it on her own terms.

***STANDALONE NOVEL** Who says a wild heart can't be tamed? For years, I lived for the job and let it control me. Violence was all I knew. I protected, killed, and served. My name is Blake Evans, one of the best undercover cops in the country. I thought I was about to live a quiet life on my ranch in Wyoming until an old friend showed up and changed everything. He brought me her, Hadley Rivers, country music sensation and the one woman I couldn't have. I didn't want her but she had me completely roped in. My job is to protect her, to keep her away from some psycho who wants her for himself. However, there's more to her story than I was led to believe. I promised to keep her safe and I won't back down . . . even if I have to die trying. I can't let him have her.*
