about the car you want to buy. By giving their fabulous E-type the incredible new V12 engine, Jaguar succeeded in grabbing the headlines once more, with an unsurpassed combination of performance and style at an unbeatable price that simply blew the opposition away. Thirty years later, the Series 3 E-type can still turn heads like no other and this book seeks to demystify these legendary cars and make them accessible to buyers who until now might have assumed such a car was beyond their practical or financial means. Working step-by-step through the car's strengths and weaknesses you'll avoid buying a lemon and join the ranks of film stars and others who have sampled the delight of V12 E-type motoring. Nothing else comes close. This book's unique points system will help you to place the car's value in relation to condition whilst extensive photographs illustrate the problems to look out for. This is an important investment - don't buy a V12 E Type without this book's help. STOP! Don't buy a V12 E-Type without buying this book first! "How to Choose the Right Property - A Buyer's Guide to Home Selection" is a book filled with valuable information that goes beyond just "tips" for looking at a house. The topics and information in the book may prevent the buyer from experiencing unexpected expenses from existing conditions or problems that could have been foreseen by reasonable observations when buying a home. Most of the topics are easy to understand and will yield the

land or leasing a home site, providing up-to-date, essential information home buyers need to make an informed purchase decision. This second edition of the bestselling guide is completely revised and updated, including a new annotated construction rating table with 56 criteria you can use to evaluate any home before you buy. In this comprehensive book, John Grissim, author of the best-selling companion resource, *The Grissim Ratings Guide to Manufactured Homes*, gives you everything you need to safely and successfully navigate the tricky waters of the manufactured home marketplace. He explains how the manufactured home industry operates, how to find a dealer worthy of your trust, how to make the right home selection, and, as important, how to be informed, empowered and swindle-proof. Exhaustively researched, with extensive input from both industry insiders and consumer advocates, this guide contains much information that retailers, even the good guys, don't want you to know. In addition to clear step-by-step guidance in the home buying process, John Grissim provides up-to-date, essential information together with authoritative, no-nonsense insights that have made him a respected industry observer and voice for the home-buying consumer.
