*Best Women's Erotica of the Year, Volume 3* delivers the kind of sexy stories you want most: daring, bold, and surprising tales of women who pursue their boundless passions anywhere and everywhere. Edited by Rachel Kramer Bussel, winner of multiple Independent Publishing Book Awards, these scintillating scenarios turn the tables on how women are "supposed" to behave. Instead, these uninhibited vixens indulge in their favorite fetishes, do deliciously intimate "Body Shots," and get tied up with "Red Satin Ribbons." They pose nude, dress up, and roleplay, always obeying their most exhilarating impulses. These lusty ladies take your most cherished, private fantasies—from making a sex tape, to taking part in a thrilling threesome, to having a stud delivered to your door hot and ready—and make them come alive. Written by beloved authors Abigail Barnette, Annabel Joseph, and Charlotte Stein along with several genre newcomers, these are erotic encounters you'll want to savor again and again...

The world knows her as a porn star. . . but it's her way with words that will touch you again and again. Asa Akira's perceptive, funny, and straightforward writings on love, sex, death, marriage and celebrity come together in a surprising book of essays. Personally revealing as well as universal, Dirty Thirty marks the coming of age of a new literary star.

Most people today have the attention span and focus of a hyper-caffeinated squirrel chomping down on methamphetamines like tic tacs. We hop from unfinished project to unfinished project, flit around piled-up work by giving in to accessible diversions at the drop of a hat, and so on and so forth - until we're left with ever increasing piles of work and ignored responsibilities, and basically as much control over our minds as a junkie going through withdrawal. But instead of playing slave to our minds, we can wrest back that lost control through a series of simple tips and everyday exercises. After all, curiosity is an excellent trait - in moderation - and if we bend our minds to our will, instead of the other way around, we can amp up productivity, focus, etc., while achieving a calmer mental state. And that is the purpose of this book! So, are you ready to delve into these secrets, new and old, and gain control back over your mind from these never-ending distractions?

The Juliette Society

*Before we go any further, let's get this out of the way. I want you to do three things for me. One. Do not be offended by anything you read beyond this point. Two. Leave your inhibitions at the door. Three, and most important. Everything you see and hear from now on must remain between us. Now, let me take you to a place you've never been before... Film student Catherine has a secret: a long-held dream, the source of all her sexual imaginings. A dream full of desires of which she is ashamed and embarrassed. And these vivid dreams eventually find their way into her everyday life. One night, at a club, she meets at a man who leads her into a strange world. And soon she is drawn toward the Juliette Society, an exclusive secret society in which all the deepest, darkest fantasies are explored. But for those who join this world, there is no turning back.*

*In this darkly comic and surreal collection from celebrated author Alissa Nutting, misfit women scramble for agency in a series of uncanny circumstances Throughout these breathtakingly creative seventeen stories spread across time, space, and differing planes of reality, we encounter a host of women and girls in a wide range of unusual jobs. A space cargo deliverywoman enlists the help of her cybersex partner to release her mother from cryogenic prison. Desperate for affection and a more lavish lifestyle, a young woman falls under the corrosive spell of the fashion model for whom she's given up everything to assist. A woman submits to a procedure that will turn her body into a futuristic ant farm, only to discover the sinister plans of her doctor. Though the settings these women find themselves in are as shocking and unique as they come, the emotional battles they face are searing and real. Some are trying to fight their way out of the cycle of abuse, while others must cope with the anguish brought on by infertility or the aftershocks of an abortion. Still others confront and embrace their most depraved desires, carving out power for themselves in worlds that relentlessly ask for conformity. Wickedly funny yet ringing with deep truths about gender, authority and the ways we inhabit and restrict the female body, Unclean Jobs for Women and Girls is a brilliant commentary on the kaleidoscope of human behavior and a remarkably nuanced satire for our times.*

*The True Story of an Unwanted Chinese Daughter*

An award-winning, popular actress in the porn industry describes her unusual life and discusses her views on women and sexuality as well as offering an inside look into the porn industry and her relationships with other actors, including her husband.

The pendulum has shifted in Catherine's life once again. Four years after peeling back the curtain on The Janus Chamber, we find her now ironically working as a political journalist, settled into a mundane routine and dating life because she chose to tell the truth about Inana Luna instead of embracing a life of decadence with The Juliette Society. Her cinema and guilt-free sex makes her realize what she's been missing, but an unwanted scandal douses the flame. Forced to lay low, she finds an opportunity to take back her career with a human interest story in Honduras, but there are people who see Catherine's article as a threat and will do everything they can to stop her from writing. Catherine is The Mismade Girl, and as her life is turned upside down, she must choose to either perish . . . or be remade anew.

*A few years have passed since Catherine's time in the The Juliette Society, but things haven't been going the way she planned. Her life with her fiancé Jack has become predictable and boring, especially in the bedroom. Now working as a journalist, she struggles to find inspiration in her work or at home - until she starts writing about the death of a publicly beloved model, Inana Luna, whose experiences reflect Catherine's own blossoming sexuality and independence. What started as a routine story quickly becomes Catherine's obsession as she follows the tale of a woman whose tracks take her down a road with too many familiar facets: a fascination with kink, lustful men, and some very sexy intrigue. Like the Roman god Janus, Catherine is simultaneously looking to the past and the future. Can her experiences with The Juliette Society, along with Inana's diary, help her figure out what she really wants in life, love, and sex? Or will the story drag her back down into a tantalizing world from which she might not be able to escape a second time?*

*Much later, as he sat with his back against an inside wall of a Motel 6 just north of Phoenix, watching the pool of blood lap toward him, Driver would wonder whether he had made a terrible mistake. Later still, of course, there'd be no doubt. But for now Driver is, as they say, in the moment. And the moment includes this blood lapping toward him...*
