A SWEEPING TALE OF TURN-OF-THE-CENTURY AMERICA AND
THE IRRESISTIBLE FORCES THAT BROUGHT TWO MEN

TOGETHER ONE FATEFUL DAY In 1901, as America tallied its gains from a period of unprecedented imperial expansion, an assassin's bullet shattered the nation's confidence. The shocking murder of President William McKinley threw into stark relief the emerging new world order of what would come to be known as the American Century. The President and the Assassin is the story of the momentous years leading up to that event, and of the very different paths that brought together two of the most compelling figures of the era: President William McKinley and Leon Czolgosz, the anarchist who murdered him. The two men seemed to live in eerily parallel Americas. McKinley was to his contemporaries an enigma, a president whose conflicted feelings about imperialism reflected the country's own. Under its popular Republican commander-in-chief, the United States was undergoing an uneasy transition from a simple agrarian society to an industrial powerhouse spreading its influence overseas by force of arms. Czolgosz was on the losing end of the economic

changes taking place—a first-generation Polish immigrant and factory worker sickened by a government that seemed focused solely on making the rich richer. With a deft narrative hand, journalist Scott Miller chronicles how these two men, each pursuing what he considered the right and honorable path, collided in violence at the 1901 Pan-American Exposition in Buffalo, New York. Along the way, readers meet a veritable who's who of turn-of-the-century America: John Hay, McKinley's visionary secretary of state, whose diplomatic efforts paved the way for a half century of Western exploitation of China; Emma Goldman, the radical anarchist whose incendiary rhetoric inspired Czolgosz to dare the unthinkable; and Theodore Roosevelt, the vainglorious vice president whose 1898 charge up San Juan Hill in Cuba is but one of many thrilling military adventures recounted here. Rich with relevance to our own era, *The President and the Assassin* holds a mirror up to a fascinating period of upheaval when the titans of industry grew fat, speculators sought fortune abroad, and desperate souls turned to terrorism in a vain attempt to thwart the juggernaut of change. Praise for *The President and the Assassin* “[A] panoramic tour de force . . . Miller has a good eye,

trained by years of journalism, for telling details and enriching anecdotes.”—The Washington Independent Review of Books “Even without the intrinsic draw of the 1901 presidential assassination that shapes its pages, Scott Miller’s *The President and the Assassin* [is] absorbing reading. . . . What makes the book compelling is [that] so many circumstances and events of the earlier time have parallels in our own.”—The Oregonian “A marvelous work of history, wonderfully written.”—Fareed Zakaria, author of *The Post-American World* “A real triumph.”—BookPage “Fast-moving and richly detailed.”—The Buffalo News “[A] compelling read.”—The Boston Globe One of Newsweek’s 10 Must-Read Summer Books

From the #1 New York Times bestselling author of *The Handmaid's Tale* WINNER OF THE BOOKER PRIZE In *The Blind Assassin*, Margaret Atwood weaves together strands of gothic suspense, romance, and science fiction into one utterly spellbinding narrative. The novel begins with the mysterious death—a possible suicide—of a young woman named Laura Chase in 1945. Decades later, Laura’s sister Iris recounts her memories of their childhood, and of the dramatic deaths that have punctuated their wealthy, eccentric

family's history. Intertwined with Iris's account are chapters from the scandalous novel that made Laura famous, in which two illicit lovers amuse each other by spinning a tale of a blind killer on a distant planet. These richly layered stories-within-stories gradually illuminate the secrets that have long haunted the Chase family, coming together in a brilliant and astonishing final twist.

Shadow of the Honey Glade has been training all her life to join the Guild, hoping that one day she'll become an assassin as feared and revered as Cal. But Shadow's mother and aunts expect her to serve the crown as a lady of the Renovian Court. What kind of assassin works pro bono? It's hard to be a badass assassin when a giant is beating the crap out of you. Luckily, I never let pride get in the way of my

work. My current mission is personal: annihilate Mab Monroe, the Fire elemental who murdered my family. Which means protecting my identity, even if I have to conceal my powerful Stone and Ice magic when I need it most. To the public, I'm Gin Blanco, owner of Ashland's best barbecue joint. To my friends, I'm the Spider, retired assassin. I still do favors on the side. Like ridding a vampire friend of her oversized stalker—Mab's right-hand goon who almost got me dead with his massive fists. At least irresistible Owen Grayson is on my side. The man knows too much about me, but I'll take my chances. Then there's Detective Bria Coolidge, one of Ashland's finest. Until recently, I thought my baby sister was dead. She probably thinks the same about me. Little does she know, I'm a cold-blooded killer . . . who is about to save her life.

Before he was considered a CIA-super agent, before he was thought of as a terrorist's worst nightmare, and before he was both loathed and admired by politicians on Capitol Hill, Mitch Rapp was a star college athlete with an untapped instinct for violence. Tensions in the Middle East are simmering when Central Intelligence Agency Director Irene Kennedy pays a visit to Syracuse University, where she hopes to recruit none other than Mitch Rapp, a student who has quickly climbed up the academic and athletic ranks. At first glance, he appears like any other smart, good-looking American college kid. Under the surface, however, a tempest rages. Tragedy entered

Mitch's life a year before when 35 of his classmates, including his girlfriend, perished on Pan Am flight 103. Since then, Mitch has grieved their senseless deaths and has felt helpless in his desire for revenge. When Kennedy arrives on campus, his career path is suddenly laid out for him. Nine months later, after gruelling training, Mitch finds himself in Istanbul on his first assignment, which is to assassinate the Turkish arms dealer who sold the explosives used in the Pan Am attack. Mitch hits his target but quickly sees, for the first time, what revenge means to the enemy. When Mitch's mentor and a fellow recruit are kidnapped and tortured by a dangerous group of Islamic jihadists, he must stop at nothing to save them.
