A guide to discovering and developing the spiritual and mystical talents hidden in your astrological chart • Explores the 4th, 8th, and 12th houses of the individual psyche, profound spiritual insights, and hidden knowledge • Explains how to interpret the signs and planets in the water houses of your birth chart, including how to develop the innate talents and spiritual powers you discover • Reveals the occult and psychic significance of water and shows how this significance is expressed in each of the three water signs: Cancer, Scorpio, and Pisces, the rulers of the water houses Your astrological birth chart, or natal chart, shows the positions of the planets, sun, and moon at the time of your birth. Shaped like a circle or wheel, it is divided into 12 sections, or "houses," each connected with a different area of life or self. The

positions of the planets within the houses offer deep and often complex insight into your unique gifts and your life's path. In Astrology for Mystics, Tayannah Lee McQuillar explores the 4th, 8th, and 12th houses--those connected with the element of water and all things occult, mystical, and spiritual. The fourth house, ruled by water sign Cancer, is traditionally the house of family, home, ancestors, and suffering. The eighth house, ruled by Pisces, is the house of karma, loss, unspoken expectations, fantasy, and confinement. As McQuillar explains, these are the houses that reveal the deepest and darkest areas of the individual psyche, which many people are reluctant to explore, yet this triad is the key to profound spiritual insights as well as the discovery of hidden knowledge and abilities. The author guides you through interpreting the signs and planets that inhabit the water houses in your natal chart and shows how they reveal specific innate talents. She describes how to develop the hidden powers revealed by your chart and selfimprovement. Sharing interpretation examples from her practice, she also explores how to embrace the challenge of the occult water houses so you can claim the many treasures that can only be found on the ocean floor of the psyche.

The science of esoteric astrology is said to be the basic occult science for the future. It will come into its own as the esoteric or soul factors begin to supersede the exoteric focus of the vast majority of professional and amateur astrologers today. This is the science which deals with those conditioning and governing energies and forces which play through and upon the whole field of space and all that is found within that field. Introduction to: ESOTERIC ASTROLOGY – VOL. 10 INTERCEPTED SIGNS - Seventh House thru Twelfth House By Dr. Douglas M. Baker Intercepted Signs are not a rarity in esoteric astrology. Probably a quarter of the world's population is involved. It is a rarity to find them adequately dealt with in a horoscope. Volume 9 and 10 help to remedy this situation. An intercepted Sign indicates the element of being "boxed in", if only in the sense of peoples ice-bound during winter in the far northern hemisphere and in the sea-locked fiords. But, out of even these extremes may emerge the superlative (First House) for navigation, exploration and colonization, thereby expressing and spreading the initial and rare qualities of the emerging Anglo-Saxon sub-race. "Intercepted" in astrology means a Sign which lies between two houses without occupying the cusp of either. Intercepted Signs. Introduction to: ESOTERIC ASTROLOGY - VOL. 6 Colloquialisms and Clichés By Dr. Douglas M. Baker This volume is a unique dictionary of permutations in the form of colloquial sayings and clichés, translated into their astrological equivalents. A very valuable reference work for those interpreting astrological charts. The modes of expressing a language may indicate powerful subjective forces at play deep in the unconscious structure of the Race using that language. This is particularly true of English which has become the international language, for reasons not entirely connected with political developments. The virility of the Anglo-Saxon sub-race is based largely on esoteric foundations as anyone will soon find if he studies a simple handbook of Theosophy. Idiomatic language reflects the character of the people expressing it and releases numinous energies from their unconscious. Anyone who understands the significance of the mantram, of invocations and words of power will quickly apprehend the energies that lie packaged with proverbs, which themselves are surfacings of racial wisdom. Energy and meaning underlie words as much as they do images and thoughts. Equally so, the incessant use of certain phrases exhausts their associate energies and degrades them to the level of shallow inanities which we call clichés. The cliché is resorted to by those who are in a hurry to express something or who are mentally lazy or ill-equipped in the language itself. Their frequent usage "shows him up" (cliché), and anyone watching television in which an interview is suddenly thrust upon a trade union leader knows what this does for the latter's image (I choose my words with care). Phrases like "at this moment in time" and other banalities such as "the point is" render the interview a farce, and its impact becomes negligible. Nevertheless, the the native's unconscious or openly in his personality are quickly revealed. The deeper structures, when they are related through their astrological aspect reveal meanings covering the whole range of a person's nature, from the level of his Soul right through to the components of his personality, from psyche and Self to ego. This incredible book maps our spiritual development as we journey from ignorance to enlightenment. We are all at different stages - are currently stationed either at the "Body" or personality level in consciousness, or at the "Body" or personality level in consciousness. It clearly describes how consciousness expresses itself when it is engrossed with the material world (Body), when it is wise and loving (Soul) and when it has become a World Server (Spiritual Development. Practical suggestions are made throughout the book to help bring about the required transformations in consciousness. The "Astrology of Spirit, Soul and Body" is an astrological guide-book for the transformation of consciousness, that is practical and very useful for those who are aspiring to something higher and finer. "Hodgson has reduced the ordinarily staggering complexity of the Sciences of Astrology and Esoteric Psychology, to an approach that can be readily grasped by the intelligent, spiritually inquiring mind. This is one of the outstanding features of "Spirit, Soul, Body," - its practicality." Michael Robbins, Director Morya Federation. At the end of the book, Soul-Purpose astrology readings are given for famous people including Prince Harry and Meghan, the Duke and Duchess of Sussex. This will help readers formulate their own Soul-Purpose readings. "This book presents the ancient Hindu astrology in its occult and esoteric aspects. Traditional practitioners often failed to defend the veracity of the subject and dispel the scepticism of modern intellectuals. Consequently the needless paraphernalia, usually associated with learning astrology, has been stripped away. Emphasis is placed on the application of astrology to the unique problems of the modern world, its use as a method of revealing purpose and meaning in life, and ultimately as a key to the psychosynthesis of personality. The horoscope is described in comprehensive detail, with special attention given to the esoteric ruling planets of the zodiac signs, which are more relevant than orthodox rulers in the charts of spiritually-minded people. The new rulers also accommodate the immense changes in external conditions and inner consciousness that have occurred in the last hundred years and are related to a new range of experience which the brain registers as the externa of the modern world. The significance of karma is represented for it gives dramatic effect to our daily actions, and the third factor of esoteric psychology, lying beyond our understanding of heredity and environment, is given full prominence. This integrative and enriching work can be read alone, as a fascinating introduction and foundation to the New Astrology, or can be followed up with the author's extensive range of astrology for the 21st Century. Together they provide a complete system for the professional and novice alike, containing efficient and extraordinary techniques of interpretation which have never been used before and which halve the time required to assimilate and practise astrology. A special note to eBook readers: This volume contains a large amount of astrological glyphs embedded within the text. Astrology as Path to Higher Consciousness Esoteric Astrology

In every age and in every country there are always those few individuals who seek more satisfying answers to the great questions of Life than they can find in their local churches and temples or through science. If their quest is sincere and they persist, they will eventually be drawn into contact with one of the world's Mystery Schools, where they may be instructed and trained. There have always been centers, called Mystery Schools, responding to the cry for understanding from aspirants throughout the ages. Today such close secrecy is no longer necessary. Much may now be given out openly which formerly could be imparted only in private and by word of mouth. The greatest secrets, however, can never be transmitted by written or spoken word. That secrecy which guards the deepest esoteric knowledge is not imposed by the custodians of Ageless Wisdom but by human ignorance. It is the kind of secrecy which shrouds the work of great scientists such as Bor, Curie, Einstein, Edison and others. This secrecy does not result from any deliberate withholding but rather from a mass ignorance and consequent inability to understand the concepts and reasoning required by advanced science. The custodians of Ageless Wisdom can no more disclose their knowledge to untrained men and women than great scientists can explain their theories of the universe to children who are still in kindergarten

ESOTERIC ASTROLOGY – VOL. 10

Rising Signs - Aries through Virgo INTRODUCTION TO: ESOTERIC ASTROLOGY - Vol. 11 NEPTUNE RETROGRADE by Dr. Douglas M. BakerB.A., MRCS, LRCP The Theory, Interpretation and Practice of Esoteric Astrology. A Comprehensive Exploration of the approaching Path. The omen can only be read and appreciated by those who have eyes (spiritual insight) to see it. Such people are ready for the Path or have already taken it. The twelve ruling planets are descriptive of human consciousness. In the man who sees to look elsewhere than the material world for his expression and inspiration, his retrogressions are equated with spiritual opportunity. Planets become 'sacred' when they go into retrograde motion, providing the individual is sufficiently developed to respond to these retrograde planets, and these can be very much simplified for the purpose of cursory interpretations of charts. Spiritual awareness, however, requires that we provide backup for the general, overall meanings of them. This takes the form of detailed references to 144 horoscopes, covering Neptune retrograde through all the Signs and Houses. These interpretations are in most instances carefully parsed to show that meanings are not arbitrary but very specific, and exactly corresponding to the aspect being interpreted.
