Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century

Get Free Atlas Mrl Kleemann Lifts

apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She

Get Free Atlas Mrl Kleemann Lifts

thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of

Get Free Atlas Mrl Kleemann Lifts

her life, Incidents in the Life of a Slave Girl, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her

Get Free Atlas Mrl Kleemann Lifts

celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage

Get Free Atlas Mrl Kleemann Lifts

of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes

Get Free Atlas Mrl Kleemann Lifts

the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life

Get Free Atlas Mrl Kleemann Lifts

lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his

Is your company ready to take
advantage of the new growth
cycle that is beginning in Brazil

Get Free Atlas Mrl Kleemann Lifts

and should last the next ten years? Few Brazilian experts are as qualified to answer this question as the author of this book, Stephen Charles Kanitz. The original version of this book, written in Portuguese,

Get Free Atlas Mrl Kleemann Lifts

became a best seller in Brazil only a month after publication. A Harvard MBA, Professor Kanitz is the editor of the Brazilian equivalent of Fortune 500, the 'Best and Biggest' yearbook published by Exame,

Get Free Atlas Mrl Kleemann Lifts

Brazil's leading business magazine. As long ago as 1984, Professor Kanitz predicted the recession then awaiting the Brazilian economy. He is no intrinsic optimist. In this book, buttressed with masses of data,

Get Free Atlas Mrl Kleemann Lifts

figures and examples, Professor Kanitz shows that the years of stagnation have been left behind. To take maximum advantage of this new economic boom, before competitors do, you must become aware that

Get Free Atlas Mrl Kleemann Lifts

Brazil is ready for a new surge of growth, which will be similar in many respects to the 'economic miracle' of the seventies.

These days, Richmond is a city of winter balls and garden

Get Free Atlas Mrl Kleemann Lifts

parties on soft summer evenings, a city of private clubs where white-haired old gentlemen, with their martinis or mint juleps in hand, still genuflect in front of portraits of Robert E. Lee. But it's also a

Get Free Atlas Mrl Kleemann Lifts

city of brutal crime scenes and drug corners. It's a city of world-class ad agencies and law firms, a city of the FFV (First Families of Virginia) and a city of immigrants - from India, Vietnam and Africa to

Get Free Atlas Mrl Kleemann Lifts

Massachusetts, New York and New Jersey.

Violence is one of the most important challenges, not only for public health systems, but also for public mental health.

Violence can have immediate as

Get Free Atlas Mrl Kleemann Lifts

well as long-term and even transgenerational effects on the mental health of its victims. This book provides a comprehensive and wide-ranging assessment of the mental health legacy left by

Get Free Atlas Mrl Kleemann Lifts

violence. It addresses the issues as they affect states, communities and families, in other words at macro-, meso- and microlevels, beginning by describing the impact of violence on neurobiology and

Get Free Atlas Mrl Kleemann Lifts

mental health, as well as the spectrum of syndromes and disorders associated with different forms of violence. The work moves on to tackle violence at the international—and intranational—level before

Get Free Atlas Mrl Kleemann Lifts

zeroing in on the nature of violence in communities such as villages or city districts. It also examines the results of violence in the family. Each type of violence has distinct effects on mental health and in each

Get Free Atlas Mrl Kleemann Lifts

chapter specific groups are explored in depth to demonstrate the heterogeneity of violence as well as the diversity of its outcomes in the realm of public mental health. Finally, the book addresses the

Get Free Atlas Mrl Kleemann Lifts

notion of ‘ undoing violence ’ by detailing case studies of effective interventions and prevention occurring in countries, communities and families. These cases give us pause to reflect on the nature of

Get Free Atlas Mrl Kleemann Lifts

resilience and dignity in the context of violence and mental health. All the chapters have been written by leading authors in the field and provide a state-of-the-art perspective. The authors, from different fields of

Get Free Atlas Mrl Kleemann Lifts

expertise, facilitate interdisciplinary and international insights into the impact of violence on mental health.

description of the**

Get Free Atlas Mri Kleemann Lifts

experimental procedure, a critical assessment of the results and their pharmacological and clinical relevance, and pertinent references. Identification of specific tests is facilitated by the enclosed CD-ROM which

Get Free Atlas Mrl Kleemann Lifts

allows for a quick and full text research. An appendix with guidelines and legal regulations for animal experiments in various countries will help to plan these experiments properly in accordance with the welfare

Get Free Atlas Mrl Kleemann Lifts

of laboratory animals. Stricter regulations in many countries are increasing interest in sludge management processes which promote sustainability. Engineers and scientists are looking for viable options for

Get Free Atlas Mrl Kleemann Lifts

resource management through the creation of value added-products from wastewater sludge. The ASCE's Technical Committee on Hazardous, Toxic, and Radioactive Waste Management identified the

Get Free Atlas Mrl Kleemann Lifts

need to collect and present the latest information on recent trends in the bioconversion of sludge to value-added products like biopesticides, biosurfactants, enzymes, bioplastics, and biofertilizers/bioflocculants.

Get Free Atlas Mrl Kleemann Lifts

The committee envisioned an easy-to-read book to serve as a reference for practicing professionals and as a textbook in undergraduate or graduate courses. Sustainable Sludge Management: Production of Value-Added

Get Free Atlas Mrl Kleemann Lifts

Products offers an examination of wastewater sludge characteristics; a road to sustainability by converting sludge into value-added products; and detailed information on the various types of value-added

Get Free Atlas Mrl Kleemann Lifts

**products being created from
sludge. This book will be
valuable to undergraduate
and graduate students in
environmental engineering,
educators, researchers,
practicing engineers and
scientists.**

Get Free Atlas Mrl Kleemann Lifts

Originally published in 1984, this new introductory text fulfilled a need amongst both psychology and education students for a book which dealt with reading in a way that explored areas beyond the strictly practical question

Get Free Atlas Mrl Kleemann Lifts

of how to teach children to read. Previous books on the psychology of reading had often concentrated on the analytic approach, in which reading had been seen in terms of a set of interconnected sub-skills and

Get Free Atlas Mrl Kleemann Lifts

the experimental study of these components had become an end in itself. As a result, although great advances had been made in our understanding of certain aspects of the process, psychological studies of

Get Free Atlas Mrl Kleemann Lifts

reading had increasingly been seen by teachers and others as unduly abstract. The Psychology of Reading goes back to first principles and attempts to set reading in its context alongside other cognitive activities,

Get Free Atlas Mrl Kleemann Lifts

particularly those involving memory and perceptual processes. Professor Kennedy argues that it is wrong to set reading apart as a 'skill' when it needs to be understood against a background of work in cognitive psychology.

Get Free Atlas Mrl Kleemann Lifts

Reading is a social phenomenon concerned with human communication, and in this context it must be seen in terms of an interaction between writer and reader. The book explores the nature of this interaction and the

Get Free Atlas Mrl Kleemann Lifts

various stylistic and other devices which sustain the 'contract' between reader and writer. In particular, the psychological processes which allow a reader to make sensible assumptions about a writer's intentions are dealt

Get Free Atlas Mrl Kleemann Lifts

with in detail. No theory of reading, the author argues, should ignore the purpose of the enterprise. Similarly, explaining success and failure in teaching children to read may well hinge on an understanding of what

Get Free Atlas Mrl Kleemann Lifts

children think reading is about. The style of this book is concise and largely non-technical. The Psychology of Reading will be welcomed as stimulating and demanding by experts and non-specialist general readers alike.

True Accounts of Slave
Rescues: Then and Now
The Woman From Browhead
*The image of Old West saloons as
sites of violence and raucous
entertainment has been perpetuated
by film and legend, but the true story*

Get Free Atlas Mrl Kleemann Lifts

of such establishments is far more complex. In Boomtown Saloons, archaeologist Kelly J. Dixon recounts the excavation of four historic saloon sites in Nevada's Virginia City, one of the West's most important boomtowns, and shows

Get Free Atlas Mrl Kleemann Lifts

how the physical traces of this handful of disparate drinking places offer a new perspective on authentic life in the mining West. During the second half of the nineteenth century, the Comstock Lode's mineral wealth attracted people

Get Free Atlas Mrl Kleemann Lifts

from all over the world. At its peak, Virginia City had a cosmopolitan population of over 20,000 people. Like people everywhere, they sought to pass their leisure time in congenial company, often in one or another of the four saloons studied

Get Free Atlas Mrl Kleemann Lifts

here. Dixon's account of the role these four establishments played in the social and economic life of Virginia City offers keen insight into the businesses and people who made up the backdrop of a mining boomtown. The saloons in this

Get Free Atlas Mrl Kleemann Lifts

study were quieter than legend would have us believe; they served relatively distinct groups and offered their customers a place of refuge, solidarity, and social contact with peers in a city where few people had longtime ties or initially any

Get Free Atlas Mrl Kleemann Lifts

close contacts. Boomtown Saloons also offers an equally vivid portrait of the modern historical archaeologist who combines time-honored digging, reconstruction, and analysis methods with such cutting-edge technology as DNA

Get Free Atlas Mrl Kleemann Lifts

analysis of saliva traces on a 150-year-old pipestem and chemical analysis of the residue in discarded condiment bottles. The book is illustrated with historical photographs and maps, as well as photographs of artifacts uncovered

Get Free Atlas Mrl Kleemann Lifts

during the excavations of the four sites. Dixon's sparkling text and thoughtful interpretation of evidence reveal an unknown aspect of daily life in one of the West's most storied boomtowns and demonstrate that, contrary to legend, the traditional

Get Free Atlas Mrl Kleemann Lifts

western saloon served an vital and complex social role in its community. Available in hardcover and paperback.

Book Excerpt: ... But she said nothing of the sort of mystery connected with the powder; some

Get Free Atlas Mrl Kleemann Lifts

instinct prevented her doing so. Nor did she tell that but a little of it remained, or that their stock of rose-leaves would soon be exhausted."Who knows what may happen before that?" she reflected, and the words of Linde's dream-

Get Free Atlas Mrl Kleemann Lifts

visitor recurred to her, "Three times, and then ask the robin." Dame Barbara was quite satisfied and greatly delighted. "Here," she said, fumbling for her substantial purse, "a groat for two ounces of it, did you say? No, a half-groat only? My

Get Free Atlas Mrl Kleemann Lifts

dear, you'll have to raise your prices if the perfume is so excellent! Well to begin with, give me the four ounces straight away, and here's a half-groat over and above what it all comes to--dried leaves and fresh ones and flowers, all together--just

Get Free Atlas Mrl Kleemann Lifts

the tiny silver piece for luck, you know."...

Biomass is a continuously renewed source of energy formed from or by a wide variety of living organisms. Through biochemical and thermochemical processes, it is

Get Free Atlas Mrl Kleemann Lifts

converted into gaseous, liquid or solid biofuels, which already meet a significant share of the current world energy needs. Because of their contribution to the sustainability of energy supply, reduction of green house gas emissions as well as

Get Free Atlas Mrl Kleemann Lifts

local employment and energy self-reliance, research interest and activity in enhancing biofuel energy output, efficiency and performance remain strong. The first part of this volume comprises five articles mainly concerned with biomass

Get Free Atlas Mrl Kleemann Lifts

resource potential and management. More specifically, the reported investigations assess grass and lawn substrates, rapeseed straw and microalgae from Upflow Anaerobic Sludge Blanket (UASB) reactor effluents as

Get Free Atlas Mrl Kleemann Lifts

possible sources of biogas, bioethanol and biodiesel, respectively. The emphasis in the subsequent group of eleven articles is on biomass conversion processes, aiming at assessing performance as well as output

Get Free Atlas Mrl Kleemann Lifts

quality and diversity. Biodiesel, a fluid biofuel produced from biomass with high lipids such as rapeseed oil, sunflowers and soy beans, is the focus of two articles: the first investigates the effect of biodiesel blending with diesel fuel on diesel

Get Free Atlas Mrl Kleemann Lifts

engine performance and emissions, the second assesses the efficiency of catalytic reforming of biodiesel into a gaseous mixture, used directly as Solid Oxide Fuel Cell (SOFC) fuel. In the last three articles, the prospects of biofuels as

Get Free Atlas Mrl Kleemann Lifts

viable sources of energy are examined within European contexts. This volume addresses a significant number of important themes and thus combines subject breadth and density with in-depth study of biomass resourcing and processing

Get Free Atlas Mrl Kleemann Lifts

*as well as the issue of biofuel and
renewable energy sustainability.*
