Connect to the Manifest Promises of God There comes a point in our spiritual journey when we must no longer sit and wait. Instead, we need to stand up and walk boldly in God's purposes for us. We have to progress toward the blessings and provision He has shown us in the glory realms. There isn't a single area of your life for which God does not have a promise of victory. He has proclaimed breakthroughs, blessings, and, yes, miracles. In this study guide companion to 7 Divine Mysteries: Supernatural Secrets to Unlimited Abundance by Joshua Mills, you will find out how to connect to the manifest promises of God as you stretch your faith, work the Word, and allow the Spirit to lead you into overflowing abundance for spirit, soul, and body. The seven mysteries include: Divine Mystery #1: Your Vision: The Pathway for Provision Divine Mystery #2: What You Say Prepares the Way Divine Mystery #3: The Word You Work Will Work for You Divine Mystery #4: What You Sow, You Will Grow Divine Mystery #5: The Art of Generous Receiving Divine Mystery #6: Utilizing the Strength of Angels Divine Mystery #7: God's Promised Generational Blessing There is an entire realm of supernatural abundance just waiting for you to explore and put to work in your life. In these days, God is opening untapped abundance for restoration, healing, deliverance, relationships, finances, creative ideas, and more. Many people have been waiting for God to move in their lives, but He is waiting for us to move in faith toward His promises. We must activate what He has spoken to us about—or risk losing the opportunity. God is looking for men and women who will rise up and choose to receive every promise He has given. The 7 Divine Mysteries Study Guide, which can be used by either individuals or groups, contains some brand-new material to further your understanding of supernatural abundance. The guide is also filled with key points from the book, thought questions, review questions, and supernatural activations. Joshua Mills and his wife, Janet, have proven these seven scriptural principles in their own lives. As God's children, we can confidently ask Him for miracles and provision in areas where we have experienced difficulty or lack in the past. We just need to give Him permission to upset the daily routine of our lives and let His glory flow from heaven to earth. Then, we need to take hold of our portion as it comes down from the throne.

**Become a Conduit of God’s Power “I encourage you to read Joshua’s book, not only to learn about the glory but also to be changed by the glory.” —Bill Johnson “This book is boot camp for the next and greatest move of God’s Spirit in history.” —Sid Roth All Christians are intended to live, move, and operate in the supernatural realm. But many people aren’t sure how to enter into this realm—or how to go deeper in the Spirit. Joshua Mills explains that, much more than sensing what God is doing, we can participate in the supernatural on a daily basis through divine portals, or gates. In this study guide companion to his book Power Portals, Joshua clearly shows believers how they can become conduits of God’s power. Within a power portal, we may experience a sudden realization of God’s presence, an abundance of healing, spontaneous joy, signs and wonders, angelic activity, an increase in spiritual dreams and visions, or extravagant provision. Some portals can be activated in our own bodies through the heart, mouth, eyes and ears, mind, innermost being, hands, and feet. There are also direct heavenly portals and geographical portals, special places where we can experience the release of God’s power. The Power Portals Study Guide, which can be used by either individuals or groups, contains some brand-new material to further your understanding of these gateways to the Spirit realm. The guide is also filled with key points from the book, thought questions, review questions, and supernatural activations. Get ready to awaken your connection to the Spirit realm. Get ready to encounter Power Portals! “Joshua Mills...has taken deep spiritual revelation and translated it into language that any reader can understand and apply to daily life.” —Becky Thompson “Joshua Mills...gives you teachings you can trust and revelations that get you results.” —Tony Kemp #PowerPortalsBook**
