

## ***Bad Things Volume One Books 1 To 3***

"The Quit Smoking Answer" is structured in such a way that all readers follow a process of "cold turkey" cessation through a step-by-step system to become nicotine free. The system shared is quick, easy, and proven, regardless of a person's dependency on nicotine. If you have ever thought, "wouldn't it be nice to quit smoking" than you've set the mood and you're ready to begin. It's easier to quit nicotine than you think! JW Smith, a smoker for 40 years, wrote this book after ending his vicious cycle of numerous failed attempts to quit. His system for nicotine cessation evolved over a subsequent six-week period of preparation to quit. He shares his story about a conversation with his nine year-old granddaughter that finally set the wheels in motion to find a better way - one that works. JW researched smoking cessation methods and used his own experience to forge a new path. This book may very well be destined to be in a category by itself in the nicotine cessation world of recommendations and advice. Why? Because it works! JW makes the case that smoking cessation is not an event, but rather a process. His book will teach you the key cognitive techniques he used to end both the physical and psychological addictions to nicotine. It debunks myths about nicotine replacement therapy products and instead lays out a natural progression of steps for becoming a nonsmoker. The premise of the book is

## Access Free Bad Things Volume One Books 1 To 3

based on this famous quote; "When you change the way you look at things, the things you look at change." In the beginning of the book it is recommended to establish an environment and path of least resistance. Less resistance to quit is the first key step to becoming nicotine free. It is recommended that readers continue the use tobacco products including e-cigarettes while reading the book over a two or three day period of time- helping again to establish less resistance to quit. He additionally recommends as a first step that you tell no one of your desire to quit - preventing anyone including yourself of sabotaging your intention. As you apply the techniques and methods written about it becomes a natural procession leading up to your very last cigarette or use of chewing tobacco. A transformation of your thinking takes place and ending your addiction will seem like an "almost non-event" - as something just happens to you as you read this book. You will be physically and mentally prepared to end your addiction after reading this one of a kind book. Free from nicotine for life - and all the great rewards that come with it!

A psychological thriller about a woman who did one bad thing when she was young and it's come back to haunt her. Are you very talented and creative but cannot find the willpower, drive and motivation to achieve your dreams? Procrastination is the problem. This book is your answer. There is nothing that depresses productivity and stunts personal development more than procrastination. Yet, procrastination creeps slowly and meekly into our lives

through the very same shortcuts that we engaged to allow us comfort and convenience - bad habits. This book, "Procrastination: Overcome the bad habits of procrastination and laziness and become more productive" has been specifically written to enable you kick out procrastination, regain your productivity and achieve your full potential. The book starts by introducing you to what procrastination really is and provides you with telling signs of procrastination, some of them often hidden and uneasy to detect. It further cautions you on the pitfalls you are likely to fall into should you not be careful and the negative effects of procrastination. Most people never realize that they are procrastinators. Never assume you are not one unless you prove it. A simple, yet powerful self-diagnosis procrastination test kit has been devised for you. Should you find yourself not a procrastinator, that would be great for you. However, it does not end there. You can use the same kit to help your family, friends and loved ones who could be suffering from procrastination without knowing it. Discovery is the best way to finding a lasting solution. The best way to confront a disease is to go beyond its symptoms and attack its root causes. Some of the root causes may be common to all procrastinators while others could be unique to each procrastinator. Nonetheless, this book provides all likely causes of procrastination so that you can review and evaluate your very own condition and determine the most likely causes of your procrastination. Once you determine the root causes of your procrastination, the next obvious step is to

heal it. This book provides you with the most elaborate, powerful and effective ways to overcome procrastination. Procrastination is an aggregate collection of bad habits which results into you delaying your decision or action without prudence. Like all bad habits, the best way to overcome procrastination is to engender good daily habits that will help you to prevent, avoid or nullify bad habits. Powerful and effective daily habits have been prescribed, which, if you diligently employ, will permanently keep off procrastination from your life. Lastly, but not least, every endeavor has a reward. The rewards of overcoming procrastination are immense and unlimited. Yet, this book provides you with the most obvious rewards that you will gain in the most prominent facets of your life - health, relationships and money. Enjoy reading.

IN A PLACE OF PEACE DURING A TIME OF  
WAR THE UNFORGIVEN WILL NOT GO

FORGOTTEN. Edenville, 1940. In a rural hamlet where the majority of men are overseas to fight Hitler's Nazi war machine, someone is killing veterans of the first world war. Wartime Special Constable 'Lame' Eddie Sommers, a crippled rich boy and the butt of derision, is doing his best to fill a uniform he believes in, yet wears too large. Inexperienced and out of his depth, he turns to a former detective and veteran of the western front for assistance. Involving Marshall Geary might be his biggest mistake. Marshall wears a copper mask, as much to hide behind as to conceal his disfigurements. He struggles against howling flashbacks and the lingering stench of his

own concealed crimes. In a town meant for sanctuary, repressed horrors awaken like worms in a collapsing coffin. The closer they get to the truth, the nearer everyone is dragged to their limits, their failings and their buried pasts.

From the author of *Cottonmouths*, a Los Angeles Review Best Book of 2017, comes an evocative suspense about the cost of keeping secrets and the dangers of coming home. Beneath the roiling waters of the Arkansas River lie dead men and buried secrets. When Jane Mooney's violent stepfather, Warren, disappeared, most folks in Maud Bottoms, Arkansas, assumed he got drunk and drowned. After all, the river had claimed its share over the years. When Jane confessed to his murder, she should have gone to jail. That's what she wanted. But without a body, the police didn't charge her with the crime. So Jane left for Boston--and took her secrets with her. Twenty-five years later, the river floods and a body surfaces. Talk of Warren's murder grips the town. Now in her forties, Jane returns to Maud Bottoms to reckon with her past: to do jail time, to face her revenge-bent mother, to make things right. But though Jane's homecoming may enlighten some, it could threaten others. Because in this desolate river valley, some secrets are better left undisturbed.

A Sinister Guide to History's Dark Side

### Undisclosed (Undisclosed, Book 1)

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

They say it's better to have loved and lost than to never have loved at all. I think that's total bullshit. No one wants to be a loser in the Game of Love. Trust me, I know. With a lying fiancée and a canceled wedding, I've lost big time. And that loss turned me bitter, so hell bent on vengeance that I almost let it destroy everything. Determined never to go down that dark path again, I've sworn off romance. Work became my priority, my safe place, the one constant in my life that wouldn't tempt me. Until I took on a project I normally wouldn't, and it introduced me to someone I never would have talked to before. No matter how hard I try, my professionalism slips away the more we work together, and I know it's a disaster in the making. Bad things happen when I open my guarded heart. But when I look at her, bad things are all I want to do.

For seventeen-year-old Lena, living in the trailer park with the rest of town's throwaways isn't exactly paradise. Dealing with a drunken father who can't keep his fists to himself doesn't help matters either. The only good thing in her life, other than track, is the mysterious man who visits her dreams, promising to find her. When a chair burns her arms, Lena chalks it up to stress-

induced crazy. Yet as bizarre incidents escalate, even being crazy can't explain it all away... until one day dream guy does find her. Tarek lost Lena seventeen years ago after she was accused of treason and marked Tainted. He finally discovers her reborn on Earth into a life of suffering as punishment for her crime. However, someone else has already found her... and wants her dead. Willing to sacrifice everything, he fights to keep her safe so she can live the only life she's ever known—even if that life doesn't include him.

One week is all we were supposed to share. One week as strangers. All the things you did differently irked me. I thought it meant we couldn't get along, that there was no chance we'd work out. But when it came time for me to leave, you know what I figured out? You were my echo. My call back. And damn it if I didn't find home in the end.

Part of the Jewish Encounter series From one of our most trusted spiritual advisers, a thoughtful, illuminating guide to that most fascinating of biblical texts, the book of Job, and what it can teach us about living in a troubled world. The story of Job is one of unjust things happening to a good man. Yet after losing everything, Job—though confused, angry, and questioning God—refuses to reject his faith, although he challenges some central aspects of it. Rabbi Harold S. Kushner examines the questions raised by Job's experience, questions that have challenged wisdom seekers and worshippers for centuries. What kind of God permits such bad things to happen to good people? Why does God test loyal followers? Can a truly good God be all-powerful? Rooted in the text, the critical tradition that surrounds it, and the author's own profoundly moral thinking, Kushner's study gives us the book of Job as a touchstone for our time. Taking lessons from historical and personal tragedy, Kushner teaches us about what can and cannot be controlled, about the power of faith when all seems dark, and about our ability to find God. Rigorous and insightful yet deeply affecting,

Bad Things

One Bad Thing

The Earth is in ruins. Cities and nations destroyed.

Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. The Silent Earth Series Book 1 - After the Winter:

[amazon.com/dp/B00P02FBPM](https://amazon.com/dp/B00P02FBPM)

After at least 20 years of my research in the Bible, beginning with the mission of trying to prove that the Bible is the Word of God, I have come to the conclusion that the Bible was not written perfectly, therefore

concluding that maybe we shouldn't be so lazy, as to call the entire Bible The Word of God anymore. Instead, maybe scholars should do as I have done, and make it our mission to find the perfect word in the Bible. If some of us work together in this direction, we can at the very least salvage the Word of God in the Bible, before the antichristian world provides enough information to try to discredit the Bible altogether. In addition, this book provides an inside window into some real spiritual warfare taking place right now. The Book of Knowledge of Good and Evil also provides possible end results depending on which side wins these specific battles. If you worship God only this book will be of comfort to you, but if you not only worship God, but the apostles and prophets also, putting them on the same pedestal as God Almighty, you may wind up disliking me and this book. One of the main reasons why I wrote this book is to take the churches out of their comfort zone. My hope is many Christians all over the world will dig in their Bible and try to prove me wrong. Who knows, maybe we will all learn something new as a result. As for the ministers, preachers, pastors and priest who think it is their job to make themselves rich by taking their congregations hard earned money, who are too lazy to open the Bible to even challenge me. When you tell your congregation that I'm the devil or a servant of the devil, then may the authority of this book turn your church upside down and lay it to waste!

Naji is a loose cannon addicted to gunsmoke, fast money,

and making it happen at all costs. Nathan is college bound and determined to escape the streets. Gotta is a smooth talking playboy with a sweet tooth for teenage girls. Nikki the lone female in the family is beautiful, ambitious, and just as wild as her brothers. How else could she control them. K.K. the baby boy is 7 going on 25 and too grown for his own good. Journey with this family as they rescue Young Savage, encounter beef, internal conflict, and situations that test their love and loyalty to each other .

Destiny Allen, a Web designer for software giant Scenaria Security Systems, finds herself involved in a deadly puzzle that blurs the boundaries between the virtual and the real. At stake: the infrastructure of modern America. Her resources: Dina Gustafson, a college friend, and Karl Lustig, an Israeli technology journalist with friends in dark places. The challenge: sort the good guys from the bad before the lights go out. A fast-paced technology thriller, *Web Games* is about real risks and virtual worlds, about Internet threats as close as tomorrow's nightly news, and about the ever-escalating warfare between black-hat hackers and modern society.

Clutter has a negative effect on your life. You want to live differently, but you haven't been able to make progress. Marcie Lovett, author of *The Clutter Book*, will motivate you to make the changes you want. Learn to let go of what you don't need and find room for what you value. The direct, accessible writing style and interactive exercises will inspire you to succeed. In this book, Marcie guides you through the process of letting go of the clutter that is

keeping you from achieving success. Whether your clutter is caused by things, commitments or thoughts, Marcie encourages you to make the choices to conquer your challenges. If previous attempts at letting go of clutter have not been successful for you, you will benefit from the motivation and wisdom Marcie offers. Written in a straightforward and accessible style, filled with insight and real-life stories, the book enables readers to learn from the experience of others and overcome obstacles to success. You will understand why you keep clutter, save time and money by avoiding unnecessary purchases, discover the habits that hold you back, find ways to fight procrastination and create systems that allow you to retrieve and return items. Whether you want to live with less or live with what you have, this is the book for you.

Positive Thinking 101

Biblical Fiction

Seven billion people on earth; it was only a matter of time before you discovered the truth. Your legends--your myths and religions--have called us by many names. Since the beginning, our kind has walked among you as your protectors. We are the only ones who know who you are and why you are here. He wasn't meant to disappear; you weren't meant to know why. Our objective was clear: hunt them, kill them and leave. Once you know, there will be no going back. They will come for you. Are you ready?

The imaginary figure Count Droffog presents a series of miscellaneous facts about disasters, accidents, superstitions, mysterious disappearances, and catastrophic events that have occurred throughout history.

Danika hasn't had an easy life. Being insanely attracted to bad boys has never helped make it easier. One look at Tristan, and every brain cell she possessed went up in smoke. This man was trouble with a capital T. It was a given. She knew better. Bad boys were bad. Especially for her. Considering her history, it was crazy to think otherwise. So why did crazy have to feel so damn fine? For as long as she could remember, Danika had been focused on the future with single-minded purpose. Tristan came along and taught her everything there was to know about letting go, and living in the present. She fell, hard, and deep. Of course, that only made her impact with the ground that much more devastating. Bad Things is about Tristan and Danika, and their train wreck of a love story. This series can be read as a standalone, or with the Up in the Air trilogy. This book is intended for ages 18 and up.

In his 20 year affiliation with Jim Henson's Muppets Joseph A. Bailey was a staff writer on both Sesame Street and The Muppet Show. He also co-wrote the television specials Big Bird in China, Christmas Eve on Sesame Street and Rocky Mountain Holiday, starring John Denver and the Muppets on location in Aspen, Colorado. Additionally, Mr. Bailey wrote Sesame Street song lyrics, albums, five 90-minute Sesame Street Live! musicals, Muppet Business Meeting Films and special material for Big Bird's appearances in the White House and Carnegie Hall. The Muppet Show guest stars he wrote for include George Burns, Bob Hope, Steve Martin, Rudolf Nureyev, John Cleese, Milton Berle and Peter Sellers. For his writing, Mr. Bailey has garnered 5 Emmys, 3 Emmy nominations, a Writers Guild of America Award and a George

“A brazen, brawny, sexy standout of a historical thrill ride, *The Best Bad Things* is full of unforgettable characters and insatiable appetites. I was riveted. Painstakingly researched and pulsing with adrenaline, Carrasco’s debut will leave you thirsty for more.” —Lyndsay Faye, author of *The Gods of Gotham* A vivid, sexy barn burner of a historical crime novel, *The Best Bad Things* introduces readers to the fiery Alma Rosales—detective, smuggler, spy It is 1887, and Alma Rosales is on the hunt for stolen opium. Trained in espionage by the Pinkerton Detective Agency—but dismissed for bad behavior and a penchant for going undercover as a man—Alma now works for Delphine Beaumont, the seductive mastermind of a West Coast smuggling ring. When product goes missing at their Washington Territory outpost, Alma is tasked with tracking the thief and recovering the drugs. In disguise as the scrappy dockworker Jack Camp, this should be easy—once she muscles her way into the local organization, wins the trust of the magnetic local boss and his boys, discovers the turncoat, and keeps them all from uncovering her secrets. All this, while sending coded dispatches to the

circling Pinkerton agents to keep them from closing in. Alma's enjoying her dangerous game of shifting identities and double crosses as she fights for a promotion and an invitation back into Delphine's bed. But it's getting harder and harder to keep her cover stories straight and to know whom to trust. One wrong move and she could be unmasked: as a woman, as a traitor, or as a spy. A propulsive, sensual tour de force, *The Best Bad Things* introduces Katrina Carrasco, a bold new voice in crime fiction. A book of good and bad is an extension of *A Prelude of Disclosure* it is, in a way, what I call a blatant disclosure. However, to adhere with the norms of society as well as contributing to its fluidity, I took the initiative to slightly curtail and distort several of those rhyming true stories, because the full content might be disturbing to some people or the zeitgeist in general. Nevertheless, I have no doubt that those philosophical concepts and subcultural mores that small groups of people who are brave enough to live by or just experience a few times, will have their time in the future just as alcohol had its time and still has its time for lawful consumption or as the races integrate way better than eighteen hundred or just as other bizarre taboos became laws. Until then, enjoy *A Book of Good and Bad Things* the way it is, for Im

convinced that the public is clever enough to perceive and grasp, through imagination, the omitted verses. So while reading, you can determine what's good or bad using your own diagnosis, and what you do with the knowledge divulged, I leave to your discretion.

The Amazing Book of No

The Seekin Trilogy: Book One

Volume One, What Can be Seen From the Other Side?

When You Can't Let Go

**Offers an inspirational and compassionate approach to understanding the problems of life and restoring faith in God**

**Alli-Kar, a white-hole portal from another universe, rains meteoroids onto the surface of the planet Kelanni. But the so-called "lodestones" behave according to different physical laws, transforming Kelanni's society. With the aid of the fearsome Keltar in their flying cloaks, the Kelanni are being put to forced labor to mine the lodestones.**

**Shann, an orphan with a fiery disposition, witnesses a battle between a Keltar and a stranger bearing a similar flying cloak. She tracks down the stranger, learning of the technology behind the Keltars' power and joining him on a mission to free the slaves and cut off their supply of lodestones. Meanwhile Keris, a Keltar, is sent on a mission to track down the rebels. She is attacked by a flying**

creature and saved by the enigmatic Chandara. At their Great Tree, she learns that a mysterious "Prophet" is out to destroy the Kelanni people. Their only hope is a powerful instrument hidden in the distant past. Pursued by Keltar, the party will encounter bizarre creatures, ancient technologies and terrifying dangers. Finally, they must seek to cross a massive storm barrier in order to reach the other side of their world, where a world-shaking revelation awaits.

**Destiny's Call** brings to life scenes, stories and characters from the Book of Genesis. In captivating fictional short stories, **Destiny's Call** gives a glimpse of the struggles of the Patriarchs and Matriarchs, the birth and conflicts of the Tribes of Israel, and a deeper exploration of some of the colorful characters depicted in the Bible. **Destiny's Call** relies heavily on biblical and archeological sources. The book includes questions for discussion, detailed hand-drawn maps of the ancient world, recreated genealogical records and timeline, an index of biblical references, and a glossary of biblical terms. Ben-Tzion Spitz is the author of the Torah Shorts blog (at [ben-tzion.com](http://ben-tzion.com)), where he has published dozens of biblical fiction stories and biblical analysis based on ancient, medieval and contemporary sources. Spitz has been exploring and researching biblical stories and archeological findings for over two decades. He is also the creator and lecturer of the Biblical Fiction series in Jerusalem, Israel.

**Kripslod** (from **Realmspeak**) (1) An implement that is not only useless for the application, but also dangerous to the user. (2) A bigoted, loud, and whiny complainer who causes great trouble for himself and all those around him.

**What would you do if you were taken from your home on Earth and brought to live on a planet in the farthest reaches of the Galaxy? Would you join a rebel band fighting to topple an oppressive regime? Would you enlist in an interplanetary space expedition and help search the universe for alien civilizations? Would you battle to save the human race from murderous robots? Not if you're Teodor Korzeniowski. No, he doesn't have time for things like that. He is much too busy trying to get an extra pillow on a Port Leyken Spaceways' interstellar economy flight from Boulanger-Four to I Taisto Station. Welcome to the new worlds of Teodor Korzeniowski—formerly of Utica, NY and now a reluctant Citizen of the Realm. Here he will be knocked-over and stepped on by the biggest and toughest space-faring carnivores in our Galaxy. He'll meet and become the legal mate of a human female medical technician whose ancestors were once curiosities in an interplanetary traveling menagerie. He'll join his mate in attending the graduation of new officers in the Imperial Majesty's dreaded Secret Police. Then endanger them both when he becomes the typical 'ugly American' and gives his opinions about everything and everyone. Including her Imperial Majesty and her need to lose more than a little weight. In this volume, Teodor and his long-suffering mate will be joined by: Guard Admiral Reinier of the Political Police. (He insists that the condiments on the tables in the officer's mess be arranged symmetrically at all times.) Teodor's father-in-law. (He watches etiquette programs on the screens and still has a few choice metaphors for his unemployed son-in-law from Earth.) And the usual assortment of radical terrorists, waiters, psychotic racists,**

Olympia Olsen I don't know who I am. I don't know where I am. What I do know: I don't**

**trust Boone Richards, my supposed husband. It doesn't matter how damn sexy he is; I refuse to give in to his demands. How could I marry someone like him? A biker who acts like a caveman on steroids and calls me his "old lady." What the-? Our kids, this life, this MC...it's all wrong. I don't belong. The problem is, I can't remember anything. If this really is my life, it's no wonder I want to forget. Did I mention someone is trying to kill me, and Boone is the one person standing between me and a fiery death? Boone Richards What started out as a way to get even has turned into so much more. I want to touch her. Taste her. Own her. I want to make Olympia mine. If I do, and she remembers, things are gonna go from bad to worse. The club is my life, my brothers are my family. I can't afford to be sidetracked by a woman, but it's hard not be distracted with her looking like that, talking like that, and shaking her sweet ass like that. What I do know: taking Olympia has changed everything, including me. Protecting her from a murdering arsonist has become my obsession. I'll destroy anyone who tries to hurt her. Please be advised: The entire Scorched Souls Series is for readers 18 and older due to sexual content, violence, language, and dark subject matters. You have been warned. There are **BDSM** elements in all four books.**

One kid's trash is another kid's terror in this spooky supernatural mystery. When Cassidy Bean leaves New York to spend the summer upstate, she's disappointed to find that Whitechapel is not the quiet, pleasant suburb she remembers. Ursula Chambers, the strange old hermit at the end of the cul-de-sac, has passed away under mysterious circumstances. And the townspeople are shocked to discover that Ursula was a hoarder: Her farmhouse is teeming with stacks of newspapers, piles of furniture, mounds of antique dolls and taxidermy animals. Cassidy watches as the people of Whitechapel descend upon Ursula's farmhouse, claiming her abandoned treasures for their own. She listens as rumors spread that Ursula's vengeful ghost is stalking the town with a warning from beyond the grave. And when Cassidy resolves to uncover the truth behind the strangeness, she learns there are more bad things in the world than she ever suspected. . . .

Modern master of the macabre Dan Poblocki is back with another scary story best read at night. Life is full of challenges. There are times when you will feel like you've done everything to the best of your ability, but in the end, it still didn't work. Have you ever wondered why? Was it because life is unfair, or was it because you were actually "expecting the worst"? Have you

considered expecting the best instead? You may think, "Of course, I considered great things to happen!," but science says otherwise. People who are preparing for something are found to be thinking more of the bad things that could happen than the positive outcomes. More often than not, thinking about unfortunate events actually make it happen. Hoping that you will not be late for a meeting will cause you to be late. Thinking of saying a complex sentence inappropriately actually makes you tongue-tied. Do you know why? It is because your thoughts have the power to change things and events. In this book, you will learn how to master positive thinking by learning about the power of thought and the Law of Attraction. With these core principles, this book will teach you ways on how to think positively by hacking your body, your speech, and your actions. You will know about scientific studies that proved the benefits of positive thinking. You will also be introduced to the successful life teachers who used positivity to become successful. Finally, you will be provided with step-by-step guides on how you can do it yourself. You are on your way to becoming a positive person who will enjoy living a good life by spreading the positive vibrations to the world! After downloading this book you will learn... Chapter 1: The Power of Thought

**Chapter 2: Mind over Body: The Power of Expectation Chapter 3: Mind over Matter: The Power of Intention Chapter 4: Mind over Society: The Power of Mental Communication Chapter 5: The Law of Attraction Chapter 6: Become a Positive Thinker: Start with Your Body Chapter 7: Become a Positive Speaker Chapter 8: Become a Positive Doer And Much, much more!**

When God Unfolds the Rose  
Of Water and Sky**

**A Lean Coffee Book**

**Shock of Fate**

Meetings don't need to be terrible. They can be the best place for us to connect with the people we work with and do great things. This book presents the Lean Coffee method which has since its inception in 2009 spread across the globe to radically shift the way people meet with each other. Three young children, Mal, Ari and Martha, have been "touched" and are in possession of enormous talents, bestowed on them by a chance encounter with the Young Master. Now Ari, Mal and Martha find themselves in the wrong place and time because Ari has done the unthinkable, resulting in a perpetual red dawn. But that is the least of their worries! Ari is on the run, while Mal and Martha attempt to keep their enemy at bay. The Strange Man is back and he's got even more sinister tricks up his sleeve ... Fernando Soto dreamed of owning a business. For years he worked and struggled, never imagining that he could have a better life and then one day he woke up and believed that he

could. In What's Next for You?, Mr. Soto shares the secrets to the fulfillment of his dream. But guess what? It's no secret at all. Living your dream is possible through hard work, dedication and an unrelenting will to succeed. Today, Mr. Soto owns a contract janitorial services company that services a broad range of clients in a variety of industries, from small office clients to automobile dealerships, manufacturing facilities, office buildings, medical practices and universities. One of his largest clients has annual revenues exceeding \$550 million with over ten thousand employees! He built his business from the ground up, taking notes and sketching his ideas on the manufacturing floor where he worked for years as an employee. The company where he last worked is now one of his valued clients.

"Anything is possible," Mr. Soto says. Just keep your dream front and center and with Mr. Soto's help, you could be living your dream life, too.

A desperate search for one's genetic origin ... A grip on one's sanity ... A discovery of demonic warfare ... The beginnings of an exorcist. In the Eyes of Madness

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers.

"The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

The Evil Genius Of Venus: Book One

The Book of Bad Things

Sixteen year old Regan Stone has her life all mapped out. Every choice, from her dual credit classes to the out-of-state university she's selected is deliberate. She even has a no-romance stipulation to avoid dangerous distractions. What Regan didn't anticipate was the sudden change in her best friend, Lane, leaving only glimpses of the boy she grew up with. The bombshell Lane drops on her weeks before he leaves for college compels Reagan to come to terms with her own feelings. This summer may change everything.
