

Band Of Brothers Book Chapter Summaries

The introduction, discussion questions, suggestions for further reading, and author biography that follow are intended to enhance your reading group's discussion of Joseph Ellis's *Founding Brothers: The Revolutionary Generation*. We hope they will enrich your experience of this Pulitzer Prize-winning study of the intertwined lives of the founders of the American republic--John Adams, Aaron Burr, Benjamin Franklin, Alexander Hamilton, Thomas Jefferson, James Madison, and George Washington.

In November, 1942, the five Sullivan brothers from Waterloo, Iowa, died when the USS Juneau was sunk in the South Pacific. Their deaths brought the reality of the war home to America. This is the story of the brothers, The Battle of Guadalcanal and the effect of the tragedy on the family, community, and nation.

Dramatic historical events have frequently provided subject matter for artists, particularly in pre-twentieth-century Texas, where works portraying historical, often legendary, events and individuals predominated. Until now, however, these paintings of Texas history have never received the kind of study given to historical, fictional, and film versions of the same events. *Painting Texas History to 1900* fills this gap with an interdisciplinary approach that explores these paintings both as works of art and as historical documents. The author examines the works of more than forty artists, including Henry McArdle, Theodore Gentilz, Robert Onderdonk, William Huddle, Frederic Remington, Friedrich Richard Petri, Arthur T. Lee, Seth Eastman, Sarah Hardinge, Frank Reaugh, W. G. M. Samuel, Carl G. von Iwonski, and Julius Stockfleth. He places each work within its historical and cultural context to show why such subject matter was chosen, why it was depicted in a particular way, and why such a depiction gained popular acceptance. For example, paintings of heroic events of the Texas Revolution were especially popular in the years following the Civil War, when, in Ratcliffe's view, Texans needed such images to assuage the loss of the war and the humiliation of Reconstruction. Though the paintings cut across traditional art history categories—from the pictographs of early historic Indians to European-inspired oil paintings—they are bound together by their artists' intent for them to function as historically evocative documents. With their visual narratives of events that characterized all of America's westward expansion—Indian encounters, military battles, farming, ranching, surveying, and the closing of the frontier—these works add an important chapter to the story of the American West.

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Understand The Second World War: Teach Yourself

The Chase in China

In the second book of the Jannah Jewels Series, the girls are caught and thrown aboard the ship of Zheng He, the famous Chinese Muslim Admiral. Caught in a lightning thunderstorm, they must sail in raging waters to retrieve a rare medicine plant. Can the Jannah Jewels escape the fiery arrows of pirates and make it safely back home?

*Fans of Stephen E. Ambrose's *Band of Brothers* will be drawn to this complex portrait of the controversial Ronald Speirs, an iconic commander of Easy Company during World War II, whose ferocious courage in three foreign conflicts was matched by his devotion to duty and the bittersweet passions of wartime romance. His comrades called him "Killer." Of the elite paratroopers who served in the venerated "Band of Brothers" during World War II, none were more enigmatic than Ronald Speirs. Rumored to have gunned down enemy prisoners and even one of his own disobedient sergeants, Speirs' became a foxhole legend amongst his troops. But who was the real Lieutenant Speirs? In *Fierce Valor*, historians Jared Frederick and Erik Dorr unveil the full story of Easy Company's longest-serving commander for the first time. Tested by trials of extreme training, military rivalry, and lost love, Speirs's international odyssey begins as an immigrant child in Prohibition-era Boston, continues through the bloody campaigns in France, Holland, and Germany, and sheds light on his lesser known*

exploits in Korea, the Cold War, and embattled Laos. Packed with groundbreaking research, Fierce Valor unveils a compelling portrait of an officer defined by boldness on the battlefield and a telling reminder that few soldiers escape the power of their own pasts.

Examines the role of women in the US military and the arguments used to justify the combat exclusion, in light of the decision to reverse the policy in 2013. The book will be welcomed by scholars and students of military studies, gender studies, social and military history, and foreign policy.

The New York Times bestseller that tells the true story of the life of Major Dick Winters, the man who led the Band of Brothers in World War II. In every band of brothers, there is always one who looks out for the others. They were Easy Company, 101st Army Airborne—the World War II fighting unit legendary for their bravery against nearly insurmountable odds and their loyalty to one another in the face of death. Every soldier in this band of brothers looked to one man for leadership, devotion to duty, and the embodiment of courage: Major Dick Winters. This is the riveting story of an ordinary man who became an extraordinary hero. After he enlisted in the army's arduous new Airborne division, Winters's natural combat leadership helped him rise through the ranks, but he was never far from his men. Decades later, Stephen E. Ambrose's Band of Brothers made him famous around the world. Full of never-before-published photographs, interviews, and Winters's candid insights, Biggest Brother is the fascinating, inspirational story of a man who became a soldier, a leader, and a living testament to the valor of the human spirit—and of America.

ANTHEM

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Stirling was the first four-engine heavy bomber to serve with the RAF. It was largely obsolete by 1942, but it went on to acquire a second lease of life as the foremost aircraft delivering SAS raiding parties and agents of the SOE deep into enemy-occupied lands. #2 The Stirling, a bomber, was used to transport the SAS raiding party to France. The exit point, known as the trap, was a large bathtub-like aperture through which to jump. It was much better than the dorsal gun turret in the Whitley, which was replaced by a narrow steel tube. #3 The interior of the thundered as it crossed the night-dark waters of the Channel. Lieutenant John H. Wiehe, one of the two French-speakers on the team, was in charge of remembering the all-important rum. #4 In the summer of 1944, Captain Patrick Garstin was twenty-four years old and serving with the Royal Ulster Rifles. He had had to fight every inch of the way to be allowed a frontline role. He was heading deep into enemy-occupied France with fiery havoc and mayhem in mind.

Understand the Second World War will show you how one of the most important events in history developed, charting the main military campaigns and examining the path to Allied victory and its impact on the countries involved. Full of anecdotes and details which provide a personal appeal it serves as an accessible introduction to one of the most important, tragic and costly events in history. NOT GOT MUCH TIME? One, five and ten-minute introductions to key principles to get you started. AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success, based on the author's many years of experience. EXTEND YOUR KNOWLEDGE Extra online articles at www.teachyourself.com to give you a richer understanding. THINGS TO REMEMBER Quick refreshers to help you remember the key facts.

INSTANT NEW YORK TIMES BESTSELLER From decorated Green Beret sniper, UFC headliner, and all around badass, Tim Kennedy, a rollicking, inspirational memoir offering lessons in how to embrace failure and weather storms, in order to unlock the strongest version of yourself. Tim Kennedy has a problem; he only feels alive right before he's about to die. Kennedy, a Green Beret, decorated Army sniper, and UFC headliner, has tackled a bull with his bare hands, jumped out of airplanes, dove to the depths of the ocean, and traveled the world hunting poachers, human traffickers, and the Taliban. But he's also the same man who got kicked out of the police department, fire department, and as an EMT, before getting two women pregnant four days apart, and finally, been beaten up by his Special Forces colleagues for, quite simply, "being a selfish asshole." In Scars and Stripes, Kennedy describes how these failures shaped him into the successful businessman and devoted husband and father he is today. Through unbelievably vivid, wild anecdotes Kennedy reveals all the dumb, violent, embarrassing, and undeniably heroic things he's done in his life, including multiple combat missions in Afghanistan, building a school in Texas for elementary kids, and creating two-multimillion-dollar businesses. You will learn that failure isn't the end—rather it's the first step towards unearthing the best version of yourself and finding success, no matter how overwhelming the setbacks may feel.

THE "MUST-READ" BOOK THAT INSPIRED THE EXTRAORDINARY DOCUMENTARY FOR PUBLIC TELEVISION After the Band of Brothers went home, they never forgot the lessons of war . . . After chronicling the personal stories of the Band of Brothers in We Who Are Alive and Remain, author Marcus Brotherton presents a collection of remembrances from the families of the soldiers of Easy Company—and how their wartime experiences shaped their lives off the battlefield. A Company of Heroes is an intimate, revealing portrait of the lives of the men who fought for our freedom during some of the darkest days the world has ever known—men who returned home with a newfound wisdom and honor that they passed onto their families, and that continue to inspire new generations of Americans. *Jake Powers, Official E/506th Historian*

NATIONAL AND NEW YORK TIMES BESTSELLER WINNER OF THE 2019 GOODREADS CHOICE AWARD FOR HISTORICAL FICTION A NEW YORK TIMES EDITORS' CHOICE NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post - Esquire - Glamour - CBC - NPR - Marie Claire - Real Simple - Good Housekeeping - Parade - Shelf Awareness - BookRiot - E! News - Mental Floss - Paste "I devoured Daisy Jones & The Six in a day, falling head over heels for it. Daisy and the band captured my heart." --Reese Witherspoon (Reese's Book Club x Hello Sunshine book pick) A gripping novel about the whirlwind rise of an iconic 1970s rock group and their beautiful lead singer, revealing the mystery behind their infamous breakup. Everyone knows Daisy Jones & The Six: The band's album Aurora came to define the rock 'n' roll era of the late seventies, and an entire generation of girls wanted to grow up to be Daisy. But no one knows the reason behind the group's split on the night of their final concert at Chicago Stadium on July 12, 1979 . . . until now. Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on the Sunset Strip, sleeping with rock stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of impending fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history of one of the biggest bands of the seventies. Taylor Jenkins Reid is a talented writer who takes her work to a new level with Daisy Jones & The Six, brilliantly capturing a place and time in an utterly distinctive voice.

Bizarre military history: In 1979, a crack commando unit was established by the most gifted minds within the U.S. Army. Defying all known laws of physics and accepted military practice, they believed that a soldier could adopt the cloak of invisibility, pass cleanly through walls, and—perhaps most chillingly—kill goats just by staring at them. They were the First Earth Battalion, entrusted with defending America from all known adversaries. And they really weren't joking. What's more, they're back—and they're fighting the War on Terror. An uproarious exploration of American military paranoia: With investigations ranging from the mysterious "Goat Lab," to Uri Geller's covert psychic work with the CIA, to the increasingly bizarre role played by a succession of U.S. presidents, this might just be the funniest, most unsettling book you will ever read—if only because it is all true and is still happening today.

Tales of a Ratt

The Revolutionary Generation

The WWII Letters and Artifacts of Major Dick Winters

THE BOOK: As Germany dissolved into the nightmare of Nazism, Thomas Mann was at work on this epic recasting of the the great Bible story. Joseph, his brothers and his father Jacob, are at the prototypes of all humanity and their story is the story of life itself. Mann has taken one of the great simple chronicles of literature and filled it with psychological scope and range: its men and women are not remote figures in the Book of Genesis, but founders of states in a fresh, realistic world akin to our own .

After the Band of Brothers went home, they never forgot the lessons of war... After chronicling the personal stories of the Band of Brothers in We Who Are Alive and Remain, author Marcus Brotherton presents a collection of remembrances from the families of the soldiers of Easy Company-and how their wartime experiences shaped their lives off the battlefield. A Company of Heroes is an intimate, revealing portrait of the lives of the men who fought for our freedom during some of the darkest days the world has ever known-men who returned home with a newfound wisdom and honor that they passed onto their families, and that continue to inspire new generations of Americans.

A tribute to World War II heroism from the national bestselling author of Biggest Brother. The paratroopers of Easy Company, 101st Airborne Division, have come to symbolize the incredible bravery and heroism shown by the greatest generation in World War II. on the eve of the 65th anniversary of the Allies' victory in Europe, author Larry Alexander crosses an ocean and a continent to discover just what made the Band of Brothers special. Accompanied by his friend Forrest Guth, an easy Company veteran on his final tour in Europe, Alexander explores the living history of the places where American soldiers went into action, and reveals what makes this story so meaningful for us today. Part travelogue, part historical perspective, In the Footsteps of the Band of Brothers is an unforgettable memorial to the men who fell in action, and a tribute to the veterans who are still with us.

Brothers Bond

A Novel

The #1 New York Times bestseller! Now a Hulu original series starring Reese Witherspoon and Kerry Washington. "I read *Little Fires Everywhere* in a single, breathless sitting." —Jodi Picoult "To say I love this book is an understatement. It's a deep psychological mystery about the power of motherhood, the intensity of teenage love, and the danger of perfection. It moved me to tears." —Reese Witherspoon "Extraordinary . . . books like *Little Fires Everywhere* don't come along often." —John Green From the bestselling author of *Everything I Never Told You*, a riveting novel that traces the intertwined fates of the picture-perfect Richardson family and the enigmatic mother and daughter who upend their lives. In Shaker Heights, a placid, progressive suburb of Cleveland, everything is planned—from the layout of the winding roads, to the colors of the houses, to the successful lives its residents will go on to lead. And no one embodies this spirit more than Elena Richardson, whose guiding principle is playing by the rules. Enter Mia Warren—an enigmatic artist and single mother—who arrives in this idyllic bubble with her teenaged daughter Pearl, and rents a house from the Richardsons. Soon Mia and Pearl become more than tenants: all four Richardson children are drawn to the mother-daughter pair. But Mia carries with her a mysterious past and a disregard for the status quo that threatens to upend this carefully ordered community. When old family friends of the Richardsons attempt to adopt a Chinese-American baby, a custody battle erupts that dramatically divides the town—and puts Mia and Elena on opposing sides. Suspicious of Mia and her motives, Elena is determined to uncover the secrets in Mia's past. But her obsession will come at unexpected and devastating costs. *Little Fires Everywhere* explores the weight of secrets, the nature of art and identity, and the ferocious pull of motherhood—and the danger of believing that following the rules can avert disaster. Named a Best Book of the Year by: People, The Washington Post, Bustle, Esquire, Southern Living, The Daily Beast, GQ, Entertainment Weekly, NPR, Amazon, Barnes & Noble, iBooks, Audible, Goodreads, Library Reads, Book of the Month, Paste, Kirkus Reviews, St. Louis Post-Dispatch, and many more... The Men Who Stare at Goats

The Eisner-nominated *Brothers Bond* centers on Yoshi, the young, arrogant crown prince set to inherit an empire. After falling into trouble with his father, the one man he fears, Yoshi runs from home. Picked up by two blind, wandering samurai, Yoshi grows up to learn honor and strength. He then decides to return to his homeland, to claim his birthright and save his people from a demon invasion. A story about good versus evil, dark versus light,

and brother versus brother, Brothers Bond is an intriguing tale of honor, respect, and tradition. Fantastical in its art form, yet true at heart to issues everyone can relate to. Brothers Bond is presented in a stunning wide screen format with a gatefold pullout.

8 starred reviews · Goodreads Choice Awards Best of the Best · William C. Morris Award Winner · National Book Award Longlist · Printz Honor Book · Coretta Scott King Honor Book · #1 New York Times Bestseller! "Absolutely riveting!" –Jason Reynolds "Stunning." –John Green "This story is necessary. This story is important." –Kirkus (starred review) "Heartbreakingly topical." –Publishers Weekly (starred review) "A marvel of verisimilitude." –Booklist (starred review) "A powerful, in-your-face novel." –Horn Book (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven's story in Concrete Rose, Angie Thomas's powerful prequel to The Hate U Give.

From Marcus Brotherton, co-author of Call of Duty, comes a new collection of untold stories from the Band of Brothers. They were the men of the now-legendary Easy Company. After almost two years of hard training, they parachuted into Normandy on D-Day and, later, Operation Market Garden. They fought their way through Belgium, France, and Germany, survived overwhelming odds, liberated concentration camps, and drank a victory toast in April 1945 at Hitler's hideout in the Alps. Here, revealed for the first time, are stories of war, sacrifice, and courage as experienced by one of the most revered combat units in military history. In We Who Are Alive and Remain, twenty men who were there and are alive today—and the families of three deceased others—recount the horrors and the victories, the bonds they made, the tears and blood they shed...and the brothers they lost.

The story of two inseparable friends and soldiers portrayed in the HBO miniseries Band of Brothers. William "Wild Bill" Guarnere and Edward "Babe" Heffron were among the first paratroopers of the U.S. Army—members of an elite unit of the 101st Airborne D

****THE INTERNATIONAL BESTSELLER**** The book that inspired Steven Spielberg's acclaimed TV series, produced by Tom Hanks and starring Damian Lewis. In Band of Brothers, Stephen E. Ambrose pays tribute to the men of Easy Company, a crack rifle company in the US Army. From their rigorous training in Georgia in 1942 to the dangerous parachute landings on D-Day and their triumphant capture of Hitler's 'Eagle's Nest' in Berchtesgaden. Ambrose tells the story of this remarkable company. Repeatedly sent on the toughest missions, these brave men fought, went hungry, froze and died in the service of their country. A tale of heroic adventures and soul-shattering confrontations, Band of Brothers brings back to life, as only Stephen E. Ambrose can, the profound ties of brotherhood forged in the barracks and on the battlefields. 'History boldly told and elegantly written... Gripping' Wall Street Journal 'Ambrose proves once again he is a masterful historian... spellbinding' People From D-Day to the Battle of the Bulge and more, here is the authorized biography of one of the most celebrated paratroopers of Easy Company, Sergeant Shifty Powers, the legendary sharpshooter from the Band of Brothers. As a boy, Darrell "Shifty" Powers's goal was to become the best rifle shot he could be. His father trained him to listen to the woods, to "see" without his eyes. Little did Shifty know his finely-tuned skills would one day save his life—and the lives of his fellow paratroopers. As one of the original men who trained at Camp Toccoa, Georgia, Shifty was one out of only two soldiers in Easy Company to initially earn the coveted expert marksman designation. He parachuted into France on D-day and fought for a month in Normandy; eighty days in Holland; thirty-nine in the harshly cold winter of Bastogne; and for nearly thirty more near Haguenau, France, and the Ruhr pocket in Germany. Shifty's War is a tale of heroism and adventure, of a soldier's blood-filled days fighting his way from the shores of France to the heartland of Germany, and the epic story of how one man's skills as a sharpshooter and engagingly unassuming personality propelled him to a life greater than he could have ever imagined.

The popular historian shares his views of his own life and on the history of America, in a series of reflections on the Founding Fathers, Native Americans, Theodore Roosevelt, World War II, civil rights, Vietnam, and the writing of history.

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

Discovering the Secret of a Man's Soul

NATIONAL BESTSELLER • From the author of Into the Wild and Into Thin Air, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in

these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

Hailed by *The New York Times* as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life – use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. *Anthem* anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. *Publisher's Weekly* acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." *Anthem* is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

For the first time, rock music icon Gregg Allman, one of the founding members of The Allman Brothers Band, tells the full story of his life and career in *My Cross to Bear*. No subject is taboo, as one of the true giants of rock 'n' roll opens up about his Georgia youth, his long struggle with substance abuse, his string of bad marriages (including his brief union with superstar Cher), the tragic death of brother Duane Allman, and life on the road in one of rock's most legendary bands.

A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. Night is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

Personal Memories about the Real Band of Brothers and the Legacy They Left Us

A Story of Violent Faith

Biggest Brother

The Hate U Give

Fierce Valor

The Authorized Biography of Sergeant Darrell "Shifty" Powers, the Legendary Sharpshooter from the Band of Brothers

For the first time, the incredible true story of the legendary band, The Doobie Brothers, written by founding members Pat Simmons and Tom Johnston. Only a very few rock bands have had the longevity, success, and drama of The Doobie Brothers. Born out of late 1960s NorCal, and led by Pat Simmons and Tom Johnston, they stood alongside their contemporaries The Grateful Dead, The Allman Brothers, and many others as an iconic American rock band. The train was rolling along, hits were flowing like wine, and arenas were packed with fans who wanted to see them live...then Tom Johnston, the band's front man and lead guitarist, became ill and had to leave. The Doobies' train came to a screeching halt. All of a sudden the band started contemplating the end of the road only seven years into their career, just as things were taking off. But Pat Simmons made sure they were far from the end and began the process of keeping the band together through most of the next decade. A soul-steeped backup singer for Steely Dan named Michael McDonald took a shot at singing some of the Doobies' songs on tour, and all of a sudden a new chapter in the Doobie Brothers' story began. The band expanded their sound and had even more hits with their new front addition. Tom recovered from his health issues, but the band had moved on. When it came time for a reunion concert in the '80s, Tom got the call and was back in the mix. Led once again by Pat and Tom, The Doobie Brothers have been touring ever since and maintain a massive fan base the world over. Never before have Pat and Tom shared their story, in their own words. In *Long Train Runnin'* they'll change that.

"Tells the tales left untold by Stephen Ambrose, whose *Band of Brothers* was the inspiration for the HBO miniseries...laced with Winters's soldierly exaltations of pride in his comrades' bravery."—*Publisher's Weekly* They were called Easy Company—but their mission was never easy. Immortalized as the *Band of Brothers*, they suffered 150% casualties while liberating Europe—an unparalleled record of bravery under fire. Winner of the Distinguished Service Cross, Dick Winters was their legendary commander. This is his story—told in his own words for the first time. On D-Day, Winters assumed leadership of the *Band of Brothers* when its commander was killed and led them through the Battle of the Bulge and into Germany—by which time each member had been wounded. Based on Winters's wartime diary, *Beyond Band of Brothers* also includes his comrades' untold stories. Virtually none of this material appeared in Stephen Ambrose's *Band of Brothers*. Neither a protest against nor a glamorization of war, this is a moving memoir by the man who earned the love and respect of the men of Easy Company—and who is a hero to new generations worldwide. Includes photos

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free. Major Dick Winters of the 101st Airborne gained international acclaim when the tale of he and his men were depicted in the celebrated book and miniseries Band of Brothers. Hoisted as a modest hero who spurned adulation, Winters epitomized the notion of dignified leadership. His iconic World War II exploits have since been depicted in art and commemorated with monuments. Beneath this marble image of a reserved officer is the story of a common Pennsylvanian tested by the daily trials and tribulations of military duty. His wartime correspondence with pen pal and naval reservist, DeEtta Almon, paints an endearing portrait of life on both the home front and battlefield—capturing the humor, horror, and humility that defined a generation. Interwoven with previously unpublished diary entries, military reports, postwar reminiscences, private photos, personal artifacts, and rich historical context, Winters's letters offer compelling insights on the individual costs and motivations of World War II service members. Winters's heartfelt prose reveals his mindset of the moment. From stateside training to the hedgerows of Normandy, his correspondence immerses readers in the dramatic experiences of the 1940s. Via the lost art of letter writing, the immediacy and honesty of Winters's observations takes us beyond the traditional accounts of the fabled 506th Parachute Infantry Regiment's Easy Company. This engaging narrative offers a unique blend of personal wit, leadership ethics, and broader observations of a world at war. Hang Tough is a deeply intimate, timely reflection on a rising officer and the philosophies that molded him into a hero among heroes. Hang Tough "will help people better understand the man I knew and respected so much. Folks should know what we all went through during the war." —Bradford Freeman, Foreword

The Sullivans and World War II

A Return to Easy Company's Battlefields with Sgt. Forrest Guth
