We know that God works in mysterious ways, yet the mysteries of God can leave us with lifelong questions about his nature and character. Thankfully, God has provided us with a way to understand him and ourselves better and that is by focusing on him and on his Word. In *More God-centric and Less Situation-centric Living*, author William Bill Porter encourages us to shift the focus of our lives and our thoughts back to God and away from ourselves. By creating a theology of the inherent goodness of God, Porter shows how a God-centric life is a life of almost total submission to God's sovereignty, and that many churches today do not teach the truth that God is about more than solving personal problems. More God-centric living enables you to acknowledge, accept, and use all the fruits of the Spirit and then walk with contentment into the gardens of both the bouquets and weeds of life, as the apostle Paul encouraged us in *Philippians 4:12*. You will acknowledge and walk in the realization that the gospel is not just the good news of God but that God is the good news! That God rules! That God is sovereign! And that God is central!

Dr. Ernestine Battle designed this manual to help identify some of the most basic principles of servant leadership, out of an experience of years as a "participating-observer" in a ministry that did not have a formal training program for its leaders. Every church should have quality people; those who lead, encourage, and direct others to become even greater and more effective Christians. The church needs more women and men who are prepared to lead. This training manual provides extensive research on servant leadership, a curriculum of basic and foundational courses to help develop and grow ministry leaders.

From the Diary of a Black Man's Mind: Demagogue to Disciple is a work of divinely inspired essays and journal entries designed to inspire, empower, and equip readers from all walks of life. A demagogue is one who appeals to the emotions of the common people. A disciple is one who has the mind of Christ and maintains a biblical worldview. The Diary is about one black man's journey from one level of manhood to another; from one state of spiritual awareness to another; from a place of darkness to the marvelous light of Christ. The Diary is written to accomplish two goals: to glorify God and to edify believers and non-believers alike. These writings will confront your thinking, move your emotions, and arouse your consciousness. Parts of the book will make laugh; other parts will make want to cry. No part will leave you unchallenged. Within these pages you will be offered the unadulterated Word of God. You will be offered words of encouragement, words of wisdom, words of love, words of transformation, and words of affirmation. ?It's about growth and maturity on multiple levels: mental, emotional, intellectual and spiritual. ?It's about voice, sharing my voice as a black man walking circumspect in this world. ?It's an invitation. An invitation to meet a man, a friend, a counselor, a Lord, a Savior. ?It's an invitation to meet the risen Christ. But not only that, you are invited to become one of His Disciples. He did it for me and He can do it for you. As you read, reflect, and absorb, you will witness how God molded and matured a black man as a Father, as a professional, as thinker, as a social critic, as an advocate for children, and a lover of people, but most importantly, as a Child of God. Open From the Diary of a Black Man's Mind: Demagogue to Disciple to see, read, and experience how the Lord took a demagogue and made him into a disciple. Let's begin!

Deacons in Today's Black Baptist Church

What does it mean to be a deacon in the black Baptist church today? What personal qualities should a candidate for deacon possess? What does the ministry entail? What relationship should exist between the pastor and deacons? What does Scripture say about the origins of the office of the deacon? How has the historical context of being black and Baptist in American influenced the evolution of that office? How do we fulfill the scriptural purposes of a deacon ministry in our local black Baptist churches today? Rev. Dr. Marvin McMickle explores these issues and more in this practical resource for today's church leaders.

For more than forty years, pastor R. Kent Hughes has shared the gospel with thousands of people and raised the standard of expository preaching in North America and beyond. To celebrate his legacy and pay tribute to his years of ministry, fifteen of Hughes's friends and colleagues from across the globe, including J. I. Packer, Wayne Grudem, John MacArthur, Peter Jensen, and D. A. Carson, examine what it means to be an expository preacher. Among the contributors are professors, a university chaplain, a college president, and urban church planters—living testimonies to

Hughes's wide influence. These contributors address an array of themes for the ministry-minded, such as interpretive principles and practices, biblical and historical paradigms, expository preaching's contemporary aims and challenges, and the priority of training—all in the expectation that this one man's passion to preach the Word faithfully will enhance the understanding and practice of expository preaching in churches and seminaries around the world. This book will also inspire and prepare you to make the pulpit the prow of your ministry and influence the generations to come. "Kent Hughes and even more the Word of God that he has faithfully preached are worthy of this astonishing array of contributors. I rejoice that the ripple effect of one man's allegiance to the Bible has pushed so many new waves of blessing out of their hearts and into these pages." John Piper, Pastor for Preaching and Vision, Bethlehem Baptist Church, Minneapolis "That Kent Hughes can inspire contributions of such quality tells us something of the esteem in which he and his ministry are held. Here in these papers lasting treasure is to be found—in rare wisdom, fresh thinking, and occasional plain speaking. Highly recommended by one who has been uncommonly impressed and helped." Dick Lucas, Rector Emeritus, St. Helen's Church, Bishopsgate "A book packed with preaching wisdom to honor one of this generation's greatest expositors of Scripture. Kent Hughes is rightly honored, but God's Word is ever more highly honored in this special book." Bryan Chapell, President, Covenant Seminary; author, *Christ-centered Preaching* "Preach the Word is not just a treasure trove for preachers—it provides what amounts to a refresher course in pastoral theology. Faithful ministers frequently pause to reflect—'What am I doing and why am I doing it and what does God want me to be doing and how does he want me to be doing it?' This book will prove a tremendously helpful conversation partner for such all-important reflection and self-evaluation. I warmly commend it to all who are serious about doing biblical pastoral ministry today." Ligon Duncan, Senior Minister, First Presbyterian Church, Jackson, Mississippi; President, Alliance of Confessing Evangelicals; Chairman, Council on Biblical Manhood and Womanhood

The story of A. J. Gordon recounts an epic journey of faith, character, and pioneering vision. A sterling educator, philanthropist, and herald of heaven, he was a great soul, and his life a resplendent legacy. This impeccably researched biography brings Dr. Gordon's world to life, charting his rise to international prominence and his work with great peers and friends like D. L. Moody. Born in rural New Hampshire, he was, in many ways, a renaissance man: an educator, philanthropist, author, magazine editor, antislavery advocate, trustee of Brown University, and the pastor of Clarendon Street Church in Boston. He also led groundbreaking mission work among Boston's immigrant communities, chiefly Chinese and Hebrew groups. - They cherished his work among them. In 1889, Gordon founded the Boston Missionary Training School to give underprivileged young people an education they would not have had otherwise. Tuition was free, and courses (taught by Ivy League-educated instructors) were open to young men and young women of many ethnicities

African-American, Chinese, and Hebrew students among them. Gordon stoutly weathered storms of criticism over this, but he persevered. His gifts as an author resonate still, and his many books are now housed in places like the Bodleian Library, Oxford, Harvard, Yale, and Princeton.
