Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order

collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued. Learning—and remembering—everything you need to know about the AP Environmental Science test can seem overwhelming. With help from this updated test preparation manual, however, test-takers will learn all they need to succeed on this test, including updates based on recent developments and changes in environmental levents, and practice questions. and answers for each content area An overview of the format of the exam plus answers to frequently asked questions about this test Hundreds of diagrams and illustrations, including brand new tables, charts, and figures BONUS ONLINE PRACTICE TESTS: Students who purchase this book will also get FREE access to three additional full-length online AP Environmental Science tests with all questions answered and explained.
