

Baseball Card Price Guide Free Online

Baseball's premier base stealer traces his life from his childhood in Oakland to glory in the Major Leagues, offering commentary about the game and anecdotes about such luminaries as Reggie Jackson, Yogi Berra, and Jose Canseco. Reprint. PW.

“An entertaining history of baseball cards . . . An engaging book on a narrow but fascinating topic” (The Washington Post). When award-winning journalist Dave Jamieson’s parents sold his childhood home a few years ago, he rediscovered a prized boyhood possession: his baseball card collection. Now was the time to cash in on the “investments” of his youth. But all the card shops had closed, and cards were selling for next to nothing online. What had happened? In *Mint Condition*, his fascinating, eye-opening, endlessly entertaining book, Jamieson finds the answer by tracing the complete story of this beloved piece of American childhood. Picture cards had long been used for advertising, but after the Civil War, tobacco companies started slipping them into cigarette packs as collector’s items. Before long, the cards were wagging the cigarettes. In the 1930s, cards helped gum and candy makers survive the Great Depression. In the 1960s, royalties from cards helped transform the baseball players association into one of the country’s most powerful unions, dramatically altering the game. In the ’80s and ’90s, cards went through a spectacular bubble, becoming a billion-dollar-a-year industry before all but disappearing, surviving today as the rarified preserve of adult collectors. *Mint Condition* is charming, original history brimming with colorful characters, sure to delight baseball fans and collectors. “Jamieson explores the history of card collecting through an entertaining cast of characters . . . For anyone who can recall being excited to rip open their newest pack of cards, *Mint Condition* is a treat.” —Forbes

This newest, most up-to-date volume is the key to collecting success for any baseball card enthusiast. More than 95,000 cards are catalogued and priced with 285,000 current values. Collectors the world over rely on this definitive resource for accurate pricing of modern baseball card issues. 1,400 photos.

Misdirection, Deception, and Why Magic Matters

The 1952 Topps Collection

Baseball and Bubble Gum

Minor League Baseball Card Price Guide

Earth Day celebrates our beautiful planet and calls us to act on its behalf. Some people spend the day planting flowers or trees. Others organize neighborhood clean-ups, go on nature walks, or make recycled crafts. Readers will discover how a shared holiday can have multiple traditions and be celebrated in all sorts of ways.

Baseball & Bubble Gum: The 1952 Topps Collection details the most iconic postwar baseball set in hobby history. With the end of World War II, the advent of television, and an explosion of love for our National Pastime, the players making up this historic collection became bigger than life. Mantle, Berra, Robinson, and Spahn are just a few of the stars who helped Americans forget the ravages of war and who opened the door to Major League Baseball's desegregation that was closed for so many years. Each player narrative in this book gives you a glimpse of what life was like for these athletes during and after World War II. Many of these men fought overseas, and some of them were even Purple Heart recipients. Organized in chapters by the Hall of Famers, the Commons, and the Uncommons, it's interesting to see that the love of baseball was the common thread between players like Hall of Famer Duke Snider; an uncommon player like Bobby Shantz, who, although is not in Cooperstown, had a wonderful career; and a typical common player like Jim Busby, who played day in and day out without any fanfare. The last chapter of the book discusses the great appeal of the 1952 Topps set; how the collection was developed; the nuances of particular cards, along with the scarcity, popularity, and in some cases, the card value. This set became the template for card collecting, and it is still going strong after 68 years. Kids and adults have been trading and collecting their favorite players for years. Today, collecting has become a big business, but when all is said and done, we are all still kids who love those little cardboard pieces of art. This book is a fun read for baseball lovers, card collectors, and baseball historians. Grab yourself some bubble gum, sit back, and enjoy the journey into the decade of "The Whiz Kids," "Dem Bums," and "The Bronx Bombers."

This is the most comprehensive hockey card source ever, with more than a half-million cards listed! This new edition includes complete coverage of hockey cards and collectibles from the 1900's to the present. Includes pricing for cards from the NHL, Minor and Junior leagues as well as European leagues

The day of the Ice Bowl game was so cold, the referees' whistles wouldn't work; so cold, the reporters' coffee froze in the press booth; so cold, fans built small fires in the concrete and metal stands; so cold, TV cables froze and photographers didn't dare touch the metal of their equipment; so cold, the game was as much about survival as it was about skill and strategy. On New Year's Eve, 1967, the Dallas Cowboys and the Green Bay Packers met for a classic NFL championship game, played on a frozen field in sub-zero weather. The "Ice Bowl" challenged every skill of these two great teams. Here's the whole story, based on dozens of interviews with people who were there—on the field and off—told by author Ed Gruver with passion, suspense, wit, and accuracy.

"Complete checklists and pricing for every important football card set from 1894 to early 2018; hundreds of new sets added and more than 75,000 new cards priced in this edition; complete checklists for all included card sets; values for individual cards and complete sets developed from thorough market research; set description includes distinguishing features, key cards, distribution information-- everything you need to become a football card expert"--Back cover.

Number 25

Baseball's Top 500

Provides prices for over 125,000 baseball cards for the top five hundred stars.

The only price guide devoted to the cards that actually have value--or soon will. Of the hundreds of thousands of baseball cards produced, only a fraction will be worth more than their original issue value. This book is a must for any enthusiast, whether a beginning collector or a hard-core hobbyist.

In the wake of the great baseball card bubble of the late 1980s and early 1990s - a time period in which new baseball card issues were wildly overproduced - everybody knows that modern baseball cards are worthless, and that valuable cards are strictly a vintage thing. And yet, many of the most valuable cards of the last 40-50 years have been printed in the last five to ten years. How is it possible that a Bowman Chrome Yasiel Puig card issued in the fall of 2013 sold for \$18,000 in January 2014, or that a Bowman Chrome Mike Trout card issued in 2009 sold for \$16,000 in February 2014? And how is it that two 1993 SP Derek Jeter rookie cards sold for \$32,500 each in December 2013, at a time when many other copies of the same card were running in the \$100-\$150 range? Indeed, the investment profile of the modern baseball card and sports cards in general has improved dramatically over the past 20 years. In *The Modern Baseball Card Investor*, Jeff Hwang explains why, and shows you how you, t

The Players & Their Stories

The Ice Bowl

"The T206 Collection. The *Players & Their Stories* neatly recounts the human stories---often triumphant and sometimes tragic---of the ballplayers immortalized in the Tobacco Trust's famous 'white border' set. In so doing, it enriches the experience of the card collector and entertains the sports fan."---Scot Reader, author of *Inside T206: A Collector's Guide to the Classic Baseball Card Set* "The legendary T206 set comes to life in this brilliant book. The stories of these men, especially those who toiled in obscurity in the minors are especially compelling and achieve a measure of immortality in these pages."---Richard Johnson, Curator, The Sports Museum, Boston, MA "Baseball fans will spend hours absorbed in this book, appreciating the artistry of the cards, as well as poring over the history of each player. The book is a grand slam. Long live Dolly Stark, Jack Bastian and all of the other long forgotten Texas Leaguers you are bringing back to life."---Tom Kayser, president, Texas AA. League You had the passion to see This book through, and now it's a reality. I personally learned a great deal about that era of baseball from our meetings. This book makes that same information available to all fans of the game. It was enjoyable."---Rico Pettocelli, member Red Sox Hall of Fame and All Star shortstop The T206 Collection: *The Players & Their Stories* is a tribute to the men featured in the greatest baseball card collection that has ever existed. This book is for baseball fans, hobbyists, and history buffs. The brief biographical narratives along with the personal and professional statistics of each player offer you a peek into the developing world of baseball during the early part of the 20th century. The stories of the amazing array of T206 players from all walks of life with dramatically different skill levels will give you a real sense of how our national pastime was shaped by the events and players of that era. The last chapter discusses the value and grading system of this storied collection and brings the

reader full circle. You will learn how a card like Kitty Bransfield's with the Sweet Caporal back is graded and valued. In addition, elsewhere in the book, you will learn about the "Bransfield Curse" and what it meant to Pittsburgh Pirates fans. This commemorative edition celebrates the 100th anniversary of the very special T206 collection. Along with the 38 Hall of Famers that make up this set, there are another 353 players who contributed to the evolution of the great game of baseball. Take a look into their lives and see for yourself that ballplayers like Lena Blackburne and Gabby Street made contributions to the game in many ways that could never be measured in batting averages or won-lost records. They did, however, help shape our greatest American sport. Interestingly enough, you will see that even these players from so long ago had similar problems as some of today's major leaguers. Contract disputes, substance abuse, and inflated egos sometimes got in the way of greatness---not for all, but for some. This book is a great read for anyone who loves baseball, not just the collector. Enjoy your look at this snapshot in time!

One of the most popular books we publish, the Graded Card Price Guide is the choice of collectors wanting to know the values of their graded and encapsulated cards. This book includes vintage and modern day graded card pricing for Baseball, Football, Basketball, Hockey and other sports too. The continued growth in the industry requires knowledge of the market, and this book provides that and plenty more!

From the baseball card hobby's oldest, most trusted authority, Sport Collectors Digest, this book represents the most comprehensive coverage of minor league baseball cards issues from 1909 to 1993 to be found between two covers. Sets include T206 cards, TCMA, Star Co., ProCards, Zeenuts, Best, Classic Best, SkyBox, Upped Deck, Fleer, Team issues, and regional issues from the 1940s--1990s. More than 40,000 players are checklisted, and more than 1,900 team sets are priced in three different grades. Pre-1980s cards are listed in Near Mint, Excellent and Very Good. Sets issued since 1980 are listed in grades Mint, Near Mint, and Excellent. Dave Platta, a frequent minor league baseball card contributor to Sports Collectors Digest, provides an overview of minor league cards, tracing their history from tobacco cards of the early 1900s to the boom in collecting in the early 1990s, when as many as 10 companies were issuing at least two team sets.
