The black-and-red pyramid-shaped Sith case appears innocuous. But with the touch of a button, the door of the case lifts, accompanied by lights and Star Wars sound effects. The secrets within are revealed—the Book of Sith slides into view. The Sith have existed in the galaxy for centuries, lurking, waiting for their chance to seize control. As various Sith Lords emerged and rose to power, they recorded their thoughts, exploits, and plots for Sith control of the galaxy. When they fell, their knowledge vanished with them forever. Or so it seemed. . . . Over the years, these writings were passed among numerous Sith and Jedi, who added their comments to the pages. In his quest for domination, Darth Sidious tracked down what remained of five pivotal Sith texts written by his most powerful predecessors. Then, drawing on the knowledge within the compiled pages, he wrote a sixth text—his own manifesto. Together, these documents, along with several collected objects associated with them, shed light on the philosophy, achievements, and failures of the Sith Order. For years, this collection remained hidden, existing as legend only. But now all who are tempted may unlock the Book of Sith and delve into the dark side. . . . From the creators of The Jedi Path, in collaboration with Lucasfilm, Book of Sith reveals the mystery and madness of the dark side—while introducing new characters, history, as well as sinister insights into what it means to be a Sith Master.Recovered dark side texts:

- A chronicle by Sorzus Syn of her encounters with Sith Purebloods, explorations in alchemy, and the foundations of the Sith Order.
- A war journal kept by Darth Malgus during the Great Galactic War, describing methods of war and the campaigns of the Sith army.
- A source book by Darth Bane that details the idea and the philosophy behind the Rule of Two as well as the training required for a Sith.
- An instructional manual by Mother Talzin exploring the Nightsisters’ use of the dark side and their role as dark side mercenaries in the galaxy.
- A scientific journal by Darth Plagueis with notes about his experimentation with and manipulation of the Force.
- Darth Sidious’s manifesto about the philosophy and political manipulation that marked his rise to power and established his Empire. Those who added their comments:
Darth Sidious, Darth Vader, Asajj Ventress, Yoda, Mace Windu, Quinlan Vos, and Luke Skywalker
Removable features:

THE SUNDAY TIMES BESTSELLER Grand Admiral Thrawn and Darth Vader team up against a threat to the Empire in this thrilling novel from bestselling author Timothy Zahn. “I have sensed a disturbance in the Force.” Ominous words under any circumstances, but all the more so when uttered by Emperor Palpatine. On Batuu, at the edges of the Unknown Regions, a threat to the Empire is taking root—its existence little more than a glimmer, its consequences as yet unknowable. But it is troubling enough to the Imperial leader to warrant investigation by his most powerful agents: ruthless enforcer Lord Darth Vader and brilliant strategist Grand Admiral Thrawn. But the Emperor knows it’s not the first time Vader and Thrawn have joined forces. And there’s more behind his royal command than either man suspects. In what seems like a lifetime ago, General Anakin Skywalker of the Galactic Republic, and Commander Mith’raw’nuruodo, of ficer of the Chiss Ascendancy, crossed paths for the first time. One on a desperate personal quest, the other with motives unknown . . . and undisclosed. But facing a gauntlet of dangers on a far-flung world, they forged an uneasy alliance—neither remotely aware of what their futures held in store. Now, thrust together once more, they find themselves bound again for the planet where they once fought side by side. There they will be doubly challenged—by a test of their allegiance to the Empire . . . and an enemy that threatens even their combined might.

Victory’s Price (Star Wars)

Dr. Aphra teams up with Darth Vader himself in the original script to the audiobook production—an expanded adaptation of the critically acclaimed Marvel comics series. Dr. Chelli Lona Aphra, rogue archaeologist, is in trouble again. A pioneer in the field of criminal xen archaeology, Aphra recognizes no law, has no fear, and possesses no impulse control. To her, the true worth of the galactic relics she discovers is found not in a museum but in an arsenal. This viewpoint has led to a lot of misunderstandings. After her latest plan goes horribly wrong, Aphra’s roguish ways are on the verge of catching up to her. That’s when suddenly Darth Vader, terror of the galaxy, swoops in with his lightsaber and . . . saves her life? Don’t get her wrong—it’s not like she’s ungrateful. Sure, her new boss is a lord of the Sith. And okay, she may have just become a pawn in a deadly game being played by him and his boss, who happens to be the Galactic Emperor. And yes, the life expectancy of anyone who disappoints Vader can be measured in seconds. But she’s back doing what she does best. She’s got a ship to fly, a heist to pull, and two unorthodox but effective metal buddies: Triple-Zero, a protocol droid specializing in etiquette, customs, translation, and torture; and BT-1, an astromech loaded with enough firepower to take down a battlecruiser. Together, they might just find a way to get the job done and avoid the deadly performance review that waits at its conclusion. Just kidding. She’s doomed.

A long time ago in a galaxy far, far away. . . . “The war is over. The Separatists have been defeated, and the Jedi rebellion has been foiled. We stand on the threshold of a new beginning.”—Emperor Palpatine For a thousand generations, the Jedi Knights brought peace and order to the Galactic Republic, aided by their connection to the mystical energy field known as the Force. But they were betrayed—and the entire galaxy has paid the price. It is the Age of the Empire. Now Emperor Palpatine, once Chancellor of the Republic and secretly a Sith follower of the dark side of the Force, has brought his own peace and order to the galaxy. Peace through brutal repression, and order through increasing control of his subjects’ lives. But even as the Emperor tightens his iron grip, others have begun to question his means and motives. And still others, whose lives were destroyed by Palpatine’s machinations, lay scattered about the galaxy like unexploded bombs, waiting to go off. . . . The first Star Wars novel created in collaboration with the Lucasfilm Story Group, *Star Wars: A New Dawn* is set during the legendary “Dark Times” between Episodes III and IV and tells the story of how two of the lead characters from the animated series *Star Wars Rebels* first came to cross paths. Featuring a foreword by Dave Filoni, *Praise for A New Dawn* “A New Dawn is a fine start to the new Expanded Universe. [John Jackson] Miller steps confidently into the unexplored territory and owns it; he’s crafted a story with pacing and dialogue that feels like classic Star Wars.”—Nerdist “An entertaining adventure . . . with a cast of heroes that mixes laughter with intriguing depths of character. . . . John Jackson Miller packs in plenty of action and surprises.”—Roqoo Depot “A confidently told story that gives fans a lot of reason to be hopeful about what’s to come as we move into this new phase of Star Wars . . . The book certainly got me even more excited for Rebels and to see more of Kanan and Hera’s adventures. We’re also introduced to other characters I would love to see again at some point, whether on Rebels, in another book or, who knows, in live-action at some point.”—IGN “A New Dawn delivers a classic Star Wars experience that fans of all ages will be able to enjoy. It is extremely well-written, with an incredibly diverse cast too. Miller’s prose can easily suck readers in, and leave them speechless when 100 pages have flown by in the blink of an eye.”—Far Far Away Radio “A New Dawn brings us into this new dawn of storytelling with energy, excitement, and characters that have become instantly ensconced into the Star Wars vernacular, and the results will satisfy Star Wars fans of many different palates.”—Coffee with Kenobi “A New Dawn is a well-written novel full of intrigue and twists and turns that does an excellent job of letting Star Wars fans get to know Kanan and Hera.”—Tosche Station “A New Dawn finds an era never before written about in the Star Wars universe—the years prior to the original movie, Episode IV—in robust good health. The narrative takes place on two worlds and a handful of ships in between them, but as with the best of all Star Wars moments, hints at hidden depths beyond.”—Mashable

[Jyn Erso] proves to be even more fascinating here than she was in the movie.”—New York Daily News

Vampire of the Mists

A latest entry in a best-selling series finds a precarious alliance between the Jedi and Sith compromised by a strange being that reaches out to Luke, interference from the Hutt family and conflicting edicts by the Galactic Alliance. By the award-winning author of Rise of the Lich King.

In war, no one is safe. War has come to Thornstone, Tarkin’s Point, and Thoriddon, throwing all three nations into chaos. Led by the demon lord Vagborar, the legions of orcs are bent on nothing less than the total annihilation of both human and dwarf. With their demonic allies, they just might succeed. But not without a fight. As Serena tries to find answers and a path to victory, Orin and Brom fight with both sword and spell to turn back the tide of darkness. Beside them are a kingdom of dwarves and a city of humans, but even they may not be enough to beat back such a force. If they hope to survive, they need to come together, but with each nation under siege, uniting as one is easier said than done. When one of them is freed from battle, hope is rekindled, but prejudices rise to the surface, threatening everything. If any of them hope to survive, past actions and old hatreds must be forgotten. Hard decisions and painful sacrifices must be made. And pride and egotism must be set aside for the greater good. If not, a new age of evil will dawn upon the world.

The bravest soldiers. The toughest warriors. The ultimate survivors. Among the stars and across the vast expanses of space, the Galactic Civil War rages. On the battlefields of multiple worlds in the Mid Rim, legions of ruthless stormtroopers—bent on crushing resistance to the Empire wherever it arises—are waging close and brutal combat against an armada of freedom fighters. In the streets and alleys of ravaged cities, the front-line forces of the Rebel Alliance are taking the fight to the enemy, pushing deeper into Imperial territory and grappling with the savage flesh-and-blood realities of war on the ground. Leading the charge are the soldiers—men and women, human and nonhuman—of the Sixty-First Mobile Infantry, better known as Twilight Company. Hard-bitten, war-weary, and ferociously loyal to one another, the members of this renegade outfit doggedly survive where others perish, and defiance is their most powerful weapon against the deadliest odds. When orders come down for the rebels to fall back in the face of superior opposition numbers and firepower, Twilight reluctantly complies. Then an unlikely ally radically changes the strategic equation—and gives the Alliance’s hardest-fighting warriors a crucial chance to turn retreat into resurgence. Orders or not, alone and outgunned but unbowed, Twilight Company locks, loads, and prepares to make its boldest maneuver—trading down-and-dirty battle in the trenches for a game-changing strike at the ultimate target: the very heart of the Empire’s military machine.

Set in the aftermath of *Rogue One: A Star Wars Story*, this action-packed prequel to the hotly anticipated videogame *Battlefront II* introduces the Empire’s elite force: Inferno Squad. After the humiliating theft of the Death Star plans and the destruction of the battle station, the Empire is on the defensive. But not for long. In retaliation, the elite Imperial soldiers of Inferno Squad have been called in for the crucial mission of infiltrating and eliminating the Partisans—the rebel faction once led by notorious Republic freedom fighter Saw Gerra. Following the death of their leader, the Partisans have carried on his extremist legacy, determined to thwart the Empire—no matter the cost. Now Inferno Squad must prove its status as the best of the best and take down the Partisans from within. But the growing threat of being discovered in their enemy’s midst turns an already dangerous operation into a do-or-die acid test they dare not fail. To protect and preserve the Empire, to what lengths will Inferno Squad go . . . and how far beyond them? The Rebellion may have heroes like Jyn Erso and Luke Skywalker. But the Empire has Inferno Squad.
