*Anthony Lane on Con Air– “Advance word on Con Air said that it was all about an airplane with an unusually dangerous and potentially lethal load. Big deal. You should try the lunches they serve out of Newark. Compared with the chicken napalm I ate on my last flight, the men in Con Air are about as dangerous as balloons.” Anthony Lane on The Bridges of Madison County– “I got my copy at the airport, behind a guy who was buying Playboy’s Book of Lingerie, and I think he had the better deal. He certainly looked happy with his purchase, whereas I had to ask for a paper bag.” Anthony Lane on Martha Stewart– “Super-skilled, free of fear, the last word in human efficiency, Martha Stewart is the woman who convinced a million Americans that they have the time, the means, the right, and—damn it—the duty to pipe a little squirt of soft cheese into the middle of a snow pea, and to continue piping until there are ‘fifty to sixty’ stuffed peas raring to go.” For ten years, Anthony Lane has delighted New*

## **Becoming Jane**

*Advice delivered with sense and sensibility just in time for the major motion picture Becoming Jane Women have looked to Jane Austen's heroines as models of appropriate behavior for nearly two centuries. Who better to understand the heart of a heroine than Austen? In this delightful epistolary "what if," Austen serves as a "Dear Abby" of sorts, using examples from her novels and her life to counsel modern-day heroines in trouble, she also shares with readers a compelling drama playing out in her own drawing room. Witty and wise—and perfectly capturing the tone of the author of Persuasion and Pride and Prejudice—Dear Jane Austen is as satisfying as sitting down to tea with the novelist herself.*

*Persuasion is a novel written by a famous British writer Jane Austen. It is a story about the life of Anne Elliot, a middle daughter of baronet Sir Walter, a spender and bluffer. Due to these features of his character, he found himself in a difficult financial position. He has to rent a family estate Kellynch Hall in order to pay his debts. Meanwhile, his most smart and considerate daughter Anne goes to Uppercross to look after a sick sister. In the days of her youth she was mutually in love with Frederick Wentworth, but because of a fear of a poor marriage, "reasons of conscience" and on the insistence of a "family friend" Lady Russel Anne stopped her relationship with him. But now after eight years, some incredible coincidence happens. The family that rents Kellynch Hall is related to Frederick Wentworth. Is the old-time love still alive in the hearts of Anne and*

disheveled and weighed down with hidden money. Turned away at a nearby inn, they are forced to travel by coach all night to London. They are not what they seem, but rather colleagues who have come back in time from a technologically advanced future, posing as wealthy West Indies planters—a doctor and his spinster sister. While Rachel and Liam aren't the first team from the future to "go back," their mission is by far the most audacious: meet, befriend, and steal from Jane Austen herself. Carefully selected and rigorously trained by The Royal Institute for Special Topics in Physics, disaster-relief doctor Rachel and actor-turned-scholar Liam have little in common besides the extraordinary circumstances they find themselves in. Circumstances that call for Rachel to stifle her independent nature and let Liam take the lead as they infiltrate Austen's circle via her favorite brother, Henry. But diagnosing Jane's fatal illness and obtaining an unpublished novel hinted at in her letters pose enough of a challenge without the continuous convolutions of living a lie. While her friendship with Jane deepens and her relationship with Liam grows complicated, Rachel fights to reconcile the woman she is with the proper lady nineteenth-century society expects her to be. As their portal to the future prepares to close, Rachel and Liam struggle with their directive to leave history intact and exactly as they found it. . . however heartbreaking that may

Jane, a 20-year-old writer falls in love with Tom Lefroy who studies law. Jane's romance inspired her to write *Pride and Prejudice* and *Sense and Sensibility*. Read the story of Jane Austen and how she became one of the greatest writers of English literature.

INSPIRED BY ACTUAL EVENTS Fifteen-year-old Jane Austen dreams of three things: doing something useful, writing something worthy, and falling madly in love. When she visits her brother in Kent to celebrate his engagement, she meets wealthy, devilishly handsome Edward Taylor—a fascinating young man who is truly worthy of her affections. Jane knows a match between her and Edward is unlikely, but every moment she spends with him makes her heart race—and he seems to return her interest. Much to her displeasure, however, there is another seeking his attention. Unsure of her budding relationship, Jane seeks distraction by attempting to correct the pairings of three other prospective couples. But when her matchmaking aspirations do not all turn out as anticipated, Jane discovers the danger of relying on first impressions. The human heart cannot be easily deciphered, nor can it be directed or managed. And if others must be left to their own devices in matters of love and matrimony, can Jane even hope to satisfy her own heart?

**What was Jane Austen like as a child? What were her formative influences and experiences, her challenges and obstacles, that together set her on the path toward becoming a writer? Drawing upon a wide array of sources, including Austen's own books and correspondence, Lisa Pliscou has created a "speculative biography" for adults which, along with 20 charming black-and-white illustrations, offers a fascinating glimpse into the world of young Jane Austen. Also included is a richly detailed, annotated version of the narrative**

and an overview of Austen's life, legacy, and the era in which she lived, as well as a timeline of her key childhood events. *YOUNG JANE AUSTEN* is sure to intrigue anyone interested in Jane Austen, in writing and the creative process, and in the triumph of the artistic spirit.

Jane Austen is one of the world's most famous writers. Who has not heard about the love story between Elizabeth Bennet and Mr Darcy in *Pride and Prejudice*? We do not know much about Jane's romantic life. But we know about the problems of girls like Jane, in the late 1700's, who fell in love with the wrong man.

Jon Spence's fascinating biography of Jane Austen paints an intimate portrait of the much-loved novelist. Spence's meticulous research has, perhaps most notably, uncovered evidence that Austen and the charming young Irishman Tom Lefroy fell in love at the age of twenty and that the relationship inspired *Pride and Prejudice*, one of the most celebrated works of fiction ever written. *Becoming Jane Austen* gives the fullest account we have of the romance, which was more serious and more enduring than previously believed. Seeing this love story in the context of Jane Austen's whole life enables us to appreciate the profound effect the relationship had on her art and on subsequent choices that she made in her life. Full of insight and with an attentive eye for detail, Spence explores Jane Austen's emotional attachments and the personal influences that

shaped her as a novelist. His elegant narrative provides a point of entry into Jane Austen's world as she herself perceived and experienced it. It is a world familiar to us from her novels, but in *Becoming Jane Austen*, Austen herself is the heroine.

**A Unique Female Character Blinded By Wealth** “ My dear Alicia, of what a mistake were you guilty in marrying a man of his age! How Six Novels Taught Me About Love,  
Friendship, and the Things That Really Matter

A comparative analysis of the characteristics applied to the early 19th-century classic author includes coverage of how evolving social views have shaped her reputation, the influence of modern interpretations of her work and her ongoing relevance to the literary world.

Inspired by *Becoming Jane*, the romantic film that could only make you want to know more about Jane Austen, here is a delightful collection of some of her most famous and quotable quotes -- pearls of wit and wisdom on topics like family, the sea, friends, money, marriage, and of course love -- that are as true today as they were in Austen's time. Jane Austen on Marriage: "My being charming, Harriet, is not quite enough to induce me to marry; I must find other people charming -- one other person at least." --Emma Woodhouse to Harriet Smith, in *Emma* "I am of a cautious temper, and unwilling to risk my happiness in a hurry. Nobody can think more highly of the matrimonial state than myself. I consider the blessing of a wife as most justly described by those discreet lines of the poet, 'Heaven's last best gift.'" --Henry Crawford to his sisters in *Mansfield Park* "It is a truth universally acknowledged, that a single man in possession of a good fortune must be in want of a wife." --From *Pride and Prejudice*

Do you love Jane Austen's *Pride and Prejudice*? How about *Persuasion* and *Emma*? Then you will love her unfinished novel "The Watsons". The story revolves around the life and misfortunes of Emma Watson after the death of her aunt. She moves to live with her distant father and his family, only to find out that there are family issues lurking deep beneath the surface that threaten to destroy her ambitions and desires. is an entertaining and sympathetic portrayal of family life, and will leave the reader wanting more. Jane Austen (1775-1817) is one of the most beloved British writers of all time. During her short life she published six novels: *Sense and Sensibility*?, *Pride and Prejudice*?, *Mansfield Park*?, *Emma*?, *Northanger Abbey*? and *Persuasion*?, that are all considered as literary classics today. Her writing is full of sharp observation on the society in which she evolved, as well as ripe with timeless irony, and a solid dose of humour. She has created immortal characters that have inspired countless authors, novels, and movies such as *Bridget Jones* and *Clueless*. The most notable film adapted from a Jane Austen novel is *Pride and Prejudice* from 2005 starring Keira Knightley (*Pirates of the Caribbean*) and Matthew Macfadyen.

***"Jane Austen at Home offers a fascinating look at Jane Austen's world through the lens of the homes in which she lived and worked throughout her life. The result is a refreshingly unique perspective on Austen and her work and a beautifully nuanced exploration of gender, creativity, and domesticity."--Amanda Foreman, bestselling author of Georgianna, Duchess of Devonshire Take a trip back to Jane Austen's world and the many places she lived as historian Lucy Worsley visits Austen's childhood home, her schools, her holiday accommodations, the houses--both grand and small--of the relations upon whom she was dependent, and the home she shared with her mother and sister towards the end of her life. In places like Steventon Parsonage, Godmersham Park, Chawton House and a small rented house in Winchester, Worsley discovers a Jane Austen very different from the one who famously lived a 'life without incident'. Worsley examines the rooms, spaces and possessions which mattered to her, and the varying ways in which homes are used in her novels as both places of pleasure and as prisons. Austen's devotion to the everyday, and her belief in the value of ordinary lives, ignited something in Deresiewicz. He began viewing the world through Austen's eyes and treating those around him as generously as Austen treated her characters. Along the way, Deresiewicz was amazed to discover that the people in his life developed the depth and richness of literary characters-that his own life had suddenly acquired all the fascination of a novel. His real education had finally begun. Weaving his own story-and Austen's-around the ones her novels tell, Deresiewicz shows how her books are both about education and themselves an education. Her heroines learn about friendship and feeling, staying young and being good, and, of course, love. Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments

had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees

had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations

tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.
