***When this beach bunny caught the eye of Hugh Hefner at an L.A. nightclub, Izabella St. James was looking for a fun break from studying for the bar. As the latest Girlfriend of the Playboy founder, her "break" lasted two years, but life behind the gates of the Playboy Mansion was anything but fun. Sure there were parties, presents, puppies, and plastic surgery; but there was also a curfew, a strict regimen of who sits where on movie night, limited contact with the outside world, and a sex life that was anything but wild and crazy. While the E! reality show, *The Girls Next Door*, has been a ratings hit, each of the three Playboy Bunnies in the series has since left the Mansion in newsworthy ways: one is engaged to a football player, and Hugh's "main" Girlfriend has finally understood that there would be no fairy-tale marriage and family with the man she literally transformed her life for. Izabella was there to witness how each of these relationships formed, where each Girlfriend fell in the pecking - and bed - order, and when, exactly, the fabled life turned shabby and cheap. From catfights to sneaking in boyfriends, from high-profile guests in the Grotto to the bizarre rituals of the octogenarian at the center of the sexual revolution, *Bunny Tales* is compulsively readable and endlessly entertaining!***

***This book is about the personal healing journeys of former students of the Kamloops Indians Residential School (KIRS). They agreed to share their stories in the form of a book so their families and communities could learn and understand what happened behind the closed doors of KIRS, and so all Canadians could know the truth about residential schools so that history is never repeated. This book was developed by the Secwepemc Cultural Education Society, under the direction of an advisory group made up of residential school survivors, health care professionals, and community members. The project was funded by the Aboriginal Healing Foundation which was formed by the Government of Canada to address the healing needs arising from the legacy of sexual and physical abuse at residential schools.***

The meaning of the word friendship is everything to Alex, Jasmine, Erica and Dana. But their friendship is tested when each of them has a secret of their own. Behind Closed Doors is a story that reveals a true depiction of how choices can either make you or break you.

This riveting story is a true story "AMUST READ BOOK", about a handicapped black woman's journey through poverty, physical and sexual abuse, tragically losing loved ones, her brushes with death and how she overcame by faith. As you read through each chapter, not only will you cry, but you will be opening the doors unveiling the truth that was behind closed doors. This astonishing story will encourage you to never give up, even when life has dealt you a bad hand

because things will get better just you wait and see.

Behind the Closed Doors, is a compilation of eight different short stories that portray varied lives. The hidden puzzles are finally revealed and the author needs the reader to indulge with emotions and be a phoenix. Divya hopes that these quiet echoes will reach you from the unseen walls and reach your heart and mind before they disappear. The echoes are getting louder and louder, hoping that you will hear and they are searching for you, with a lot of stories to share. Lend an ear and listen to them. Maybe you will find them near you. The story of those blossomed beauties, that bloomed. The stories are not just analysis or interpretation of reel situations, but they portray the real-life experiences that many have faced with respect to their existence in their society, family and their religion. Through these stories, the author intends to help the women, by motivating them to rise high from the odds. The story aims at making every reader who read the story, think for a moment about how they could bring a change. It depicts the contemporary real-life stories and insights from a wide spectrum of people whom the author has met, with fabricated names and places but instances remain real. These stories are about those women who found the strength to reveal their hidden inner thoughts of the darkest days of their life, to break open the chain of pain, to pursue the passions and hopes they carried in their life.

This book came about in 2012. I was in the midst of chairing Opera Ball and needed a distraction. I created 19 18"x18"x8" miniature scenes, also known as "room boxes," Each of these "rooms" is unique and has a story to tell. They reside adjacent to our living room in Honolulu and garner much attention and comments. In 2018 one of my children suggested that I write about who dwells within each "room." Thus, began the "Behind Closed Doors" short story series. The project took over two years. In the end, I wrote 19 individual stories that totaled 285 pages, 53,715 words and went through reams of paper. I created over 173 characters each has distinct occupations, represents a wide spectrum of society and has a myriad of things going on behind their closed doors! When the project was complete, I decided to create one book with all 19 stories. It is titled Behind Closed Doors - The Book. Thanks for your interest! Jeri Lynch

A Daughter's Story

Seven Erotic Tales of Sensuality, Lust, Deceit, Desire and Pure Pleasure

My Life Story

*Jenny grew up in a house where no-one was safe. Born one of five children in the East End, her childhood was spent in squalor and terror. Her father's violent beatings, humiliations, and sexual abuse were part of daily life; her mother - also his sexual victim and savagely beaten -*

was no source of help. Deprived of love and all comforts, the children would turn to each other for support and to the only adult they could trust, Auntie. This is the story of how Jenny, her sister Kim and brother Laurence, not only survived but ultimately transcended the unimaginable degradations heaped on them. With the power of love, cunning, the blackest of black humour and an indestructible self-belief, Jenny eventually broke free of her past.

Seven Erotic Tales of Sensuality, Lust, Deceit, Desire and Pure Pleasure Dreams of eroticism and sexual fantasies are brought to life in "Chasing Passions Behind Closed Doors." You will find yourself enthralled by the tales of lust, deceit, desire and pure pleasure. Be careful and lock the bedroom door! It's as if you're physically there!!!!

Ten stories of impoverished Sicilian women in the early 20th century—"honed, polished, devastatingly direct . . . verismo at its unsentimental best" (Kirkus Reviews). The Sicilian writer Maria Messina's captivating and brutal stories of the women of her home island are presented in a "lyrical and immediate" English translation by Elise Magistro (Publishers Weekly). Messina, who died in 1944, was the foremost female practitioner of verismo—the Italian literary realism pioneered by fellow Sicilian Giovanni Verga. Published between 1908 and 1928, Messina's fiction represents the massive Sicilian immigration to America occurring at that time. The individuals in these stories are caught between the traditions they respect and a desire to move beyond them. Women are shuttered in their houses, virtual servants to their families, left behind while working men immigrate to the United States in fortune-seeking droves. A cultural album that captures the lives of peasant, working-class, and middle-class women, "Messina's words will leave their mark. Their power makes them impossible to forget" (The Philadelphia Inquirer).

Doors are fascinating, from the normal house door, hiding its multitude of secrets from the neighbours, through the elegant crafted doors of high flying businesses in tower blocks, where who knows what wheeling-dealing goes on, to the solid ancient lost-in-antiquity doors of churches behind which are hundreds of years of prayers and confessions and acts that are beyond the imagination of the average churchgoer. Doors that say KEEP OUT and doors that invite you in. Countless thousands of them - all have their own reasons to be there and their own secrets to conceal. The authors responded to the call for contributions with an incredible collection of murder and mayhem, of bitterness and depravity and just about every other human emotion there is. Open the door and walk in... there are stories here to entertain and surprise you. Enjoy.

Although the subject of federally mandated Institutional Review Boards (IRBs) has been extensively debated, we actually do not know much about what takes place when they convene. The story of how IRBs work today is a story about their past as well as their present, and *Behind Closed Doors* is the first book to meld firsthand observations of IRB meetings with the history of how rules for the treatment of human subjects were formalized in the United States in the decades after World War II. Drawing on extensive archival sources, Laura Stark reconstructs the daily lives of scientists, lawyers, administrators, and research subjects working—and “warring”—on the campus of the National Institutes of Health, where they first wrote the rules for the treatment of human subjects. Stark argues that the model of group deliberation that gradually crystallized during this period reflected contemporary legal and medical conceptions of what it meant to be human, what political rights human subjects deserved, and which stakeholders were best suited to decide. She then explains how the historical contingencies that shaped rules for the treatment of human subjects in the postwar era guide decision making today—within hospitals, universities, health departments, and other institutions in the United States and across the globe. Meticulously researched and gracefully argued, *Behind Closed Doors* will be essential reading for sociologists and historians of science and medicine, as well as policy makers and IRB administrators.

\*\*\*Includes a new foreword by Gary Lineker about football in lockdown\*\*\* Shortlisted for The Telegraph Sports Book Awards 'Lineker is nearly as good a presenter as I was a footballer' DIEGO MARADONA 'Hilarious, almost as funny as me' ALAN SHEARER 'This is Lineker unleashed. As a non-football nut I didn't expect to enjoy it, but between laddish anecdotes are passages of sudden tenderness. . . Lineker opens up, dislodging memories and reflections, not just about football but his whole life.' THE TIMES \_\_\_\_\_ 'Football is a simple game. 22 players chase a ball for 90 minutes, and at the end the Germans always win.' This book is inspired by the stories Danny and I have shared with each other about what life in football is really like: in the dressing room, in the commentary box, on the pitch and - with the appropriate pixellation - in the showers afterwards. What's it really like to play with Messi? I wouldn't know, but I have starred alongside him in an advert for Walkers crisps. And, well, his performance was world-class. And what is a life in football really like? You won't learn much from the dull-as-dishwater post-match interviews - it's a world of secrets, superstitions, laughs and personalities, and let me tell you, half of it you won't believe. I've looked back at my playing days, from England to Leicester, Everton to Barcelona, Tottenham to, er,

Nagoya Grampus Eight, and shared the chaotic behind-the-scenes secrets of Match of the Day - and Danny has chipped in with stories from a lifetime following the game as a fan. From Italia '90 to Leicester's Premier League fairytale, from yellow cards to World Cup trophies (I've never been awarded either), from Gascoigne to Maradona, you'll find it all here - everything you always wanted to know about football, but didn't realise that you did. Inspired by the No.1 podcast Behind Closed Doors

Every Move You Make. . . Surveillance expert Seth Mackey knows everything about the women that his millionaire boss toys with--and tosses aside. Raine Cameron is something different. Night after night, Seth watches her on a dozen different video screens. Her vulnerable beauty haunts him and her fresh innocence stirs a white-hot passion that he can barely control. Raine is pure temptation, but Seth has something more important to take care of first. He's convinced that his boss, Victor Lazar, is responsible for his half-brother's murder. He cannot put his secret investigation at risk, but he can't stop wanting her--craving her--and soon he knows he can't let Victor have her. For Raine may be Victor's next victim. . . Every Breath You Take Raine knows she's being watched--but no one can see the secrets in her heart. She has reasons of her own to seek revenge on Victor Lazar, and she will, despite her fear--and the distracting presence of Seth Mackey. Though Raine has little experience with men, Seth's fiercely masculine good looks and animal sensuality stir her most erotic fantasies when she's along. . .and lead her to a bold plan. Offering her body to him, surrendering totally to his ruthless desire might well push her beyond all emotional limits--and beyond fear itself.

A compelling story about a loveless marriage, an abandoned child, and a mother and daughter's fight for survival.

*The intent in this book is to tear away the veil of secrecy that surrounds incestuous abuse in white South Africa by presenting five in-depth personal accounts of this heinous form of sexual exploitation as told by the survivors. Each of these accounts includes an analysis of important incest-related issues raised by the survivor's story. Another objective is to explore the connections between the often cruel sexual exploitation of girls by their white male relatives and the brutal exploitation of black people by white men in South Africa.*

*The author has had a fascination with the story of the Duchess of Windsor since he was a young man. This book brings a fresh perspective on the story by focussing on the later years of exile: the criminal exploitation of an old sick woman after the death of her husband. She was ruthlessly exploited by a French lawyer called Suzanne Blum. Some members of the Royal Family, like Mountbatten and the Queen Mother, don't emerge with much credit, either. Using previously unpublished papers and other personal testaments, Hugo Vickers relates a tragic story which has lost none of its resonance over the years since the Duchess died in 1986.*

*Behind Closed Doors is the story of one woman's struggle to find love and raise her children as a single mother. Turner found herself pregnant and in love at the age of 17. Then she found out the man she is in love with is married and has children. In her devastation, Turner loses her baby. But this did not end her relationship. She became pregnant again and moved in with this man and his family. In the years that follow, Turner ends up pregnant for a third time by the same man. She had let go of her relationship with the father of her children by this time, and he and his wife had split up, but Turner remained entangled with his ex-wife and her new boyfriend because she takes her in while she figures out what to do and where to go. Then everything changes one night when Turner goes out to a club with her sisters and friends. There she meets her future husband, and she becomes the wife of a man she never thought would later become a pastor. They have been married for years and have a total of seven children. Behind Closed Doors is a story about facing challenges with faith and always remaining sincere and hopeful.*

*The Story of an Exclusive Brethren Life*

**Tunis has a long history of city life reaching back to ancient times. The Arabic language is firmly rooted among its inhabitants and most embrace the morals and culture of Islam. Behind Closed Doors presents forty-seven tales told by three Beldi women, members of a historic and highly civilized community, the city's traditional elite. Tale-telling is important to all Beldi women, and the book examines its role in their shared world and its significance in the lives of the three tellers. Tales are told at communal gatherings to share and pass on Beldi women's secret lore of love, marriage and destiny. Ghaya Sa'diyya and Kheira tell stories which echo their life experience and have deep meanings for them. Their tales reflect accepted moral codes, and yet many depict attitudes, relationships, and practices that contradict established norms. Whereas Kheira presents a conservative and moralistic view of the role of women, Sa'diyya's heroines are alive with sexual energy, and Ghaya's stories also offer racy and rebellious comments on a woman's lot. These contradictory visions offer a kaleidoscopic view of the position of women in the rich life of a historic North African city.**

**A gripping and revealing first-hand account of one family's experience in the Exclusive Brethren community in New Zealand. Ngaire Thomas grew up, married and raised her children within the Exclusive Brethren church in the Palmerston North area. In plain, non-judgemental style, Ngaire describes life inside this community with its strict rules. She says: 'By the time I was nine, I had developed an independent spirit . . . [which] usually meant that a person had begun to think for themselves rather than obeying the M.O.G. [Man of God] - an undesirable trait that needed to be dealt with.' Behind Closed Doors tells of the struggles Ngaire and her family went through in order to remain within this close but challenging community. She and her husband Denis, a very devout man, had a strong and committed marriage, raised five children and attempted to live a good life within the church. However they were eventually excommunicated and went to live 'on the outside'. Ngaire describes the trauma of adjusting to life on the outside and its devastating effects on her children. This is a fascinating window into a world that few of us will ever know - told by an intelligent and compassionate woman.**

Behind Closed Doors in White South Africa

*Behind Closed Doors is a ground-breaking exploration of executive coaching, based on a wide range of real-life case studies of coaching in action. Despite the significant growth of executive coaching over the last 20 years, very few case studies are available which can be used to guide practising coaches - and those who retain their services - and which reveal the reality of coaching in action. Yet when the curtain is pulled back, we can learn much about the impact of different interventions and different styles; where change happens for the better and where potential pitfalls may occur. Written by skilled and experienced practitioners, and showing what happens 'inside' coaching relationships, this book provides just such guidance.*

*The story takes place in Chicago, Illinois, where the author lived with her four loved ones. She is writing this autobiography about her pains, trials, and pleasures. Her story will deeply explain what her trials and tribulations pulled her through. Living and learning from life, the author has learned to always place God first and to always love yourself and your family. She has learned that when dealing with relationships, you have to be ready to give a person a part of you; and in relationships, sometimes you may lose yourself as a person because you want to be a girlfriend, etc. So may I say this to my readers: just be careful of who you give your heart to because in the end, that person can hurt your heart; so just keep God in your life, stay strong, do the things you need to do to better your life for you and your family, always love yourself, and be blessed.*
