

## **Behind The Seen**

*You are "The God Who Sees Me." Discover a close relationship with God—no matter the pain or suffering in your life. Witness the depths of God's compassion through the eyes of Hagar, a runaway slave who meets the living God in a desert of despair, where she gives Him the name El Roi, "The God Who Sees Me." A largely forgotten Old Testament character, Hagar is actually one of only a few people who have ever spoken directly with the LORD. Through this seven week study, you will find that when you surrender your life into God's hands, your trials and triumphs serve a magnificent purpose: to draw you into the arms of the faithful God who sees you.*

*Facing one's mortality is daunting, yet brings into sharp focus questions of life, death, and after life. Are you wondering if there is anything beyond our physical world? Are you wondering if any good can come of suffering? If so, you will want to read this inspiring story of a woman's journey from skepticism to faith while living and even beyond. Facing multiple cancer treatments for two separate cancers, including one that is so rare only a handful of people are diagnosed worldwide, the author recounts her journey into recognizing a spiritual world that sustains. Join the author as she brings to life the blessings bestowed on her from when she first opened her heart to the possibility of the existence of a spiritual world that lies beyond the seen. Miraculously, not once but several times, the author's cancers went into remission, returned, went into remission, returned, went into remission and so on. It was during these uncharted waters of uncertainty (am I living or dying?) that God met her in her doubts, fears and skepticism. It was during these times of uncertainty that He lavished His love, always with the focus on her spiritual growth. As her physical world constricts due to treatment and its side effects, her spiritual world expands and is enriched, bringing her peace in the uncertainty that once unsettled her. Told in a conversational style, you will spend an afternoon glimpsing into the unseen spiritual world and experience the overflowing of God's unmerited grace.*

*An exclusive collection of backstage portraits.*

*Doubt is a habit. You aren't born a doubter. You learn to doubt over time, after being hit with the injustices and instability of this world. In this book, I'm going to try to help you go back in time?and regain what you lost. The wonder of faith is a pure thing-a childlike thing-and it's the only thing that works to access God and draw in what you really want. He doesn't respond to need. He doesn't respond to begging or pleading or wishing. God responds to faith. Doubt has roots. From the beginning of my walk with God in 1974, I decided that if I was going to be a "believer," then I was going to believe. I had a lifetime of doubting people behind me-but I learned in the Bible that God is not a man that He should lie. I also learned that the roots of doubt must be pulled up in order to make way to receive from God. I began a new way of thinking all those years ago that I am still using today. It's brought me joy. It's brought me success over the many challenges I've had. And it's brought me great favor and full peace in a world filled with trouble. Doubt isn't what you think. It's not a passing thought. It's not pondering the Word of God or reasoning with God, or even with others. Doubt is an inner-lifestyle choice-a bad habit of taking your own word over God's, your thoughts over God's, and putting more stock in the words of others over God's, too. That's not what living a successful life as a believer is all about! In this book, I hope to help you shut doubt down and develop a mindset that sees God's truth as bigger than the*

*doubts of the mind?or anything else. Develop a habit of never learning to doubt!

*Behind the Scenes: Secrets from the Top Coaches, Experts, and Consultants*

The authors of this book explain the differences between managing by the 3-Ps (Proximity, Position, and Persuasion) and the 3-Cs (Clarity, Consistency, and Connectivity). Leaders who employ the 3-Ps manage with a focus on the individual. Leaders who use the 3-Cs, however, manage by weaving personal leadership techniques with a process of managing the business or organization that has proven extremely effective during the decade since it was introduced. It's a way to lead a company or organization that leaves a legacy of sustained growth and success for those who come after the leader to latch onto and continue. The book is written as a business novel. What is learned on the protagonist's journey is expanded upon in a lesson at the conclusion of each chapter. Readers are then invited to assess their own legacy potential by completing a self-assessment. The management process this book contains is now being employed successfully not only by small and medium size businesses, but also by Fortune 500 companies, successful municipalities, and the United States Army.

The Living Arts Library is specially designed to stimulate children's interest and imagination in all aspects of the international arts. The activity-based approach encourages readers to try for themselves a variety of skills and techniques.

Have you ever wondered why there are so many religions in the world? Each one claims to be true, and attempts to affirm it by tales of miracles and books of wisdom. But they can't all be right, can they? In this book, Daniel Clausen shows the origins of false religion and idolatry through the Bible, logic, and his personal experiences as a former occultist and cult leader, where he gained a real and active demonic backing, resulting in a loyal, but deceived following. Read on, and discover the truth

of HOW GODS ARE MADE.

NEW YORK TIMES BESTSELLER • The official behind-the-scenes companion guide to the first two seasons and beyond, featuring exclusive photos and stunning concept art. Stranger things have happened. . . . When the first season of Stranger Things debuted on Netflix in the summer of 2016, the show struck a nerve with millions of viewers worldwide and received broad critical acclaim. The series has gone on to win six Emmy Awards, but the its success was driven more than anything by word of mouth, resonating across generations. Viewers feel personal connections to the characters. Now fans can immerse themselves in the world—or worlds—of Hawkins, Indiana, like never before. Inside you'll find • original commentary and a foreword from creators Matt and Ross Duffer • exclusive interviews with the stars of the show, including Millie Bobby Brown, Finn Wolfhard, and David Harbour • the show's earliest drafts, pitches to Netflix, and casting calls • insights into the Duffers' creative process from the entire crew—from costume and set designers to composers and visual-effects specialists • deep dives into the cultural artifacts and references that inspired the look and feel of the show • a map of everyday Hawkins—with clues charting the network of the Upside Down • a digital copy of the Morse code disk Eleven uses, so you can decipher secret messages embedded throughout the text • a look into the future of the series—including a sneak preview of season three! Adding whole new layers to enrich the viewing experience, this keepsake is essential reading for anyone and everyone who loves Stranger Things. Note: This ebook is best viewed on a color device with a larger screen.

Questioning some commonly accepted metaphysical beliefs and explaining how they are programs-beliefs of control designed to keep a person within this earthly matrix. How to escape these programs and this system by changing your beliefs.

I Never Learned to Doubt

The Official Behind-the-Scenes Companion

Seen from Behind

The Environments, Interactions and Identities Behind News Images

This book reveals the many facets of forgiveness. The Hebrew word for aforgivea is calach (saw-lakha). It is reserved especially to mark the pardon extended to sinners by God! The act of forgiving is closely related to atonement—the covering of sin and the sinner with sacrifice! God clearly demonstrated this forgiveness in the sacrificing of His only begotten Son. Although Jesusa sacrifice required the shedding of blood, it is faith in God that saves. So it is in forgiving without bloodshed, it is faith in God that

saves! Yet it is a universal precept of God's infinite mercy that affords the divine restoration of favor to the offender, either by his own repentance or the intercession of others. Therefore, forgiveness is woven into the very essence of the fruit of your spirit; it dispels all myths and used offensively, gives each of us the benefit of a first play.

Renaissance bodies, dressed and undressed, have not lacked attention in art historical literature, but scholarship on the male body has generally concentrated on phallic-oriented masculinity and been connected to issues of patriarchy and power. This original book examines the range of meaning that has been attached to the male backside in Renaissance art and culture, the transformation of the base connotation of the image to high art, and the question of homoerotic impulses or implications of admiring male figures from behind. Representations of the male body's behind have often been associated with things obscene, carnivalesque, comical, or villainous. Presenting serious scholarship with a deft hand, *Seen from Behind* expands our understanding of the motif of the male buttocks in Renaissance art, revealing both continuities and changes in the ways the images convey meaning and have been given meaning.

A children's book designed to help a child cope with their grief over the loss of a loved one, and to give them comfort in knowing that their "special angel" lives forever in their hearts.

A bored boy's world is suddenly populated by three house-building pigs, a girl wearing a red hood, and other familiar nursery characters.

Rediscovering the God Who Sees Me

An Offensive Weapon - The Conquering of Warfare - Behind the Seen!

"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff  
What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land." Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The

stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path! Fortunately, that's what all the sacred stories are really about. THE DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

A man named Jesus, whom is considered the Christ by countless people around the world to this day, lost his life at the hands of barbarians while residing in Canaan, where he devoted his life to making those around him aware they had the potential to become gods. Despite the accumulation of so many technological innovations over the past two millennium that were supposed to ease the daily hardship of people everywhere, so more time could be devoted to pursuits that cultivate the mind, evidence indicates that the size of the Homo-sapien brain, male and female alike, has persistently decreased over this passage of time. The pain, and suffering, endured by Jesus was supposed to serve as a wake up call to the savages in his midst, and the generations to follow, that they had much to learn about what he means to be civilized, as we see amply evidence of to this very day.

To See and Be Seen considers some of the ideological, aesthetic, pragmatic, institutional, cultural, commercial, environmental, and psychological forces that consciously or otherwise shape the production of news images and subsequently influence their reception. To See and Be Seen is also available as an audiobook via Amazon, Audible, and Apple Books.

The first volume to reveal the post production process of a major motion picture edited entirely in Final Cut Pro! This book offers a rare glimps at the creative process of one of cinema's giants. It includes anecdotes from the director, edit staff and producers and behind the scenes insight.

Featuring only the best zoos from around the world, this ebook takes you on a once-in-a-lifetime trip through zoo life to discover the enormous amounts of ingenuity and care it takes to make safe homes and futures for wild and endangered animals. Featuring stunning visuals that encapsulate the essence of zoos, aquariums, and wildlife parks, Behind the Scenes at the Zoo is the perfect way to experience those hidden lives in a way that you've never imagined.

Ally Duncan gets a job as an on-set assistant on her best friend Vanessa's hit show, but when Ally falls for Vanessa's co-star Liam and his publicist arranges a fake romance between Vanessa and Liam, Ally may lose her best friend.

Resilience is largely an exercise of mindset and mindfulness, of perspective and persistence, of ways of thinking and of will. Inside, you will find personal stories and their lessons that are intended to help anyone who is struggling with a personal test or dealing with loss.

For years, Apostle Frederick K. C. Price wanted nothing more than to serve Jesus fully. Like many, he thought he had received all that God had to give when he accepted Jesus as his Savior and Lord. Still, there was something missing in his life, and he wasn't sure what it was. His search to find that missing ingredient led him to the baptism with the Holy Spirit.

**THE INSTANT NEW YORK TIMES AND USA TODAY BESTSELLING DEBUT PSYCHOLOGICAL THRILLER YOU CAN'T MISS! The perfect marriage? Or the perfect lie? "A hair-raising debut, both unsettling and addictive...A chilling thriller that will keep you reading long into the night."** –Mary Kubica, New York Times and USA Today bestselling author of *The Good Girl* "This is one readers won't be able to put down." –Booklist (starred review) "A can't-put-down psychological thriller." –Library Journal (starred review) "This debut is guaranteed to haunt you...Warning: brace yourself." –Bustle (10 New Thrillers to Read This Summer) "The sense of believably and terror that engulfs *Behind Closed Doors* doesn't waver." –The Associated Press, picked up by The Washington Post "This was one of the best and most terrifying psychological thrillers I have ever read." –San Francisco Book Review Everyone knows a couple like Jack and Grace. He has looks and wealth; she has charm and elegance. He's a dedicated attorney who has never lost a case; she is a flawless homemaker, a masterful gardener and cook, and dotes on her disabled younger sister. Though they are still newlyweds, they seem to have it all. You might not want to like them, but you do. You're hopelessly charmed by the ease and comfort of their home, by the graciousness of the dinner parties they throw. You'd like to get to know Grace better. But it's difficult, because you realize Jack and Grace are inseparable. Some might call this true love. Others might wonder why Grace never answers the phone. Or why she can never meet for coffee, even though she doesn't work. How she can cook such elaborate meals but remain so slim. Or why she never seems to take anything with her when she leaves the house, not even a pen. Or why there are such high-security metal shutters on all the downstairs windows. Some might wonder what's really going on once the dinner party is over, and the front door has closed. From bestselling author B. A. Paris comes the gripping thriller and international phenomenon *Behind Closed Doors*.

I want to encourage you to pray the will of God, journal your prayers, and experience a new relationship with Jesus, where you desire to be in His presence continually. Record the date of your prayer, the time, and how He answered those prayers. You will be astounded to discover how God has responded to your prayers. God is an awesome God and He hastens to perform His Word! Give Him all the Glory! Yes! Miracles still happen today! --Donna "DD" Drake, author of *Prayers of God's Powerful Women* "I first met Donna Drake forty years ago while attending a prayer class she taught at our church. She stressed the importance of having an intimate prayer life and encouraged us to keep a journal in order to later reflect on our prayers. She was approachable and willing to answer my questions, thus forming a relationship founded in prayer. We have seen answers to prayer that only God could have answered. I am so grateful to God for our friendship." --Violet West, music minister "Donna Drake has been God's precious gift for me. Her mentoring and her teachings,

*especially on prayer, have broadened my understanding of the power of prayer, the miracles that follow, and the absolute necessity of a close and humble relationship with God. Prayer truly changes the world. God is waiting to hear from each of us." --Francie Officer, educator "I have never met a stronger prayer warrior and woman of faith than Donna Drake. You can believe that if she speaks it, she lives it! I am honored to have had this godly woman pray for me all of my life. Through her example I have also been taught how to pray for others. I am very proud to call her 'Mom.' I love you!" --Becky Scott, educator*

*During a chance night shift on the cops beat, newsroom assistant Madeleine Harrington stumbles on the corruption story of a lifetime – a plot that would reshape the entire city. She teams up with her dad, a downtrodden columnist at the paper, to unearth the mystery. The muckrakers find the plot goes deeper – and contains more skeletons among the city's powerbrokers – than they imagined.*

*Have you ever wondered what happens to Santa Clause Letters? In Detroit and Sarasota, some diverted children's letters are reviewed by Nick Archer, a religiously obsessed narcissist. Nick responds to the letters by leaving a trail of devastation in both cities. Two teams of odd-ball detectives discover the truth, but can they stop him in time?*

An anthology of essays, newspaper articles, magazine stories written by Michael Brick with added commentary by colleagues and acquaintances.

Late one winter afternoon in the small town of Chosen, New York, professor George Clare knocks on his neighbor's door with terrible news: he returned from work to find his wife, Catherine, murdered in their bed. Someone took an ax to her head while their three-year-old daughter, Franny, played alone in her room across the hall. Recent transplants to Chosen, the Clares have not received the warmest welcome; once a thriving dairy farm, their home is haunted by the tragedy that left the former owner's three sons orphaned and adrift. As one dark secret peels away to reveal others--and as the Clare marriage reveals itself to have a sinister darkness that rivals the farm's history--Elizabeth Brundage offers a rich and complex portrait of the scars that can haunt a community for generations and the dark longings inside each and every one of us that drive us to do inexplicable things.

Elizabeth Keckley's rise from slave to White House confidante details the cruel and terrible life for those in slavery, and the drive and determination of a woman who would not let others destroy her will.
