2010 Reprint of 1946 Edition. In WHEELS OF TRUTH, Joseph Murphy gives expression in a clear and lucid style to the fundamental principle of universal truth-that God is the first Cause and that to Him the conception of time and space does not apply. Furthermore, he posits that the universe is but an emanation of God and Law but the intelligent purpose at the heart of things. It is not the skill in presentation alone which makes this book an ever recurrent inspiration; its contemplative content touches the heart strings and plays upon them the melody of eternal hope, bringing ever nearer the ultimate Path leading to peace and joy, of faith and accomplishment. This is the everlasting heritage. WHEELS OF TRUTH is indeed a sanctuary to which all may turn for guidance, for it is sanctuary built out of the treasure of the Light of divine illumination.

Dr. Joseph Murphy (20th May 1898 - 16th Dec 1981), the author of the book grew up in a devout religious home. His father, Denis Murphy, was a deacon and professor at the National School of Ireland. The major focus of Dr. Murphy was to explain things lucidly so that it would explain how it affects any individual. His basic theme was that the solution to all the problems lies within oneself. We are not affected by the outside circumstances rather by our own mindset. He wrote more than 30 books. His best seller is "The Power of your Unconscious Mind". The book, "Believe in yourself" narrates - How to fulfill your Dreams, through best utilization of your capabilities and talent. Thus achieve a big success in your life. Everyone has inborn talent and capability So it is the matter of attitude. One has to stimulate her conscious mind. The book focuses on - 'Making your dreams come true' and 'how to use Subconscious mind in business'. In the author's words - It is just as easy to imagine yourself Successful, as is to imagine failures but far more interesting". The master architect within you will project on the screen of visibility what you impress on your mind. Here mental attitude means your mental reaction to people, circumstances and objects in space. The circumstances can affect you only as you permit them. Your capacity to imagine causes you and enables you to remove all barriers of time and space. You can reconstruct the past through your inner eye. So the most important thing is imagination. If you don't develop imagine power then all the hard work or burning midnight lamp is all fullfile. In nutshell - Always believe in yourself. This attitude surely brings success in life.

This is one of Dr. Murphy ' s best books, on a par with his classic The Power of your Subconscious Mind. It explains the difference between the conscious and subconscious mind, and how the two work together to create the reality of the individual. As in Murphy ' s other books, examples are given of how people overcame problems or manifested their desires by changing their minds through belief, affirmation, and visualization. The chapters deal with: • HEALING • PRAYER • BECOMING SPIRITUAL-MINDED • THE CREATIVITY OF THOUGHT • THE MEANING OF EVIL • THE MEANING OF LIFE • CONTROLLING ONE ' S FEAR • THE POWER OF SUGGESTION • MARRIAGE, SEX, AND DIVORCE In his very engaging style, the author teaches us how to use both phases of the mind synchronously, harmoniously, and peacefully in order to bring harmony, health, and abundance into our lives. He also explains that Biblical statements are parables, allegories, metaphors, similes, and cryptic statements, and are thus not to be taken literally. The main message is that we are all children of the infinite, born to win, and to live in the joyous expectancy of the best. Exclusive to and approved by the estate of Joseph Murphy
