Our Best Knit Baby Afghans: Book 2, -Here are 33 classic baby afghans in traditional patterns, such as ripples and lacy looks, that knitters have loved for generations.

Everyone loves ripple afghan! Crocheters know that a ripple design works up faster than most other afghan patterns. That's

because the zigzag rows are easy to establish and maintain without demanding all of your attention. Throw in a little variation in pattern or color, or add a sweet motif or edging, and the results are gorgeous! As accents in your home, they're more than just decorative – they're also warm and cozy.
