"The U.S. Department of Education reports that about half of the students who start college will never finish and 75% will graduate with student loan debt. Homeschooling for College Credit teens graduate high school with about 1 year of college under their belts, but motivated teens can finish their degree. Homeschooling for College Credit brings the goal post closer and teaches you how to pay cash as you go. Homeschooling for College Credit will challenge you to reconsider the wisdom of popular college propaganda, and how to make better choices for your family. Even if you've never been to college, this book will turn you into a well-informed homeschool guidance counselor ready to proceed with confidence."--Amazon.com. A test preparation guide for the Humanities.

Earn College Credit with REA's Test Prep for CLEP® Natural Sciences There are many different ways to prepare for the CLEP® Natural Sciences exam. What's best for you depends on how much time you have to study and how comfortable you are with the subject matter. Our son passed the English Lit CLEP with a 64 and we were pleased! -Karen S.\*\*\*\*I scored a 52 on the English Literature Test. - Brian M.\*\*\*\*Thanks so much for the helpful study guide. I didn't put a ton of time into studying, but skimmed the suggested readings and brushed up on analyzing passages. I passed the test on the first try! Because my major is nursing, this study guide changed my thinking back to a humanities oriented process. The study guide tells you to know authors, their works and the literary periods- this cannot be emphasized enough! Again, thanks. -Andrea Z.\*\*\*\***

Your French CLEP study guide also includes flashcards that are bound into the back of the book. Use these to memorize key concepts and terms. Anyone can take and pass a CLEP test. What are you waiting for?

\*\*\*\*Testimonial\*\*\*\*I just wanted to drop you guys a line and tell you that I passed my final CLEP exam last Monday which gives me all of the credits I need to graduate. I have taken 30 credits worth of CLEP exams and I've passed them all by using your study guides. I actually purchased one of your study guides and failed my first test. I didn't fail because of your guide though, I failed because I didn't manage my time effectively and I ran short. I looked at your study guide after failing though, and a lot of the information on your study guide was very relevant to what was on the test. So, I tried again with a different test and a different study guide of yours. I passed. This pattern continues for 30 credits. I graduate on June 9th thanks to you guys, so I wanted to say thank you. The guides were worth every penny. Thanks, -John S.\*\*\*\*I would like to thank you for your study guides. I will be graduating in December with two bachelor degrees and CLEP helped me get there quickly. I gained 36 credits through CLEP and your study guides helped me through almost all of them. I can honestly say that I would not have passed many of the tests without your guides. Great products. Thanks!! -Erin W.\*\*\*\*

This new edition of our popular test prep features a comprehensive review of the Biology topics tested on the official exam, including cellular and molecular biology, botany, zoology, genetics, and more. The book includes three full-length practice exams based on the actual CLEP Biology exam. /REAs Online features 2 of the books practice tests and 1-length diagnostic test in a timed format, with instant scoring and diagnostic feedback.
