Quando ascolta o legge cose scontate, ridicole o semplicemente assurde, ognuno di noi è tentato di segnarsele e al tempo stesso di archiviarle in fretta, stendendoci sopra un "velo pietoso". Nella primavera del 2021, Albinati ha fatto entrambe le cose: invece che tapparsele, ha tenuto le orecchie bene aperte registrando le sparate, i rumori di fondo, i discorsi ingannevoli o deliranti, le frasi fatte, i miraggi, le parole d'ordine che caratterizzano quest'epoca sommersa dalla retorica. Perché è la retorica il male che affligge a ogni livello il nostro Paese: minacciosa o patetica, contamina ogni discorso, lo gonfia e lo trascina il più possibile lontano dalla realtà. Mescolati con l'ironia pungente di un pamphlet, brandelli di tv, giornali, libri, pubblicità e cronaca politica si alternano a brevi racconti esemplari e riflessioni sul parlare e sullo scrivere, schegge di bellezza e verità che ci permettono di muoverci dall'abulia e andare avanti. Il risultato di questa "stagione in ascolto" è un diario amaro e divertente, da consumare tutto d'un fiato o da consultare di volta in volta, per mantenere accesa l'attenzione.

A young woman goes on a perilous journey in search of her absent father. What ensues is a Freudian adult fairytale in this exciting debut by young Swiss author Michelle Steinbeck. A child attacks Loribeth with an iron while she is sleeping. In retaliation Loribeth throws the iron onto the child from an upstairs window, packs the damaged body into a suitcase and sets off on her travels. Thus starts Steinbeck's unusual, poetic novella about a young woman's transition from childhood to adulthood.

A brilliant, boundary-leaping debut novel tracing twelve-year-old genius map maker T.S. Spivet's attempts to understand the ways of the world When twelve-year-old genius cartographer T.S. Spivet receives an unexpected phone call from the Smithsonian announcing he has won the prestigious Baird Award, life as normal-if you consider mapping family dinner table conversation normal-is interrupted and a wild cross-country adventure begins, taking T.S. from his family ranch just north of Divide, Montana, to the museum's hallowed halls. T.S. sets out alone, leaving before dawn with a plan to hop a freight train and hobo east. Once aboard, his adventures step into high gear and he meticulously maps, charts, and illustrates his exploits, documenting mythical wormholes in the Midwest, the urban phenomenon of "rims," and the pleasures of McDonald's, among other things. We come to see the world through T.S.'s eyes and in his thorough investigation of the outside world he also reveals himself. As he travels away from the ranch and his family we learn how the journey also brings him closer to home. A secret family history found within his luggage tells the story of T.S.'s ancestors and their long-ago passage west, offering profound insight into the family he left behind and his role within it. As T.S. reads he discovers the sometimes shadowy boundary between fact and fiction and realizes that, for all his analytical rigor, the world around him is a mystery. All that he has learned is tested when he arrives at the capital to claim his prize and is welcomed into science's inner circle. For all its shine, fame seems more highly valued than ideas in this new world and friends are hard to find. T.S.'s trip begins at the Copper Top Ranch and the last known place he stands is Washington, D.C., but his journey's movement is far harder to track: How do you map the delicate lessons learned about family and self? How do you depict how it feels to first venture out on your own? Is there a definitive way to communicate the ebbs and tides of heartbreak, loss, loneliness, love? These are the questions that strike at the core of this very special debut. Now a major motion picture directed by Jean-Pierre Jeunet and starring Kyle Catlett and Helena Bonham Carter.
A book this genuine was needed! Sister Emmanuel offers throught it a pure echo of Medjugorje, the eventful village where the Mother of God hs been appearing since 1981. She shares at length some of the personal stories of the villagers, the visionaries, and the pilgrims who flock there by the thousands, receiving great healings. Ten years of awe have inspired this book. These 89 stories offer a glimpse into the miracles of Mary's motherly love. More than just a book, this is a (one-way) ticket to happiness! "This book fills me with joy, as I too am a supporter, protector and propagator of Medjugorje. Sister Emmanuel's presence in Medjugorje is providential: she has a charism of clarity to explain in the messages and events of Medjugorje." Monsignor Frane Franic Archbishop Emeritus of Split (Croatia) "The Gospa is a Mom; she invites us to be her vehicles, really happy, and not floating in the clouds. She calls us to be concrete like her. That's why this book is important! It reveals the marvels our Mother works in our hearts, through Med-jugorje. I pray to God for the readers: may this book help you, may these testimonies be an example to change your life." Marija Pavlovic-Lunetti One of the Visionaries at Medjugorje A must read! "The Hidden Child of Medjugorje" (2007) Fr. Jozo Zovko says, "In this book, Sr. Emmanuel has gathered the most beautiful pearls! She offers them to the reader that they may be enriched. It gives great joy, revealing facts, people and events of great value and teaching." Available in bookstores and online at: www.childrenofmedjugorje.com

Chiara Petrillo was seated in a wheel chair looking lovingly toward Jesus in the tabernacle. Her husband, Enrico, found the courage to ask her a question that he had been holding back. Thinking of Jesus's phrase, "my yoke is sweet and my burden is light," he asked: "Is this yoke, this cross, really sweet, as Jesus said?" A smile came across Chiara's face. She turned to her husband and said in a weak voice: "Yes, Enrico, it is very sweet." At 28 years old, Chiara passed away, her body ravaged by cancer. The emotional, physical, and spiritual trials of this young Italian mother are not uncommon. It was her joyful and loving response to each that led one cardinal to call her "a saint for our times." Chiara entrusted her first baby to the blessed Virgin, but felt as though this child was not hers to keep. Soon, it was revealed her daughter had life-threatening abnormalities. Despite universal pressure to abort, Chiara gave birth to a beautiful girl who died within the hour. A year later, the death of her second child came even more quickly. Yet God was preparing their hearts for more—more sorrow and more grace. While pregnant a third time, Chiara developed a malignant tumor. She refused to jeopardize the life of her unborn son by undergoing treatments during the pregnancy. Chiara waited until after Francesco was safely born, and then began the most intense treatments of radiation and chemotherapy, but it was soon clear that the cancer was terminal. Almost immediately after giving birth to Francesco, Chiara's tumor became terminal and caused her to lose the use of her right eye. Her body was tested, and so was her soul as she suffered through terrible dark nights. She said "yes" to everything God sent her way, becoming a true child of God. And as her days on earth came to an end, Enrico looked down on his wife and said, "If she is going to be with Someone who loves her more than I, why should I be upset?" Each saint has a special charisma, a particular facet of God that is reflected through her. Chiara's was to be a witness to joy in the face of great adversity, the kind which makes love overflow despite the sorrow from loss and death.
Award-winning Japanese artist Satoe Tone's magical illustrations shine in this story about two cats falling in love.
The writer of this Preface was travelling in Germany, when he chanced to meet with a book, entitled, The History of the Passion of our Lord Jesus Christ, from the Meditations of Anne Catherine Emmerich, which appeared to him both interesting and edifying. Its style was unpretending, its ideas simple, its tone unassuming, its sentiments unexaggerated, and its every sentence expressive of the most complete and entire submission to the Church. Yet, at the same time, it would have been difficult anywhere to meet with a more touching and lifelike paraphrase of the Gospel narrative. He thought that a book possessing such qualities deserved to be known on this side the Rhine, and that there could be no reason why it should not be valued for its own sake, independent of the somewhat singular source whence it emanated. "I have always had faith that the best writers will rise to the top, like cream, sooner or later, and will become exactly as well-known as they should be-their work talked about, quoted, taught, performed, filmed, set to music, anthologized. Perhaps, with the present collection, Lucia Berlin will begin to gain the attention she deserves." -Lydia Davis A MANUAL FOR CLEANING WOMEN compiles the best work of the legendary short-story writer Lucia Berlin. With the grit of Raymond Carver, the humor of Grace Paley, and a blend of wit and melancholy all her own, Berlin crafts miracles from the everyday, uncovering moments of grace in the Laundromats and halfway houses of the American Southwest, in the homes of the Bay Area upper class, among switchboard operators and struggling mothers, hitchhikers and bad Christians. Readers will revel in this remarkable collection from a master of the form and wonder how they'd ever overlooked her in the first place.

The Dog, the Wolf and God

This study of a unique social world probes beneath the thrill and spectacle of horse racing into the lives of the "honest boys," the "gyps," the "manipulators," the "stoops," and the "Chalk eaters"--the constituents of race track society and the players of the racing game. With scientific precision and journalistic vigor, Scott describes the everyday activities--the objectives and strategies--of those whose lives are organized around track proceedings and who compete with chance and one another. The players in the racing game range from track owners to stable boys, from law enforcers to lawbreakers, and from casual sportsmen to pathologically addicted gamblers. Considering the self-interests, the normative and operational codes, and the interactional relationships among the major types and subtypes of participants, the author defines the components of strategic movement within the framework of rules and resources to show how a player's relations to the "means of production" governs his behavior. The fruitful application of sociological theory and method to an unusually interesting social context makes this particularly useful still for courses in social problems and the sociology of organizations and of leisure. "...when he was teaching at Berkeley, Goffman asked me to come to his seminar to hear a student, Marvin Scott, present his research on horse racing. ...in the course of his presentation, Scott suggested in passing that gamblers, including horse players, sometimes had winning streaks' or losing streaks.' Goffman, who had been listening appreciatively until that point, interrupted to say that of course Scott meant that they thought they had such streaks of good or bad luck. But Scott said no, these were observable facts.' Goffman, unwilling to accept such supernatural talk, persisted, appealing to the laws of probability to assure Scott that such streaks' were natural occurrences in any long run of tries in such a game as blackjack or craps."--Howard Becker Marvin B. Scott retired in 2001 as professor of sociology at Hunter College, City University of New York. He previously taught at San Francisco State College and received his Ph.D. in 1966 at the University of California, Berkeley. Jaime Suchlicki is Bacardi Professor of History at the Graduate School of International Studies at the University of Miami, and executive director of its Cuban-American and Cuban Center.
Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka, and now available in a supple new English translation, Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-deluding mind. The mind in question belongs to Zeno Cosini, a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist. Here are Zeno's interminable attempts to quit smoking, his courtship of the beautiful yet unresponsive Ada, his unexpected–and unexpectedly happy–marriage to Ada's homely sister Augusta, and his affair with a shrill-voiced aspiring singer. Relating these misadventures with wry wit and a perspicacity at once unblinking and compassionate, Zeno's Conscience is a miracle of psychological realism.

In At the origin of the Christian claim Liugi Giussani examines Christ's "claim" to identify himself with the mystery that is the ultimate answer to our search for the meaning of existence. Giussani argues that if we accept the hypothesis that the mystery entered the realm of human existence and spoke in human terms, the relationship between the individual and God is no longer based on a moral, imaginative or aesthetic human effort but instead on coming upon an event in one's life. Thus the religious method is overturned by Christ; in Christianity it is no longer the person who seeks to know the mystery but the mystery that makes himself known by entering history. At the origin of the Christian claim presents an intriguing argument supported with ample documentation from the gospels and other theological writing.

In a time when technology penetrates our lives in so many ways and materialism exerts such a powerful influence over us, Cardinal Robert Sarah presents a bold book about the strength of silence. The modern world generates so much noise, he says, that seeking moments of silence has become both harder and more necessary than ever before. Silence is the indispensable doorway to the divine, explains the cardinal in this profound conversation with Nicolas Diat. Within the hushed and hallowed walls of the La Grande Chartreux, the famous Carthusian monastery in the French Alps, Cardinal Sarah addresses the following questions: Can those who do not know silence ever attain truth, beauty, or love? Do not wisdom, artistic vision, and devotion spring from silence, where the voice of God is heard in the depths of the human heart? After the international success of God or Nothing, Cardinal Sarah seeks to restore to silence its place of honor and importance. "Silence is more important than any other human work," he says, "for it expresses God. The true revolution comes from silence; it leads us toward God and others so as to place ourselves humbly and generously at their service."

A Wonderful Testimony Then Jesus Appeared To Me by Gianluigi Sio is a brief autobiography of his life transformation after seeing Jesus alongside a busy roadway. Captivating and a short read, readers come to see a powerful spiritual change that took place in the heart of the author, coming from a place of lust, sin and greed for money. The author retells his conversion that is sometimes embellished with humor along the way as the author speaks of how incredibly stupid he could be, making fun of his humanity. As such, his story is worth the read, as he offers snip-its of the demonic battle he faced in reading the Gospels, and strange occurrences such as his bed shaking, but then he shows how he overcame all by faith and perseverance. He describes the Fathers love and embrace as something "tangible," and give credence to the power and presence of God as awing and heavy. His life and testimony are a powerful blessing to the world around him and show others how God turned him around for the good. His only hope is others may come to know Jesus as well.For Americans, this book represents a different culture, which is a delight to read. The author, Gianluigi Sio, grew up on a small island in Italy. In fact, he makes fun of this fact and states that the only playmates he had was watching a crow building a nest in an old oak tree. Still, he wasn't joking-as he describes watching her build a nest. Life growing up in a small Italian town was different to say the least and is very different from America. Offering glimpses into this life, one thing he recalls was the stars at night that fascinated him. Surely, he knew there might be a Creator out there somewhere and that, we, as humans, are so finite. His book relates the commonality of mankind, a commonness we all face, "sin," and the propensity towards temptation.His testimony makes for a delightful read that makes mention of moments that stood out in time for him. The little comments his darling daughter make are intriguing and will make one stop and think. My personal favorite is, "God never sleeps." His story encourages all to consider their ways and run to Jesus Christ as Lord and Savior, repenting of all sin, not in a religious way, but gives insight on the new heart, life and joy Jesus wants to give you.
From its beginnings, the Church has presented itself as a human phenomenon that carries the divine within it. As a social fact, its reality given form by men and women, the Church has always affirmed that its existence surpasses the human reality of its components and that it stands as the continuation of the event of Christ's entry into human history. Why the Church?, the final volume in McGill-Queen's University Press's trilogy of Luigi Giussani's writings, explores the Church's definition of itself as both human and divine and evaluates the truth of this claim.
