

Bestia

"I will take care of you!" Asuka and Edgar put their lives on the line to safely subdue Fafnir, the mighty Golden Dragon. The rank-SSS cryptid's rampage threatens the entire city of London, but somehow they know that what motivates Fafnir is not malice—just overwhelming loneliness. Can the two of them bind her to save her life, or will failure mean death for all three...?

From the acclaimed chefs behind award-winning Los Angeles restaurant Bavel comes a gorgeous cookbook featuring personal stories and more than eighty recipes that celebrate the diversity of Middle Eastern cuisines. NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY TIME OUT • "Ori and Genevieve manage to pull off a style of cooking that is both familiar (and therefore comforting) but also new (and therefore fresh and exciting). This is the sort of food I could live on."—Yotam Ottolenghi When chef Ori Menashe and pastry chef Genevieve Gergis opened their first Los Angeles restaurant, Bestia, the city fell in love. By the time they launched their second restaurant, Bavel, the love affair had expanded to cooks and food lovers nationwide. Bavel, the cookbook, invites home cooks to explore the broad and varied cuisines of the Middle East through fragrant spice blends; sublime zhougs, tahini, labneh, and hummus; rainbows of crisp-pickled vegetables; tender, oven-baked flatbreads; fall-off-the-bone meats and tagines; buttery pastries and tarts; and so much more. Bavel—pronounced bah-VELLE, the Hebrew name for Babel—is a metaphor for the myriad cultural, spiritual, and political differences that divide us. The food of Bavel tells the many stories of the countries defined as "the Middle East." These recipes are influenced by the flavors and techniques from all corners of the region, and many, such as Tomato with Smoked Harissa, Turmeric Chicken with Toum, and Date-Walnut Tart, are inspired by Menashe's Israeli upbringing and Gergis's Egyptian roots. Bavel celebrates the freedom to cook what we love without loyalty to any specific country, and represents a world before the region was divided into separate nations. This is cooking without borders.

A Novella

Poate ca te întrebi uneori cum a disparut ultimul exemplar al Pasarii Dodo. Sau cum e?ti deja un monstru hraparet în mansarda casei. La aceste întrebări, îți vor raspunde cei trei eroi ai povestii noastre. Primul este „tânarul” Ebenezer Tweezer, în vârsta de 511 ani, care arata însa de douazeci și cinci, îngâmfat și dependent de elixire magice de întinerire. O vei cunoaste apoi pe Bethany, o pustoaică ironica și vesnic pusa pe sotii, dar cu suflet bun. Alături de ei, o bestie sclifosita și rea, care s-a decis să-și diversifice meniul și să vada ce gust au copiii. Ebenezer, care depinde de potiunile de tinerete pe care bestia i le ofera în schimbul unor „gustari” originale, este gata să i-o servească pe micuța la tava. Doar că Bethany nu e un copil ca oricare altul... „Ce spectacol amuzant! O lectura pe cinstel!” Michelle Harrison, autoarea bestsellerului A Pinch of Magic „Plin de for??, amuzant, original. We Are Not from Here

This text is a clarion call to "sleeping beauties" to wake up and take charge of their own self-defense--both verbal and physical--and it celebrates women and kids who fight back. Funny and provocative, this is an irreverent, but serious look at how family, religion, history, news and entertainment keep women thinking they are defenseless.

Through careful research, thorough documentation, and interviews with leaders in the banking and computer science industries, prophecy expert Peter Lalonde exposes the developments in the technology explosion that will foreshadow the end times.

Bestia, Vol. 1

In this third book of the trilogy, the seven former high school classmates with special powers join Colonels Morris and Stevens in a bold mission to rescue two kidnapped boys. During the daring rescue attempt, Colonel Morriss team will confront drug lord Subcomandante Marcos Zapata, known as El Bestia (the beast), and his men in an action-packed thriller that takes place in Mexico and the United States.

Como buen clásico de la literatura infantil, la historia de “La bella y la bestia”, catalogado como un cuento de hadas tradicional europeo es –y será por mucho-, uno de los me-jores cuentos que se le pueden narrar a un niño. Y no lejos de ello, es también una historia fantástica, entretenida y emocionante que un adulto pueda leer. Existen en la actualidad múltiples versiones de la misma historia, no obstante, para la presente edición, se ha estimado la versión de Jeanne-Marie Leprince de Beaumont, por ser la versión más difundida de este cuento. Esta versión, publicada por primera vez en el año de 1756, cuenta la historia de Bella, la hija menor de un mercader que habiendo perdido su riqueza debe irse a vivir al campo. Bella, por un incidente de su desdichado padre, quizás por razones predeterminadas por el destino, debe irse a vivir al castillo de una Bestia que pretende matarla. Sin embargo, Bestia, nombre que así mismo se da el amo y señor de aquél castillo, se enamora perdidamente de Bella y no sólo perdona la vida de Bella sino que le propone matrimonio.

La bella y la bestia / The Beauty And The Beast

Sumario en español: Con su gran capacidad de amar, una criada buena y hermosa libera a un príncipe hermoso del encanto que le ha hecho una bestia fea.

ONE OF THE BEST BOOKS OF THE YEAR, The Economist and The Financial Times “Harrowing” true stories from two years of immersion reporting on the migrant trail from Chiapas to Arizona—an “honorable successor to enduring works like George Orwell’s The Road to Wigan Pier” (New York Times) One day a few years ago, 300 migrants were kidnapped between the remote desert towns of Altar, Mexico, and Sasabe, Arizona. A local priest got 120 released, many with broken ankles and other marks of abuse, but the rest vanished. Óscar Martínez, a young writer from El Salvador, was in Altar soon after the abduction, and his account of the migrant disappearances is only one of the harrowing stories he garnered from two years spent traveling up and down the migrant trail from Central America and across the US border. More than a quarter of a million Central Americans

make this increasingly dangerous journey each year, and each year as many as 20,000 of them are kidnapped. Martínez writes in powerful, unforgettable prose about clinging to the tops of freight trains; finding respite, work and hardship in shelters and brothels; and riding shotgun with the border patrol. Illustrated with stunning full-color photographs, The Beast is the first book to shed light on the harsh new reality of the migrant trail in the age of the narcotraficantes.

La Bella y la Bestia es un cuento de hadas tradicional europeo. Explicado en múltiples variantes cuyo origen podría ser la historia de Apuleyo, incluida en su libro El Asno de Oro. La versión de madame Leprince Beaumont, elegida para esta edición, fue publicada por primera vez en 1756 y cuenta la historia de Bella, hija de un rico mercader que por azares de destino ha de irse a vivir al castillo de una Bestia que pretende matarla. Sin embargo, Bestia se enamora perdidamente de Bella y no sólo le perdona la vida sino que le propone matrimonio. Llevada al cine en infinidad de ocasiones, esta versión ilustrada recoge los originales realizados para una edición inglesa por el gran Walter Crane, artista dotado de una fuerza y una gracia especiales que han convertido su aportación gráfica al cuento en uno de los grandes clásicos de la literatura infantil.

This accessible and far-reaching debut cookbook showcases all of the satisfying and flavor-forward food that has made one of the most talked-about restaurants in the country. Bestia is known for direct and bold flavors, typified by dishes like fennel-crusted pork chops; meatballs with tomato, ricotta, Swiss chard, and preserved lemon; spinach gnocchi; and burrata and burrata salad; capped off with homey and whimsical desserts like rainbow sherbet, apple cider donuts, and buttermilk coconut tart. Chef Ori Menashe marries his training in Italian restaurants with the Israeli and Middle Eastern food that he grew up eating, to create a delicious hybrid of two of the most popular cuisines.
