An Enemies to Lovers Romance Her first mistake was lying to me. Did she actually think I would let her get away with this deception? I was going to make her pay for every lie that slipped from those gorgeous lips. She may think this is just a game, but I have a surprise for her. I only play games I can win, and my prize will be her complete surrender. When a commanding Lieutenant Colonel from the marines and an investigative reporter come together in a battle of wills, you know it's going to get really really hot. Grab your fans and ice water ladies you will need then. - Lyn's Thinking Out Loud BookBlog Previously published as Own Me.

Betrayed is the true story of two men on opposing sides in WWII, one a sergeant in the US Air Corps and the other a Nazi rocket engineer. The sergeant was shot down, betrayed, and imprisoned in Buchenwald, while the engineer, an SS-Major, became a national hero of the Third Reich. After the war, the records of both men were classified Top Secret and concealed by threats, denials, and misrepresentations. The US government refuted the sergeant's accurate account, while promoting a fabricated history for the engineer, Dr. Wernher von Braun, who became as famous in the US as he had

been in Nazi Germany. Betrayed demonstrates how an unconstrained military intelligence operation disrupted the lives of American ex-POWs in the name of "National Security."

Betrayed, the second installment in the bestselling House of Night series, is dark and sexy, and as thrilling as it is utterly shocking. Fledgling vampyre Zoey Redbird has managed to settle in at the House of Night. She's come to terms with the vast powers the vampyre goddess, Nyx, has given her, and is getting a handle on being the new Leader of the Dark Daughters, the school's most elite group. Best of all, Zoey's made some new friends and she finally feels like she belongs--like she really fits in. She actually has a boyfriend...or two. And despite the best efforts of her mother and step-loser John to humiliate her publically during parent visitation, she's earned the respect of her professors and High Priestess, Neferet. Then the unthinkable happens: human teenagers are being killed, and all the evidence points to the House of Night, straining human-vamp tensions in Tulsa to a breaking point. While danger stalks the humans from Zoey's old life, she finds herself drawn into an intoxicating forbidden flirtation that threatens to distract her from the growing crisis. Then, when she needs her new friends the most, death strikes the House of Night. Too late, Zoey begins to realize that the very powers that make her so unique

might also threaten those she loves, and she must find the courage to face a betrayal that could break her heart, her soul, and jeopardize the very fabric of her world.

I took her innocence as payment. She was far too young and naïve to be betrothed to a monster like me. I would bring only pain and darkness into her sheltered world. That's why she ran. I should've just let her go... She never asked to marry into a powerful Russian mafia family. None of this was her choice. Unfortunately for her, I don't care. I own her... and after three years of searching... I've found her. My runaway bride was about to learn disobedience has consequences... punishing ones. Having her in my arms and under my control had become an obsession. Nothing was going to keep me from claiming her before the eyes of God and man. She's finally mine now... and I'm never letting her go.

Chase tries to protect his younger brother Corey, escape from his drug-dealing older brother Cyrus, and put his murderous alter ego behind him when he falls for Bliss, but Cyrus's schemes to keep him on the payroll threaten to destroy his sanity.

Relinquish Control has just opened its doors in Seattle, and already we are not shy for customers. Relinquish Control is an exclusive escort service catering to the most distinguished customers, from business magnates to foreign royalty. This proven and well-established international business offers an elite selection of women who are ready and willing to attend to your every need with no questions asked. Confidentiality is our special obligation. Jewell Weston is homeless and desperate at age twenty-four. Two years ago, she quit her job to care for her ailing mother and her young brother; the medical bills incurred because of the cancer that killed her mother two months ago took everything the family had, and the state then took away her brother, now age ten. The only way for her to get the boy back is by finding a job and securing a home. When she's approached by a woman in cashmere and pearls who tells her she can change her life, and is handed a card with the business name Relinquish Control on it, she thinks she has nothing to lose by calling the phone number. Maybe this will be the answer to her prayers, a way to save her little brother from the nightmarish foster home he's been placed in. Blake Knight, known to the world as cold and without a heart, is given an

exclusive membership to Relinquish Control by his devilish younger brother, who thinks it would be amusing to make his staid brother squirm. Little does this brother realize that Blake does indeed have unusual desires that Relinquish Control can cater to perfectly. What started as a joke turns out to be just what Blake needs. Though the world sees this man as deliberate and emotionless, it's nothing but a facade. What lies underneath would shock all those who know him. When he and his two brothers were six, eight and ten, they were tied up and forced to watch while their parents were murdered. The image has been burned into their minds, though they've tried to forget, leaving each of them guarded and unwilling to give their trust to anyone other than each other. No one is allowed to have their hearts. The brothers would never think of letting down their guard with anyone else, certainly not with a woman. Follow Blake and Jewell's journey and see if they can find a happily ever after..."

Thirteen-year-old Nina is imprisoned by the Population Police, who give her the option of helping them identify illegal "third-born" children, or facing death.

War has been declared and demon possessed Queen Euphoria has struck the first blow against the Territories. Little does she know, Da'Lynn a dark elf possessed by an evil herself has command of the elf army and is moving in to defend the land. Kara, realizing the trouble brewing, seeks out her non human friends, hoping to sort out the trouble ahead. But will Hambone, Snow, Ra'na, and the wizard Ynob be enough to stop the

After Kova's devastating betrayal, Adrianna must become her own champion and place her Olympic dream ahead of all else. In doing so, she ignores the warning signs as both the extreme training and unending heartbreak begin to take their toll. There is no atoning for what Kova did. The vow he made cannot be undone. With boundaries set and lines clearly defined, Kova will now have to be the one to relinquish control in order to regain Adrianna's trust. Though the dynamics shift between coach and gymnast, nothing can prepare them for the agonizing truth that is to come. Fighting for a dream becomes only half the battle when Adrianna's fate is sealed, leaving them both with their biggest challenge yet.

Byron Knight's world isn't what most would consider perfect, but he is satisfied with the way his life is going. There are only two people in this world whom he loves - his brothers, Blake and Tyler Knight. A woman is now threatening the carefully balanced beam the brothers have been holding on to, and her name is McKenzie Beaumont. Before she had entered the life of his brother Blake, no one, male or female, had ever come between the three men, but McKenzie and her twisted business has interfered for the last time in the Knight brothers' lives, and she is about to feel Byron's wrath. McKenzie Beaumont hasn't always been so closed off, so cold, or what the world sees as cold, but she's learned the hard way that men are never to be trusted. If she stays ahead of the

McCarty's novels featuring the MacLeods of Skye have won the hearts and minds of romance readers with riveting historical adventure, delightfully independent heroines, and the steamiest Scottish warriors this side of the Highlands. Now McCarty's unforgettable trilogy is available in a single eBook bundle: HIGHLANDER UNTAMED Rory MacLeod is a powerful Highland Chief with only one allegiance—to his clan. He vows revenge against the rival MacDonald clan, though duty demands a handfast marriage to Isabel MacDonald—a bride he has no intention of keeping. Blessed with incomparable beauty, Isabel is prepared to use every means possible—including seduction—to uncover her husband's most guarded secrets. Instead Rory awakens Isabel's deepest desires and her sweetest fantasies. Now Isabel has found the happiness she's always dreamed of . . . with the very man she must betray. HIGHLANDER UNMASKED A hardened mercenary on a secret mission to protect his clan, Alex MacLeod must keep his true purpose hidden. But his dangerous endeavor is threatened by a beautiful woman he saves from outlaws, never dreaming she will appear at court and put his plans in jeopardy. As Meg Mackinnon challenges Alex—the midnight rescuer whose smoldering blue eyes and raw sensuality left her breathless—to reveal his secrets, the stakes grow perilously high,

especially for the bold woman who dares to unmask a highlander. **HIGHLANDER UNCHAINED** A born leader possessing brute strength, Lachlan Maclean will do whatever it takes to protect his clan—even if it means abducting the most willful woman in the Highlands. But Lachlan is unprepared for the beautiful spitfire who digs beneath his chiseled exterior. Flora MacLeod is determined to avoid her mother’s fate of being bartered away as a marriage prize. Vowing to make her captor pay, she boldly engages him in a battle of wills, sweetening the challenge with dangerous passion—even as the deadly ghosts of a past tragedy reach out to thwart a love that has yet to be spoken.

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the

Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they

will need to deal with the past. Together.

FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran from the magical world years ago. She never planned on being dragged back in by a prophesying clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow King believes she can save him from his cannibalistic grandfather. Katie believes they're all nuts. One thing is for certain: she's not waiting around for help. Operation Katie Saves her Own Damn Self is officially on.

Woven into the pages are twenty original works of art by Miimork, which breathe life into this ghostly tale.

When a bedraggled stranger turned up on the doorstep of Jason Harper's comfortable England home, it takes him some time to accept that it is his brother who had disappeared thirty years before on a bombing mission over Vietnam. Why had he not come home earlier? Where had he been? Why had he not told his own family that he had survived? Before he begins to explain what he has gone through they are interrupted by a pair of men who are intent on removing them both - and Jason's wife and child. Within the space of half an hour Jason's well-regulated, ordinary life is destroyed and his loyalty to his lost brother forces him to take his family on the run as he battles with the fact that the American government has hundreds of MIAs. Now the two brothers have the knowledge to expose this outrage, they have to prevent the other survivors from being summarily executed, and a very powerful organisation is determined that they will achieve neither aim. the story-line which I must recommend to anybody into thrillers and high tech espionage. A frightening thing about it is this could actually be fact one day!" The back cover text: "He awakes to find himself in a hospital bed with no memory of how he got there. Then the story starts. Destruction and death. A last chance. The only one who can save millions of people is no hero. Could he do what was being asked of him?" If you like your British thriller, boiled with espionage as various secret service teams move around a damage but not defeated London, this is the one for you! Book 1 in the 'Shadow Man' series of thrillers. Book 2 ('The Shadow') is due out at Nov 2016. Here are some of the reviews for The Last Prophet; "Thrillers do not normally encourage you to ask such questions: Is this all there is to life? Can there be redemption despite the certainty of death? Once bad, always bad - but can a person perhaps change? Is it possible to redeem oneself - perhaps through a heroic act or through one's love for another? Can one person sacrifice himself for everyone? Is it ethical for the community to sacrifice one person's life for everyone else's survival? Is it ethical to lie or even to build a web of lies in order to save many from destruction? And yet despite - or perhaps because of? - these philosophical questions we are kept in suspense until the last page." "I have to say that I massively enjoyed this book from beginning to end. I enjoyed the plot, the characters, the developing urgency of the story and the underlying theme of sacrifice. I enjoyed the interplay of covert teams operating against each other and the ensuing action well researched and thought through. In fact I can actually see something like this taking place one day - who knows, this may well be a Prophetic book!" "International espionage and sneaky twists provide

backdrop to some heart-wrenching decisions for the people we meet along the way. Not to ask the big questions, The Last Prophet foretells a journey none of us would ever want to make. If you like your thrillers with a dash of apocalypse and a side order of sacrifice, this one out!" "Very good read. Couldn't put it down. Brilliant from beginning to end and thought provoking. We are going to read it at our Book Cub next time. Thank you Tim!" "an exciting fast moving story. Just as you are beginning to understand what is going on a factor comes into play and new complexities appear. Right up to the end it is not clear how it will go and I couldn't put the book down." "A thriller in the traditional sense, but with an edgy provoking setting. The use of tension and revelation perfectly balanced to keep you on your toes. Pages late into the night. Political intrigue, together with subtly revealed plot twists keep the reader alert and motivated to uncover the truth ahead of its telling. 3D characters challenge us to examine human nature and personal boundaries. A satisfying read with refreshingly strong female characters." "A Riveting Spy Thriller! MI5, MI6, the South African Secret Service, and the Chinese-what more could you ask for in an international spy thriller. You have shadowy governments, or rogue governments-or is this really the normal operating procedures of nations who want to take down their enemies, in revenge for spying on them? I highly recommend this book."

"Is Ari and Rafe's love powerful enough to withstand challenges beyond their control? Can Shane learn to compromise instead of careening between extremes of passion and anger? Can Rachel give up her dream of living an ordinary life and learn to love King Adriane?"

Mark L. Richards's Legions of the Forest painstakingly crafted the world of AD 9 under the Roman Empire. He invites you back to ancient Europe in his sequel, Return of the Eagles. In the Teutoburg Forest, three Roman legions are ambushed and killed under the orders of Arminius, the leader of a united confederation of German tribes. It is a political disaster for Rome and a personal one for Tribune Valerius Maximus and Centurion Marcellus Veronus, two of the few survivors of the attack. Both are given an opportunity to take their revenge on the barbarians. It's an opportunity given by Germanicus Caesar, a rising star of the empire and nephew to Emperor Tiberius. As Germanicus begins raising an army, Valerius immerses himself in the German language and customs, and

Marcellus trains soldiers in the ways of their enemies. While Valerius and Marcellus understand the ambush tactics of their adversaries, many of the army's senior leadership underestimate the barbarian tribes. Valerius and Marcellus are not the same men they were in Legions of the Forest. Will their newfound experience, strength, and spirit be enough to lead Rome to victory? Or will they once again fall prey to the German barbarians?

In the third installment of Haddix's series about a futuristic society in which families are forbidden to have more than two children, Nina, a secondary character in *Among the Impostors*, is falsely accused of treason and

imprisoned by the Population Police. Her interrogator gives her an ultimatum: either she can get three other child prisoners, illegal third-borns like Nina, to reveal who harbored them and where they got their fake identification cards, or she will be executed. Nina sees a chance to escape the prison and, taking the prisoners with her, quickly discovers their street smarts. But when their food supply runs out, Nina seeks the boy she knew as Lee.

Romero Rogers and Gold Alpha Squadron are sent out on an adventure that will test their trust, loyalty, and friendship. When they are tested, who can REALLY be trusted. The Betrayed series is a three-part series where the reader can never tell the protagonist from the antagonist. If you think you know, think again. Part 1: Surviving the Forbidden just scratches the surface of what may be a deeper issue than what appears.

Justin had made a mistake. A big, life-changing mistake. He already failed June once. He wasn't there when she needed him, and because of him, their lives will never be the same. June is everything to Justin, and he must be everything to her. He must protect June at all costs. Justin is prepared spend the rest of his life keeping her from getting hurt again. But it seems they are always falling behind, barely keeping one step ahead of the nightmares. There is always one more hazard, just around the corner. -A

heartbreaking and intense story of the journey of two children to find themselves and happiness. -Is it possible to rise above your circumstances when you already have two strikes against you? That is the question facing June and Justin, children thrust into circumstances that would defeat many adults. Can they ever hope to live happy, normal lives? But as fate--or her scheming grandmother--would have it, home is exactly where this feisty and brilliant doctor is headed for her residency. When a dreadful car crash brings Sage face-to-face with irresistible star surgeon Dr. Spence Whitman, her childhood crush, the humiliating fact that he's forgotten her altogether only adds to the late bloomer's pain. She wants to hate him but her body, healed by his touch, wants a lot more. Tension mounts when Spence takes over the ER, leaving Sage to wonder what else he can do with those deft, life-saving hands. It's not long before she's tossing caution and her V-card to the wind.

Tyler Knight isn't nearly as hardened as his brothers. He was too young to remember the horrific death of his parents, the betrayal of his mother, or the weakness of his father. But he's watched his brothers, and the hardened life they have led, and he's always been the calm in the storm for them all, bringing light to an otherwise darkened world. When he watches his brothers find a ray of sun in their otherwise turbulent lives, he wonders why he can't find the same and he goes on a quest, for the first time doing it all on his own without the negative words of his brothers in his ear. But he's about to learn that no matter how much he may want to hide from his dark past, it's something that won't disappear. And it's about to catch up to him. See the exciting conclusion to NYT best-selling author Melody Anne's Forbidden Series with Tyler Knight's story.

exclusive escort service catering to the most distinguished customers, from business magnates to foreign royalty. This proven and well-established international business offers an elite selection of women who are ready and willing to attend to your every need with no questions asked. Confidentiality is our special obligation. Jewell Weston is homeless and desperate at age twenty-four. Two years ago, she quit her job to care for her ailing mother and her young brother; the medical bills incurred because of the cancer that killed her mother two months ago took everything the family had, and the state then took away her brother, now age fourteen. The only way for her to get the boy back is by finding a job and securing a home. When she's approached by a woman in cashmere and pearls who tells her she can change her life, and is handed a card with the business name Relinquish Control on it, she thinks she has nothing to lose by calling the phone number. Maybe this will be the answer to her prayers, a way to save her little brother from the nightmarish foster home he's been placed in. Blake Knight, known to the world as cold and without a heart, is given an exclusive membership to Relinquish Control by his devilish younger brother, who thinks it would be amusing to make his staid brother squirm. Little does this brother realize that Blake does indeed have unusual desires that Relinquish Control can cater to perfectly. What started as a joke turns out to be just what Blake needs. Though the world sees this man as deliberate and emotionless, it's nothing but a facade. What lies underneath would shock all those who know him. When he and his two brothers were six, eight and ten, they were tied up and forced to watch while their parents were murdered. The

Dragon—Book One of the Dragon Eye series Ilsa has been afraid of dragons ever since she saw them in the sky the night she was chased from her village as a child. Now, a decade later, she'd love to return to the place she once called home—if only she knew where to find home. Truth is, Ilsa doesn't know who she is. She only knows her father left her in the care of a guy named Ram, who teaches her swordsmanship in a butcher shop until the day when it's safe for her to continue home. But it may never be safe, and their enemies are closing in. Ilsa and Ram are being hunted, and they must flee through the dangers that bar them from their homeland. The journey will require all their skill and strength, but it will also uncover the secrets of who Ilsa is and where she belongs. She's always longed for the truth, but once she learns it, can she accept it? Is she...a dragon? And do those ancient monsters even deserve to live? The Dragon Eye series books: One:
