With a range that spans the lyrical, heartfelt songs "Angel from Montgomery," "Sam Stone," and "Paradise" to the classic country music parody "You Never Even Called Me by My Name," John Prine is a songwriter's songwriter. Across five decades, Prine has created critically acclaimed albums—John Prine (one of Rolling Stone's 500 Greatest Albums of All Time), Bruised Orange, and The Missing Years—and earned many honors, including two Grammy Awards, a Lifetime Achievement Award for Songwriting from the Americana Music Association, and induction into the Nashville Songwriters Hall of Fame. His songs have been covered by scores of artists, from Johnny Cash and Miranda Lambert to Bette Midler and 10,000 Maniacs, and have influenced everyone from Roger McGuinn to Kacey Musgraves. Hailed in his early years as the "new Dylan," Prine still counts Bob Dylan among his most enthusiastic fans. In John Prine, Eddie Huffman traces the long arc of Prine's musical career, beginning with his early, seemingly effortless successes, which led paradoxically not to stardom but to a rich and varied career writing songs that other people have made famous. He recounts the stories, many of them humorous, behind Prine's best-known songs and discusses all of Prine's albums as he explores the brilliant records and the ill-advised side trips, the underappreciated gems and the hard-earned comebacks that led Prine to found his own successful record label, Oh Boy Records. This thorough, entertaining treatment gives John Prine his due as one of the most influential songwriters of his generation.

And every week, there was the unspoken question, the one I didn’t know enough to ask myself : Have you found her yet? The one who reminds you of you? Twenty years after she lived at a homeless shelter for teens, Janice Erlbaum went back to volunteer. Now thirty-four years old and a successful writer, she’d changed her life for the better; now she wanted to help someone else–someone like the girl she’d once been. Then she met Sam. A brilliant nineteen-year-old junkie savant, the product of a horrifically abusive home, Sam had been surviving alone on the streets since she was twelve and was now struggling for sobriety against the adverse health effects of long-term drug abuse. Soon Janice found herself caring deeply for Sam, following her through detoxes and psych wards, halfway houses and hospitals, becoming ever more manically driven to save her from the sickness and sadness leftover from Sam’s terrible past. But just as Janice was on the verge of becoming the girl’s legal guardian, she made a shocking discovery: Sam was sicker than anyone knew, in ways nobody could have imagined. Written with startling candor and immediacy, Have You Found Her is the story of one woman’s quest to save a girl’s life–and the hard truths she learns about herself along the way. “A rich and compelling account . . . Ultimately this is a book about the narrator’s journey and the dangers that attend the urge within us all to believe we can save another soul. A terrific read.” –Cammie McGovern, author of Eye Contact

Mary, Patrick, Winter, and Dez are determined to win the scavenger hunt, but throughout the day Mary encounters the demons she and her friends have faced in high school and ponders what her college and future will bring.

Passion, infidelity, social climbing, and one very special white rose weave a seductive narrative in this intelligent and tender novel. At forty-eight, Marian Kahn, a professor of history at Columbia, has reached a comfortable perch. Married, wealthy, and the famed discoverer of the eighteenth-century adventuress, Lady Charlotte Wilcox, she ought to be content. Instead, she is horrified to find herself profoundly in love with twenty-six-year-old Oliver, the son of her eldest friend. When Marian's cousin, the snobbish Barton, announces his engagement to Sophie, a graduate student in Marian's department, Marian, Oliver, and Sophie find their lives woefully entangled, and their hearts turned in unfamiliar directions. All three of them will learn that love may seldom be straightforward, but it's always a gift. From the West Village to the Upper East Side, from the Hamptons to Millbrook, THE WHITE ROSE is at once a nuanced and affectionate reimagining of Strauss's beloved opera, Der Rosenkavalier, and a mesmerizing novel of our own time and place.

(Piano/Vocal/Guitar Artist Songbook). David Rosenthal has carefully arranged all the tracks from Joel's classic 1973 release to combine the piano parts and vocal melodies into playable arrangements while transcribing those classic piano parts that are integral to each song. This book features the iconic title track and nine others: Ain't No Crime * (The) Ballad of Billy the Kid * Captain Jack * If I Only Had the Words (To Tell You) * Somewhere Along the Line * Stop in Nevada * Travelin' Prayer * Worse Comes to Worst * You're My Home.
