*This new edition of the visionary social history of Los Angeles is "as central to the L.A. canon as anything that . . . Joan Didion wrote in the seventies" (New Yorker) No metropolis has been more loved or more hated. To its official boosters, "Los Angeles brings it all together." To detractors, L.A. is a sunlit mortuary where "you can rot without feeling it." To Mike Davis, the author of this fiercely elegant and wide-ranging work of social history, Los Angeles is both utopia and dystopia, a place where the last Joshua trees are being plowed under to make room for model communities in the desert, where the rich have hired their own police to fend off street gangs, as well as armed Beirut militias. In *City of Quartz*, Davis reconstructs L.A.'s shadow history and dissects its ethereal economy. He tells us who has the power and how they hold on to it. He gives us a city of Dickensian extremes, Pynchonesque conspiracies, and a desperation straight out of Nathaniel West—a city in which we may glimpse our own future mirrored with terrifying clarity. In this new edition, Davis provides a dazzling update on the city's current status.*

*Male Wanted: Taylor Gayle advertises in The Town Crier for a male to date, but Max Stuart misprints her ad to indicate she's looking for a "sodomasochistic male to mate" and includes her address. To atone, Max becomes her live-in protector. Now, who's going to protect this high school librarian from the unbelievably sexy newspaper editor? And who's going to save Max from this feisty Plain Jane's charms? Max finds Taylor in her long skirts and oversized specs as tantalizing as a package in plain brown wrap with no return address. She thinks he looks like a CEO but can't handle the simplest task. She thinks he's short on ambition. He thinks she should relax. She wants a serious man. He wants a fun-loving woman. They want one another. Neither are what they seem. But while these two fake their ways into each other's lives, they find a love that's real. Prize Pupil: When Detective Morgan Evans goes undercover in Thomas Jefferson Junior High to catch a trio of juveniles responsible for several large burglaries, his biggest problem is counselor Kate Duncan. Student conduct philosophy will never be the same. Though they are forced to work together, Kate is certain Morgans presence in the school will destroy the trust of the students. Morgan is just as positive that if he doesn't find the culprits soon, someone will be killed.*

*"Almost Missed You is a skillful, insightful debut: a deft exploration of the mysteries of marriage, the price we pay for our secrets, and just how easy it is to make the worst choices imaginable." —Chris Bohjalian, New York Times bestselling author of The Sandcastle Girls and Midwives "Almost Missed You is an emotional powerhouse of a novel." —Garth Stein, New York Times bestselling author of A Sudden Light and The Art of Racing in the Rain "In Almost Missed You, debut author Jessica Strawser meticulously weaves together a kidnapped child, friends in turmoil, and a Craigslist ad into a tangled web of secrets, lies, and unexpected alliances. This heart-breaking page-turner will make you question how well you really know everyone you hold dear." —Amy Sue Nathan, author of The Glass Wives "Jessica Strawser has expertly woven a tale of a marriage in crisis with elements of daring, danger, mystery, and secrets that will surprise and delight you...Glorious!" —Adriana Trigiani, New York Times bestselling author of All the Stars in the Heavens "Jessica Strawser writes from the heart." —New York Times bestselling author Lisa Scottoline "Almost Missed You is compelling fiction from a brave new voice." —Bestselling author Sophie Littlefield Violet and Finn were "meant to be," said everyone, always. They ended up together by the hands of fate aligning things just so. Three years into their marriage, they have a wonderful little boy, and as the three of them embark*

*on their first vacation as a family, Violet can't help thinking that she can't believe her luck. Life is good. So no one is more surprised than she when Finn leaves her at the beach—just packs up the hotel room and disappears. And takes their son with him. Violet is suddenly in her own worst nightmare, and faced with the knowledge that the man she's shared her life with, she never really knew at all. Caitlin and Finn have been best friends since way back when, but when Finn shows up on Caitlin's doorstep with the son he's wanted for kidnapping, demands that she hide them from the authorities, and threatens to reveal a secret that could destroy her own family if she doesn't, Caitlin faces an impossible choice. As the suspenseful events unfold through alternating viewpoints of Violet, Finn and Caitlin, Jessica Strawser's *Almost Missed You* is a page turning story of a mother's love, a husband's betrayal, connections that maybe should have been missed, secrets that perhaps shouldn't have been kept, and spaces between what's meant to be and what might have been.*

*America's 1st Freedom*

### *International Human Resource Management* *Male Wanted / Prize Pupil*

*An innocent night of fun takes a shocking turn in *Not That I Could Tell*, the next page-turner from Jessica Strawser. When a group of neighborhood women gathers, wine in hand, around a fire pit where their backyards meet one Saturday night, most of them are just ecstatic to have discovered that their baby monitors reach that far. It's a rare kid-free night, and they're giddy with it. They drink too much, and the conversation turns personal. By Monday morning, one of them is gone. Everyone knows something about everyone else in the quirky small Ohio town of Yellow Springs, but no one can make sense of the disappearance. Kristin was a sociable twin mom, college administrator, and doctor's wife who didn't seem all that bothered by her impending divorce—and the investigation turns up more questions than answers, with her husband, Paul, at the center. For her closest neighbor, Clara, the incident triggers memories she thought she'd put behind her—and when she's unable to extract herself from the widening circle of scrutiny, her own suspicions quickly grow. But the neighborhood's newest addition, Izzy, is determined not to jump to any conclusions—especially since she's dealing with a crisis of her own. As the police investigation goes from a media circus to a cold case, the neighbors are forced to reexamine what's going on behind their own closed doors—and to ask how well anyone really knows anyone else.*

*When men stop making lecherous catcalls and Spanx get comfortable in your lingerie drawer, when marketers target you for Activia instead of \$200 premium denim, when you have to start wearing makeup to get that "I'm not wearing any makeup" glow and are "ma'amed" outside the Deep South, it may dawn on you that somehow you have crossed an invisible line: You are not the young, relevant, in-the-mix woman you used to be. But neither are you old, or even what you think of as middle-aged. You are no longer what you were, but not quite sure what you are. Stephanie Dolgoff calls this stage of a woman's life "Formerly," the state of mind and body she herself is in now: Her roaring twenties are behind her, but she's not in hot flash territory, either. *My Formerly Hot Life*, showcasing Dolgoff's wacky and wise observations about this little-discussed flux time, demonstrates that becoming a Formerly is intensely poignant if you're paying attention, and hilarious even if you're not. From fashion to friendship, beauty to body image, married sex to single searching, mothering to careering (or both), Dolgoff reveals the upside to not being forever 21—even as you watch the things you once thought were so*

*essential to a happy life go the way of the cassette tape. You may be formerly thin, formerly cool, formerly (seemingly) carefree, formerly cutting-edge, but in reading My Formerly Hot Life you are reminded that you are finally more comfortable in your skin (formerly obsessed with your weight), finally following your instincts (formerly ruled by the opinions of others), and finally happy with where you are (formerly focused on the guy or job you thought would take you where you thought you should be). While you may no longer be as close to the media-machine-generated idea of fabulous, you can do many, many more things fabulously. Wildly entertaining and inspiring, My Formerly Hot Life proves that once you let yourself laugh about that which is passing, life is richer, more fun, and more satisfying. Despite what you're led to believe, growing older most certainly means growing better.*

*Forget You Know Me*

Dowling et al is a rare instance of a textbook that has developed alongside the field - helping to shape what it is today - and remains the market leading IHRM textbook worldwide. The international author team have ensured this edition is even more international than its predecessors, whilst also remaining close to curriculum developments. New edition changes include a streamlined chapter structure and a new chapter on the cultural context of IHRM. The focus on expatriates has been balanced with a stronger global management emphasis throughout. The content also reflects the current economic climate, including greater coverage of turbulence for IHRM and issues of employee separation. There is also expanded coverage of business ethics, outsourcing, emerging markets and small medium enterprises. In addition the new edition includes a wealth of case study material and class discussion material. A fully tailored CourseMate and Instructor's website will also be available to adopters. MARKET: Dowling et al is a core textbook for "International HRM" modules (IHRM) as taught at intermediate and postgraduate levels on all HRM programmes and the majority of broad-based business programmes. It is also used on some "International Management" modules. This textbook is autopackaged with CourseMate.

CourseMate brings course concepts to life with interactive learning, study, and exam preparation tools that support the printed textbook and the textbook-specific website. CourseMate includes an integrated eBook and interactive teaching and learning tools including quizzes, flashcards, videos, and more and an EngagementTracker, a first-of-its-kind tool that monitors student engagement in the course.

"Heartbreaking yet hopeful, this astute exploration of the bonds and limitations of family is a perfect book club pick." – New York Times bestselling author Joshilyn Jackson  
A Most Anticipated by Goodreads \* SheReads \* E! News \* Frolic  
Jessica Strawser's A Million Reasons Why is "a fascinating foray into the questions we are most afraid to ask" (Jodi Picoult, #1 New York Times bestselling author)--the story of two women who discover a bond between them that will change both their lives forever. When two strangers are linked by a mail-in DNA test, it 's an answered prayer—that is, for one half sister. For the other, it will dismantle everything she knows to be true. But as they step into the unfamiliar realm of sisterhood, the roles will reverse in ways no one could have foreseen. Caroline lives a full, happy life—thriving career, three feisty children, enviable marriage, and a close-knit

extended family. She couldn't have scripted it better. Except for one thing: She's about to discover her fundamental beliefs about them all are wrong. Sela lives a life in shades of gray, suffering from irreversible kidney failure. Her marriage crumbled in the wake of her illness. Her beloved mother, always her closest friend, unexpectedly passed away. She refuses to be defined by her grief, but still, she worries what will happen to her two-year-old son if she doesn't find a donor match in time. She's the only one who knows Caroline is her half sister and may also be her best hope for a future. But Sela's world isn't as clear-cut as it appears—and one misstep could destroy it all. "A thrilling story of what happens when a long-held family secret comes to light...[Strawser] shows that no one is ever truly a villain or a hero, but instead, we are all a beautiful and messy mix of both." - Associated Press review

Entering 21st Century Global Society

Internationally recognized scholars from many parts of the world provide a critical survey of recent developments and achievements in the global field of religious studies. The work follows in the footsteps of two former publications: *Classical Approaches to the Study of Religion*, edited by Jacques Waardenburg (1973), and *Contemporary Approaches to the Study of Religion*, edited by Frank Whaling (1984/85). *New Approaches to the Study of Religion* completes the survey of the comparative study of religion in the twentieth century by focussing on the past two decades. Many of the chapters, however, are also pathbreaking and point the way to future approaches.

**Journalism Rule #1: Always report the story. Never become the story.** Avery Blair has accepted the fact that nothing exciting ever happens in her small town of Woodsvew, Massachusetts. As the editor of the high school blog, she prays for something; anything; to come along that would make for a great headline. When Beatrice Thompson's body is found in the girls' bathroom, Avery has her biggest story ever. The rumors circulating the school say that Beatrice took her own life, but Avery doesn't believe it for a second. Her instincts prove true when the next day brings another body bag. The tiny community of Woodsvew has become the hunting ground for a killer known as the Harvester. The killer targets Avery and her classmates, stalking their every move and terrorizing them with morbid messages. With the help of her boyfriend Jason, her best friend Quinn, and an aging detective who can't keep her off the case, Avery dives head-first into her own investigation. She discovers that the secret of the Woodsvew Harvester is buried in the town's history and its annual Harvest Festival celebration. With every clue she uncovers, Avery grows closer to unmasking the killer; and becoming the next victim. Avery Blair has finally found a story to die for...if she can stay alive long enough to write it.

A Novel

Excavating the Future in Los Angeles

**The next "masterful" (Publishers Weekly) novel from "the gifted Jessica Strawser" (Adriana Trigiani), hailed as "immensely satisfying" (Kathleen Barber) and "that book you can't put down" (Sally Hepworth). A video call between friends captures a shocking incident no one was supposed to see. The secrets it exposes threaten to change their lives forever. Molly and Liza have always been enviably close. Even after Molly married Daniel, the couple considered Liza an honorary family member. But after Liza moved away, things grew more strained than anyone wanted to admit—in the friendship and the marriage. When Daniel goes away on business, Molly and Liza plan to reconnect with a nice long video chat after the kids are in bed. But then Molly leaves the room to check on a crying child. What**

**Liza sees next will change everything. Only one thing is certain: Molly needs her. Liza drives all night to be at Molly's side—but when she arrives, the reception is icy, leaving Liza baffled and hurt. She knows there's no denying what she saw. Or is there? In disbelief that their friendship could really be over, Liza is unaware she's about to have a near miss of her own. And Molly, refusing to deal with what's happened, won't turn to Daniel, either. But none of them can go on pretending. Not after this. Forget You Know Me is a "twisty, emotionally complex, powder keg of a tale" (bestselling author Emily Carpenter) about the wounds of people who've grown apart. Best friends, separated by miles. Spouses, hardened by neglect. A mother, isolated by pain. One moment will change things for them all. "[A] great hybrid of women's fiction and suspense...strong character development and unpredictable plot." - Library Journal**

**The instant New York Times and USA TODAY bestseller! Hot on the heels of the New York Times bestsellers *The Twin* and *The Lake*, the undisputed queen of YA thrillers is back. Don't be afraid. Be terrified. It's just a stupid meme that's going around their small fishing town in the dead of winter—people reposting and sharing their biggest fear. But when her classmates start turning up dead—dying in the way that they said scared them the most—Izzy knows it's no joke. With each death hitting closer to home, Izzy sets out to try to stop the killer. Could her older sister's friend Tristan have something to do with the deaths? He's given her some strange vibes. Or what about his brooding cousin, Axel? But he's in her classes at school. He's not a murderer . . . is he? Izzie's soon on a path that will lead her right to the killer . . . and her own worst nightmare.**
