Learn These Simple Techniques and Bake Like a Pro

"This baking bible is the perfect mix of solid techniques, good advice, and tried-and-true recipes . . . one of the best possible places to begin." —Gale Gand, James Beard Award-winning pastry chef With the demise of home economics in the school system, many adults have no baking experience at all, relying on dreary store-bought baked goods and artificial mixes to satisfy their cravings. *Baking Basics and Beyond* allows even absolute novices to prepare a wide array of delicious, healthy breads, cakes, cookies, pies, and more. In a warm, reassuring manner, Pat Sinclair leads beginning bakers step-by-step through each recipe, thoroughly explaining each technique and direction. After learning a basic technique, additional recipes provide further practice and more elaborate results. This second edition contains more than 100 recipes, from old favorites like icebox cookies, cornbread, and brownies to updated classics, including Butterscotch Cashew Blondies, Chai Latte Custards, and Savory Wild Mushroom Bread Pudding. Throughout, explanations and precise tips, based on Sinclair's years of baking experience, make readers feel as though there is a friendly teacher in the kitchen, peering over their shoulders, and guiding them toward perfect results, every time. This new edition of this basic, down-to-earth, reader-friendly baking guide is updated with beautiful full color photos throughout. "Offers help for rookie bakers with tips and suggestions following almost all recipes . . . The book offers good reminders for all home bakers." —Chicago Tribune "Sinclair knows what she's talking about. In her easy-going, uncomplicated manner, she leads beginning bakers through step-by-step instructions for everything from scones, biscuits, and cookies to pies, custards, and cheesecakes." —OneForTheTable.com

The most up-to-date and comprehensive guidebook to the state of South Carolina Beaches and golf are what most people think of when they think of South Carolina, and the state has those amenities in abundance. But off the well-worn paths are battlefields from both the Revolutionary and Civil wars and significant guide-posts in African American history. South Carolina's culture has great variety too, from classic Southern attitudes and food to the Geechee-Gullah Cultural Heritage Corridor in the Lowcountry and the Palmetto Trail and Scottish influences Upstate. As with every title in the Explorer's Guide series, you'll get thoroughly researched recommendations, up-to-date information on hours and prices, and tips for enjoying the region to its fullest. South Carolina is a destination steeped in fascinating history and natural beauty. With Page Ivey's advice, you can experience everything the Palmetto State has to offer.

The story Elizabeth is about a four old girl who died and she has to find out why she remained behind. In the process she cannot travel beyond her home. Some of the people in her former life try to help her and some try to harm her. Owner after owner she endures until she meets a family. They take her in and through then she is able to go back home and into the light. Where she is finally home at last.

Your guide on how to have fun and understand the crazy environment that is today's Las Vegas With insightful writing, up-to-date reviews of major attractions, and a lot of "local" knowledge, *The Unofficial Guide to Las Vegas 2018* has it all. Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum, *The Unofficial Guide to Las Vegas* digs deeper and offers more than any single author could. This is the only guide that explains how Las Vegas works and how to use that knowledge to make every minute and every dollar of your time there count. With advice that is direct, prescriptive, and detailed, it takes out the guesswork. Eclipsing the usual list of choices, it unambiguously rates and ranks everything from hotels, restaurants, and attractions to rental car companies. With *The Unofficial Guide to Las Vegas*, you know what's available in every category, from the best to the worst. The reader will also find the sections about the history of the town and the chapters on gambling fascinating. In truth, *The Unofficial Guide to Las Vegas*, by Bob Sehlinger, emphasizes how to have fun and understand the crazy environment that is today's Vegas. It's a keeper.

Elizabeth! into the Light and Way Beyond!

Filled with enticing alternatives for chain-weary-travelers, Roadfood provides descriptions of and directions to (complete with regional maps) the best lobster shacks on the East Coast; the ultimate barbecue joints down South; the most indulgent steak houses in the Midwest; and dozens of top-notch diners, hotdog stands, ice-cream parlors, and uniquely regional finds in between. Each entry delves into the folkways of a restaurant's locale as well as the dining experience itself, and each is written in the Sterns' entertaining and colorful style.

Do people drive you nuts? Are silos and turf wars challenging the culture? Wondering if it ever gets any easier? The toughest - and best - part of leadership is the people. But let's face it, people dynamics can be tricky. Solutions are within. People Stuff is your map to the complex territory of human behaviour and leadership strategies. People Stuff goes well beyond frustrating 'personality clashes' to uncover the dynamics of human interactions at work. You'll clarify how you see yourself, your people and your organisation to avoid ineffective superficial solutions to complex problems. Perspective is power. In order to create positive and lasting change, we need to dive below the surface and see the patterns and systems that are creating the issues in the first place. People Stuff offers intuitive maps and frameworks to develop your practice of perspective. You'll be able to see more and lead better. When we change the way we look at things, the things we look at don't change, WE do. How we see ourselves affects how effective we are as leaders. By using a combination of the five key leadership archetypes - the Elder, Pioneer, Guardian, Warrior, and Diplomat - you'll be able to meet the current business challenges with the right approach for maximum influence. Personalities aren't the problem, systems are. When the Four Devils appear in the workplace, it's tempting to give up on them as character flaws. With the Four Devils map, you'll be able to pinpoint the symptoms and causes of the toughest people challenges, and implement effective long-term solutions. If you're a leader who's called to make an impact, then People Stuff will give you the perspective tools to see issues before they escalate. You'll also be able to anticipate positive ripples so you can truly lead with compassion and wisdom.

User story mapping is a valuable tool for software development, once you understand why and how to use it. This insightful book examines how this often misunderstood technique can help your team stay focused on users and their needs without getting lost in the enthusiasm for individual product features. Author Jeff Patton shows you how changeable story maps enable your team to hold better conversations about the project throughout the development process. Your team will learn to come away with a shared understanding of what you're attempting to build and why. Get a high-level view of story mapping, with an exercise to learn key concepts quickly Understand how stories really work, and how they come to life in Agile and Lean projects Dive into a story's lifecycle, starting with opportunities and moving deeper into discovery Prepare your stories, pay attention while they're built, and learn from those you convert to working software

For more than twenty years, the Insiders' Guide® series has been the essential source for in-depth travel and relocation information—from true insiders whose personal, practical perspective gives you everything you need to know. Whether you're just zipping through Colorado's mountains or settling into a new mountain lifestyle, there's something enchanting about their out-of-the-way little valleys, high alpine meadows, old mining towns, and, yes, modern ski megalopolises. This authoritative guide shows you how to navigate each of the region's unique areas, from Steamboat Springs to Aspen and on south to Durango, where you'll discover everything from the best powder to fine dining with a view. Inside You'll Find: • Countless details on how to live and thrive in the area, from the best shopping to the lowdown on real estate • The inside scoop on the best ski resorts, as well as on attractions, the arts, and summer activities, such as golfing, fishing, camping, backpacking, and health spas • Comprehensive listings of restaurants, accommodations, and popular events • Sections dedicated to children and retirement

At no time in American history has an understanding of the role and the art of diplomacy in international relations been more essential than it is today. Both the history of U.S. diplomatic relations and the current U.S. foreign policy in the twenty-first century are major topics of study and interest across the nation and around the world. Spanning the entire history of American diplomacy—from the First Continental Congress to the war on terrorism to the foreign policy goals of the twenty-first century—Guide to U.S. Foreign Policy traces not only the growth and development of diplomatic policies and traditions but also the shifts in public opinion that shape diplomatic trends. This comprehensive, two-volume reference shows how the United States gained “the strength of a giant” and also analyzes key world events that have determined the United States' changing relations with other nations. The two volumes' structure makes the key concepts and issues accessible to researchers: The set is broken up into seven parts that feature 40 topical and historical chapters in which expert writers cover the diplomatic initiatives of the United States from colonial times through the present day. Volume II's appendix showcases an A-to-Z handbook of diplomatic terms and concepts, organizations, events, and issues in American foreign policy. The appendix also includes a master bibliography and a list of presidents; secretaries of state, war, and defense; and national security advisers and their terms of service. This unique reference highlights the changes in U.S. diplomatic policy as government administrations and world events influenced national decisions. Topics include imperialism, economic diplomacy, environmental diplomacy, foreign aid, wartime negotiations, presidential influence, NATO and its role in the twenty-first century, and the response to terrorism. Additional featured topics include the influence of the American two-party system, the impact of U.S. elections, and the role of the United States in international organizations. Guide to U.S. Foreign Policy is the first comprehensive reference work in this field that is both historical and thematic. This work is of immense value for researchers, students, and others studying foreign policy, international relations, and U.S. history. ABOUT THE EDITORS Robert J. McMahon is the Ralph D. Mershon Professor of History in the Mershon Center for International Security Studies at The Ohio State University. He is a leading historian of American diplomatic history and is author of several books on U.S. foreign relations. Thomas W. Zeiler is professor of history and international affairs at the University of Colorado at Boulder and is the executive editor of the journal Diplomatic History.

A Man's Guide to Culinary Seduction

The Unofficial Guide to Las Vegas 2020

A Grumpy Man's Guide to Suburbia provides a hilarious perspective on life in the 'burbs. These short essays offer an entertaining look at everyday happenings, like tag sales (“Why would anyone work for fifty hours to make \$43.25?”) or what not to say when your wife comes home from the hairdresser (“You paid \$25 for THAT?”) or how to carve a turkey (“Score: Turkey 1, Herb 0”). The author provides humorous commentary on everything from houseguests to neighbors, from barbecuing to shopping for a spouse, and from marital communications to cleaning out the freezer. If you live in the suburbs or are married this book is a must. “Poor Herb. he suffers so that the rest of us can laugh.” - R.J. Marx “Full of truth! I send copies [of his columns] to my friends.” - P. Haskell “It's not really Herb we end up laughing at - it's ourselves. There's wisdom in his wit!” -- K. Combs “Way to rant! Love the light-hearted approach/view!” - New York Press Association “I don't care how funny he is, he still doesn't pick up after himself.” - T. Foster

This innovative guide will lead you through the birthplace of the blues, covering the world-famous attractions, historic sites, funky shops, and gold record legacies of Memphis and the surrounding Mississippi Delta. With a strong focus on modern-day arts and music enclaves, as well as the storied sites where the blues got their start; hundreds of top-notch dining, lodging, and recreational recommendations; over one hundred illuminating photos and maps; and travel logistics, this is the most comprehensive guide to the region to-date.

A tantalizing, droll study of the idiosyncratic existence of the very rich, through the unexpected lens of the naturalist. Journalist Richard Conniff probes the age-old question “Are the rich different from you and me?” and finds that they are indeed a completely different animal. He observes with great humor and finesse this socially unique species, revealing their strategies for ensuring dominance and submission, their flourishes of display behavior, the intricate dynamics of their pecking order, as well as their unorthodox mating practices. Through comparisons to

other equally exotic animals, Conniff uncovers surprising commonalities. • How did Bill Gates achieve his single greatest act of social dominance by being nice? • How does the flattery of the rich resemble the grooming behavior of baboons? • What made the British aristocracy the single most successful animal dominance hierarchy in the history of the planet? • How does Old Money's disdain for the nouveaux riches resemble the pig-grunting of mountain gorillas? This marvelously entertaining field guide captures in vivid detail the behaviors and habitats of the world's most captivating yet elusive animal.

A conveniently sized guide to two popular destinations features recommendations for affordable vacationing, providing contiguous text and maps for easy reference and topographical coverage of regional wildlife, campsites and adventure attractions. Original.

1,000 Foods To Eat Before You Die

A Grumpy Man's Guide to Suburbia on Marriage, Kids, Chores, and More

Explorer's Guide South Carolina (Explorer's Complete)

Your Guide to the Hidden History and Old West Haunts of California

The ultimate gift for the food lover. In the same way that 1,000 Places to See Before You Die reinvented the travel book, 1,000 Foods to Eat Before You Die is a joyous, informative, dazzling, mouthwatering life list of the world's best food. The long-awaited new book in the phenomenal 1,000 . . . Before You Die series, it's the marriage of an irresistible subject with the perfect writer, Mimi Sheraton—award-winning cookbook author, grande dame of food journalism, and former restaurant critic for The New York Times. 1,000 Foods fully delivers on the promise of its title, selecting from the best cuisines around the world (French, Italian, Chinese, of course, but also Senegalese, Lebanese, Mongolian, Peruvian, and many more)—the tastes, ingredients, dishes, and restaurants that every reader should experience and dream about, whether it's dinner at Chicago's Alinea or the perfect empanada. In more than 1,000 pages and over 550 full-color photographs, it celebrates haute and snack, comforting and exotic, hyper-local and the universally enjoyed: a Tuscan plate of Fritto Misto. Saffron Buns for breakfast in downtown Stockholm. Bird's Nest Soup. A frozen Milky Way. Black truffles from Le Périgord. Mimi Sheraton is highly opinionated, and has a gift for supporting her recommendations with smart, sensuous descriptions—you can almost taste what she's tasted. You'll want to eat your way through the book (after searching first for what you have already tried, and comparing notes). Then, following the romance, the practical: where to taste the dish or find the ingredient, and where to go for the best recipes, websites included.

"Takes the cake into the 21st century with 25 intriguing recipes, including red velvet, Mexican chocolate spice, chai-ginger, black pepper-rum . . ." —The Telegraph Icebox cakes feature crisp wafers and billowy whipped cream layered together and chilled overnight, where they transform into a heavenly cakelike texture. In this tempting cookbook, eager cooks can start with the Old School, a classic pairing of chocolate wafers and lush whipped cream, before moving on to fantastic combinations such as Luscious Lemon with its lemon curd filling and ladyfingers or the Black Forest's cherries and mounds of chocolate-kirsch whipped cream. Ideal when made a day or two in advance, these minimum-fuss cakes promise maximum friends-and-family cheer. "There are 25 wonderful variations of icebox cakes in this delightful book . . . Get a copy of Icebox Cakes, some whipping cream, and get to work. It will be fun and it will be delicious." —Cooking by the Book "Several [recipes] sounded great to me (from an adaptation of the Nabisco original to Mexican Chocolate Spice), but, inspired by Thin Mints season, I decided to try the Peppermint-Chocolate—as an Easter dessert for my extended family. It was pretty and delicious and fed a crowd and I can't wait to make it again." —Statesman

A collection of family-friendly, easy and inexpensive recipes used and honed over many years by Japanese mom Kanae Inoue. Real Bento is packed with the time-saving tricks that allow you to make bento box lunches each morning in just 10 minutes, using ingredients and recipes that will satisfy the whole family! The recipes are presented by flavor type and key ingredient, so it's easy for parents to find dishes their kids will love. In Real Bento, Inoue presents 200 recipes, divided into "main dishes" and "sides" for 22 completed bento boxes. The colorful photos and step-by-step instructions make this an incredibly practical and easy-to-use resource for busy households! In her recipes, Inoue places great emphasis on healthy, fresh and colorful foods that look and taste great when presented together. Her recipes include Japanese favorites and original recipes like: Teriyaki Chicken Stuffed Bell Peppers Ginger Salmon Broccoli and Pasta Salad Beef and Egg Stir Fry Inoue got hooked on bento fifteen years ago, when she began making daily bento box lunches for her husband and herself to take to work, and later for their three children to take to school. She sees bento box lunches as a way of saving money and getting her family to eat fresher, healthier meals. This beginning bento book is a perfect tool for getting lunches packed and a family out the door on a busy morning!

I met Bob Doroghazi when he dropped the first draft of his manuscript of The Physician's Guide to Investing: A Practical Approach to Building Wealth at my office. I will have to admit I was a bit skeptical: a physician writing a book on investments? During that first meeting with Bob, it became evident that he had been a successful physician and a successful investor, so I agreed to take a look at the book. I was in for a pleasant surprise. Bob's manuscript was easy to read and had specific advice useful to physicians, interspersed with lots of practical tidbits for any investor. Having written three college-level finance and investment texts, I was excited to be in on a project aimed at offering practical investment advice to a more general, yet specialized, audience. I had high expectations for the book and am pleased to say that I believe Bob has delivered a book that every physician interested in building wealth and protecting assets should read. Bob is a straight shooter; he tells it like he sees it in his book. Some doctors might be indignant on reading his statements, such as "Physicians sometimes have no idea of their limitations. This type of arrogance and ego can result in investing disaster." However, if you do have these limitations (and most professionals, even college professors, do), then reading Bob's book will help you recognize situations in which they can lead to poor investment decisions.

Soon to be a feature film from the creators of Downton Abbey starring Elizabeth McGovern, *The Chaperone* is a New York Times-bestselling novel about the woman who chaperoned an irreverent Louise Brooks to New York City in the 1920s and the summer that would change them both. Only a few years before becoming a famous silent-film star and an icon of her generation, a fifteen-year-old Louise Brooks leaves Wichita, Kansas, to study with the prestigious Denishawn School of Dancing in New York. Much to her annoyance, she is accompanied by a thirty-six-year-old chaperone, who is neither mother nor friend. Cora Carlisle, a complicated but traditional woman with her own reasons for making the trip, has no idea what she's in for. Young Louise, already stunningly beautiful and sporting her famous black bob with blunt bangs, is known for her arrogance and her lack of respect for convention. Ultimately, the five weeks they spend together will transform their lives forever. For Cora, the city holds the promise of discovery that might answer the question at the core of her being, and even as she does her best to watch over Louise in this strange and bustling place she embarks on a mission of her own. And while what she finds isn't what she anticipated, she is liberated in a way she could not have imagined. Over the course of Cora's relationship with Louise, her eyes are opened to the promise of the twentieth century and a new understanding of the possibilities for being fully alive. Drawing on the rich history of the 1920s, '30s, and beyond—from the orphan trains to Prohibition, flappers, and the onset of the Great Depression to the burgeoning movement for equal rights and new opportunities for women—Laura Moriarty's *The Chaperone* illustrates how rapidly everything, from fashion and hemlines to values and attitudes, was changing at this time and what a vast difference it all made for Louise Brooks, Cora Carlisle, and others like them. This book is intended for the "wannabe" cook who wants an inexpensive, one source collection of ethnically varied (American, French, Italian, Asian, Mexican, etc) superb recipes. It comes with an introductory section containing suggestions on how and why to get started with a wonderful hobby in which you eat well, reduce your stress and save money all at the same time.
