This book begins with a lesson on the nature of astronomy, and then it covers the major structures of our solar system. Starting with the sun and working towards Pluto, the student will learn details about all nine planets (or is it eight? - your student will have to decide) in the solar system. Along the way, the student will also learn about Earth's moon, the asteroid belt, and the Kuiper belt. After that, the student will move outside our solar system and learn about the stars and galaxies that make up God's incredible universe. Finally, the student will learn about space travel and what it takes to be an astronaut! The activities and projects use easy-to-find household items and truly make the lessons come alive! They include making a solar eclipse, simulating the use of radar to determine a hidden landscape, and making a telescope. We recommend that you spend the entire school year covering this book, devoting approximately two sessions per week to the course.

The Gospel of Christ is a message which claims to save from damnation those who believe it. This "good news" message purports to reveal who saves, what he did, why we need it, how we get it, and where to find reliable information about it. The Gospel, however, is widely doubted, disputed, and denied. Many wonder: - Does Jesus have to be who Christians claim he is? - What did his death accomplish? - Why would God send me to hell? - Can faith really be all there is to it? - Do I need to trust the Bible? Using Bible verses, "I Have Some Good News" addresses objections to the Gospel, and allows Christianity's source book to speak for itself.

With nearly a million copies sold, Joanna Weaver's popular book shows women how to blend intimacy with Jesus and service for Him. An invitation for every woman who feels she isn't godly enough... isn't loving enough... isn't doing enough. The life of a woman today isn't really all that different from that of Mary and Martha in the New Testament. Like Mary, you long to sit at the Lord's feet... but the daily demands of a busy world just won't leave you alone. Like Martha, you love Jesus and really want to serve him... yet you struggle with weariness, resentment, and feelings of inadequacy. Then comes Jesus, right into the midst of your busy Mary/Martha life-and he extends the same invitation he issued long ago to the two sisters of Bethany. Tenderly he invites you to choose "the better part"-a joyful life of "living-room" intimacy with him that flows naturally into "kitchen service" for him. How can you make that choice? With her fresh approach to the familiar Bible story and its creative, practical strategies, Joanna shows how all of us -Marys and Marthas alike- can draw closer to our Lord, deepening our devotion, strengthening our service, and doing both with less stress and greater joy. This book includes a twelve-week Bible study. Also look for the ten-week DVD study pack companion product to this book, which includes three DVDs and a separate, revised and expanded study guide.

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These

12-week studies lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout each book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The Gospel of Luke is the most thorough historical account of the birth, life, death, and resurrection of Jesus Christ. But Luke's book is more than just history; it's also a rich source of life-giving theology, revealing Jesus's identity as Israel's long-awaited Messiah and the Savior of the world. In this study, New Testament scholar Jimmy Agan III walks readers through Luke's Gospel, helping Christians see that Jesus is not simply a great teacher but the great Savior.

In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

Are You a "Whosoever?" Whosoevers are people destined to live forever in a place beyond their wildest expectations. Whosoevers are becoming more difficult to identify today due their being mocked and

persecuted by Hollywood, the mainstream media, and most of our schools and universities. However, the rewards for achieving "whosoever status" are well worth looking into! How can you become a "whosoever"? Just believe! (John 3:16) "For God so loved the world that he gave his one and only Son, that whosoever believes in him shall not perish but have eternal life." Whosoever are believers in God, the Creator of the universe, and Jesus Christ His one and only Son who exchanged His righteous for our sinfulness. Jesus paid the price for all our sins, past, present, and future. The game of life is extremely complicated and doomed to failure if you don't know all the rules. The Bible is God's use and care manual and is His means used to communicate with us today. In the past, God communicated through various prophets. Now, we have God's Word, the Bible, to help us understand and know what pleases our creator. God says that it is impossible to please Him without faith and that faith comes from hearing His Word, the Bible. Today, many people know that God hates "idol worship." However, many peoples don't realize that anything that you put in front of God, for example, family, friends, possessions, or power, is idol worship. In God's eyes, hating anyone is equivalent to murder and lust for anyone, but your spouse is adultery. That is why we need to study the Bible to help us understand God's character! Everyone sins and falls short of God's standard. (Romans 3:10""12) "There is no one righteous, not even one; there is no one who understands there is no one who seeks God. All have turned away, they have together become worthless; there is no one who does good, not even one." This is why everyone needs a Savior! (Proverbs 14:12) "There is a way that seems right to man but in the end it leads to death." At the opposite end of the believing spectrum are the "never God" people. "Never God" people not only deny God their Creator and Jesus's sacrifice on the cross but also mock believers. The Apostle John called those who deny Jesus "antichrists." Unbelievers or antichrists will also live forever, but in an extremely hot environment. Instead of joy, there will be weeping and a gnashing of teeth. The fire in hell will burn eternally, but the occupants will never die. (John 8:31""32) "To the Jews who has believed him, Jesus said, 'If you hold to my teachings, you are my disciples. Then you will know the truth and the truth will set you free.'"

DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders. The study gives the Old and New Testaments equal time, emphasizing the wholeness of the Bible as a revelation of God. **DISCIPLE** draws upon the work of scholars, the personal Bible reading and study of the participant, and dynamic group discussion to aid understanding of the Bible. The first study in the program is **DISCIPLE: BECOMING DISCIPLES THROUGH BIBLE STUDY**, a thirty-four week overview of the entire Bible. Commitment and Time Involved Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. Study Manual Each member of the group needs a study manual and a Bible. The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual and study-related activities. Space is provided for taking notes while reading Scripture, for recording thoughts and questions arising out of daily study, and for notes during the weekly group session. The titles of the sessions along with theme words and theme verses, and major persons, events, and topics will set the sequence of the biblical story in the minds of the participants. The principal Scripture for each session follows the chronological movement of the biblical story. We recommend the New Interpreters Study Bible More Questions? Visit www.cokesbury.com/disciple.

This story of a unique fellowship in an underground seminary during the Nazi years reads like one of Paul's letters. Each daily entry guides readers through a narrative of meditations, an uplifting declaration, and relevant scripture to encourage greater intimacy with God. God, do you hear me? If we're honest, that's a sentiment we've all shared. Prayer can be challenging and confusing. Often we feel abandoned, betrayed, and anxious. We don't know what to pray for, we don't know the words to say, and sometimes it just feels like there's no one on the other side. Through the pages of this book, pastor and bestselling author Derwin Gray will journey with you, in learning and living the prayer that God always answers. This prayer is commonly called the Lord's Prayer (Matt 6:9-13). The Lord's Prayer is the firm foundation God uses to build our lives on the Rock. It will help you break through to a completely new and refreshing prayer life. Along this journey, you'll learn several things about prayer: Prayer is the secret place where we find God waiting for us. Prayer is the door we enter to discover God's heart of unending grace. Prayer is the home we have always wanted, where we can crawl into our Father's lap and find our purpose. Prayer is not about getting God to give us stuff. It is about becoming who we were made to be: a reflection of Jesus in the world.

Christians know that God loves them, but can easily feel that he is perpetually disappointed and frustrated, maybe even close to giving up on them. As a result, they focus a lot—and rightly so—on what Jesus has done to appease God's wrath for sin. But how does Jesus Christ actually feel about his people amid all their sins and failures? This book draws us to Matthew 11, where Jesus describes himself as "gentle and lowly in heart," longing for his people to find rest in him. The gospel flows from God's deepest heart for his people, a heart of tender love for the sinful and suffering. These chapters take readers into the depths of Christ's very heart for sinners, diving deep into Bible passages that speak of who Christ is and encouraging readers with the affections of Christ for his people. His longing heart for sinners comforts and sustains readers in their up-and-down lives.
