*The pieces are in place. The curtain rises for the final act. God is about to die. An unprecedented conspiracy of injustice, cruelty, and religious and political interests sentenced a man guilty of no crimes to the most barbaric method of execution ever devised. The victim was no mere man. Jesus was God in the flesh. The Creator of life died. How did such a thing come to be? Who were the onlookers, the players, the fakes, frauds, and heroes? What was it like in the Upper Room that night, in the shadows of Gethsemane, or in the Praetorium awaiting Pilate’s verdict? What is the meaning of the last words Jesus uttered as He gasped for breath on the cross? What if all the facts you now so well could come alive in your ind and heart as a living story, rather than as a 2000-year-old ancient account? By piecing together the narrative from the perspective of the participants, John MacArthur invites you to relive the most awesome injustice in the history of man, the unparalleled triumph of the sovereignty of God, and the passion of Christ.*

*If you find the idea of reading through the Bible daunting, or simply want a new approach to interacting with God’s Word, Journal Through the Bible provides a fresh way to read Scripture, keep track of your progress, and reflect on God’s presence in your life.*

*This Collection bundles two of popular and accessible theologian R. C. Sproul’s works into one e-book for a great value! The Holiness of God Central to God’s character is the quality of holiness. Yet, even so, most people are hard-pressed to define what God’s holiness precisely is. Many preachers today avoid the topic altogether because people today don’t quite know what to do with words like “awe” or “fear.” R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the Christian life. He paints an awe-inspiring vision of God that encourages Christian to become holy just as God is holy. Once you encounter the holiness of God, your life will never be the same. Chosen by God With nearly 200,000 copies sold in its 25 years, Chosen by God by Dr. R. C. Sproul is a contemporary classic on predestination, a doctrine that isn’t just for Calvinists, says Sproul. It is a doctrine for all biblical Christians. In this updated and expanded edition of Chosen by God, Sproul shows that the doctrine of predestination doesn’t create a whimsical or spiteful picture of God, but paints a portrait of a loving God who provides redemption for radically corrupt humans. We choose God because he has opened our eyes to see his beauty; we love him because he first loved us. There is mystery in God’s ways, but no contradiction.*

No other woman’s Bible has a more dazzling array of features than The Woman’s Study Bible. It’s far more than a devotional Bible. It has over 2,200 pages of study articles, annotations, and topical notes on hundreds of subjects of interest to women of all ages and in all stages of life. The Woman’s Study Bible has been lovingly crafted by more than 80 godly women, noted Christian leaders who have combined their expertise to produce the only comprehensive study Bible that highlights the unique needs of women. Dozens of women’s studies and other rich content help women understand the depth of biblical insight on each and every issue. More than 100 articles relate biblical truth to science, history, archaeology, psychology, philosophy, and other critical subjects. Strategically placed alongside the text of Scripture, this expert commentary includes: “How Does Christianity Relate to Hinduism?” by former Hindu Ravi Zacharias; “Is There Evidence for Life After Death?” by Christian Research Institute founder Hank Hanegraaff; “Evolution: Fact or Fantasy?” by Phillip E. Johnson, author of Darwin on Trial; “How Should a Christian Relate to Culture?” by Prison Fellowship founder and president Chuck Colson; “Are Jesus’ Claims Unique Among the Religions of the World?” by Liberty University professor Gary Habermas; “Does the Design Argument Show There is a God?” by philosopher William Dembski; “How Apologetics Changed My Life!” by best-selling author Lee Strobel. Profiles of key historic defenders of the faith like Justin Martyr, Irenaeus, Anselm, Augustine, Joseph Butler, William Paley, Blaise Pascal, and C. S. Lewis highlight the clear-headed thinking Christians through the centuries have brought to bear on objections to faith. A generous helping of study notes clarifies the biblical worldview demonstrated in Scripture. The text is the remarkably accurate and inviting Holman Christian Standard Bible translation. And features like book introductions, end-of-verse cross references, topical subheads, the words of Christ in red, and a 72-page concordance make it simple to get the most for your Bible study time. Philosopher and Apologetics Study Bible general editor Ted Cabal observes that we live “in the golden era of Christian apologetics.” There has never before been so much scientific, archaeological, and historical support for the unique truth of biblical Christianity. The Apologetics Study Biblewill open your eyes to new reasons to believe, a stronger commitment to faith, and better ways to witness for the Creator of it all.The Apologetics Study BibleNew available at your favourite bookstore or online retailer. Look for it, and see what you believe.

Despite the fact that the Christian tradition is prevalent, if not dominant, throughout much of the Western world, there remains a considerable amount of confusion and debate over the actual doctrines that feature in this belief system. In this volume, The Great Doctrines of the Bible, author William Evans identifies and explains some of the most important doctrinal and dogmatic tenets of the Christian faith.

Life as Kim and Krickitt Carpenter knew it was shattered beyond recognition on November 24, 1993. Two months after their marriage, a devastating car wreck left Krickitt with a massive head injury and in a coma for weeks. When she finally awoke, she had no idea who Kim was. With no recollection of their relationship and while Krickitt experienced personality changes common to those who suffer head injuries, Kim realized the woman he had married essentially died in the accident. And yet, against all odds, but through the common faith in Christ that sustained them, Kim and Krickitt fell in love all over again. Even though Kim stood by Krickitt through the darkest times a husband can ever imagine, he insists, “I’m no hero. I made a vow.” Now available in trade paper with a new chapter and photo insert, The Vow is the true story that inspired the major motion picture of the same name starring Rachel McAdams (The Notebook), Channing Tatum (Dear John), Sam Neill (Jurassic Park), and Academy Award winner Jessica Lange.

A COVER-UP OF BIBLICAL PROPORTIONS: Centuries ago, English translators perpetrated a fraud in the New Testament, and it’s been purposely hidden and covered up ever since. Your own Bible is probably included in the cover-up! In this book, which includes a study guide for personal or group use, John MacArthur unveils the essential and clarifying revelation that may be keeping you from a fulfilling—and correct—relationship with God. It’s powerful. It’s controversial. And with new eyes you’ll see the riches of your salvation in a radically new way. What does it mean to be a Christian the way Jesus defined it? MacArthur says it all boils down to one word: SLAVE. “We have been bought with the price of our own lives. We are His own possession.” Endorsements: “Dr. John MacArthur is never afraid to tell the truth and in this book he does just that. The Christian’s great privilege is to be the slave of Christ. Dr. MacArthur makes it clear that this is one of the Bible’s most succinct ways of describing our discipleship. This is a powerful exposition of Scripture, a convincing corrective to shallow Christianity, a masterful work of pastoral encouragement. . . . a devotional classic.” —Dr. R. Albert Mohler, President, The Southern Baptist Theological Seminary “John MacArthur expertly and lucidly explains that Jesus frees us from bondage into a royal slavery that we might be His possession.

Those who would be His children must, paradoxically, be willing to be His slaves.” —Dr. R.C. Sproul “Dr. John MacArthur’s teaching on ‘slavery’ resonates in the deepest recesses of my ‘inner-man.’ As an African-American pastor, I have been there. That is why the thought of someone writing about slavery as being a ‘God-send’ was the most ludicrous, unconscionable thing that I could have ever imagined...until I read this book. Now I see that becoming a slave is a biblical command, completely redefining the idea of freedom in Christ. I don’t want to simply be a ‘follower’ or even just a ‘servant,’ but a ‘slave.’” —The Rev. Dr. Dallas H. Wilson, Jr., Vicar, St. John’s Episcopal Chapel, Charleston, SC Right now, truth is under attack, and much is at stake. Perhaps no one in America is more passionate than John MacArthur about exposing those who are mouning this attack!Especially those bringing the assault right into the church. There is no middle ground!no safe zone for the uncommitted in his war. The battle for truth is raging, and this book reveals: The pitfalls of postmodern thinking Why the Emerging Church Movement is inherently flawed Past skirmishes in the Truth War and their effect on the Church The importance of truth and certainty in a postmodern society How to identify and address the errors and false teachings smuggled into churches [The postmodern age] is the age of no truth, an age that has reached a point of deadly futility when it comes to facing the truth;a generation that no longer believes truth can be known. Dr. John MacArthur knows better, and he is armed with the courage to confront this age with a bold defense of truth. . . . His argument is compelling, his defense of truth is brilliant, and his concern for the church is evident on every page. The evangelical church desperately needs this book, and it arrives just in time.” —R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary

For 25 years the Holman Illustrated Bible Dictionary has been the go-to Bible reference resource for lay Bible students, teachers, pastors, academic courses, and libraries. Now this bestselling dictionary has been UPDATED with 200 new articles and over 500 new photos compiling a collection of over 6,500 articles from Aaron to Zuzite are written so as to equip the reader for greater competence in understanding and interpreting the Scriptures. TAn excellent companion to the Holman Illustrated Bible Commentary. The first edition of The Gospel According to Jesus won wide acclaim in confronting the “easy-believism” that has characterized some aspects of evangelical Christianity. Over the past 50 years, a handful of books have become true classics, revered world-wide for their crystal-clear presentation of the Gospel and lauded for their contribution to the Christian faith. These extraordinary books are read, re-read, and discussed in churches, Bible study groups, and homes everywhere. John MacArthur’s The Gospel According to Jesus is one of those books. In The Gospel According to Jesus, MacArthur tackles the idea of “easy believism,” the rampant loss of their commitment to Christ by examining their fruits. MacArthur asks, “What does it really mean to be saved?” He urges readers to understand that their conversion was more than a mere point in time, that, by definition, it includes a lifetime of obediently walking with Jesus as Lord. This 20th anniversary edition of MacArthur’s provocative, Scripture-based book contains one new chapterand is further revised to provide Christians in the 21st century a fresh perspective on the intrinsic relationship between faith and works, clearly revealing why Jesus is both Savior and Lord to all who believe. Perhaps no one else has ever faced as much hardship, opposition, or relentless suffering as the apostle Paul. And yet, through it all, Paul stood firm in Christ and remained faithful—to the very end. The power of Paul’s example has captivated veteran pastor John MacArthur for years, and here he outlines nine unwavering convictions that contributed to this remarkable perseverance. In an age when pastoral failure and burnout are increasingly common, this place is a call to endurance in ministry, encouraging pastors to stand strong in their role and not lose heart, regardless of what God sends their way. The book of Revelation unveils Jesus Christ in his glory and victorious return. And yet no other New Testament book of the Bible poses more serious and difficult interpretative challenges. John MacArthur will take you through the book, passage by passage, so that you can better understand everything from the historical context to the coming of Christ’s Kingdom. The apostle John wrote this letter to the churches in Asia Minor who were feeling the overwhelming effects of persecution from all sides. It was a reminder to them that God saw their hardships, cared about them, and would reward them for their faithfulness. Through the use of vivid imagery, John writes Revelation to reveal the end of human history, the return of Christ, and the establishment of a new heaven and a new earth. John’s message of hope in Revelation assures Christians that God is in sovereign control of all past, present, and future events. He encourages believers to trust that Jesus Christ will judge the lost and will rule in ultimate victory over all human and demonic opposition. —ABOUT THE SERIES— The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur. How to Shepherd Biblically

*From Bible teacher John MacArthur, a revelatory exploration of what the apostle Paul actually taught about the Good News of Jesus. The apostle Paul penned a number of very concise, focused passages in his letters to the early church that summarize the gospel message in just a few well-chosen words. Each of these key texts has a unique emphasis highlighting some essential aspect of the Good News of Jesus Christ. The chapters in this revelatory new book closely examine those vital gospel texts, one verse at a time. John MacArthur, host of the popular media ministry Grace to You, tackles such questions as: What is the gospel? What are the essential elements of the message? How can we be certain we have it right? And how should Christians be proclaiming the Good News to the world? As always, the answers John MacArthur gives are clear, compelling, well-reasoned, easy to understand, and above all, thoroughly biblical. The Gospel According to Paul is written in a style that is easily accessible to lay people, including those who know very little about the Bible, while being of great value to seasoned pastors and experienced ministers. *The question of the “historical Adam” is a flashpoint for many evangelical readers and churches. Science-and-theology scholar Loren Haarsma—who has studied, written, and spoken on science and faith for decades—shows it is possible both to affirm what science tells us about human evolution and to maintain belief in the doctrine of original sin. Haarsma argues that there are several possible ways of harmonizing evolution and original sin, taking seriously both Scripture and science. He presents a range of approaches without privileging one over the others, examining the strengths and challenges of each.*

Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching. In Preaching: How to Preach Biblically, John MacArthur’’ well-known passion for the Bible combines with the expertise of faculty members at The Master’s Seminary to inspire and equip preachers in effective biblical preaching. Preaching: How to Preach Biblically flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages, connecting what pastors learn in seminary with the sermons preached in a local church. This volume shows how to progress purposefully from one phase to the next in preparing to minister to God’s people through preaching. This book answers these questions and more: What is expository, biblical preaching? What are the theological and historical foundations for insisting on expository preaching? What are the steps involved in preparation for and participation in biblical preaching? What models exist for expository preaching today? The Master’s Seminary faculty, with over thirty years’ experience in preaching and seminary training of preachers, contributes a treasury of expertise alongside insights from expositor John MacArthur. While united on their commitment to exposition, the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence.
