A Pryce Family Novel Having grown up in a dysfunctional family, Vanessa Pryce knows the futility of relying on a man for happiness. But there is one man who makes her want to ignore the truth: the irresistible Justin Sterling, her

no-strings boyfriend since their college days together. Even after they break up, she continues to meet him for passionate encounters while keeping the relationship secret. No need to make public something that's doomed. Billionaire tycoon Justin Sterling understands Vanessa's fears. But he's about to change the game they've been playing... Because when one drunken night of sex leads to pregnancy, he's going to move heaven and earth to rewrite their rules.

Hi, I'm Jordyn. I flew from New

York to Culver City, CA to interview for the job of a lifetime. When I walked into The Bookstore, I only wanted a steamy romance or two to help pass the time before my big meeting. I walked out with a gorgeous and sweet, cinnamon roll who was more funny and charming than all of my favorite book boyfriends combined, which definitely wasn't the plan. But Mike was irresistible, and the time we spent together exploring Culver City was more fun than I've had in a long time. But I'm smart enough to know if something feels too good too

Who better to have a first-time gay experience with than an older billionaire? Lexi Rush is pretty normal. He's not a stand-up guy, but he's not an a-hole either. He makes a living off his pretty face and lives in a nice enough apartment. He has people he loves, but no one he'd take a

bullet for. Around him life happens without incident, until he meets tech billionaire Gideon Wave. Despite being worth more than the GDP of several small countries, and having all the right friends in high places, Gideon is going blind and can't do anything to stop it. When he meets the supposedly straight Lexi, who looks strikingly like his first and only love, Gideon offers Lexi a once in a lifetime opportunity—if Lexi agrees to go out with Gideon on the last Valentine's Day he'll experience before his sight is completely gone. Lexi initially agrees just so he can get closer to a man with powerful connections, but soon finds

himself feeling things for the billionaire that he has never felt before. Will their date be a huge mistake? Or will they discover love is truly blind? Blind Date is a gay romance novella. Readers should expect: M/M scenes between an older man and younger man, zero cliffhangers, and a happy ending.

Bad Boyfriend Kelsey Scott never wanted anything more serious than a hookup. Work triumphed all, men were simply trainable orgasm machines, and her friends and family were everything. But with her brother's wedding rapidly approaching and matchmaking ensuing from

all angles, she decided she needed a buffer from all the “perfect Mr. Rights,” the white tulle and frumpy bridesmaid dresses, and—ick—the heart-warming vows. What she didn’t need was Tanner. Her ex. The only man who had ever managed to weasel his way into her heart. And by typical male progression, the only man to break it. She was done with men. And certainly done with boyfriends. But when she and Tanner got paired up as a bridesmaid and groomsman at her brother’s wedding, Kelsey found it hard to remember all her steadfast rules. Especially when Tanner made her long for all those heart-warming

feels. Bad Blind Date Trixie Donovan had left California for bigger and better things. Then had kept on moving, putting her nursing skills to use to help people all over the world. But living without reliable electricity or clean water or, hell, the internet had grown old. Now she was back. She'd finally figured out what Netflix was, though she was still iffy on Tinder, and she'd become her half-sister Heather's new pet project. Eventually, after a sickeningly amount of pestering, Trix gave in, agreeing to a single blind date. A blind date who turned out to be Jet. The doctor she'd worked with halfway around the world. The

man she'd slept with and then had fallen desperately in love with. The one who, in cliché, naïve fashion, had decimated her heart. And the one who transformed an unwanted, but tolerable night out into the blind date from hell. Because apparently Jet had decided his biggest regret was letting her go. Bad Wedding The white dress. The diamond ring. The full church. The . . . missing groom. Molly Miller had become a cliché when Jackson Davis left her at the altar, but she'd crawled back from the heartbreak and embarrassment and was living her dream of running a successful eatery in San Francisco. Well, good

riddance. She didn't need Jackson, or any other man in her life. She had Molly's, her restaurant, she had her customers, and she finally had found some happy. Who cared that she had unanswered questions as to why Jackson had left? It didn't matter. He'd gone and that was that. Moving on, grinding out one day in front of another, baking her way through her emotions and generally moving on with her life. Until . . . one early morning Jackson walked through the front door of her restaurant. And her whole world imploded. blissfully married. Or supposed to be anyway. But three kids, copious poopy diapers, and minimal sleep meant that she and Jordan were well past the honeymoon stage. And she didn't know how to get that bliss back. Luckily, Jordan had a plan. This is the complete set of the Billionaires in Love series. The books included are: The Billionaire's Arrangement Megan Donovan's days of freedom as a ski bum are numbered. Spending time on the slopes in Colorado was her last ditch effort to sow her wild oats before becoming the next CEO of her family's lucrative and high-profile business in New York. But

Megan never planned on falling in love, and she knows the adventurous and sexy Nick Merrill was cut out for the fun and carefree ways of Colorado--not the suffocating life of boardrooms and business meetings. Nick Merrill has the woman he wants, forever. The trouble is every time he suggests they take their relationship a step further Megan balks at the idea of commitment. But after three years, Nick isn't willing to wait any longer. When he discovers the real reason she won't say yes, Nick must convince her they're worth the ride... The Billionaire's Blind Date Diana Russo thought retiring early from her billion-

dollar cosmetics company would give her time to find the love and happiness she'd set aside during the years she'd spent striving to be a corporate giant. But months after she'd handed Bellae off to her daughters, she was lonely ... until Charlie Pierce stormed into her life. With a mischievous twinkle in his eye, he swept her off her feet for a whirlwind romance full of adventure. Charlie Pierce came from humble beginnings before he launched a successful online cooking network that propelled him into a life of luxuries he'd always desired. Unfortunately while his business flourished under his care, finding the

kind of woman he wanted to spend his riches with seemed out of his grasp. The country club set of divorcees he encountered were more interested in cocktail parties and redecorating than experiencing the pleasure of sailing on the ocean or finding the best Korean barbeque New York City had to offer. When he discovered Diana, he knew he'd found the woman he wanted. All he had to do was convince her to take the chance. Diana thought Charlie was the perfect partner. I had my blind date with Luke Winters, or rather LW (Luke Warm) as he was known in the office. He was far from warm when I went on a blind date with him. More like stone-cold mean. Then again, I couldn't blame him. After all, I was homeless. He had two homes, a penthouse and a house. I was soaking wet, and dressed as if I was on to my shift at the local diner. He was formally dressed. I flooded the bathroom of one of the most prestigious restaurants in the city, and at that point, he walked out. Like a stray dog, I followed him, hoping he would give me a lot more than a bone. I didn't expect him to give me an opportunity to work in his office and fifty thousand big ones. I had to work for him and pretend to be his girlfriend. Piece of cake! I took a deep

breath. Promised I could do the job and not only did I try to make an impression at work, but I found myself no longer wanting to pretend. I soon realized why they called him LW, because it was far from a piece of cake. More like a walk in the park during a hurricane.

"Good Morning Malibu, it's another beautiful day on the west coast! I'm Noely Clark, your host: and I'm in the market for love..." When the publicity team of the new local restaurant, **Going in Blind**, began their search for a hot, local celebrity to promote the wildly popular eatery, they couldn't have found a better person than me.

Outgoing? Check. Single? Check. Open to finding love? Check. I signed up immediately. A hopeless romantic with an exceedingly demanding schedule, I've found it impossible to find the man of my dreams-so Going in Blind seems

too good to be true! That's until they start setting me up on dates-three very different, very attractive, very distinct blind dates-and only one thing is for certain . . . I'm in big trouble. Good Morning Malibu, I'm Noely Clark, and I have a choice to make. The question is who will I choose; the suit, the rebel, or the jock.

Kendall isn't fearless, but to get a scoop, the reporter pulls no punches, but this story takes unexpected turns that force her to stretch well beyond her reporting skills. Everything she believes about herself is challenged when she meets Chad, a stubborn fighter who takes her breath away and simultaneously sets off alarm bells in her head. Chad is a wanted man. Champion fighters want to fight him. Women want him to love them. Major companies want to stop the small

fighting operation. And a pretty and insistent reporter wants to interview him. The more she pesters, the harder he resists... What begins as a relatively benign interview soon turns into something neither Kendall nor Chad could have anticipated. For the first time in his life, he finds himself drawn to a woman who isn't fawning all over him, and it drives him crazy. It takes more effort than he hoped, but when a dinner leads to a night neither will soon forget. Will she let down her guard and take him at his word or is their night together the end for them?

Helen and Casey both take an afternoon off work for some much needed rest and relaxation, and book in to an exclusive massage parlor. Lying on long massage tables next to each other, they enjoy the touch of their hot, female masseuses - one Japanese, one Colombian. However,

But living without reliable electricity or clean water or, hell, the internet had grown old. Now she was back. She'd finally figured out what Netflix was, though she was still iffy on Tinder, and she'd become her half-sister Heather's new pet project. Eventually, after a sickeningly amount of pestering, Trix gave in, agreeing to a single blind date. A blind date who turned out to be Jet. The doctor she'd worked with halfway around the world. who, in cliché, naïve fashion, had decimated her heart. And the one who transformed an unwanted, but tolerable night out into the blind date from hell. Because apparently Jet had decided his biggest regret was letting her go.

No way is she selling what belongs to me! Yes, her father stole from me. Yes, I want the money back. No, I don't expect her to repay me. I definitely don't expect her to auction away her virginity to pay me. Doesn't she realize that already belongs to me? She's mine. But if this is how I get my woman, fine. I'll win the auction and take the prize. She thinks it's just for the weekend. Wrong. She'll know soon enough, it's forever.
