For Sophie Page, the job of warden at Elmcote Hall is a dream come true. The beauty of the old house and the overgrown grounds speaks to her love of nature. As a venue for weddings, films and exotic parties the Hall draws curious and interesting people, including the handsome Richard Fox and his friends - who are equally alluring and more puzzling still. Sophie suspects that Fox is responsible for the sexually charged events taking place by night in the woods around the Hall. However, he is only carrying on a tradition; Elmcote's Victorian owner - the eccentric occultist, Elgar Vaughan - used the grounds for Dionysian sex rituals, and now it's Sophie's turn to find out just how much fun can be had with the old ways of worship.

This is the sixth novel in Cindy Gerard's New York Times bestselling Black Ops, Inc. romantic suspense series. Black Ops, Inc. operative Luke—Doc Holliday—Colter is taking some much needed down-time, making his way across the Peruvian Andes via rail, when banditos attack the moving train in the midnight hours. It soon becomes apparent that robbery is not their intent but the abduction of super model Valentina, who is traveling incognito while recovering from a public scandal involving her ex-husband, high profile US Senator, Marcus Chamberlin. Luke whisks Valentina off the train in a daring escape but the two of them become the targets of a relentless manhunt. Enlisting the aid of Luke's BOI teammates, they soon discover that Val 's intended abduction is linked to a plot put in play by an international gun smuggling alliance. The BOI team led by Luke, with Val along as a necessary pawn, must race halfway around the world to thwart a ruthless attack that would not only result in a devastating loss of life but destroy a tenuous peace the US and her allies have established in a vastly unstable part of the world.

Eva Trammel, plagued by her own insecurities, is drawn into an intense, obsessive relationship with the wealthy and arrogant Gideon Cross. "Gideon Cross came into my life like lightning in the darkness. He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily. Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart."--Back cover.

Angela Eight years ago, Massimo Moretti stole my heart before disappearing. Now, a few days before my arranged marriage, he's stolen me. Literally kidnapped me. Saving me? No. He's far from the boy I knew. He's Sicilian Mafia now. Pitiless. Dark. Cruel. I shouldn't be so turned on when he puts his merciless hands on me. But I am. He's going to break me. Tear down every inch of the walls I've worked so hard to build around my shattered heart. I try to resist him. But my body won't let me. He says he plans to auction me off to the highest bidder. But what if he keeps me for himself? Massimo She hasn't changed a bit. Still so naïve. The epitome of innocence. Pale skin that has rarely seen the light of day. Long, silky brown hair that has never been touched by another man. I almost feel bad breaking her. Almost. I'm going to make her scream my name instead of the name of the man she was supposed to marry. She thinks I'll let her go if she seduces me. She's wrong. Dead wrong. I'm going to use the money from her sale to finance my operation. At least that's what I tell myself. Because I never expected her to get in my head. She's wormed her way deep inside. Stirred up feelings from a part of me I thought long dead. Now I have to find a way to cut her loose before I do something I regret. Before she destroys me.

The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster, Academy-Award nominated movie. "An amazingly detailed account of fighting in Iraq--a humanizing, brave story that's extremely readable." — PATRICIA CORNWELL, New York Times Book Review "Jaw-dropping...Undeniably riveting." —RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

An old portrait in Sarah's rented house has an uncanny resemblance to her. Her new lover insists he's a ghost. Where will it all lead? Through sex, magic and orgasmic visions, she must fight betrayal and learn the truth. Hello Goodbye Hello is a daisy chain of 101 fascinating true encounters, a book that has been hailed by reviewers in London as "howlingly funny" (The Spectator), "original and a complete delight" (The Sunday Times), and "rich and hugely enjoyable" (The Guardian). Or, as the London Evening Standard put it, "the truth and nothing but the plain, bonkers, howling truth . . . It is partly a huge karmic parlour game, partly a dance to the music of chaos—and only the genius of Craig Brown could have produced it." Who could imagine such unlikely—but true— encounters as these: Martha Graham meets Madonna Igor Stravinsky meets Walt Disney Frank Lloyd Wright meets Marilyn Monroe Marilyn Monroe meets Nikita Khrushchev President Richard Nixon meets Elvis Presley Harpo Marx meets George Bernard Shaw Cecil Beaton meets Mick Jagger Salvador Dali meets Sigmund Freud Groucho Marx meets T.S. Eliot Brilliant in conception, Hello Goodbye Hello shows how the celebrated and gifted—like the rest of us— got along famously or disastrously or indifferently with one another, but, thanks to Craig Brown, always to our amusement and entertainment. From an opening story in which Adolf Hitler survives being knocked down by a careless English driver in 1931 to the Duchess of Windsor's meeting with the Führer over tea, and 99 others in between, Hello Goodbye Hello is the perfect example that truth is stranger than fiction (and infinitely more enjoyable).
