*Knitwear designers Alana Dakos and Hannah Fettig are two friends living on opposite ends of the United States. They have come together to produce Coastal Knits, a compilation of ten fresh designs inspired by Alana's California and Hannah's Maine coastlines. Each design captures the essence of their favorite local destinations, and is accompanied by photographs and essays on the location's special meaning to the designer. It is a personal, inspiration-based collection of sweaters and accessories that knitters of all levels will appreciate"--P. [4] of cover.

Choose from many of the business cards and visualize yourself handing it to a client.Are you tired of sifting through magazines to find the perfect phrases or words for your vision or dream board? Get them from this manifestation booklet and save yourself time! You can also add all the templates to your vision or dream board. This booklet includes: 4 business cards 1 gift voucher 1 gift certificate 8 bank checks 8 boarding passes 1 marriage certificate 1 birth certificate 2 certificates of achievement 2 bank statements 1 vehicle ownership certificate 1 certificate of ownership 4 entrance tickets 1 all access pass 1 membership card 2 admit one tickets 1 gold credit card over 50 inspirational words 7 quotes handy size: 8.25" x 6" (21 x 15 cm) glossy finish softcover Ready to change your life for the better? Choose change and get yours NOW!

Unlock the incredible potential of enterprise risk management. There has been much evolution in terms of ERM best practices, experience, and standards and regulation over the past decade. Enterprise Risk Management: Today's Leading Research and Best Practices for Tomorrow's Executives, Second Edition is the revised and updated essential guide to the now immensely popular topic of enterprise risk management (ERM). With contributions from leading academics and practitioners, this book offers insights into what practitioners are doing and what the future holds. You'll discover how you can implement best practices, improve ERM tools and techniques, and even learn to teach ERM. Retaining the holistic approach to ERM that made the first edition such a success, this new edition adds coverage of new topics including cybersecurity risk, ERM in government, foreign exchange risk, risk appetite, innovation risk, outsourcing risk, scenario planning, climate change risk, and financial crime. In addition, the new edition updates and enhances the first edition topics covering the firm. Updated content includes: the new book Enterprise Risk Management introduces you the concepts and techniques that allow you to identify risks and prioritize the appropriate responses. This invaluable guide offers a broad overview, covering key issues while focusing on the principles that drive effective decision making and determine business success. This comprehensive resource also provides a thorough introduction to ERM as it relates to credit, market, and operational risk, as well as the evolving requirements of the board of directors' role in overseeing ERM. Through the comprehensive chapters and best practices covered, this book provides a holistic overview of key topics in ERM, including the role of the chief risk officer, development and use of key risk indicators and the risk-based allocation of resources Contains second-edition updates covering additional material related to teaching ERM, risk frameworks, risk culture, credit and market risk, risk workshops and risk profiles and much more. Over 90% of the content from the first edition has been revised or enhanced Reveals how you can prudently apply ERM best practices within the context of your underlying business activities Filled with helpful examples, tables, and illustrations, Enterprise Risk Management, Second Edition offers a wealth of knowledge on the drivers, the techniques, the benefits, as well as the pitfalls to avoid, in successfully implementing ERM.

From the creator of the popular website Ask a Manager and New York 's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There 's a reason Alison Green has been called " the Dear Abby of the work world. " Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You 'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email and hit " reply all " • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate 's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager " A must-read for anyone who works . . . [Alison Green 's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work. " —Booklist (starred review) " The author 's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers ' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience. " —Library Journal (starred review) " I am a huge fan of Alison Green 's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor. " —Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide " Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way. " —Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Take charge of your finances and achieve financial independence — the Clever Girl way Join the ranks of thousands of smart and savvy women who have turned to money expert and author Bola Sokunbi for guidance on ditching debt, saving money, and building real wealth.
