Americans have built an empire on the idea of “race,” a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates’s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children’s lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, Between the World and Me clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

The Aquarian Gospel of Jesus the Christ is Levi's most famous work, published in 1907. In it, he fills in the missing years of Jesus' life with reports on his early education with Jewish rabbis, a trip to India where he learned about Hinduism and the Vedas, and his further travels to Tibet, Persia, Assyria, Greece, and Egypt. The historical accuracy of Levi's writing is questionable, and the work is considered apocryphal by all but the Church Universal and Triumphant, but his message bolsters the heroic image of Jesus as a savior of men everywhere. American preacher and author LEVI H. DOWLING (1844-1911) was a dedicated ascetic who observed intense meditation and fasting in order to strengthen his spiritual power and understanding. With this practice, he claimed to have gotten access to God's Book of Remembrance, which contains all knowledge of history, and wrote a number of histories based the revelations within that book.

Opinion has been much divided concerning the design, scope, and application of the Sermon on the Mount. Most commentators have seen in it an exposition of Christian ethics. Men such as the late Count Tolstoi have regarded it as the setting forth of a "golden rule" for all men to live by. Others have dwelt upon its dispensational bearings, insisting that it belongs not to the saints of the present dispensation but to believers within a future millennium. Two inspired statements, however, reveal its true scope. In Matthew 5:1, 2, we learn that Christ was here teaching His disciples. From Matthew 7:28, 29, it is clear that He was also addressing a great multitude of the people. Thus it is evident that this address of our Lord contains instruction both for believers and unbelievers alike.
