

Bonjour Tristesse Françoise Sagan

Provides an annotated list of fiction and nonfiction by women authors, including works on art, ethics, family life, motherhood, pioneer life, power, violence, marriage, and work

Françoise Sagan is best known for her first novel, *Bonjour Tristesse*, which caused a scandal when she first published it at the age of eighteen in 1953. But her second novel, *A Certain Smile*, less shocking and more psychologically convincing, was preferred by many critics. Like *Bonjour Tristesse*, this story is set in Paris in the 1950s and told by a young student bored by her law books, restless and curious about love and sex. She is fond of her loyal boyfriend, but he, too, bores her. His worldly uncle strikes her as more exciting, appealingly risky and forbidden. Frank and spontaneous, vulnerable and cruel, thoughtless and insightful, Sagan's young narrator explores such perennial themes as unrequited love and the precarious balance of irrational emotions and self-restraint. This edition includes a new foreword by Diane Johnson, author of the best-selling novels *Le Divorce* and *L'Affaire*. "The second book is now out, and so is the verdict. Sagan's novel *Un Certain Sourire*, written in two months, is the new literary sensation of Paris."—*Time* "Miss Sagan is a technician of the highest

order, working with exceptional economy and elegance in the tradition of Colette and Benjamin Constant.”—Atlantic “The reader is given the feeling of having opened a young girl’s intimate diary by mistake. But whoever put such a diary down?—especially when the author is as sensitive, experienced, gifted and freshly talented as Mlle. Sagan!”—San Francisco Examiner “[Sagan’s] style is honest, direct, and her dialogue true. But for her sake let’s hold back those invidious comparisons. Colette indeed! She might turn out to be Sagan.”—Saturday Review

The French Riviera: home to the Beautiful People. And none are more beautiful than Cecile, a precocious seventeen-year-old, and her father Raymond, a vivacious libertine. Charming, decadent and irresponsible, the golden-skinned duo are dedicated to a life of free love, fast cars and hedonistic pleasures. But when Raymond decides to marry, he lets loose in Cecile raw, ungovernable impulses to destroy, with tragic consequences. **BONJOUR TRISTESSE** scandalized 1950s France with its portrayal of teenager Cecile, a heroine who rejects conventional notions of love, marriage and responsibility to choose her own sexual freedom.

A stunning memoir of an intercultural marriage gone wrong When Susan, a shy Midwesterner in love with Chinese culture, started graduate school in Hong Kong, she quickly fell for Cai, the Chinese man of her dreams. As they exchanged vows, Susan thought she'd stumbled into an exotic fairy tale, until she realized Cai—and his culture—were not what she thought. In her riveting memoir, Susan recounts her struggle to be the perfect traditional "Chinese" wife to her increasingly controlling and abusive husband. With keen insight and heart-wrenching candor, she confronts the hopes and hazards of intercultural marriage, including dismissing her own values and needs to save her relationship and protect her newborn son, Jake. But when Cai threatens to take Jake back to China for good, Susan must find the courage to stand up for herself, her son, and her future. Moving between rural China and the bustling cities of Hong Kong and San Francisco, Good Chinese Wife is an eye-opening look at marriage and family in contemporary China and America and an inspiring testament to the resilience of a mother's love—across any border.

Published when she was only eighteen, Françoise Sagan's astonishing first novel, *Bonjour Tristesse* became an instant bestseller. It tells the story of Cécile, who leads a carefree life with her widowed father and his young mistresses until, one hot summer on the Riviera, he decides to remarry - with devastating consequences. In *A Certain Smile* Dominique, a young woman bored with her lover, begins an encounter with an older man that unfolds in unexpected and troubling ways. Hailed by David Sedaris as "perfectly, relentlessly funny" and by Colson Whitehead as "sardonic without being cruel, tender without being sentimental," from the author of the new collection Look Alive Out There. Wry, hilarious, and profoundly genuine, this debut collection of literary essays is a celebration of fallibility and haplessness in all their glory. From despoiling an exhibit at the Natural History Museum to provoking the ire of her first boss to siccing the cops on her mysterious neighbor, Crosley can do no right despite the best of intentions -- or perhaps because of them. Together, these essays create a startlingly funny and revealing portrait of a complex and utterly recognizable character who aims for the stars but hits

the ceiling, and the inimitable city that has helped shape who she is. I Was Told There'd Be Cake introduces a strikingly original voice, chronicling the struggles and unexpected beauty of modern urban life.

La villa est magnifique, l'été brûlant, la Méditerranée toute proche. Cécile a dix-sept ans. Elle ne connaît de l'amour que des baisers, des rendez-vous, des lassitudes. Pas pour longtemps. Son père, veuf, est un adepte joyeux des liaisons passagères et sans importance. Ils s'amuse, ils n'ont besoin de personne, ils sont heureux. La visite d'une femme de coeur, intelligente et calme, vient troubler ce délicieux désordre. Comment écarter la menace ? Dans la pinède embrasée, un jeu cruel se prépare. C'était l'été 1954. On entendait pour la première fois la voix sèche et rapide d'un " charmant petit monstre " qui allait faire scandale. la deuxième moitié du XXe siècle commençait. Elle serait à l'image de cette adolescente déchirée entre le remords et le culte du plaisir.

the collection of poems she foresees will make her name. It is also the story of a woman struggling to maintain her mental equilibrium, to absorb the pain of her husband's betrayal and to resist her mother's engulfing love. It is the story of Sylvia Plath. In this deeply felt novel, Kate Moses recreates Sylvia Plath's last months, weaving in the background of her life before she met Ted Hughes through to the disintegration of their relationship and the burst of creativity this triggered. It is inspired by Plath's original ordering and selection of the poems in Ariel, which begins with the word 'love' and ends with 'spring,' a mythic narrative of defiant survival quite different from the chronological version edited by Hughes. At Wintering's heart, though, lie the two weeks in December when Plath finds herself still alone and grief-stricken, despite all her determined hope. With exceptional empathy and lyrical grace, Moses captures her poignant, untenable and courageous struggle to confront not only her future as a woman, an artist and a mother, but the unbanished demons of her past.

Before Françoise Sagan the literary icon there was Françoise Quoirez, an eighteen-year-old Parisian girl, who wrote a novel and needed a publisher for it.

One of France's most popular authors tells the story of a man in his thirties who learns he has terminal cancer--a revelation that exposes the flimsiness of his closest relationships and causes him to revolt against his former life.

Literary ombudsman John Crace never met an important book he didnt like to deconstruct.From Salman Rushdie to John Grisham, Crace retells the big books in just 500 bitinglly satirical words, pointing his pen at the clunky plots, stylistic tics and pretensions to Big Ideas, as he turns publishers golden dream books into dross. In the grand tradition of Tom Lehrer and Stan Freberg, Crace takes the books that produce the most media hype and retells each story in its authors inimitable style. Philip Roth, Don Delillo, Margaret Drabble, Paul Auster, Alice Sebold, John

Updike, Tom Wolfe, Ruth Rendell, A.S. Byatt, John LeCarre, Michael Crichton and Ian McEwan all emerge delightfully scathed in this book that makes it easy to talk knowingly about books youve never bothered to read or, for that matter, should have.

The first full-scale life of the controversial, greatly admired yet often underrated director/producer who was known as "Otto the Terrible." Nothing about Otto Preminger was small, trivial, or self-denying, from his privileged upbringing in Vienna as the son of an improbably successful Jewish lawyer to his work in film and theater in Europe and, later, in America. His range as a director was remarkable: romantic comedies (The Moon Is Blue); musicals (Carmen Jones; Porgy and Bess); courtroom dramas (The Court-Martial of Billy Mitchell; Anatomy of a Murder); adaptations of classic plays (Shaw's Saint Joan, screenplay by Graham Greene); political melodrama (Advise and Consent); war films (In Harm's Way); film noir (Laura; Angel Face; Bunny Lake Is Missing). He directed sweeping

sagas (from The Cardinal and Exodus to Hurry Sundown) and small-scale pictures, adapting Françoise Sagan's Bonjour Tristesse with Arthur Laurents and Nelson Algren's The Man with the Golden Arm. Foster Hirsch shows us Preminger battling studio head Darryl F. Zanuck; defying and undermining the Production Code of the Motion Picture Association of America and the Catholic Legion of Decency, first in 1953 by refusing to remove the words "virgin" and "pregnant" from the dialogue of The Moon Is Blue (he released the film without a Production Code Seal of Approval) and then, two years later, when he dared to make The Man with the Golden Arm, about the then-taboo subject of drug addiction. When he made Anatomy of a Murder in 1959, the censors objected to the use of the words "rape," "sperm," "sexual climax," and "penetration." Preminger made one concession (substituting "violation" for "penetration"); the picture was released with the seal, and marked the beginning of the end of the Code. Hirsch writes about how Preminger was a master of the "invisible" studio-

bred approach to filmmaking, the so-called classical Hollywood style (lengthy takes; deep focus; long shots of groups of characters rather than close-ups and reaction shots). He shows us Preminger, in the 1950s, becoming the industry's leading employer of black performers—his all-black Carmen Jones and Porgy and Bess remain landmarks in the history of racial representation on the American screen—and breaking another barrier by shooting a scene in a gay bar for Advise and Consent, a first in American film. Hirsch tells how Preminger broke the Hollywood blacklist when, in 1960, he credited the screenplay of Exodus to Dalton Trumbo, the most renowned of the Hollywood Ten, and hired more blacklisted talent than anyone else. We see Preminger's balanced style and steadfast belief in his actors' underacting set against his own hot-tempered personality, and finally we see this European-born director making his magnificent films about the American criminal justice system, Anatomy of a Murder, and about the American political system, Advise and Consent. Foster Hirsch shows

us the man—enraging and endearing—and his brilliant work.

*In 2003, Rachel Cusk published **A Life's Work**, a provocative and often startlingly funny memoir about the cataclysm of motherhood. Widely acclaimed, the book started hundreds of arguments that continue to this day. Now, in her most personal and relevant book to date, Cusk explores divorce's tremendous impact on the lives of women. An unflinching chronicle of Cusk's own recent separation and the upheaval that followed—"a jigsaw dismantled"—it is also a vivid study of divorce's complex place in our society. "Aftermath" originally signified a second harvest, and in this book, unlike any other written on the subject, Cusk discovers opportunity as well as pain. With candor as fearless as it is affecting, Rachel Cusk maps a transformative chapter of her life with an acuity and wit that will help us understand our own.*

“Groskop skillfully juggles memoir, biography, philosophy, and literary criticism to create a delightful tour through some of French literature’s greats.” —Madeline Miller, New York Times–bestselling author Like many people the world over, Viv Groskop wishes she was a little more French. A writer, comedian, and journalist, Groskop studied the language obsessively starting at age 11, and spent every vacation in France, desperate to escape her Englishness and to have some French chic rub off on her. In Au Revoir, Tristesse, Groskop mixes literary history and memoir to explore how the classics of French literature can infuse our lives with joie de vivre and teach us how to say goodbye to sadness. From the frothy hedonism of Colette and the wit of Cyrano de Bergerac to the intoxicating universe of Marguerite Duras and the heady passions of Les Liaisons dangereuses, this is a love letter to great French writers. With chapters on Marcel Proust, Victor Hugo, Gustave Flaubert, Stendhal, Honoré de Balzac, Albert Camus, and of course Françoise Sagan, this is a delectable read for book lovers everywhere. “Ms. Groskop is a skilled raconteuse who brings people—and the page—to life. She writes with a self-deprecating appreciation of the Frenchman or -woman manqué(e) that lurks in us all. You don’t have to be a savant to enjoy this book . . . Au Revoir, Tristesse will make a witty, seductive companion.” —The Wall Street Journal “Groskop’s combination of her own memories, what the

novels meant to her at different stages in her life, her description of the authors, along with her description of the novels, will have readers eagerly turning the book's pages." —Forbes

In this entertaining and enlightening collection David Lodge considers the art of fiction under a wide range of headings, drawing on writers as diverse as Henry James, Martin Amis, Jane Austen and James Joyce. Looking at ideas such as the Intrusive Author, Suspense, the Epistolary Novel, Magic Realism and Symbolism, and illustrating each topic with a passage taken from a classic or modern novel, David Lodge makes the richness and variety of British and American fiction accessible to the general reader. He provides essential reading for students, aspiring writers and anyone who wants to understand how fiction works.
