Don't miss *The Mortal Instruments: City of Bones*, soon to be a major motion picture in theaters August 2013. The New York Times bestselling *Mortal Instruments* continues—and so do the thrills and danger for Jace, Clary, and Simon. What price is too high to pay, even for love? When Jace and Clary meet again, Clary is horrified to discover that the demon Lilith's magic has bound her beloved Jace together with her evil brother Sebastian, and that Jace has become a servant of evil. The Clave is out to destroy Sebastian, but there is no way to harm one boy without destroying the other. As Alec, Magnus, Simon, and Isabelle wheedle and bargain with Seelies, demons, and the merciless Iron Sisters to try to save Jace, Clary plays a dangerous game of her own. The price of losing is not just her own life, but Jace's soul. She's willing to do anything for Jace, but can she still trust him? Or is he truly lost? Love. Blood. Betrayal. Revenge. Darkness threatens to claim the Shadowhunters in the harrowing fifth book of the *Mortal Instruments* series.

Simon Lewis is having some trouble adjusting to his new life as a vampire. He hardly sees his best friend Clary, who is caught up in training to be a Shadowhunter and spending time with her new boyfriend.

Simon decides he needs a break and heads out of the city, but sinister events are following him.

"Darkness has descended on the Shadowhunter world. Chaos and destruction overwhelm the Nephilim as Clary, Jace, Simon, and their friends band together to fight the greatest evil they have ever faced: Clary's own brother. Nothing in this world can defeat Sebastian—but if they journey to the realm of demons, they just might have a chance.."

Is love worth betraying everything? Plunge into the second adventure in the internationally bestselling *Mortal Instruments* series and "prepare to be hooked" (*Entertainment Weekly*)—now with a gorgeous new cover, a map, a new foreword, and exclusive bonus content! *City of Ashes* is a Shadowhunters novel.

Clary Fray just wishes that her life would go back to normal. But what's normal when you're a demon-slaying Shadowhunter, your mother is in a magically induced coma, and you can suddenly see Downworlders like werewolves, vampires, and faeries? If Clary left the world of the Shadowhunters behind, it would mean more time with her best friend, Simon, who's becoming more than a friend. But the Shadowhunting world isn't ready to let her go—especially her handsome, infuriating, newfound brother, Jace. And Clary's only chance to help her mother is to track down rogue Shadowhunter Valentine, who is probably insane, certainly evil—and also her father. To complicate matters, someone in New York City is

murdering Downworlder children. Is Valentine behind the killings—and if he is, what is he trying to do? When the second of the Mortal Instruments, the Soul-Sword, is stolen, the terrifying Inquisitor arrives to investigate and zooms right in on Jace. How can Clary stop Valentine if Jace is willing to betray everything he believes in to help their father? In this breathtaking sequel to *City of Bones*, Cassandra Clare lures readers back into the dark grip of New York City's Downworld, where love is never safe and power becomes the deadliest temptation.
