Some of us fear moments when we need to defend our theology. Some of us seek them out. But we are seldom ready the way Jesus seemed to be ready. So how do we draw others to God in the midst of these ordinary conversations the way Jesus did? In Speaking of Jesus, Carl Medearis draws on his experience of international reconciliation between Muslims and Christians to remind us of the heart of the matter: Jesus. Here he gives us tools, stories, and the foundation we need to move beyond “us” and “them” and simply talk about the One who changes it all. As Carl writes,

transforming our understanding of white evangelicalism in America. *Jesus and John Wayne* is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with “a spiritual badass.” As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today’s evangelicals might not be theologically astute, but they know their VeggieTales, they’ve read John Eldredge’s *Wild at Heart*, and they learned about purity before they learned about sex—and they have a

silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of “Christian America.” Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the “moral majority” backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white

evangelicals' most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, Jesus and John Wayne shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans.

low-stakes, low-expectations teaching and invites teachers to do nothing less than teach and treasure the good news of Jesus—in every lesson. Instead of leaving kids with lessons about changing their behavior, Show Them Jesus offers a new way by sweetly, masterfully, and powerfully showing kids how the gospel really applies to their lives and changes them for eternity. In sharing example after example from his years of experience, Jack provides readers with a more enriched view of Jesus and how to teach this gospel perspective in a classroom setting. Studying Jesus' conversations with diverse people in his day, Jerram Barrs draws lessons and principles for attractively communicating the gospel to unbelievers in our day. Living in a culture that is opposed to Christianity tempts God's people to conform, to retreat, to be silent. But Jesus showed the way to live faithfully before an unbelieving world. As the greatest

evangelist, Jesus exemplified how to attract people to the gospel. He modeled how to initiate spiritual conversations full of grace and truth. Christian evangelism, then, both in theory and practice, must be shaped by his pattern. Seeking to articulate the passions and principles present in Christ's life and words, longtime L'Abri staff member Jerram Barrs has studied Jesus' diverse encounters with people throughout the Gospels. Each chapter of Learning Evangelism from Jesus recounts one of those stories, draws useful lessons for readers' lives and communication of the gospel, and concludes with questions for further reflection and application. Jesus at the Door

All Christians are called. Called to love God with all that we are. Called to serve Him. Called to reach out to the lost.

However, if we are honest, the majority of us would admit that we find this last calling the most difficult. While we gladly

support the evangelistic ministries of others, many of us feel discouraged by our own attempts at witnessing because our memorized approaches don't seem to work. This biblical study of evangelism gracefully reminds us that the New Testament model of witnessing is not a one-size-fits-all methodology. With compassion for the lost filling every page, Jerram Barrs shows the variety of approaches used in the New Testament-where the same uncompromised Gospel was packaged as differently as the audience-and calls you to follow its example. You can learn to witness comfortably in your particular circumstances so that sharing Christ doesn't feel like a chore. And as you watch God work in the lives of others and see the great blessings He brings, you'll discover what a privilege it is to live out the heart of evangelism: truly

Following the Conservative Resurgence, Southern Baptist Convention (SBC) leaders and messengers now agree that God is calling them to a Great Commission Resurgence as the next step toward evangelistic renewal. This book is a collection of clarifying essays on the biblical, theological, and practical matters related to the rising movement. It will help churches and pastors recapture an exciting vision and passion for evangelism and missions. Several chapters were written by leaders of the appointed Great Commission Resurgence Task Force. Contributors are SBC president Johnny M. Hunt, Daniel L. Akin, Russell D. We have met evangelists—and they are not us. Sympathetic to the discomfort his students have about evangelism, Mark Teasdale gives us this refreshing, practical look at sharing the good news. *The most common methods of evangelism are tailor-made for extroverts. But what about the rest of us? Other Christians, including introverted, reflective people, are left with feelings of guilt and fear and the desire to become more outgoing. The problem, says Mike Bechtle, is not their personality, but that they've been taught methods of evangelism that push them too far out of their comfort zone. In *Evangelism for the Rest of Us*, Bechtle shows readers how to share their faith in more*

comfortable ways by helping them discover and define their unique strengths within their personality type. With fresh, biblical insight, this much-needed resource renews a passion for sharing Christ with others, because telling the Good News does not have to be so intimidating.

What if we changed the face of evangelism? In a time when so many have a negative perception of evangelism, what if a new model was entirely biblical, loaded with skills, and more effective? Soul Whisperer shifts the emphasis from "telling" to a "drawing" paradigm. It develops biblically the pattern of Jesus, who did not give static presentations but rather customized his words to each hearer. By learning his ways, our words, too, can have pinpointed impact! Christians will discover how to draw out first, in order to read their friends and discern the relevant appeal of the gospel. In

this way, the style is far more dynamic. It adapts! Understanding the non-believer's unique starting point will determine a distinct path. By creating a conversation about spiritual influence and what is involved in faith formation, this book charts ways for Christians to go deeper in evangelistic relationships. Most importantly, Soul Whisperer infuses skills that will shape a more Christ-likened missional disciple.

Readers will find in this book a strong and uplifting argument that the Episcopal Church's theology, sacramental ministry, and commitment to social justice have an essential role to play in mainline Christianity and in the public square. This book will help readers to understand that what it means to be an Episcopalian and how evangelism is a fruit of that identity, not a mere marketing strategy or an end in itself. This book is an approachable and

inspiring presentation of the theological rationale and resource for sharing the faith as well as an argument that sharing the faith increases our own. It addresses basic questions that are buzzing in the church today and lays out a series of stories from faith communities across the Episcopal Church, both physical and digital ministries. Proceeds from this book will go to Sandy Hook Promise, the non-profit organization doing the brave work of the Newtown Families Against Gun Violence.

What If You Could Change the World without Changing Your Daily Routine? When you've been transformed by God's love, you can't help but want others to experience the same grace and freedom. But how do you share it without scaring them away or offending them? For most Christians, "evangelism" is an intimidating word that suggests handing out tracts to strangers or

doing other awkward things. But what if there was a more organic, more authentic way to share your faith with your friends, neighbors, and coworkers? Dave and Jon Ferguson have found five simple, straightforward practices that will allow any believer to do just that. And by consistently living them out, you can affect not just individual lives but your entire neighborhood and community—one person at a time.

Most Christians already know that they should be telling their friends about Jesus. But they have been poorly equipped with methods that are no longer effective in today's post-Christian world. to equip Christians with the principles and skills they need to tell the unbelievable news about Jesus to friends in a skeptical world. Many of the older principles and methods of evangelism in the twentieth century no longer work effectively today. In a post-Christian, post-churched, post-reached world we need new methods to communicate the timeless message of the gospel in culturally relevant ways. Dr. Chan combines the theological and biblical insights of classic evangelistic training with the latest insights from missiology on contextualization, cultural hermeneutics, and storytelling. Every chapter is illustrated with real-world examples drawn from over fifteen years of evangelistic ministry.

The Catholic Church is in the midst of a worldwide effort to engage its members in evangelization, and welcome home those who have left the Church. Yet the meaning of evangelization is unclear to many people: what is it, and how is it part of my life and my faith? Jesus the Evangelist is a transformative guide to becoming a better disciple through studying the words of Jesus. Using specific and concrete examples from Scripture, the book focuses on the life of Jesus and on the ways he evangelized among his disciples and followers. It defines for Catholics what evangelization is while

This book will guide the reader into active discipleship, providing a practical application of both Scripture and Church teaching to the process of evangelization.

Most Christians know they should be trying to tell their friends and family about Jesus. But in a post-Christendom world, personal evangelism is viewed negatively--it's offensive, inappropriate, and insensitive. Recent studies confirm that the

majority of Christians rarely evangelize, worried they might offend their family or lose their friends. In *How to Talk About Jesus (Without Being That Guy)*, author Sam Chan equips everyday Christians who are reluctant and nervous to tell their friends about Jesus with practical, tested ways of sharing their faith in the least awkward ways possible. Drawing from over two decades of experience as an evangelist, teacher, and pastor, Chan explains why personal evangelism feels so awkward today. And utilizing recent insights from communication theory, cross-cultural ministry, and apologetics, he helps you build confidence in sharing your faith, and teaches you how to evangelize your friends and family in socially appropriate ways.

"What would Jesus do?" is a great guiding question for living the Christian life, but it presupposes that we know the Bible well enough to come up with the answer. Maricle helps by mapping out the main priorities Jesus modeled in his life and ministry. He begins by asking a simple question: "What did Jesus most frequently and consistently say and do during his public ministry that would be instructive for us?" A formal analysis of the Gospels
