

Books Mossad Na Jasusi Mission In Gujarati Now

"This book tells what should have been known and isn't—that Israel's hidden force is as formidable as its recognized physical strength." — Israeli President Shimon Peres For decades, Israel's renowned security arm, the Mossad, has been widely recognized as the best intelligence service in the world. In Mossad, authors Michael Bar-Zohar and Nissim Mishal take us behind the closed curtain with riveting, eye-opening, boots-on-the-ground accounts of the most dangerous, most crucial missions in the agency's 60-year history. These are real Mission: Impossible true stories brimming with high-octane action—from the breathtaking capture of Nazi executioner Adolph Eichmann to the recent elimination of key Iranian nuclear scientists. Anyone who is fascinated by the world of international espionage, intelligence, and covert "Black-Ops" warfare will find Mossad electrifying reading. Mossad unveils the defining and most dangerous operations, unknown heroes, and mysterious agents of the world's most respected—and most enigmatic—intelligence service. Here are the thrilling stories of daring top secret missions, including the capture of Adolf Eichmann, the eradication of Black September, the destruction of the Syrian nuclear facility, and the elimination of key Iranian nuclear scientists. Drawn from intensive research and exclusive interviews with Israeli leaders and Mossad operatives, this riveting history brings to life the brave agents, deadly villains, and major battlegrounds that have shaped Israel and the world at large for more than sixty years.

This is one of the many inspiring books from the renowned "Motivator" Dr. G. Francis Xavier. Evidently, this harvest of stories has been gleaned from lands he visited and books he read. Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story, which is a novel approach. Stories and examples are the best way to inspire, and this volume can be gifted to anyone. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages except the morose and irredeemable negaholics (negative thinking addicts) and anti-reading teenagers. It has stories to inspire and promises uninterrupted chuckles till the end. There are also quotations on success.

The blue-eyed boy of Indian publishing, Abhimanyu Razdan is known for his bestselling romances, which move his readers to tears. PaperInk, an up-and-coming publishing house, is looking for an A-list author who will take them to the next level. So, when Abhimanyu's contract with his current publishers comes to an end, PaperInk decides to swoop in. But Abhimanyu isn't quite like the emotional and sensitive characters in the novels he writes. Callous, egoistic and drunk on success, he gets into a hot argument with Asmita, PaperInk's literary fiction editor, even before his first meeting with them. Already put off, despite her apology, he is even more incensed when he discovers that Asmita looks down on popular fiction, especially the kind he writes. He vows to teach her a lesson that could jeopardize her job. At each other's throats, Abhimanyu and Asmita are as different as can be, but fate has something else in store and they soon find that there is no running away from love.

Pointing to the horizon where the sea and sky are joined, he says, 'It is only an illusion because they can't really meet, but isn't it beautiful, this union which isn't really there.' -- SAADAT HASAN MANTO Sometime in 2016, a series of dialogues took place which set out to find a meeting ground, even if only an illusion, between A.S. Dulat and Asad Durrani. One was a former chief of RAW, India's external intelligence agency, the other of ISI, its Pakistani counterpart. As they could not meet in their home countries, the conversations, guided by journalist Aditya Sinha, took place in cities like Istanbul, Bangkok and Kathmandu. On the table were subjects that have long haunted South Asia, flashpoints that take lives regularly. It was in all ways a deep dive into the politics of the subcontinent, as seen through the eyes of two spymasters. Among the subjects: Kashmir, and a missed opportunity for peace; Hafiz Saeed and 26/11; Kulbhushan Jadhav; surgical strikes; the deal for Osama bin Laden; how the US and Russia feature in the India-Pakistan relationship; and how terror undermines the two countries' attempts at talks. When the project was first mooted, General Durrani laughed and said nobody would believe it even if it was written as fiction. At a time of fraught relations, this unlikely dialogue between two former spy chiefs from opposite sides--a project that is the first of its kind--may well provide some answers.

Discusses Iraq's initial steps toward creating an atomic bomb and the secret plan by Israeli air force commander David Ivry to launch an air strike on Iraq's reactor in defiance of its U.S. and European allies, recounting the dramatic tale of sacrifice and survival on the part of eight mission pilots, including Israeli space shuttle Columbia astronaut Ilan Ramon. Reprint. 20,000 first printing.

This is the true story of the kidnapping of Adolf Eichmann in Argentina by the Mossad, Israel's secret intelligence service under the leadership of Isser Harel. This is his account, revised and updated, with the real names and details of all Mossad personnel.

*The high-stakes game of the underworld has new faces, working for and against Dawood Ibrahim - the shadowy, manipulative figure that pulls the strings. Dawood's own deputy turned arch-rival Chhota Rajan, thug-turned-politician Arun Gawli, Amar (Raavan) Naik and his engineer brother Ashwin Naik, and a host of other characters, big and small, walk the pages of this compelling history of the Maharashtrian mobsters who were once dubbed 'amchi muley', 'our boys', by Shiv Sena chief Bal Thackeray. Equally fascinating are the stories of the famous - and infamous - policemen and 'encounter specialists' who took the gangs on with great success and not too many scruples. Violence and deceit one expects to read of, but the strength of this book is also its ability to capture the mundane - almost naive - beginnings of what very quickly became the organized crime and brutal vendettas that held Mumbai to ransom through the last decades of the twentieth century. Meticulously researched and thrillingly told by the acknowledged expert on the underworld, this is faster-paced than *Dongri to Dubai*, and even more chilling in its implications for India and the subcontinent.*

I Have A Dream is the story of 20 idealists who think and act like entrepreneurs. They are committed to different causes, but they have one thing in common: a belief that principles of management can and must be used to achieve a greater common good. These stories say one thing loud and clear change starts with one person, and that person could be someone next door. Someone like you.

Revolution Under Attack

During the revolution in Iran, a small, fanatical group called the Forqan used targeted assassinations of religious leaders to fight the Ayatollah Khomeini's plan to establish a theocratic Islamic state. Ronen A. Cohen examines what really happened behind the fog of revolution.

Iran's role as a regional power is more significant than many in the West may realise. The country lies between Central Asia/the Caucasus and the Gulf region on the one hand, and, on the other, between the Mediterranean/Levant region and South Asia. Many of these areas are of increasing strategic importance. This book explores Iran's role as a regional power, focusing on relations with South Caucasus countries - Azerbaijan and Armenia. It outlines the historical context, including Persia's rule of these countries before the nineteenth century, and discusses Iran's approach to foreign and regional policy and how both internal and international factors shape these policies. The book assesses Iran-Azerbaijan and Iran-Armenia bilateral relations to demonstrate how those policies translate in Iran's regional and bilateral relations. The book concludes by considering how Iran's relations in the region are likely to develop in the future.

A companion volume to the PBS-TV series of the same name is a lucid review of the development of U.S. Based on interviews with spies, policymakers, and former CIA directors, this is the fascinating history of American espionage--from the 1919 Red Scare to Watergate and the Iran-Contra affair. The Inspiring Stories of 25 Women Entrepreneurs Whose Gentle Touch Created Strong Business

"There is a lack of quiet in Sylvia that craves for action.... She knows that she is special and that she possesses unusual and varied abilities." --

From the Mossad's psychological evaluation of Sylvia Rafael When Moti Kfir, head of the Academy for Special Operations of the Mossad, first interviewed Sylvia Rafael in a coffee shop, he knew she would make a great combatant for Israel's intelligence agency. She was outgoing, resourceful, brilliant, and had a talent for bonding with others. When Kfir warned her that the mysterious job they'd met to discuss could be dangerous, she simply sat back comfortably in her chair and smiled. Sylvia Rafael is the page-turning account of a young, dedicated agent as told by the man who trained her. Drawing on extensive research and interviews, authors Ram Oren and Moti Kfir tell the story of Rafael's rise to prominence within the Mossad and her intelligence work trying to locate Ali Hassan Salameh -- the leader of Palestine's Black September organization and the mastermind behind the murder of

eleven Israeli athletes at the 1972 Munich Olympic Games. Her team's misidentification of their mark would eventually lead to her arrest and imprisonment for murder and espionage. Now available in English for the first time, Sylvia Rafael offers new insight into the Israeli-Palestinian conflict, its history, and its human cost. It is a gripping, authentic spy story about a fearless defender of the Jewish people.

Spy turned art restorer Gabriel Allon finds himself accused of murder in this New York Times bestseller from Daniel Silva. An Israeli spy by trade and art restorer by preference, Gabriel Allon arrives in Zurich to restore the work of an Old Master for a millionaire banker—and finds himself standing in blood and framed for the man's murder. While trying to clear his name, Allon is swept into a spiraling chain of events involving Nazi art theft, a decades-old suicide, and a dark and bloody trail of killings—some of them his own. The spy world Allon thought he had left behind has come back to haunt him. And he will have to fight for his life—against an assassin he himself helped train.

Ari Shamron, the head of Israeli intelligence, calls on former intelligence operative Gabriel Allon to thwart a Palestinian plot to destroy the Middle East peace negotiations, a conspiracy linked to a Palestinian zealot with ties to Gabriel's past.

A haunting fascination fuels our interest in the robot, the android, the cyborg, the replicant. Born in science fiction literature, the artificial human has come into its own in films, lurching to life, holding a mirror to humanity's soul. Beginning with a pre-history of the filmic robot, J. P. Telotte traces its development through early sci-fi landmarks such as Metropolis (1926), the alien films of the 1950s (including Forbidden Planet), and recent explorations of the artificial human in Blade Runner, Robocop, and the Terminator films. Replications also considers the tension between the technological wonders that science fiction depicts and the human values it champions. Film-makers employ the latest developments in technology to fashion ever more realistic human doubles, and then use them to explore what it means to be human. Telotte shows us how the sci-fi genre has always addressed changing cultural attitudes toward technology, the body, gender roles, human intelligence, reality, and even film itself.

Untold accounts of the biggest recent anti-terror operations First-hand reports of the most riveting anti-terror encounters in the wake of the 2016 surgical strikes, the men who hunted terrorists in a magical Kashmir forest where day turns to night, a pair of young Navy men who gave their all to save their entire submarine crew, the Air Force commando who wouldn't sleep until he had avenged his buddies, the tax babu who found his soul in a terrifying Special Forces assault on Pakistani terrorists, and many more. Their own stories, in their own words. Or of those who were with them in their final moments. The highly anticipated sequel to India's Most Fearless brings you fourteen more stories of astonishing fearlessness, and gets you closer than ever before to the personal bravery that Indian military men display in the line of duty.

What happens when even your closest guides betray you? The hunt is on. Shiva, the man believed to be the prophesied Neelkanth - the destroyer of evil - will not rest until he finds his demonic adversary; the Naga warrior that killed his closest friend and now stalks his wife. But the rise of evil is everywhere and Shiva's own philosopher guides have betrayed his unquestioning faith by accepting aid from the dark side. Even the perfect empire of Meluha hides a terrible secret. Shiva's search for truth takes him across the length and breadth of ancient India: a land of deadly mysteries where nothing is what it seems.

Soon to be the major motion picture The Operative, starring Martin Freeman and Diane Kruger. For readers of John Le Carr é and viewers of Homeland, a slow-burning psychological spy-thriller by a former brigadier general of intelligence in the Israeli army One of The Washington Post's 10 Best mystery books and thrillers of 2016 After attending her father ' s funeral, former Mossad agent Rachel Goldschmitt empties her bank account and disappears. But when she makes a cryptic phone call to her former handler, Ehud, the Mossad sends him to track her down. Finding no leads, he must retrace her career as a spy to figure out why she abandoned Mossad before she can do any damage to Israel. But he soon discovers that after living under cover for so long, an agent ' s assumed identity and her real one can blur, catching loyalty, love, and truth between them. In the midst of a high-risk, high-stakes investigation, Ehud begins to question whether he ever knew his agent at all. In The English Teacher, Yiftach R. Atir drew on his own experience in intelligence to weave a psychologically nuanced thriller that explores the pressures of living under an assumed identity for months at a time.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Gabriel Allon investigates clues pertaining to an Amsterdam-based terrorism analyst who was murdered by a Muslim immigrant, in a case with ties to a terrorist organization and the abduction of an ambassador's daughter.

Arise, Awake is the story of young entrepreneurs who started a business while studying in college, or right after graduation. turning their backs on lucrative placements, to pursue dreams of their own. The ability to start a business is not defined by age or education. It takes energy and passion, an idea and an internet connection. Your first 'office' could be your very own hostel room.

The Blue Lagoon centers on two cousins, Dicky and Emmeline Lestrangle, who are marooned with a galley cook on an island in the South Pacific following a shipwreck. The galley cook, Paddy Button, assumes responsibility for the children and teaches them how to survive. Two-and-a-half years after the shipwreck, Paddy died following a drinking binge. The children survive on their resourcefulness and the bounty of their remote paradise. They live in a hut and spend their days fishing, swimming, diving for pearls and exploring the island. As the years pass, Dicky and Emmeline grow into physically mature young adults and begin to fall in love. As they deal with their newfound emotions, Dicky's father Arthur believes the two are still alive and he is determined to find them.

This study presents an analysis of US-Iranian relations in the twentieth century, with particular attention to the crisis over nationalization of British oil interests at midcentury. As such, it focuses on the career of Muhammad Musaddiq, who struggled during those years to free his country from foreign influence, and whose memory continued to haunt bilateral relations with the United States up to the Iranian revolution. Throughout, it examines Anglo-American views of Iranians (and by implication of other non-Westerners) which affected - and still affect - the conduct of international relations.

Recalled to service in Israel after terrorists steal secrets about his past, art restorer and sometime spy Gabriel Allon finds himself stalking an elusive master terrorist in a deadly cat-and-mouse game. By the author of The Kill Artist and A Death in Vienna. Reprint.

An exciting new analysis of ten carefully-chosen aviation films which spans several decades, discussing the stories behind each movie, the types of aircraft used, the efforts made by production teams to procure authentic period planes, and the special effects which were employed. The current status and locations of the aircraft are also discussed.

' It can ' t be love . . . ' he thinks and immediately his heart protests. They are complete opposites! She ' s a small town girl who takes admission in Delhi University (DU). An idealist, studies are her first priority. He ' s a Delhi guy, seriously into youth politics in the DU. He fights to make his way. Student union elections are his first priority. But then opposites attract as well! A scandal on campus brings them together, they begin to walk the same path and somewhere along, fall in love . . . But their fight against evil comes at a heavy price, which becomes the ultimate test of their lives. Against the backdrop of dominant campus politics, *Your Dreams Are Mine Now* is an innocent love story that is bound to evoke strong emotions in your heart.

The Islamic Revolution in 1979 transformed Iranian society and reshaped the political landscape of the Middle East. Four decades later, Darioush Bayandor draws upon heretofore untapped archival evidence to reexamine the complex domestic and international dynamics that led to the Revolution. Beginning with the socioeconomic transformation of the 1960s, this book follows the Shah ' s rule through the 1970s, tracing the emergence of opposition movements, the Shah ' s blunders and miscalculations, the influence of the post-Vietnam zeitgeist and the role of the Carter administration. The Shah, the Islamic Revolution and the United States offers new revelations about how Iran was thrown into chaos and an ailing ruler lost control, with consequences that still reverberate today.

This is the riveting story of Noor Inayat Khan, a descendant of an Indian Prince Tipu Sultan (the Tiger of Mysore), who became a British secret agent for SOE during World War II. Shrabani Basu tells the moving story of Noor's life, from her birth in Moscow - where her father was a Sufi preacher - to her capture by the Germans. Noor was one of only three women SOE agents awarded the George Cross and, under torture, revealed nothing, not even her own real name. Kept in solitary confinement, her hands and feet chained together, Noor was starved and beaten, but the Germans could not break her spirit. Then months after she was captured, she was taken to Dachau concentration camp and, on 13th September 194, she was shot. Her last word was 'Liberté'.
