

Bosch Ds860 Installation Guide

Book 2 of The Survivalist Series No electricity. No running water. No food. No end in sight. If life as you knew it changed in an instant, would you be prepared? In A. American's first novel, *Going Home*, readers were introduced to Morgan Carter, the resourceful, tough-as-nails survivalist who embarks on a treacherous 250-mile journey across Florida following the collapse of the nation's power grid. Now reunited with his loving wife and daughters in this follow-up to *Going Home*, Morgan knows that their happiness is fleeting, as the worst is yet to come. Though for years Morgan has been diligently preparing for emergency situations, many of his neighbors are completely unready for life in this strange new world--and they're starting to get restless. With the help of his closest companions, Morgan fights to keep his home secure--only to discover shocking information about the state of the nation in the process. Fans of James Wesley Rawles, William R. Forstchen's *One Second After*, and *The End* by G. Michael Hopf will revel in A. American's apocalyptic tale.

You live in any sprawl long enough, you'll find out that there's a lot more to it than businessmen and soykaf stalls. Any sprawl worth its mettle has its dark corners, its forgotten places, its spots that are just as wild and untamed as the deepest rainforest. Seattle, the prime metroplex in the world for shadowrunning, is filled with such places, and *Sprawl Wilds* gives shadowrunners a chance to tour them. From a fortress-like Barrens farm recovering from a mysterious attack to a dark secret hidden in a clinic, runners have a chance to see the sites most people never encounter, and uncover information that some people want to stay secret at any cost. They'll meet jaded smugglers, wary police officers, passionate activists, hardened criminals, wounded warriors, and at least one deranged killer. The questions are, will they survive long enough to collect a paycheck and how much of the sprawl will be nothing more than dust when they're done with it? *Sprawl Wilds* is a collection of *Shadowrun Missions* developed for major summer gaming conventions. These adventures have been adapted for both *Shadowrun*, Twentieth Anniversary Edition and *Shadowrun*, Fifth Edition, and they provide hours of shadowrunning goodness for experienced street veterans and new shadowrunners alike. With complete game information, including NPC stats, these adventures are poised to plunge players into urban chaos!

From the factory to the road, browse through more than 170 cool cars--from hatchbacks to hybrids--in DK's *Pocket Genius: Cars*. Trace the history of the automobile from early vintage cars to modern concept cars, limousines to coupes, and minivans to sports cars in this reference guide perfect for children ages 8-12. Catalog entries include facts provided at-a-glance information, while locator icons offer immediately recognizable references to aid navigation and understanding, and fact files round off the ebook with fun facts such as record breakers and timelines. Each mini-encyclopedia is filled with facts on subjects ranging from animals to history, cars to dogs, and Earth to space and combines a child-friendly layout with engaging photography and bite-size chunks of text that will encourage and inform even the most reluctant readers.

The No-Nonsense Guide to Leadership

"She'd noticed immediately that I understood the lure of a good story. Sometimes a world that doesn't exist is the only escape from the one that does." When successful New York editor Jen Gibbs discovers a decaying slush-pile manuscript on her desk, she has no idea that the story of Sarra, a young mixed-race woman trapped in Appalachia at the turn of the twentieth

century, will both take her on a journey and change her forever. Happy with her life in the city, and at the top of her career with a new job at Vida House Publishing, Jen has left her Appalachian past and twisted family ties far behind. But the search for the rest of the manuscript, and Jen's suspicions about the identity of its unnamed author, will draw her into a mystery that leads back to the heart of the Blue Ridge Mountains . . . and quite possibly through the doors she thought she had closed forever.

A tale inspired by the affair between Sigmund Freud and his sister-in-law depicts the struggles of Minna Bernays, an educated woman uninterested in conventional women's roles who becomes fascinated with her brother-in-law's pioneering theories.

Public relations and the media are in a time of major change. The rise of social media, altered media platforms, evolving legislative environments and new models of communication have altered not only the working environments of public relations and the news and entertainment media, but also many aspects of how these industries work together. *Media Relations* provides a practical and thorough introduction to media work in this changing environment. Based on a solid understanding of media culture and theory, Jane Johnston shows how to steer a path between the technical and human elements of media relations. She drills down into the different types of media, analysing their applications, strengths and weaknesses, and shows how to target your message to the right media outlets, whether national television, community radio, celebrity magazines or influential blogs. This second edition has been revised throughout and includes new case studies, and new chapters on digital and social media, media campaigns, and legal and ethical considerations. 'Media Relations: Issues and Strategies is written in an engaging, easy to understand style. It provides excellent examples and cases of media relations.' - *Global Media Journal*

Now in its eighth edition, *The Moral of the Story* continues to bring understanding to difficult concepts in moral philosophy through storytelling and story analysis. From discussions on Aristotle's virtues and vices to the moral complexities of the *Game of Thrones* series, Rosenstand's work is lively and relatable, providing examples from contemporary film, fiction narratives, and even popular comic strips. The Connect course for this offering includes SmartBook, an adaptive reading and study experience which guides students to master, recall, and apply key concepts while providing automatically-graded assessments. McGraw-Hill Connect® is a subscription-based

learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: • SmartBook® – an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content. • Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course. • Progress dashboards that quickly show how you are performing on your assignments and tips for improvement. • The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping. The Moral of the Story: An Introduction to Ethics

Do you ever wish that you could be someone else? Just step out of your life and wake up as someone new? Karina's life was once mapped out for her -- she was meant to follow in the footsteps of her Hungarian grandmother, a world-famous violinist. Instead, she's a teacher, a mum and wife to Julian, a very English husband who's not always in step with her. But when disaster befalls her best friend, Karina feels forced to question the very foundations of her existence. Encouraged by a chance encounter with a like-minded musician, she begins to delve into her grandmother's Gypsy past, and to discover the secrets of her Hungarian family history. Life will never be the same again. Like most people, Karina isn't sure the life she chose was the right one. But she is willing to take drastic steps to change it.

Here is the revealing underground classic, a work that stands beside the "Seth" books as a delightful and invaluable guide to our inner spirit and our outer world. Emmanuel speaks to us through Pat Rodegast and shares his wisdom and insights on all aspects of life. Beautifully written and illustrated, Emmanuel's Book I is to be treasured, enjoyed and passed on to a friend. Emmanuel says: "The gifts I wish to give you are my deepest love, the safety of truth, the wisdom of the universe and the reality of God The issue of whether there is a Greater Reality or not, for me at least, has been settled. I know that there is. So I will speak to you from the knowing that I possess." Ram Dass, in the introduction, says: "Being with Emmanuel one comes to appreciate the vast evolutionary context in which our lives are being lived . . . And at each moment we are at just the right place in the journey. As Emmanuel points out, 'Who you are is a necessary step to being who you will be.'"

Captain D. Michael Abrashoff, legendary commander of the USS Benfold, continues in the same vein of his bestselling book IT'S YOUR SHIP with the knowledge he's gained from his speaking to and advising some of the top business minds in the world. The story of Captain Abrashoff and his command of USS Benfold has become legendary inside and outside the Navy. By governing his ship with his unique management

techniques, Abrashoff turned the Benfold into a model of naval efficiency, with amazing cost savings, the highest gunnery score in the Pacific Fleet, and a highly motivated and top performing crew. In IT'S YOUR SHIP, he first demonstrated how to bring his successful management techniques from the ship to the boardroom. Now, in his newest book IT'S OUR SHIP, in the same rugged, can-do voice, Abrashoff will focus on the leadership, motivational, and management insights and tips that he has learned from his last six years of addressing business and corporate audiences. Abrashoff's timely advice will be eminently prescriptive, and will feature anecdotes and insights from leaders of businesses large and small and from public and non-profit sectors.

A new and truly awesome collection of comic fantasy masterpieces! It isn't often you find a posse of Greek goddesses putting down insurrection among unruly classical mortals, stranded aliens escaping earth in a church converted into a rocket, or a light-fingered time-traveller attempting to steal the universe - but here they all are, in another selection of bizarre comic fantasies.

Starting Out with Visual Basic 2012

Dragondoom

With Other Pieces, the Effusions of a Young Mind

The Wish is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale In The Wish, Roald Dahl, one of the world's favourite authors, tells a sinister story about the darker side of human nature. Here, an imaginative boy plays a game that quickly gets out of hand . . . The Wish is taken from the short story collection Someone Like You, which includes seventeen other devious and shocking stories, featuring the wife who serves a dish that baffles the police; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer) This story is also available as a Penguin digital audio download read by the sublime Stephen Mangan. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

Deep within Crik Wood is a village in which every person has a unique ability called a "Talent." The Mayor can talk to insects, a girl can disappear in a cloud of smoke, and a young boy called Jack has a living shadow. One thunderous night Jack discovers the horrifying secret buried at the heart of his village. Thrown into an adventure filled with danger and discovery, Jack is faced with the question: 'What would you do if your closest friend was your greatest enemy?' For Jack that someone is his shadow.

This small book, the last work of a world-renowned scholar, has established itself as a classic. It provides a superb overview of the vast historical process by which Christianity was Hellenized and Hellenic civilization became Christianized. Werner Jaeger shows that without the large postclassical expansion of Greek culture the rise of a Christian world religion would have been impossible. He explains why the Hellenization of Christianity was necessary in apostolic and postapostolic times; points out similarities between Greek philosophy and Christian belief; discuss

such key figures as Clement, Origen, and Gregory of Nyssa; and touches on the controversies that led to the ultimate complex synthesis of Greek and Christian thought.

Featuring art and writing from the students of the Parkland tragedy, this is a raw look at the events of February 14, and a poignant representation of grief, healing, and hope. The students of Marjory Stoneman Douglas High School share their emotional journeys that began on February 14, 2018, and continue today. This revealing and unfiltered look at teens living in the wake of tragedy is a poignant representation of grief, anger, determination, healing, and hope. The intimate collection includes poetry, eyewitness accounts, letters, speeches, journal entries, drawings, and photographs from the events of February 14 and its aftermath. Full of heartbreaking loss, a rally cry for change, and hope for a safe future, these artistic pieces will inspire readers to reflect on their own lives and the importance of valuing and protecting the ones you love.

Inventive, hilarious and joyously colorful, this fill-in journal was designed to help kids capture nearly everything that's uniquely rad about them. With design-savvy, yet completely kid-friendly illustrations, they're asked to draw or write about a bunch of interesting things -- like what their hair looks like, what their band name would be, what they'd bring to outer space, and how they feel about lightning, lizards and pickles. There may or may not be a place for super-secret stuff inside the book jacket. Whether kids complete their entire compendium on a rainy day, or finish it over a year, it'll become a treasure to look back on and smile. Ideal for the holidays, rainy days and happy occasions of all kinds, this is an imagination-building gift will engage kids for hours on end

Britain, in the mid 21st century. A new prime minister, Lev Solokov is elected. In spite of his Russian surname, he is the charismatic politician who, on the surface, appears to be just what Britain needs. But he's not what Gavin needs. Gavin is a Pustoy, a human who, among countless others, Solokov's researchers has declared a soulless, subhuman race. Solokov joins a dark lineage of genocidal tyrants that have gone before him. In synthesizing his own race to persecute others, perhaps he has succeeded in a horror more insidious than any of his forebears, especially as he appears to have done so with both overwhelming public blessing and encouragement. Or at least he would have, if not for the increasing din of the Pustoy protesting outside his offices. Chosen at random owing to his position as a forefront campaigner for the rights of the Pustoy,

Gavin is framed for a crime he didn't commit and is forced to go on the run, and so Solokov in one fell swoop kills any budding sympathy the people may have had for the Pustoy, and would appear to have silenced one of his loudest protestors. Just who are the Pustoy of this world? The persecutors or the persecuted? Will Gavin remain a hunted scapegoat? Is Solokov acting for the greater good; are the Pustoy really devoid of a soul? More importantly, how far away is this future, really? Phillippe Blenkiron's conceptual poetry collection demands these questions of the reader, whilst offering an unflinching examination of the human psyche, exploring the clouded moral hues between black and white, between right and wrong, that exist inside all of us. For fans of "1984," "Brave New World," and other greats of dystopian fiction, Philippe Blenkiron's debut poetry collection is shocking, unsettling, and closer to real-life than we dare admit...

A thousand years before the Winter War, Elgo, prince of the Vanadurin, killed the Dragon Sleeth and returned home with the fabulous wealth from the dead beast's lair. But there was more in the bounty than gems and gold, for the treasure was cursed, and in time it brought death to noble and peasant, war between Man and Dwarf, strife and destruction beyond reckoning. Now, generations later, as the conflict continues, the great Dragon Black Kalgath, in league with the Wizard Andrak, appears to avenge Sleeth's death and claim the Dragon-cursed hoard. Against this unholy alliance, two sworn enemies set forth to find a legendary long-lost weapon: a warhammer of incalculable power that may be the only hope of victory. But neither the Warrior Maiden Elyn nor the Dwarf Thork is prepared for the dangers awaiting them on this quest....

Emmanuel's Book

The Keeping Days

The Vision; a Poem on the Union of Russia and Prussia Against Poland

Parkland Speaks

On the long roads of Deverry ride two mercenaries whose fates lie hidden deep in that of their own land. But Lord Rhodry, exiled from the dragon court of Aberwyn, has yet to discover his true parentage, and his swordmaster-lover, Jill, has barely glimpsed her awesome powers. Meanwhile, the ancient sorcerer Nevyn, held back by his vows from boldly intervening in their lives, can only watch and wait as Rhodry and Jill move ever closer to danger. For as the two struggle to recover the Great Stone, the mystic jewel that guides the conscience of the kingship of Deverry, malevolent dark masters are weaving terrifying spells against them--and displacing messengers of death. Katharine Kerr has extensively rewritten Darkspell, incorporating major changes in the text, making this her definitive edition. Here the epic saga that began with the Daggerspell continues--a tale of might and magic, lust and

glory, dark danger and poignant desires that echo from Deverry's sapphire waters to its secret mountain caverns. It's a spellbinding story destined to please fantasy lovers everywhere.

The Science Focus Second Edition is the complete science package for the teaching of the New South Wales Stage 4 and 5 Science Syllabus. The Science Focus Second Edition package retains the identified strengths of the highly successful First Edition and includes a number of new and exciting features, improvements and components. The innovative Teacher Edition with CD allows a teacher to approach the teaching and learning of Science with confidence as it includes pages from the student book with wrap around teacher notes including answers, hints, strategies and teaching and assessment advice.

Book Excerpt: ... But she said nothing of the sort of mystery connected with the powder; some instinct prevented her doing so. Nor did she tell that but a little of it remained, or that their stock of rose-leaves would soon be exhausted."Who knows what may happen before that?" she reflected, and the words of Linde's dream-visitor recurred to her, "Three times, and then ask the robin."Dame Barbara was quite satisfied and greatly delighted."Here," she said, fumbling for her substantial purse, "a groat for two ounces of it, did you say? No, a half-groat only? My dear, you'll have to raise your prices if the perfume is so excellent! Well to begin with, give me the four ounces straight away, and here's a half-groat over and above what it all comes to--dried leaves and fresh ones and flowers, all together--just the tiny silver piece for luck, you know."...

Korean: A Comprehensive Grammar is a reference to Korean grammar, and presents a thorough overview of the language, concentrating on the real patterns of use in modern Korean. The book moves from the alphabet and pronunciation through morphology and word classes to a detailed analysis of sentence structures and semantic features such as aspect, tense, speech styles and negation. Updated and revised, this new edition includes lively descriptions of Korean grammar, taking into account the latest research in Korean linguistics. More lower-frequency grammar patterns have been added, and extra examples have been included throughout the text. The unrivalled depth and range of this updated edition of Korean: A Comprehensive Grammar makes it an essential reference source on the Korean language.

Clever, athletic and dignified, Yagan was already a leader among his people when pale-faced foreigners spilled uninvited upon the shores of the Swan River and started to make themselves at home - his home. Over the next four years, Yagan took a stand, and in the process forever etched his name on the story of Western Australia.

Yves Saint Laurent is one of the world's most famous designers, who's haute couture collections have deeply marked society and revolutionized the image of women. All About Yves documents the life of this great designer, from his childhood, to the seminal moments of his career, up until his death in 2008. This one-of-a-kind book includes unseen sketches and photographs of Saint Laurent's key collections, as well as fascinating removable documents that include handwritten letters, paper dolls, contact sheets, magazines, and invitations. All About Yves was compiled in collaboration with the Fondation Pierre Bergé – Yves Saint Laurent and is essential reading for those with a passion for YSL.

A singing frog reluctantly babysits a duck egg in this sweetly hilarious picture book from the brilliant mind that brought you *The Fantastic Flying Books of Mr. Morris Lessmore*. While egg-sitting for his friend Kack Kack the duck, Bently Hopperton the frog is so bored that he cannot resist painting the egg's shell. But when the decorated egg is mistaken for an Easter egg and is egg-napped, Bently discovers that he has in fact, grown terrifically fond of that ole egg. Can he rescue the egg before it's too late? An homage to fatherhood, and the appreciation of swell art.

Day Bang is a 201-page book that teaches you how to pick up women during the day, primarily in a coffee shop, clothing store, bookstore, grocery store, subway, or on the street. It contains 51 openers, 23 long dialogue examples with commentary, and dozens of additional lines that teach by example. Day Bang includes... -The optimal day game mindset that leads to the most amount of success-An easy mental trick to prevent your brain from going into a flight-or-fight response when it's time to approach a woman you're attracted to-A detailed breakdown of how to use the "elderly opener," an easy style of approach that reliably starts conversations with women-2 ways to tell if a girl will be receptive to your approach-How to avoid the dreaded "interview vibe"-10 common mistakes guys make that hurt their chances of getting a number Day Bang shares tons of tips and real examples on having successful conversations. It teaches you... -How to use my bait system to get the girl engaged and interested in you-How to segue out of the initial opening topic into a more personal chat where you'll get to know the girl on a deeper level-How to take the interesting things you've done (your accomplishments, hobbies, and experiences) and morph them into bait hooks that gets the girl intrigued enough to want to go out with you-My "Galnuc" method to seamlessly get a girl's number-An easy hack at the end of your interactions that will reduce the chance of a flake and prime the girl for going out with you-Ways to open up a conversation on a girl who isn't giving you much to work with Day Bang goes into painstaking detail on how to approach women in a variety of common environments... -How to open a girl in coffee shops when she has a book, laptop, mp3 player, cell phone, research paper, crossword or Sudoku puzzle, or nothing at all-Two methods for approaching a girl on the street, depending on if she's moving or not, with a diagram to explain all the approach variations-How to approach in a retail store or mall environment, with openers to use on customers or sales clerks-How to approach in bookstores, with specific tips on how to customize your approaches in the cafe, magazine section, or general book aisles-How to meet women in public transportation, on both the bus and subway-How to meet women in grocery stores-How to approach girls in secondary venues like a beach, casino, concert, gym, hair salon, handicraft fair, museum, art show, park, public square, or wine festival Dozens of additional topics are logically organized into 12 chapters... -Preparation. How to reduce your approach anxiety-Opening. How to deliver your opener in a way that doesn't scare women away-Rambling. How to have conversations that make women interested in you-Closing. How to get a number in a way that reduces the chance she'll flake-The Coffee Shop. How to pick up in coffee shops and cafes-The Street. How to pick up outdoors-The Clothing Shop. How to pick up in retail shops, malls, and big box stores-The Bookstore. How to pick up in bookstores-Public Transportation. How to pick up in the bus, subway, or long distance transportation-The Grocery Store. How to pick up in grocery stores-Other Venues. How to pick up just about anywhere else women can be found-Putting It All Together. How to maximize

your day game potential The lessons taught in this 75,000 word, no-fluff textbook will help you meet women during the day. If you need tips on what to do after getting her number, consult my other book Bang, which contains an A-to-Z banging strategy. Day Bang focuses exclusively on daytime approaching.

Yagan

A techno-thriller novel of the near future when a powerful Artificial Intelligence called Oracle identifies individuals who pose a significant risk to the stability of our society, or who have a high probability of posing such a risk in the future, and sends assassins to kill them. Oracle knows each of us so well, better than we know ourselves, that it is able to determine who might become the next Hitler or Stalin long before that person even has an inkling of such a future. The main character is Henry Porembski, who becomes one of Oracle's assassins when he is recruited after his wife and daughter are killed in a terrorist attack. When he is sent to kill a young girl, the same age as his daughter, he turns against Oracle and vows to protect the girl. He wonders, though: if Oracle knows us so well, why would it send him to kill a girl it had to know he would not kill? And could it really predict how a little girl would turn out as an adult? It all comes to a tense conclusion after Henry learns that his mission to kill the girl was really to set in motion a series of events intended to bring about the downfall of Oracle...because Oracle has determined that it, itself, poses a threat to the human civilization, and needs to be eliminated.

In 2335 the most precious resource on Mars is water, and Water Raiders are attacking farm communities and stealing the water--with very little help coming from the authorities in Tharsis City, Belle Song, her parents, and their friends from the neighboring farms join together to defeat the Raiders and protect their farms.

Each new student edition comes with a Visual Basic 2012 Express software package. NOTE: the 2012 edition CD - has been replaced with the 2013 edition CD

Thomas Begay is found dead-drunk under the La Plata Bridge ...not unusual for Thomas Begay. What is unusual, is the beautiful BIA investigator Patsy Greyhorse, found lying beside him ...not drunk, or even a Navajo, but very dead nonetheless. Long time friend Charlie Yazzi, fresh from law school, risks his career ...and even his life to help his old schoolmate. The Answer seems to lie with the Yeenaaldiooshii ...should one choose to believe in such things. In the far reaches of the reservation there still are traditional Navajos living their lives with few concessions to modern mores. Guided by their strong sense of cultural heritage these outliers remain a strong anchor for the Navajo Nation. This story follows the lives of such people, caught up in a plot that could have far reaching implications for the entire tribe. "The depth of characters and culture

transcends that generally seen in novels of the genre."

ARE YOU READY FOR AN AMAZING NEW VERSION OF THE PHOTOSHOP BOOK THAT BREAKS ALL THE RULES? Scott Kelby, Editor and Publisher of Photoshop User magazine—and the best-selling Photoshop author in the world today—once again takes this book to a whole new level as he uncovers more of the latest, most important, and most useful Adobe Photoshop CS6 techniques for digital photographers. This major update to his award-winning, record-breaking book does something for digital photographers that's never been done before—it cuts through the bull and shows you exactly "how to do it." It's not a bunch of theory; it doesn't challenge you to come up with your own settings or figure it out on your own. Instead, Scott shows you step by step the exact techniques used by today's cutting-edge digital photographers, and best of all, he shows you flat-out exactly which settings to use, when to use them, and why. That's why the previous editions of this book are widely used as the official study guides in photography courses at colleges and universities around the world. LEARN HOW THE PROS DO IT Each year, Scott trains thousands of professional photographers on how to use Photoshop, and almost without exception they have the same questions, the same problems, and the same challenges—and that's exactly what he covers in this book. You'll learn: The sharpening techniques the pros really use. The pros' tricks for fixing the most common digital photo problems fast! The step-by-step setup for getting what comes out of your printer to match exactly what you see onscreen. How to process HDR (High Dynamic Range) images using CS6's Merge to HDR Pro. How to master CS6's Content-Aware features. How to use Photoshop CS6's new video editing features to make movies from your DSLR videos. How to process RAW images like a pro (plus how to take advantage of all the new Camera Raw features in CS6!). The latest Photoshop special effects for photographers (there's a whole chapter just on these!). A host of shortcuts, workarounds, and slick "insider" tricks to send your productivity through the roof! Plus, Scott includes a special bonus chapter with his own CS6 workflow, from start to finish, and each chapter ends with a Photoshop Killer Tips section, packed with timesaving, job-saving tips that make all the difference. If you're a digital photographer, and if you're ready to learn all the "tricks of the trade"—the

same ones that today's leading pros use to correct, edit, sharpen, retouch, and present their work—then you're holding the book that will do just that. Note from the publisher: August 9, 2012: All binding issues mentioned in our July 31, 2012 note below have been resolved. Thank you. July 31, 2012: We have encountered issues with the binding in our initial print run of this book. If you have purchased a copy of the book you are not happy with, please return it to the store where you made your purchase to request a replacement copy right away. We apologize for the inconvenience and appreciate your patience.

Martines de Pasqually was born in Grenoble, around 1710, from a father of Spanish origin and a French mother. He was military in France for a few years with the rank of lieutenant. In 1747, he was in the service of Spain and fought in Italy at its service. In his book *The Life of Louis-Claude de Saint-Martin*, on page 9, the historian Jacques Matter writes about him: "He (Louis-Claude de Saint-Martin) met Martines de Pasqually, one of these extraordinary men, great hierophant of secret initiations which, to communicate their mysteries, seek less the great reputation than a confidential setting." He considers the masonry of his time being apocryphal, that is, diverted from his goal. In Foix, he founded a chapter, the Temple of the \diamond lus Coh \diamond ns. However, it is in Bordeaux that the activities of the Order of the \diamond lus Coh \diamond ns begin. Martines moved there in April 1762 to establish the general center of his activities.
