NEW YORK TIMES BESTSELLER • Being a Lazy Genius isn't about doing more or doing less. It ' s about doing what matters to you. " I could not be more excited about this book. " —Jenna Fischer, actor and cohost of the Office Ladies podcast The chorus of " shoulds " is loud. You should enjoy the moment, dream big, have it all, get up before the sun, track your water consumption, go on date nights, and be the best. Or maybe you should ignore what people think, live on dry shampoo, be a negligent PTA mom, have a dirty house, and claim your hot mess like a badge of honor. It ' s so easy to feel overwhelmed by the mixed messages of what it means to live well. Kendra Adachi, the creator of the Lazy Genius movement, invites you to live well by your own definition and equips you to be a genius about what matters and lazy about what doesn ' t. Everything from your morning routine to napping without guilt falls into place with Kendra ' s thirteen Lazy Genius principles, including: • Decide once • Start small • Ask the Magic Question • Go in the right order • Schedule rest Discover a better way to approach your relationships, work, and piles of mail. Be who you are without the complication of everyone else ' s " shoulds. " Do what matters, skip the rest, and be a person again.

NEW YORK TIMES BESTSELLER • The unapologetic, laugh-your-ass-off military memoir both vets and civilians have been waiting for, from a five-tour Army Ranger turned YouTube phenomenon and zealous advocate for veterans Members of the military ' s special operations branches share a closely guarded secret: They love their jobs. They relish the opportunity to fight. They are thankful for it, even, and hopeful that maybe, possibly, they ' ll also get to kill a bunch of bad guys while they ' re at it. You don ' t necessarily need to thank them for their service—the pleasure is all theirs. In this hilarious and personal memoir, readers ride shotgun alongside former Army Ranger and private military contractor and current social media phenomenon Mat Best, into the action and its aftermath, both abroad and at home. From surviving a skin infection in the swampy armpit of America (aka Columbus, Georgia) to kicking down doors on the outskirts of Ramadi, from blowing up a truck full of enemy combatants to witnessing the effects of a suicide bombing right in front of your face, Thank You for My Service gives readers who love America and love the good guys fresh insight into what it ' s really like inside the minds of the men and women on the front lines. It ' s also a sobering yet steadying glimpse at life for veterans after the fighting stops, when the enemy becomes self-doubt or despair and you begin to wonder why anyone should be thanking you for anything, least of all your service. How do you keep going when something you love turns you into somebody you hate? For veterans and their friends and families, Thank You for My Service will offer comfort, in the form of a million laughs, and counsel, as a blueprint for what to do after the war ends and the real fight begins. And for civilians, this is the insider account of military life you won ' t find anywhere else, told with equal amounts of heart and balls. It ' s Deadpool meets Captain America, except one went to business school and one went to therapy, and it ' s anyone ' s guess which is which.

Poems of wayfaring and wayfinding, recovery and discovery, from "one of the best poets of his generation" (Elizabeth Lund, Washington Post). In 2018, reeling from marital, parental, and societal losses, acclaimed poet Todd Boss risked everything to be at one with the world. Boss sold his belongings and began to circle the globe in a series of consecutive housesits. He alternately inhabited thatched-roof farmhouses, hillside estates, urban apartments, and lush gardens in Berlin, Barcelona, Austin, Austria, Marrakesh, Singapore, Baltimore, Auckland, and more. The poems in Someday the Plan of a Town are his only souvenirs. Written under the influence of long walks along the Thames and the Pacific, of mornings at farmers' markets, train stations, and mountaintop basilicas, Someday the Plan of a Town conjures Spanish dust, English rain, French moss, Arizona cliffs, and Hungarian light, ringing all the while with timeless humor and wisdom. At the same time, these poems concern the most domestic of matters—personal grief and familial estrangement, reflections on a changing nation, and a journey of self-discovery that offers a new meaning of home. As much a commentary on modern-day America as a personal history replete with grief, Someday the Plan of a Town is a sensual, intellectual, and arrestingly musical map of one nomadic troubadour's journey to self.

It has a space for everything, meal plan, to do list, calendar, week days planner and even a weekday account of your spending's part. Love it!! Perfect for someone who loves to be organised!" (Miss V, 11 Feb 2018) "Love this planner beautiful with lots of quotes for each week. High recommend for business or personal life..." (Sarah D, 31 March 2018) "Great little diary, full of inspirational quotes, plenty of places for notes etc..." (Carol Markillie, 5 Feb 2018) "I love this planner! Areas for menus, goals for week, to do list, shopping list and planner! It's brilliant!" (Nicola Lord, 3 May 2018) "... I am very very happy with my purchase as not only does it have the diary and scheduler but it also contains a lot of very useful extras with it. For example, included within are these pages, a whole calendar year view of 2018, contacts & info pages to write down contacts and numbers, password pages which have a number of 'website' 'user id' 'password' sections-this I found very useful... its a real pain to remember all of the passwords, so this I found great within just this one handy book! this book also contains a 'parties & celebration' page, it also contains a 'mood tracker' page with a key chart that you can colour in yourself ... ! The book then leads into a one month double page view which is a sheduler/planner, for listing commitments/appts and plenty of additional note space, then it has overleaf double page weekly spread with various sections to fill in which include 'Goals for the week', 'schedule', 'to do list', 'habits' ... 'notes', 'meal plan' ... 'shopping list', and 'expenses' (this expenses section also has a weekly chart to fill in which is very handy if you are aiming or needing to budget your days). These pages follow throughout the rest of the book and at the back there is a 'notes' page, a 'what movie should I watch?' page ... 'books to read' which is a page illustrated like 3 book shelves with several book binders blank upon the shelves ... so you can fill in the blank binders with your read or to read book titles... It then has another full 'notes' page, followed by an illustrated page of a money jar titled 'savings goals' which has each month listed within the jar, jan-dec, (bottom to top), so you can record either how much you have saved that month or you can write in the amount you are aiming to save that month ... then followed by another full 'notes' page! As you can see this is not just a diary or a scheduler, this is all you could ever need for the entire year! It's cute, smart, soooooo useful, soooo worth the money, and all in just one handy book! I would definately recommend! And I hope that I am able to obtain one of these again for next year!" (Staceylg25, 13 Jan 2018)

Mom Boss Planner

A compact, comprehensive, and very silly field guide featuring more than 200 of the rudest birds on earth—from the creator of the Webby Award-winning hit Instagram account! Effin' Birds is the most eagerly anticipated new volume in the grand and noble profession of nature writing and bird identification. Sitting proudly alongside Sibley, Kaufman, and Peterson, this book contains more than 150 pages crammed full of classic, monochrome plumage art paired with the delightful but dirty aphorisms (think "I'm going to need more booze to deal with this week") that made the Effin' Birds feed a household name. Also included in its full, Technicolor glory is John James Audubon's most beautiful work matched with modern life advice. Including never-before-seen birds, insults, and field notes, this guide is a must-have for any effin' fan or birder.

Do you sometimes wish you could pull yourself together but wonder exactly how to manage all the scattered pieces of a chaotic life? Is it possible to find balance??? In a word, yes.?? Ruth Soukup knows firsthand how stressful an unorganized life and budget can be. Through personal stories, biblical truth, and practical action plans, she will inspire you to make real and lasting changes to your personal goals, home, and finances. With honesty and the wisdom of someone who has been there, Ruth will help you: * Discover your "sweet spot"--that place where your talents and abilities intersect. * Take back your time and schedule by making simple shifts in your daily habits. * Reduce stress in your home and family by clearing

out the clutter. * Stop busting your budget and learn to cut your grocery bill in half. Who Needs This Book? Living Well, Spending Less was written to bring hope and encouragement to every woman who currently feels overwhelmed or stressed with a life--and budget--that feels out of control. It speaks to the mom trying to juggle all the demands of a busy life with the pressure to keep up with those around her. It is a practical guide for those of us who often long to pull ourselves together but don't always know how. It is real, honest, packed with practical tips, and speaks to the heart of the matter--how can we live the life we've always wanted? Want to know if this book is for you? * Do you ever find yourself comparing your life to those around you? * Have you ever wished for the courage to follow your dreams? * Do you ever struggle to stay organized or get things done? * Have you ever felt loaded down with stuff you don't really need....or even really want? * Do you ever struggle to keep your finances on track? * Do you sometimes long for deeper, more authentic relationships in your life? If the answer to any of these questions is YES, this book provides real and practical solutions from someone who has been there. Ruth doesn't just offer advice, she walks it with you, and shares with brutal honesty her own mistakes, failures, and shortcomings. It is encouraging, motivating, and life-changing. What Others Are Saying: "An incredible book that will teach you how to spend smart without compromising a great life. Ruth's stories and practical advice will make you want to be a better mother, wife, sister, and friend." --RACHEL CRUZE, coauthor with Dave Ramsey of Smart Money Smart Kids "Ruth knows firsthand how mamas like us live crazy busy lives, and she steps in as a friend to help us manage and love every minute of it. She offers her best tips for gaining control over the chaos with wisdom-based insights on all things thrifty and family. I'll be reading it again and again!" --RENEE SWOPE, bestselling author of A Confident Heart

What is "Boss Lady Planner"? It's a newly designed collection of the inspirational planners 2019-2020! Please check the description below. The PLANNER 2019-2020 features: Calendar 2019 (July) - 2020 (June) divided into 2 pages Contact List Password Log "Parties and Celebrations" Log Daily Mood Tracker for the Whole Year Weekly/Monthly Spread (2019 July through 2020 June) Books to Read Saving Goals Movies to Watch Weekly Spread (with inspirational quotes on each page!) includes: Goals for the week To Do List Habit Tracker Notes Shopping List Meal Plan Expenses DIMENSIONS: 6.69"x9.61" (16.99x24.4 cm) 150 pages thick cardstock matte cover Do you have any questions? Connect with us on instagram: @pandastudio_amazon or email us: panda_studio@outlook.com What do our customers think about "Boss Lady Planners"? "So glad I got this planner. It has a space for everything, meal plan, to do list, calendar, week days planner and even a weekday account of your spending's part. Love it!! Perfect for someone who loves to be organised!" (Miss V, 11 Feb 2018) "Love this planner beautiful with lots of quotes for each week. High recommend for business or personal life..." (Sarah D, 31 March 2018) "Great little diary, full of inspirational quotes, plenty of places for notes etc..." (Carol Markillie, 5 Feb 2018) "I love this planner! Areas for menus, goals for week, to do list, shopping list and planner! It's brilliant!" (Nicola Lord, 3 May 2018) "... I am very very happy with my purchase as not only does it have the diary and scheduler but it also contains a lot of very useful extras with it. For example, included within are these pages, a whole calendar year view of 2018, contacts & info pages to write down contacts and numbers, password pages which have a number of 'website' 'user id' 'password' sections-this I found very useful... its a real pain to remember all of the passwords, so this I found great within just this one handy book! ... this book also contains a 'parties & celebration' page, it also contains a 'mood tracker' page with a key chart that you can colour in yourself ... ! The book then leads into a one month double page view which is a sheduler/planner, for listing commitments/appts and plenty of additional note space, then it has overleaf double page weekly spread with various sections to fill in which include 'Goals for the week', 'schedule', 'to do list', 'habits' ... 'notes', 'meal plan' ... 'shopping list', and 'expenses' (this expenses section also has a weekly chart to fill in which is very handy if you are aiming or needing to budget your days). These pages follow throughout the rest of the book and at the back there is a 'notes' page, a 'what movie should I watch?' page ... 'books to read' which is a page illustrated like 3 book shelves with several book binders blank upon the shelves ... so you can fill in the blank binders with your read or to read book titles... It then has another full 'notes' page, followed by an illustrated page of a money jar titled 'savings goals' which has each month listed within the jar, jan-dec, (bottom to top), so you can record either how much you have saved that month or you can write in the amount you are aiming to save that month ... then followed by another full 'notes' page! As you can see this is not just a diary or a scheduler, this is all you could ever need for the entire year! It's cute, smart, soooooo useful, soooo worth the money, and all in just one handy book! I would definately recommend! And I hope that I am able to obtain one of these again for next year!" (Staceylg25, 13 Jan 2018)
