The first three books available in one box set. (There is no new content as opposed to buying them separately.) [Political romance, MMF.] Governor, Lieutenant, Chief He kneels for only one man... She never comes in second... Behind every good man is a real bastard... --- Governor (Book 1) I kneel for only one man—Carter Wilson, my best friend, chief of staff, and bastard extraordinaire. It's a price I willingly pay to be owned by Her. His wife. Who is also, as of when we were sworn in this morning, my lieutenant governor. I am Owen Taylor, governor of the great state of Florida. --- Lieutenant (Book 2) I never come in second—that's just how my daddy raised me. Except now, I find myself willingly choosing exactly that—being second. Publicly, I might seem to serve at the governor's pleasure, but that's nothing close to the truth. He serves me at mine. Especially the pleasure part. We both serve my husband, Carter. Or, as Owen dubbed him long ago, the bastard extraordinaire. I never knew what I was really getting into when I met Owen and Carter. Maybe it's better I didn't. Maybe I would've run away if I had. Boy, how I love him. Both of them. Somehow, they make being second okay. And in eight years? It'll be my turn. I am Susa Evans, lieutenant governor of the great state of Florida. --- Chief (Book 3) Behind every good man is a good woman. That's what they say. They're wrong. Even my wife would agree. The truth is, behind every good man is a real bastard—that would be me. I knew from the day I met Owen that the only way I'd ever get him was to make sure I took whatever it was he loved and wanted most and hold it so close to me that he couldn't help but come with it. He did. And now...now there are people who want to tear the three of us apart. I'll die before I let that happen. I am Carter Wilson, chief of staff to the governor of the great state of Florida. And, according to him and my wife, a bastard extraordinaire.

Determination Trilogy Box Set: Dignity, Diligence, Desire Dignity (Book 1) He wants it back... My name is Kevin Markos, former star anchor for Full News Broadcasting. I say former, because an exhaustion- and frustration-fueled emotional on-air meltdown of apocalyptic proportions means my previously dignified reputation and stellar career as a highly respected conservative TV news host and commentator lay in smoking, irreparable ruins. Only one person will hire me now, and it's the last person I want to work for—Democratic Senator ShaeLynn Samuels, who's determined to be the next president of the United States. My reluctance isn't because of her, but because of who's working for her—Special Agent Christopher Bruunt, the head of her Secret Service detail. A college spring break trip I thought was safely hidden in my past, even if it never strayed far from my thoughts, now comes back to haunt me. If I take this job and succeed, it could resurrect my career and put me at the right hand of the most powerful person in the United States. But how much am I personally willing to sacrifice to claw my way back to the top? Because Christopher never forgot that spring break, either. And he has a few agendas of his own. * * * * Diligence (Book 2) She wants it all... My name is ShaeLynn Samuels, and all my life I've settled for second place to my own mother, who is a political legend in our home state of Florida. So far, I've proven myself through several crucibles, and now I'm a US Senator. Many people would be happy with that accomplishment, but not me. Because I want more—I want it all. I'm determined to be POTUS. And if washed-up TV news host Kevin Markos is my best chance to get elected, then by god, I'll make him come work for me however I have to. Even if Markos doesn't want to, and even if it means I turn the head of my Secret Service detail loose on him. Because Special Agent Christopher Bruunt has a secret assignment beyond protecting me—he's warning my bed. And he has a few plans of his own for Kevin Markos. You see, Christopher and Kevin have a secret history...and Christopher has pictures. * * * * Desire (Book 3) He wants them. When I first met Kevin Markos, we were both drunk college students at Spring Break. It was a week I never expected, and a week I'd never forget. Especially since I took pictures. Unfortunately, life got in the way, careers got in the way...as did Kevin's miles-deep closet. I thought the only way I'd ever see Kevin again was on a TV screen. But now? He's desperate, broken, and broke. ShaeLynn Samuels is a unique woman with future plans I want to be a part of. And Kevin never left my heart or my thoughts. Now I have a chance to make both ShaeLynn's biggest dream come true—and mine. Kevin's coming along for the ride whether he wants to or not. Explore politics, passion, and power exchange in Dignity, Diligence, and Desire, the Determination Trilogy. This MMF contemporary political romance features older main characters, second-chance love, an Alpha Secret Service agent, power exchange, pining, frenemies to lovers, a secret workplace romance at the highest levels of our nation's government, political intrigue, and a satisfying HEA. Contains all three full-length novels of the Determination Trilogy, a standalone spin-off trilogy set in the world of the Governor Trilogy, the Devastation Trilogy, and others.

The Complete Trilogy Book 1: Resistance What would you do if the laws allowed anyone with money to Trademark an everyday word? Or the copyrighting of a name, so no one could ever use that name again? Over a hundred years ago, Earth was dying. A few rich men and women banned together to create a kingdom on Mars. They hand picked the people who would join them in this new kingdom. Then they brought their arrogant beliefs and made them laws. The Trademark Commission was established to allow anyone who could afford it, the ability to trademark any common word. The laws stated that once a word was trademarked no one could speak that word again. The Naming Commission ensures that all names are copyrighted and no one uses another person's copyrighted name. Fines and even prison time are given to those who violate the trademark and copyright laws. Kathryn 5.0 was pregnant with her first child when the word 'baby' is trademarked. Forced to refer to her baby as "little human" she is tired of the 100 year old laws. Reaching out to friends, she works to create a resistance. Together they fight against the trademark and copyright laws. Battle lines are drawn and it is family against family. Those who resist the laws are branded "Bullies" while those who support the ancient laws wave the "Victim" banner. Book 2: Imprisoned Kathryn 5.0 is behind the Resistance and willing to stand up for those who cannot do so themselves. Being an Upper, she understands that she was born into more opportunities, though it does not make it right. But when things take a turn for the worst and Kathryn 5.0 is faced with losing everything she was born into, will she still stand with the Resistance, or will she fight against them? Book 3: Uprising The Resistance is still fighting against the injustices that plague the Kingdom. With their leader Kathryn 5.0, in prison, and more words being trademarked daily, there is little hope for change. That is, until an unsuspecting ally comes to Kathryn 5.0 with a plan for escape. Can Kathryn 5.0 finish what she started, or will she be the reason thousands of people will perish?
