Bowling Alone

CMJ New Music Report

Shows how changes in work, family structure, women's roles, and other factors have caused people to become increasingly disconnected from family, friends, neighbors, and democratic structures--and how they may reconnect.

È il classico ragazzo nuovo che arriva a scuola senza dare nell'occhio, l'ombra che nessuno nota. Si presenta in un liceo, in una città ogni volta diversa, con un nuovo nome, pochi amici e non rimane mai a lungo: giusto il tempo di veder morire qualcuno per "cause naturali" nella famiglia del suo migliore amico di turno. Missione compiuta, Boy Nobody scompare, è pronto per il prossimo obiettivo, e il "programma" è al sicuro. Ma quando il suo bersaglio è il sindaco di New York, le cose cambiano. Boy Nobody si rende conto che la figlia del sindaco, Sam, è così simile a lui, forte all'apparenza e allo stesso tempo fragile; il sindaco gli ricorda suo padre, quello vero, quello che non c'è più. Anche se i supervisori del "programma" lo osservano, gli stanno addosso, i ricordi e le domande affiorano e con loro i dubbi che rischiano di scalfire la sua fede nella missione. Da qualche parte dentro di sé, Boy Nobody sente di essere stato, un tempo, diverso dal guerriero senza scrupoli che è diventato. Aveva aspirazioni normali, una casa, dei genitori presenti e premurosi, una ragazza di cui innamorarsi. Desiderare la normalità, però, non è mai stato tanto pericoloso.

Santiago's Road Home

"With every chapter, readers will be further immersed in Santiago's story as they root for his triumph over injustice." —Booklist (starred review) "With unflinching conviction, Diaz sketches a frank, brief account of refugee youth in an uncaring bureaucratic system." —Kirkus Reviews (starred review) "Harrowing but deeply illuminating." —School Library Journal "Diaz's crucial narrative shines a disconcerting light on the plight of children in US detention centers along the southern border." —Publishers Weekly (starred review) A young boy gets detained by ICE while crossing the border from Mexico to the United States in this timely and unflinching novel by award-winning author Alexandra Diaz. The bed creaks under Santiago's shivering body. They say a person's life flashes by before dying. But it's not his whole life. Just the events that led to this. The important ones, and the ones Santiago would rather forget. The coins in Santiago's hand are meant for the bus fare back to his abusive abuela's house. Except he refuses to return; he won't be missed. His future is uncertain until he meets the kind, maternal María Dolores and her young daughter, Alegría, who help Santiago decide what comes next: He will accompany them to el otro lado, the United States of America. They embark with little, just backpacks with water and a bit of food. To travel together will require trust from all parties, and Santiago is used to going it alone. None of the three travelers realizes that the journey through Mexico to the border is just the beginning of their story.

They needed the perfect assassin. Boy Nobody is the perennial new kid in school, the one few notice and nobody thinks much about. He shows up in a new high school in a new town under a new name, makes a few friends, and doesn't stay long. Just long enough for someone in his new friend's family to die-of "natural causes." Mission accomplished, Boy Nobody disappears, moving on to the next target. But when he's assigned to the mayor of New York City, things change. The daughter is unlike anyone he has encountered before; the mayor reminds him of his father. And when memories and questions surface, his handlers at The Program are watching. Because somewhere deep inside, Boy Nobody is somebody: the kid he once was; the teen who wants normal things, like a real home and parents; a young man who wants out. And who just might want those things badly enough to sabotage The Program's mission. In this action-packed series debut, author Allen Zadoff pens a page-turning thriller that is as thought-provoking as it is gripping, introducing an utterly original and unforgettable antihero.

The Handbook of Clinical Interventions with Young People who Sexually Abuse provides authoritative, critical and up-to-date reviews of the growing body of empirical and theoretical knowledge in this field and clearly demonstrates how this knowledge can be used to guide and develop evidence-based practice for assessment and treatment. Key features include: * essentials of effective treatment programmes * relapse prevention * adolescents with intellectual disabilities and female offenders * work with families of young people who sexually abuse. Practical guidelines from acknowledged international experts with extensive

experience of research and clinical practice will be invaluable to all those working with young people who engage in sexually abusive behaviour.

A vehicle for moving ideas.

E. Schwab’s genre-defying tour de force. A life no one will remember. A story you will never forget. France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. Also by V. E. The Invisible Life of Addie LaRue

PURA BELPRÉ HONOR BOOK ALA NOTABLE BOOK “An important, must-have addition to the growing body of literature with immigrant themes.” —School Library Journal (starred review)

Twelve-year-old Jaime makes the treacherous and life-changing journey from his home in Guatemala to live with his older brother in the United States in this “powerful and timely” (Booklist, starred review) middle grade novel. Jaime is sitting on his bed drawing when he hears a scream. Instantly, he knows: Miguel, his cousin and best friend, is dead. Everyone in Jaime’s small town in Guatemala knows someone who has been killed by the Alphas, a powerful gang that’s known for violence and drug trafficking. Anyone who refuses to work for them is hurt or killed—like Miguel. With Miguel gone, Jaime fears that he is next. There’s only one choice: accompanied by his cousin Ángela, Jaime must flee his home to live with his older brother in New Mexico. Inspired by true events, *The Only Road* is an individual story of a boy who feels that leaving his home and risking everything is his only chance for a better life. The story is “told with heartbreaking honesty,” Booklist raved, and “will bring readers face to face with the harsh realities immigrants go through in the hope of finding a better, safer life, and it will likely cause them to reflect on what it means to be human.”

The debate on whether or not people are born homosexual (biological essentialist theory) or become homosexual during the course of their lives (social constructionist theory) continues as each side claims to prove the truth through research and clinical findings. This breakthrough book shows the fissures in concepts of the gay and lesbian identity and the one-sidedness of both biological essentialist and social constructionist versions of both sexual and gender identity. The editors present an alternative view—sexual and gender expression is a product of complementary biological, personal, and cultural influences in *If You Seduce a Straight Person, Can You Make Them Gay?* Through theoretical analysis, ethnographic and empirical data, and case studies, the editors show how the one-sidedness of both biological essentialist and social constructionist versions of sexual and gender identity make it difficult, if not impossible, to conceptually determine the origin of an individual’s sexual expression. This thought-provoking book covers many topics that are sure to cause readers to re-evaluate their thinking about the origins of gay and lesbian identity. Among the topics examined with this fresh perspective are: *Childhood Cross-Gender Behavior* and *Adult Homosexuality* *Gay and Lesbian Teachers* and *Coming Out* *Homosexuality, Marriage, Fidelity, and the Gay Community: Case of Gay Husbands* *Can Seduction Make Straight Men Gay?* *Gay and Lesbian Identities in Non-industrialized*

Societies--Surinam (Dutch New Guinea), Turkey, Nicaragua, and Argentina Political-Economic Construction of Gay Male Identities Readers will clearly see that the controversy over the being born gay or becoming gay debate is far from resolved. From the beginning, the book explores how human beings are less constrained by biology than many would like to believe. Social circumstances and economics cause some determination of identity, but not exclusively. Theoretical introductions to each chapter attempt to synthesize elements on both sides of this most contemporary debate.

Issues in Biological Essentialism Versus Social Constructionism in Gay and Lesbian Identities

The Cord Keepers

If You Seduce a Straight Person, Can You Make Them Gay?

Find out where the bestselling author of Charlie and the Chocolate Factory and The BFG got all his wonderful story ideas in this autobiographical account of his childhood! From his own life, of course! As full of excitement and the unexpected as his world-famous, best-selling books, Roald Dahl's tales of his own childhood are completely fascinating and fiendishly funny. Did you know that Roald Dahl nearly lost his nose in a car accident? Or that he was once a chocolate candy tester for Cadbury's? Have you heard about his involvement in the Great Mouse Plot of 1924? If not, you don't yet know all there is to know about Roald Dahl. Sure to captivate and delight you, the boyhood antics of this master storyteller are not to be missed!

The Only Road

Boy

The Crossroads

Catalog of Copyright Entries

Winner of the International Latino Book Award "An incredibly heartfelt depiction of immigrants and refugees in a land full of uncertainty." -Kirkus Reviews "Insightful, realistic picture...especially important reading for today's children." -Booklist "Fans of The Only Road will appreciate...while teachers and librarians may find the text useful to counter unsubstantiated myths about Central Americans fleeing to the US." -School Library Journal Jaime and Ángela discover what it means to be living as undocumented immigrants in the United States in this timely sequel to the Pura Belpré Honor Book The Only Road. After crossing Mexico into the United States, Jaime Rivera thinks the worst is over. Starting a new school can't be that bad. Except it is, and not just because he can barely speak English. While his cousin Ángela fits in quickly, with new friends and after-school activities, Jaime struggles with even the idea of calling this strange place "home." His real home is with his parents, abuela, and the rest of the family; not here where cacti and cattle outnumber people, where he can no longer be himself—a boy from Guatemala. When bad news arrives from his parents back home, feelings of helplessness and guilt gnaw at Jaime. Gang violence in Guatemala means he can't return home, but he's not sure if he wants to stay either. The US is not the great place everyone said it would be, especially if you're sin papeles—undocumented—like Jaime. When things look bleak, hope arrives from unexpected places: a quiet boy on the bus, a music teacher, an old ranch hand. With his sketchbook always close by, Jaime uses his drawings to show what it means to be a true citizen. Powerful and moving, this touching sequel to The Only Road explores overcoming homesickness, finding ways to connect despite a language barrier, and discovering what it means to start over in a new place that alternates between being wonderful and completely unwelcoming. Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Indian Cases

Ever wondered how Russell Crowe rose to stardom? Decades before he would stand in the middle of a Roman Coliseum in the role that would become his most iconic performance, a young New Zealander had designs of fronting a hard rock band. Russell Crowe's passion for music sparked his journey through drama school, during

which he recaptured a passion for acting. First appearing in Australian television, the actor made his crossover into international superstardom through appearances in a mixture of action-packed parts anchored by Crowe's dramatic presence. For more interesting facts you must read his biography. Grab your biography book now!
