

Boy Soldier

In a heart-wrenching, candid autobiography, a human rights activist offers a firsthand account of war from the perspective of a former child soldier, detailing the violent civil war that wracked his native Sierra Leone and the government forces that transformed a gentle young boy into a killer as a member of the army. 75,000 first printing.

What happens when children are forced to become child soldiers? How are they transformed from children to combatants? In *Child to Soldier*, Opiyo Oloya addresses these timely, troubling questions by exploring how Acholi children in Northern Uganda, abducted by infamous warlord Joseph Kony and his Lord’s Resistance Army (LRA), become soldiers. Oloya – himself an Acholi, a refugee from Idi Amin’s rule of Uganda, and a high ranking figure in Canadian education – is a scholar who challenges conventional thinking on child-induced soldiers by illustrating the familial loyalty that develops within a child’s new surroundings in the bush. Based on interviews with former child combatants, this book provides a cultural context for understanding the process of socializing children into violence. Oloya details how Kony and the LRA exploit and pervert Acholi cultural heritage and pride to control and direct the children in war. *Child to Soldier* is also ground-breaking in its emphasis on the tragic fact that child-induced soldiers do not remain children forever, but become adults who remain sharply scarred by their introduction into combat at a young age. Given the constant struggle in courts in deciding whether former child-induced soldiers should be pardoned or prosecuted for their activities and conduct, Oloya’s eye-opening book will have a major impact.

“As a 15-year-old boy I fought briefly in a war. My fight was neither noble nor heroic. I saw the horrors that no 15-year-old boy should ever see. I came into war purely by happenstance, and survived it purely by luck.” Gerhardt B. Thamm grew up on his grandfather’s farm in Lower Silesia, the hinterlands of Germany. In early 1945 this land, near the Czechoslovakian and Polish borders, became a battleground. The Soviets captured Lower Silesia in February, and Thamm, like many of his Hitler Youth high school classmates, was conscripted to fight on the Eastern Front until the last few days of World War II, experiencing firsthand fearsome barbarity and atrocity. Thamm’s family was deported from Silesia in 1946 to West Germany. Gerhardt Thamm arrived in the United States in 1948. The 17-year-old Thamm joined the U.S. Army the same year and served more than 20 years as an enlisted man. “Maybe, just maybe, I fought in this war to escape the barbarity. Maybe I wrote this book to still the memories.”

Ben Adams, a surly, spoiled, lazy boy of fourteen, is looking for adventure. The Texans, fighting a war with Mexico, are looking for soldiers. Ben and his best friend, Sammy, join the Alabama Red Raiders and travel to Texas to find their great adventure. Instead they find themselves digging ditches, lugging rocks, taking orders, and no glory, just suffering and death. The command he serves with is defeated by the Mexican Army and imprisoned in a small chapel. Ben is rescued by a Mexican "angel" one day before all of his comrades are executed. Through many dangers and difficulties, he finds his way to General Sam Houston’s army where he plans to avenge the deaths of his comrades.

Edwin Jemison and the Story Behind the Most Remarkable Portrait of the Civil War

Remembering Korea 1950

How My Father's Generation Was Trained to Kill and Sent to Die for Germany

Boy Soldier

The Fighting Mascot

The first-person account of a 25-year-old who fought in the war in Sierra Leone as a 12-year-old boy. 'My new friends have begun to suspect that I haven't told them the full story of my life. Why did you leave Sierra Leone? Because there is a war. You mean, you saw people running around with guns and shooting each other? Yes, all the time. Cool. I smile a little. You should tell us about it sometime. Yes, sometime.' This is how wars are fought now: by children, hopped-up on drugs and wielding AK-47s. In the more than fifty conflicts going on worldwide, it is estimated there are some 300,000 child soldiers. Ishmael Beah used to be one of them. What is war like through the eyes of a child soldier? How does one become a killer? How does one stop? Child soldiers have been profiled by journalists, and novelists have struggled to imagine their lives.

SOLDIER BOY! KELLY CHANCE III GOES UNDERCOVER FOR A TOP SECRET MISSION TO AFGHANISTAN. HE IS TO FACE MANY OBSTACLES AND PREDICAMENTS TO OVERCOME TO FIND HIS NEMESIS, MAWLANA. MAWLANA IS A HIGH VALUE TARGET HE MUST CAPTURE ALIVE. KELLY IS FACED WITH IMPOSSIBLE DILEMA OF CAPTURING OR KILLING HIM AS MAWLAWA HAS RAPED, TORTURED AND KILLED THE MOTHER OF HIS CHILD. JASMINE; A BRITISH AGENT. KELLY'S ADVENTURES BEGIN IN THE DESERT AND WHITE MOUNTAINS OF AFGHANISTAN. THERE HE SOLDIERS ON AND SEEKS OUT THE TERRORISTS AND SOURCE OF THE OPIUM SHIPMENTS, WHICH BUYS THE WEAPONS. WE HAVE SEVERAL SOLDIER GIRLS FIGHTING FOR THE RED, WHITE AND BLUE. THE GENERAL'S DAUGHTER, "CHARLIE," A BEAUTIFUL BLONDE, THE BRUNETTE, THE UNDERCOVER SECRET BRITISH AGENT, JASMINE WHO SEEKS THE SOURCE OF THE HIGH TECH WEAPONS, ROCKY IS THE BEAUTIFUL RED-HEAD, KELLY'S BOSS.KELLY CAN'T RESIST THE NEWSPAPER WOMAN AT HOME CALLED KATHERINE, OR KAT. WHAT WILL HE DO?

Eighteen-year-old Danny Watts and his grandfather Fergus, an ex-SAS explosives expert, travel to England, Spain, and Germany, in a life-or-death race to save the population from the spread of a lethal new drug that has been unleashed by terrorists.

Instead of seminary, 18-year-old Buffalo native Charles Palmer enlists in the 42nd Infantry, Rainbow Division. With his squad, Charles fights his way through Germany, only to arrive at the gates of hell: Dachau concentration camp. The recipient of the Bronze Star and the Silver Star, 93-year-old Charles tells his readers what he saw and what he thought about what he saw in the final, dangerous, unforgettable days of World War II.

The True Story of a Boy Soldier

Meltdown

Recollections of World War II

A Chronicle of Life and Death and Survival During World War II

Paint - A Boy Soldier's Journey

As one American teen proves his worth to his father and dedication to his country by joining the Army's paratroopers, a fifteen-year-old German boy is working hard as a member of the Hitler Youth in preparation for his big moment on the battlefields of World War II.

Johnnie Wickersham was fourteen when he ran away from his Missouri home to fight for the Confederacy. Fifty years after the war, he wrote his memoir at the request of family and friends and distributed it privately in 1915. Boy Soldier of the Confederacy: The Memoir of Johnnie Wickersham offers not only a rare look into the Civil War through the eyes of a child but also a coming-of-age story. Edited by Kathleen Gorman, the volume presents a new introduction and annotations that explain how the war was glorified over time, the harsh realities suppressed in the nation’ s collective memory. Gorman describes a man who nostalgically remembers the boy he once was. She maintains that the older Wickersham who put pen to paper decades later likely glorified and embellished the experience, accepting a polished interpretation of his own past. Wickersham recounts that during his first skirmish he was "wild with the ecstasy of it all" and notes that he was "too young to appreciate the danger." The memoir traces his participation in an October 1861 Confederate charge against Springfield, Missouri; his fight at the battle of Pea Ridge in March 1862; his stay at a plantation he calls Fairyland; and the battle of Corinth. The volume details Wickersham’ s assignment as an orderly for General Sterling Price, his capture at Vicksburg in 1863, his parole, and later his service with General John Bell Hood for the 1864 fighting around Atlanta. Wickersham also describes the Confederate surrender in New Orleans, the reconciliation of the North and the South, and his own return and reunification with his family. While Gorman’ s incisive introduction and annotations allow readers to consider how memories can be affected by the passage of time, Wickersham’ s boy-turned-soldier tale offers readers an engaging narrative, detailing the perceptions of a child on the cusp of adulthood during a turbulent period in our nation’ s history.

When he realizes that the bone his little brother Martin dug up in the back garden is not just a dog's bone but belongs to a hand, Drew begins to feel he is at the start of an adventure until the bones seem to move from place to place and he starts receiving spooky messages.

“Remarkable. . . Iweala never wavers from a gripping, pulsing narrative voice. . . . He captures the horror of ethnic violence in all its brutality and the vulnerability of youth in all its innocence.” —Entertainment Weekly (A)

The harrowing, utterly original debut novel by Uzodinma Iweala about the life of a child soldier in a war-torn African country As civil war rages in an unnamed West-African nation, Agu, the school-aged protagonist of this stunning novel, is recruited into a unit of guerrilla fighters. Haunted by his father’s own death at the hands of militants, which he fled just before witnessing, Agu is vulnerable to the dangerous yet paternal nature of his new commander. While the war rages on, Agu becomes increasingly divorced from the life he had known before the conflict started—a life of school friends, church services, and time with his family, still intact. As he vividly recalls these sunnier times, his daily reality continues to spin further downward into inexplicable brutality, primal fear, and loss of selfhood. In a powerful, strikingly original voice, Uzodinma Iweala leads the reader through the random travels, betrayals, and violence that mark Agu’s new community. Electrifying and engrossing, Beasts of No Nation announces the arrival of an extraordinary writer.

A Novel

The Boy Soldier

Simon Hutt always wanted to join the Army. In 1989, aged 16, he enlisted in the Royal Artillery and after a years basic training was posted to Germany as a regular soldier. Within months his unit was posted to the Middle East to take part in the first Gulf War...

...Simon was only 17. The devastation and destruction left a big impression and on his return he wondered why the Western World could mobilise its forces to fight for Kuwait, but not the likes of Bosnia or Rwanda. Determined to make a difference, Simon goes

Absent Without Leave and travels to the former Yugoslavia to join the Bosnian Croat Army. Fighting for people instead of oil... ..but the scars of war are not only physical.

A shocking personal memoir and a new perspective on World War II that follows the author’s journey in the footsteps of her father’s youth as one of Hitler’s child soldiers—bringing to light the untold story of the 300,000 German children who served in Hitler’s army When Helene Munson finally reads her father, Hans Dunker’s, wartime journal, she discovers secrets he kept buried for seven decades. This is no ordinary historical document but a personal account of devastating trauma. During World War II, the Nazis trained some three hundred thousand German children to fight—and die—for Hitler. Hans was just one of those boy soldiers. Sent to an elite school for the gifted at nine years old, he found himself in the grip of a system that substituted dummy grenades for Frisbees. By age seventeen, Hans had shot down Allied pilots with antiaircraft artillery. In the desperate, final stage of Hitler’s war, he was sent on a suicide mission to Závada on the Sudetenland front, where he witnessed the death of his schoolmates—and where Helene begins to retrace her father’s footsteps after his death. As Helene translates Hans’s journal and walks his path of suffering and redemption, she uncovers the lost history of an entire generation brainwashed by the Third Reich’s school system and funneled into the Hitler Youth. A startling new account of this dark era, Hitler’s Boy Soldiers grapples with inherited trauma, the burden of guilt, and the blurred line between “perpetrator” and “victim.” It is also a poignant tale of forgiveness, as Helene comes to see her late father as not just a soldier but as one child in a sea of three hundred thousand forced onto the wrong side of history—and left to answer for it.

After the outbreak of the Great War, boys as young as twelve were caught up in a national wave of patriotism and, in huge numbers, volunteered to serve their country. The press, recruiting offices and the Government all contributed to the enlistment of hundreds of thousands of under-age soldiers in both Britain and the Empire. On joining up, these lads falsified their ages, often aided by parents who believed their sons’ obvious youth would make overseas service unlikely. These boys frequently enlisted together, training for a year or more in the same battalions before they were sent abroad. Others joined up but were soon sent to units already fighting overseas and short of men: these lads might undergo as little as eight weeks’ training. Boys served in the bloodiest battles of the war, fighting at Ypres, the Somme and on Gallipoli. Many broke down under the strain and were returned home once parents supplied birth certificates proving their youth. Other lads fought on bravely and were even awarded medals for gallantry: Jack Pouchot won the Distinguished Conduct Medal aged just fifteen. Others became highly efficient officers, such as Acting Captain Philip Lister and Second Lieutenant Reginald Battersby, both of whom were commissioned at fifteen and fought in France. In this, the final update of his ground-breaking book, Richard van Emden reveals new hitherto unknown stories and adds many more unseen images. He also proves that far more boys enlisted in the British Army under-age than originally estimated, providing compelling evidence that as many as 400,000 served.

A BOY SOLDIER FOR THE QUEENThis book tells the real story of one boy's experience of growing up in the 1950's in the United Kingdom and overseas as a 'service brat' and then fulfilling an ambition, joining the boy service of the British Army straight from school at the age of fifteen in 1958 He signed-up for the Junior Leaders' Regiment, Royal Corps of Signals, at Denbury Camp near Newton Abbott Devon at a time when military discipline was still pretty tough. In the Junior Leader's he would start his training to operate the British Army's long-range high-speed radio and teleprinter equipment. His story also reveals the wonderful comradeship and humour that is still so unique to service life.How his early technical and leadership trading in boy service equipped him for the rigours and challenges to come in both military and civilian life.

A memoir of innocence lost and humanity regained in northern Uganda

Boy Soldier

Stories from Joseph Kony's Lord's Resistance Army

Hitler's Boy Soldiers

Rust: The Boy Soldier

Uganda's civil war with Joseph Kony's Lord's Resistance Army has raged since the 1980s, claiming over 100,000 lives and displacing around 1.5 million people. Kony's rebel force, who combine religious mysticism with extreme brutality, have abducted tens of thousands of children: their child soldiers. Their insurgency continues to this day, though most of us know little about it. Norman Okello was only twelve when he was abducted by the LRA. In captivity, he was subjected to a ruthless training regime aimed at turning him into a killing machine free from conscience and fear. Forced to commit unspeakable acts of violence, Norman struggled not just to stay alive but to hold on to the last shreds of his humanity. When he finally escaped the clutches of the LRA, he faced his next ordeal: trying to reintegrate into a society that feared and despised him. Harrowing, heart-rending and enlightening in equal measure, *Boy Soldier* is above all a story of survival and redemption against unbelievable odds.

At the end of the Second World War, hundreds of thousands of German children were sent to the front lines in the largest mobilisation of underage combatants by any country before or since. Hans Dunker was just one of these children. Identified as extremely gifted aged 9, he left his home in South America in 1937 in pursuit of a 'proper' education in Nazi Germany. Instead, he and his schoolfriends, lacking adequate training, ammunition and rations, were sent to the Eastern Front when the war was already lost in the spring of 1945. Using her father's diary and other documents, Helene Munson traces Hans' journey from a student at Feldafing School to a soldier fighting in Zawada, a village in present-day Czech Republic. What is revealed is an education system so inhumane that until recently, post-war Germany worked hard to keep it a secret. This is Hans' story, but also the story of a whole generation of German children who silently carried the shame of what they suffered into old age. It reveals the true cost and long-lasting impacts of such experiences - not just to them, but also to their families and future generations, a warning to a world where thousands of child soldiers are still sent to fight in armed conflicts.

Describes the harrowing youth of Emmanuel Jal, who was conscripted at the age of seven into the Christian Sudanese Liberation Army and who as a young man rose to become a hip-hop music star in Kenya and a spokesperson for Amnesty International. 100,000 first printing.

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

A Child Soldier's Story

Creed of Brotherhood

Farm-boy, Soldier, and President

Secret Soldiers

A Boy Soldier'S Story

Gripping, action-packed SAS thriller from the best-selling author of BRAVO TWO ZERO. Ideal for adventure-seeking readers. Danny Watts's grandfather, Fergus, was a traitor. One of the worst sort. An SAS explosives expert who betrayed his country and his Regiment for money. Drug money. He was arrested and left to rot and die in a Colombian jail. At least, that's what seventeen-year-old Danny is told when his hopes of becoming a soldier are destroyed for ever. But he knows something the army doesn't seem to know. Fergus Watts is alive and in the UK, living in secret under an assumed name - but where? Fergus is Danny's only living relative. Burning with fury and desire for revenge, Danny sets out to track down his grandfather and expose him. In doing so he sets in train an explosive sequence of events which throw Danny and Fergus together on the run from the people who want Fergus, and now Danny, dead. Packed with breathtaking action, SAS procedures and surveillance and survival techniques, this is a fast-moving, action-packed thriller for teenagers.

The Creed of Brotherhood is the totem that binds Boy Soldiers of the Nigerian Military School, Zaria.

"Young Roman Taylor struggles to keep his family's small farm afloat as the countryside heals from a devastating world war. When a boy with a jet pack, the mysterious Jet Jones, suddenly crash lands into their barn, Roman believes the secrets of Jet's past may be the key to their survival. But are some secrets best left untold?"--Cover.

A haunting, beautiful first novel by the bestselling author of A Long Way Gone When Ishmael Beah's A Long Way Gone was published in 2007, it soared to the top of bestseller lists, becoming an instant classic: a harrowing account of Sierra Leone's civil war and the fate of child soldiers that "everyone in the world should read" (The Washington Post). Now Beah, whom Dave Eggers has called "arguably the most read African writer in contemporary literature," has returned with his first novel, an affecting, tender parable about postwar life in Sierra Leone. At the center of Radiance of Tomorrow are Benjamin and Bockarie, two longtime friends who return to their hometown, Imperi, after the civil war. The village is in ruins, the ground covered in bones. As more villagers begin to come back, Benjamin and Bockarie try to forge a new community by taking up their former posts as teachers, but they're beset by obstacles: a scarcity of food; a rash of murders, thievery, rape, and retaliation; and the depredations of a foreign mining company intent on sullyng the town's water supply and blocking its paths with electric wires. As Benjamin and Bockarie search for a way to restore order, they're forced to reckon with the uncertainty of their past and future alike. With the gentle lyricism of a dream and the moral clarity of a fable, Radiance of Tomorrow is a powerful novel about preserving what means the most to us, even in uncertain times. Named one of the Christian Science Monitor's best fiction books of 2014

Beasts of No Nation

Avenger

A Personal Story of Nazi Elite Schooling and its Legacy of Trauma

Soldier Boys

Harry the drummer; or, The boy soldier

Since its first publication over fifty years ago, the image of Private Edwin F. Jemison has attracted widespread attention from those interested in the Civil War and other wars. His likeness has been compared to that of the Mona Lisa, and it rivals Abraham Lincoln as being one of the Civil War's most recognized photographs. Despite the great interest in the photograph almost nothing has been known of the young man himself, and misinformation about him has circulated since he was properly identified twenty years ago. The authors have spent decades researching the story behind the photograph seeking primary sources, including material from Jemison's family, for accurate details of his life. The result is *The Boy Soldier*: Edwin Jemison and the Story Behind the Most Remarkable Portrait of the Civil War, the only biography of this young Confederate soldier. We first encounter Eddie as he travels from his home in Louisiana in 1857 to stay with relatives and attend school in Georgia. In the spring of 1861, after Louisiana had seceded from the Union, Eddie enlists in the 2nd Louisiana Volunteer Infantry. A little over a week after enlistment, and at some point having had his portrait taken, Eddie is sent to Virginia to fight in the greatest struggle this nation has ever endured. Over 150 years later the intrigue around his photograph is matched by the very peculiar accounts of his death, as well as the controversy of his burial location. The authors examine both issues to complete the story of the young soldier's life and death. -- Inside jacket flaps.

Danny & his grandfather, an ex-SAS explosives expert, are on the run, with their cover in Spain blown. Encouraged by the mysterious Deveraux, they return to London to confront their enemy in MI6, Fincham.

An unforgettable novel based on the life of Ricky Richard Anywar, who at age fourteen was forced to fight as a soldier in the guerrilla army of notorious Ugandan warlord Joseph Kony *Soldier Boy* begins with the story of Ricky Richard Anywar, abducted in 1989 to fight with Joseph Kony's rebel army in the

Ugandan civil war (one of Africa's longest running conflicts). Ricky is trained, armed, and forced to fight government soldiers alongside his brutal kidnappers, but never stops dreaming of escape. The story continues twenty years later, with a fictionalized character named Samuel, a boy deathly afraid of trusting anyone ever again. Samuel is representative of the thousands of child soldiers Ricky eventually helped rehabilitate as founder of the internationally acclaimed charity Friends of Orphans. Working closely with Ricky himself, debut author Keely Hutton has written an eye-opening book about a boy's unbreakable spirit and indomitable courage in the face of unimaginable horror. This title has Common Core connections.

On 28 June 1915, young James Martin sailed from Melbourne aboard the troopship Berrima – bound, ultimately, for Gallipoli. He was just fourteen years old. Soldier Boy is Jim's extraordinary true story, the story of a young and enthusiastic school boy who became Australia's youngest known Anzac. Four months after leaving his home country he would be numbered among the dead, just one of so many soldier boys who travelled halfway around the world for the chance of adventure. This is, however, just as much the story of Jim's mother, Amelia Martin. It is the heartbreaking tale of the mother who had to let him go, of his family who lost a son, a brother, an uncle, a friend. It is about Amelia's boy who, like so many others, just wanted to be in on the action. Visit anthonyhillbooks.com

Soldier Boy

A Boy Soldier for the Queen

The Final Chapter of the Watts Family Adventures

The Story of Garfield

The Memoir of Johnnie Wickersham

Danny and Elena are now working for the Firm, desperately attempting to track down the vengeance-seeking Black Star before more 'Angels of Death' suicide bombers are despatched. Elena is the key to discovering the bomb-master's whereabouts as she has already made Deep Web contact. The plan is simple - locate Black Star and kill him - at whatever cost. While Fergus is forced to remain in England, confined to a wheelchair as he recovers from his injuries, the hunt takes Danny and Elena to New York on a covert mission led by Marcie Deveraux. Despite Black Star's trickery and deception, the net gradually closes. Fergus travels to the US to help, but Elena is drawn into terrible danger, and only Danny can save her. Using the skills his grandfather has taught him and his own initiative, he must stop the avenging bomb-master from wreaking further destruction . . .

Russell E. McLogan was drafted out of College into the Army on September 15, 1944, hastily trained to be a Rifleman replacement and sent to the Philippines where he joined the 6th Infantry Division in combat in the hills northeast of Manila. He lasted 67 days in combat and was wounded by Japanese machine gun fire in a battle in Northern Luzon. Evacuated to the island of Leyte, he spent the next 89 days in hospitals there recovering from his leg wound. The Army doctors considered him fit enough to be available for the proposed invasion of Japan. However, the Atom Bombs were dropped while he was recuperating so when he was discharged from the hospital in September of 1945, he rejoined the 6th Infantry Division just in time to sail off to Korea where he served in the Occupation, disarming the Japanese and sending them home and disposing of their munitions in the Yellow Sea. He was sent home for discharged on November 2, 1946.

*Soldier Boy*Farrar, Straus and Giroux (BYR)

Hyung K. Shin was sixteen years old when the North Korean army invaded South Korea in June 1950. Fleeing his home, Shin soon found himself alone in Pusan, a refugee without resources or any means of support. To save himself from destitution, he lied about his age and volunteered for service in the South Korean army. Shin's account of the months that followed is a moving record of the Korean War from the perspective of an ordinary ROK soldier. He recounts his hasty training and subsequent experiences as a battlefield soldier in North Korea, as a guard in a prisoner-of-war camp, and as a refugee again in the massive flight of civilians and ROK military personnel retreating before the onslaught of the Chinese invasion. Through it all, Shin struggles to retain his humanity and pursue his education. In the process, the naïve schoolboy becomes a man. Today, Hyung K. Shin is an internationally respected chemist, but in the pages of this memoir he carries us back to Korea during a pivotal moment in that country's history. This is the first account in English that describes the war from the perspective of a Korean who lived through and fought in it. Shin's detailed and lively narrative is a stirring monument to the survival of human decency and kindness in the midst of terror, cruelty, despair, and the destruction of a proud nation.

Radiance of Tomorrow

TAMBA, Child Soldier

SOLDIER BOY! SOLDIERS GIRLS!

Child to Soldier

The Boy Soldier, Etc

Over a quarter million underage British boys fought on the Allied front lines of the Great War, but not all of them fought on the battlefield—some fought beneath it, as revealed in this middle-grade historical adventure about a deadly underground mission. Secret Soldiers follows the journey of Thomas, a thirteen-year-old coal miner, who lies about his age to join the Claykickers, a specialized crew of soldiers known as "tunnelers," in hopes of finding his missing older brother. Thomas works in the tunnels of the Western Front alongside three other soldier boys whose constant bickering and inexperience in mining may prove more lethal than the enemy digging toward them. But as they burrow deeper beneath the battlefield, the boys discover the men they hope to become and forge a bond of brotherhood. Secret Soldiers is another stunning story of strength, perseverance, and love from Keely Hutton.

"My name is Tamba Cisso. When I was eight years old, I lived in the village with my father, my mother and my sister. I went to school and had learned to read. I knew there was war in my country, but I didn't know that children could wage it." Providing a testimonial to one of the most heart-wrenching and chilling developments in modern warfare, this graphic novel chronicles the realities of hundreds of thousands across the world, kidnapped and forced to commit atrocities.

A rare look into the Civil War through the eyes of a child is offered in this coming-of-age story by a young Confederate soldier that is accompanied by a new introduction and annotations that explain how the war was glorified over time.
