

Breaking Me In Shattered Book Three

Kate Daniels discovers she has just 24 hours to find the shape-shifter that murdered a Master of the Dead, or risk the start of a war. By the #1 New York Times best-selling author of Magic Rising. Reprint.

This is book 4 in the IF I Break Series. It is strongly suggested to start at book 1 which is currently free. When you're heartbroken, it lies beneath everything that you do. It's in all of who you are. Foreshadows who you'll be. It hides underneath your smile, rests between your laugh, revels in your tears and taunts your every thought. You wish it away but are too terrified to let it go.... When Cal first disappeared I swore my heart had broken, and before all of this is over I swear it will shatter into pieces.

I lived in a world of darkness, never to see the light again. It's been eleven years since my father cursed Crystal City, since he condemned me to a life of loneliness and misery. By taking away everything that my mother loved, he took everything that I knew and cared for. Everything, but the throne. Only what good was being a queen in a city of mindless killers? A city that would never see the sunlight until the day of my death. I truly had nothing to live for..... Or so I thought. The night that Wolfe was dragged into my palace, I knew that my life would never be the same. We were childhood friends once, but we went our separate ways. He became captain of the pirates, and I ascended to the diamond throne. My once sworn protector had become my enemy, but we were both alone, and the connection we felt was almost unbearable to ignore. My heart only cracked after my father abandoned me, but Wolfe would completely shatter it. For someone that hasn't felt anything for years, that wasn't such a bad thing.

This is book 2 of the God 's Hellfire MC romance series! Book 3 is available everywhere now! She 's threatening to ruin everything I built. I took over the God 's Hellfire MC when my father died. And then I made it into an empire. But the time has come for us to rise to the next level. No more playing around with silly stolen electronics. I want to truly seize the power I was born to wield – the firepower, that is. These stolen weapons are the key to our future. But I 've got enemies eager to stop us in our tracks. I have to be careful, every step of the way. Now is the worst time possible for distractions. But the curly working girl just refuses to be ignored. She 's too beautiful and too innocent for her own good. Her scent, her softness – it all tempts me towards leaving behind my life of crime and violence. I can 't let my resolve weaken. But I can 't say no to night after night with her in my bed. Kaci comes with baggage, however. Secrets and mysteries in her past that are starting to reveal themselves. And as I learn more about her, I come to realize that she is far more than she seems. Does she really love me? Or is she just waiting to lure me to my death?

I was robbed of \$125,000,000 and I can prove it.This is a true-life story of how I have gone from Heiress to Homeless.My father created an empire, he started out in his two-car garage in 1953. My parents were married for thirty years but their marriage ended in divorce. After the divorce, my four siblings and I helped our father's business grow tremendously. We were consistently rated at the top in quality and prompt delivery. We had everything going for us. We were respected in the industry and we prospered as a family. Over the years, my father amassed a fortune. When my father's health started to fail from the effects of Alzheimer's, an unscrupulous attorney working with my three older siblings produced a doctored estate plan along with illegally recorded real estate deeds. This attorney falsified company stock certificates and stole millions of dollars in cash assets. On May 10, 2011, the FBI apprehended my three older siblings. My younger sister and I had no idea what was happening but were entirely cut off from the family and the business with no communication whatsoever. Three months later, I was standing in front of a Federal judge with no representation and no money. My family had filed multiple lawsuits against me. This was the start of my nightmare. After seventeen lawsuits in eight years, I wrote this memoir. After my father's death in 2013, my sister and I found out that our \$125,000,000.00 inheritance share was gone. I was ordered to live under an alias name and to never publicly make any reference about my family or my last name again. In working with the FBI, they told me "if I knew what was good for me, I would keep my mouth shut." After eight years all the puzzle pieces fell into place. I have uncovered a blatant, organized white-collar scheme to strip me of my inheritance and blacken my good name. Come with me on my journey of how I have endlessly worked to uncover a corrupt system and expose a law firm and its dirty deeds. Putting undue stress on my family caused their sibling to go from Heiress to Homeless.

When a 2020 INTERNATIONAL BOOKER PRIZE A stark and gripping tale of childhood grief from one of the most exciting new voices in Dutch literature Ten-year-old Jas lives with her strictly religious parents and her siblings on a dairy farm where waste and frivolity are akin to sin. Despite the dreary routine of their days, Jas has a unique way of experiencing her world: her face soft like cheese under her mother's hands; the texture of green warts, like capers, on migrating toads in the village; the sound of "blush words" that aren't in the Bible. One day in morning, the disciplined rhythm of her family's life is ruptured by a tragic accident, and Jas is convinced she is to blame. As her parents' suffering makes them increasingly distant, Jas and her siblings develop a curiosity about death that leads them into disturbing rituals and fantasies. Coconed in her red winter coat, Jas dreams of "the other side" and of salvation, not knowing where this dreaming will finally lead her. A bestseller in the Netherlands, Marieke Lucas Rijneveld's radical debut novel The Discomfort of Evening offers readers a rare vision of rural and religious life in the Netherlands. In it, they ask: In the absence of comfort and care, what can the mind of a child invent to protect itself? And what happens when that is not enough? With stunning psychological acuity and images of haunting, violent beauty, Rijneveld has created a captivating world of language unlike any other.

Every step leads her deeper into danger... Eden Miller has her life arranged exactly as she wants it—until a reunion with her high school BFFs places her in the middle of a turf war with a ruthless prison gang, their terrorist allies, and the hunters tracking them. Her every move draws her deeper into the danger surrounding Ty Bladen and his team of terror fighters, but his seductive charm and engaging smile make her believe his promises of protection. A secret is a dangerous thing... When the terrorists Ty Bladen is tracking infiltrate his remote ranch in Wyoming, he learns the plot he buried cannot be so easily escaped. Though he's recovering from a bullet wound he received in Afghanistan and is hunted by an unseen enemy, he knows he can't leave Eden alone to face the danger swirling around her, danger he and his team have brought to her—even if he has to risk letting her near his frozen heart. But when she learns his terrible secret, will she stay or will she run?

Carlo Newsom illuminated the relation between the aesthetic forms of Job and the claims made by its various characters. Her innovative approach makes possible a new understanding of the Eden of the book that rejects its dismantling in historical criticism and the flattening of the text that characterizes many final form readings. Additionally, she rehabilitates the moral perspectives represented by certain voices of the book that modern critics have treated with disdain.

New York Times bestselling author J. Kenner follows up her breathtaking Stark Trilogy with three sizzling standalone novels featuring unforgettable alpha males—and the seductive games they play. This is the series that led RT Book Reviews to proclaim, “Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them.” Now all three installments are available in one addictive ebook bundle: WANTED He is everything I crave, all I desperately want—and he is everything I can't have. Evan Black embodies my every fantasy. He is brilliant, fierce, and devastatingly handsome. But he is also headstrong, dangerous, and burdened with secrets. My family warned me to stay away, that I could never handle Evan's dark dealings or scarred past. Maybe I should have listened. Maybe I should have run. But our desire is undeniable, and some temptations you just can't fight. And from the moment we touch—the passion between us consuming us both—I know that I will never be the same. HEATED I knew better than to risk my heart. But fierce passion comes at a high price. I grew up believing in right and wrong, good and evil, black and white. I knew better than to trust. And then I met Tyler Sharp. Bold, charming, and dangerously sexy, Tyler always gets what he wants. But his smile can be deceiving, his dealings sordid, his ambitions ruthless. I thought I was the one woman strong enough to resist him, but our need for each other was too urgent to deny. One look and I was in trouble. One touch and I was hooked. One night and I became his. And now that I've fallen, there's no going back. IGNITED He promised to take me as far as I could go—and I wanted to go to the edge. My whole life has been a cover, a con, a lie. I was born into the grift, raised on the thrill of playing someone I'm not. As a rule, I never let anyone get too close—until Cole August makes it impossible for me to stay away. Cole is tough, sexy, and intensely loyal, yet his secrets are dark and his scars run deep. Not many women can handle his past, or the truth behind his fierce demands. But something about him beckons me—and our desire is a game I must play. I know he's dangerous, that even his touch is trouble, but what is passion without a little risk? Praise for the Most Wanted series “Wanted is another J. Kenner masterpiece. . . . This was an intriguing look at self-discovery and forbidden love all wrapped into a neat little action suspense package. There was plenty of sexual tension and eventually action. Evan was hot, hot, hot! Together, they were combustible. But can we expect anything less from J. Kenner?”—Reading Haven “A steamy story with a dark edge.

Recommended for those seeking crime drama with spice.”—Library Journal, on Heated “[Kenner's] characters' scorching, scandalous affair explores the very nature of attraction and desire, redeeming and changing them beyond measure.”—RT Book Reviews, on Heated “Ignited delivers both scorching hot scenes along with the evolution and unpeeling of emotional barriers built by past dark secrets.

Moreover, the characters are complex, the passion is intense and the ultimate message that love can heal all is inspiring.”—The Romance Reviews (five stars) The Most Wanted series is intended for mature audiences.
